Weather Bad-Hail Storm and Rain 2nd Half

STATEMENT BY COACH FRANK HOWARD OF CLANSON

I never did think I'd be happy to see a tie but after losing three in a row, I'm glad to see it.

Actually, I think we have a better team right now than last year despite the fact that we lost three good boys before the season opened and our captain didn't play in the first three games ~~because~~ (Guard captain Tracy Childers was hurt early in the Oklahoma game, had 5 plays against Georgia Tech and did not play at all against N. C. State)

Georgia kicked us around a lot more last year than ~~this~~ today. Actually, we didn't have any special defense set up for Rakestraw and not many times did we actually put the rush on him.

Someone asked Howard did Clanson practice on blocking extra points and field goals during the week. He said, "That's one I'm gonna take credit for because we did and it paid off. To know that McCollough was a good placekicker and that he had pretty good distance. A field goal could have settled it for either team today."

Howard though he ~~was~~ got good play out of his interior line and commented he thought his fullbacks ~~were~~ ran well. "It's really hard to get to that outside now. You look up and there's 10 of 'em waiting on you on those sweeps."

Howard was again asked about the new substitution rule. He went over again his dislike for it. (Howard is one of 15 voting members on the rules committee). "I'll tell you one thing," Howard said, "they have 1/15 of a vote right now to change it."

"I wish we could have won this one, but I'm just thankful we didn't lose."
