Post Game Quote By Coach Bob King of Furman

I think our boys played a real well. I hated we gave them that last score. The team didn't ~~break~~ back off at all, and overall, they played about as well as they're capable of. We have nothing to be ashamed of. We made several bad mistakes—but there was some pretty good hitting by both teams.

Clemson has a pretty good team. That Mauldin is good and strong. It was hard to stop those fullbacks for less than three yards—and when they ran four times, that made 12 yards.

I think our man-on-man tackling was sharper than usual.

The loss of Kerr in the second half hurt us, but overall the boys played a good ball game.

POST Game Quote by Coach Frank Howard of Clemson

I'm mighty thankful we didn't have to play Oklahoma today. Furman played a lot better game than I thought they would. We prepared for about every defense we could think of, but they up with another one (4-4) and this ~~was~~ was confusing to a young end, and we have a few of these. But that line isn't hitting as hard as they're supposed to.

Playing a game like this is going to help us. Our boys thought we had been working them too much, but they found out today they weren't in shape. But I think we are going to come along allright. We played the third unit very little because that first and second team needed the work.

We're thankful for those 28 points. I imagine North Carolina would liked to have had 28 today (N. C. State defeated the Tar Heels, 14-13). When you get that many penalties and don't play up to par and still win, you can be ~~be~~ pretty thankful.

After we scored that quick touchdown, I was afraid the rest of them would come hard and they did. Mauldin really gutted it in there today. He's a tough one. And that Liberatore went in there and picked the whole team up.

We're looking forward to playing Georgia Tech. I know we have N. C. State to play before that, but when you prepare for the best, you'll be ready for the rest of 'em.
