AFTER THE GAME STATEMENTS BY THE COACHES

BY GEORGIA TECH COACH BOBBY DODD

"The best things about today's football game as far as Tech is concerned was that we won, and we didn't get anyone hurt.

"I thought that we looked very good at times and very bad at other times. We looked good when we stopped Clemson drives all but once deep in our territory. We looked good on a few big plays defensively and two big plays offensively. We looked bad in that we continued to make entirely too many errors.

"The play on which Gresham scored was a beautiful one, well executed and then a tremendous individual effort by Gresham. He just ran away from two Clemson men who had good angles on him.

"Clemson was a ~~xxx~~ good team on Grant Field today, well prepared to stop our offense and they never quit trying."

BY CLEMSON COACH FRANK HOWARD

I think we played good enough to win, but those two home run plays killed ~~me~~ us. On the pass play, two boys missed on a ~~switch~~ <sup>switch</sup> and that left the receiver open.

I thought we really went after 'em today. And if we played 'em again tomorrow, we might be the winner.

Asked about Bell and Ray at quarterback Howard said: "Bell just isn't a good passer and we started playing Ray on Offense and Bell on defense. Ray was sick at halftime, but I told he had to suck it up and go" (Ray had upset stomach)

If we play every game like we did today, we are going to win some. But on our remaining schedule, we could win 'em all or lose em all. It's just that close.

We didn't work on but four things this week...the option both ways and that passing both ways. And today I think we were as good as they were.

But we like to come to Atlanta. We're not afraid of anybody down here and I hope we can come as long as I coach. There ain't
