## COACHES' QUOTES

TATE: This game was a story of a few mistakes that really cost us. Our kids played hard, but we just were not able to get it across. I'm not convinced that we're not as good as they (Clemson) are. The turning point of the game was that 40-yard run by Davis. That broke our back. We knew we had to stop their running game, and we were playing a tight defense. I think one of our linebackers was cut off on that long touchdown run (Davis' 40-yarder). On that blocked quick kick I think our halfbacks got too anxious and tried to block. I called that play. Our game plan was to go outside and pass. I felt we could pass against them and we did. I thought we would come back after the half and so did our kids. Now, we'll keep our heads up and look forward to Maryland next week.

HOWARD: Someone asked Howard had he prepared any kind <sup>of</sup> ~~an~~ special defense for Jane Mansfield, and he ~~was~~ said he didn't know she was here, but he understood "if you win, you gotta have a lot up front."  
Howard was not particularly pleased with his team's performance, but it feels good to have a win because I needed one. I figured we had to run a lot because we don't throw too well. But we won by more than some thought we were going to.  
Asked about the quick kick, Howard said they knew about it and were prepared for it. We can tell when they are going to quick kick. The last time anybody tried to quick kick against us was ~~Michigan~~ North Carolina in 1958. Tatum tried it and we also blocked that one for a touchdown.  
My boys, especially my line, is green and they still aren't ~~my~~ poppin' like I want them. They don't fire out at you. I don't feel good about the game, but I like to win. People expect more from us. When those Tigers don't growl, people get upset.  
But they say winning is all that counts, so guess we're all right.
