COACH TOM NUGENT: "Although all of our boys played well, I'd have to single out our replacements, especially those on defense. They really handled Clemson's offensive game all the way. This was the first game that Pastrana (Chuck) ever had played in and what a game he played! It also was only the second game for Gawlick (Fred) and not too many for Delagrangé, but they all came through.

"I'd say that Marciniak turned in his finest game even though he fumbled a couple of times.

"I've always regarded Sullivan the most under-estimated man on the squad, but he'll be on my TV show tomorrow. He's a real fighter and how he came up with those pass interceptions.

"We thought that the game might be decided by a field goal, but never thought of the winning team getting two.

"I admire Frank Howard ^{for} going all-out for victory and not just a tie. Howard's a good coach and he wanted to win and I'd back his strategy 100 percent.

"We still have a chance to tie for the ACC championship, no matter how you cut it. Where there's faith there's hope and we hope to get in the title picture somehow.

"This was our second best game of the season; almost as good as our victory over South Carolina down here in this same state two weeks ago."

POST GAME QUOTES BY COACH FRANK HOWARD:

"They just wanted the game more than we did. They came ready to play and our boys didn't. That's all you have to say."

"You could tell they(Maryland) wanted the game. They knocked us around good. When you get hit like we did you ain't trying."

"Our defense had a bad day. But I don't know why they play that way. Maybe it's because they're tired. We've been practicing football since August 20 and I kinda think they're tired."

About the south carolina game next week.

"We'll just have to pick up the pieces and get ready for South Carolina."

About missing the conference championship today.

"Looks like they could've played a little harder and better ~~us~~ with the conference championship at stake."

"But Maryland ~~gix~~ just hit a heck of a lot harder than we did."

"We didn't do anything ~~gix~~ good today. I think we're lucky they didn't have us a ~~sk~~ lot more at the half. "We were fortunate they didn't beat us a lot worse."

"We just didn't ~~play~~ play well, that's about all you can ~~say~~ say."
