NQS UPDATES

The WCGA announced a new Team NQS formula that goes into effect this season:

The NQS will be calculated by:

1. Identifying the home scores [max of five (5) home meets].
2. Ordering the home and away scores in descending order from highest to lowest.
3. Confirming five (5) away meet scores.
4. Dropping the highest and lowest scores.
5. Averaging the remaining scores.

The Individual NQS formula will not change with this adjustment to the team NQS formula.

Individual NQS will continue to be calculated by using the three (3) highest away scores and three (3) highest home scores, dropping the highest score, and averaging the remaining five (5) scores.

NEW COACHES, NEW MOTTOS

One Day Better

Entering their first season with the Tigers, new Co-Head Coaches, Justin Howell and Elisabeth Crandall-Howell brought a motto they carried throughout their time at Cal, "One Day Better". This motto reiterates to the gymnasts that each day they only need to be one day better than they were yesterday. Co-Head Coach Crandall-Howell said "Being able to help individuals look at life intentionally and thinking about, okay "what can I do better today?". It's not necessarily what I can do perfectly today, it's about what can I do to improve?" "I personally believe in a mission of being one day better. That's really something that Liz and I have always held true to the way that we coach and what we expect out of our student-athletes. One day better really means that you're willing to step outside of your comfort zone each day and get better in all aspects of your life," said Co-Head Coach Howell.

Joy, Respect, Empower, Growth, Purpose

During the yearly team retreat the gymnasts were given the opportunity to pick which words they wanted to define them when they are done with their career. In years past the gymnasts felt as though they had little input into the words for the season or the program. With this in mind the Howells let the team pick what words they wanted to define them as a team and what they wanted the Clemson family to remember them by. The five words are joy, respect, empower, growth and purpose. The words chosen by the team are now displayed in the team's practice facility.
