# WALAPAI EXPERIENCE

## 2 Day Rafting Trip – Weekends Only – March through October 2016

### FRIDAY NIGHT

Check-in at the Hualapai Lodge on Route 66 in Peach Springs, AZ.  
4pm trip briefing at Hualapai River Runner front desk.

### SATURDAY

6:30am Check-in at the Hualapai River Runner Front Desk and loading of gear and busses. Dress or have your wet gear ready. You will be getting wet most of the day starting with the Diamond Creek Rapid.

Your first stop is Travertine Falls. Enjoy a short hike to this beautiful natural waterfall, and bring your camera. Continue your trip to “Spencer Canyon” and the campsite. Spencer Canyon is where the origin of the Hualapai story begins. Set up camp, inside the canyon, for an enjoyable evening and dinner (steak, salad, corn on the cob, baked beans and assorted non-alcoholic beverages).

### SUNDAY

Start the day with a hot breakfast and short hike (optional), loading of the boats and packing the gear for the second part of the trip. Pack your personal items separately (jacket, wallet, phone, etc.), as you will take these items with you on the Helicopter ride from the river up to Grand Canyon West for the rest of your Walapai Experience Tour (additional purchase required). That morning you will board power pontoon rafts and head down the river to the Grand Canyon West Helipads. This portion of the trip allows you to sit back and enjoy the natural beauty of the Canyon, on smooth waters. Arrive at the Helicopter pads and disembark for the rest of the adventure.

After loading the Helicopters, enjoy the ride to the top of the Grand Canyon and home of Grand Canyon West. You will unload at the main terminal where public transportation will be ready take you to Eagle Point, where you can walk the world famous Skywalk and visit an Indian Village.

Your Hualapai River contact will let you know where and what time to meet for the return trip back to Peach Springs, AZ. Expected arrival in Peach Springs is around 6pm.

Your camping gear, if you brought it, will be transported back to Peach Springs and ready for pick up once you return. If you don't take the helicopter from the river to Grand Canyon West, your journey continues down the river, until you are bussed back to the Lodge in Peach Springs.
