How to Remove Margin:

1) Login to your Tradier brokerage account here: https://dash.tradier.com/
2) Close any existing positions you have.
3) Select the "Settings" gear symbol in the upper right hand corner:
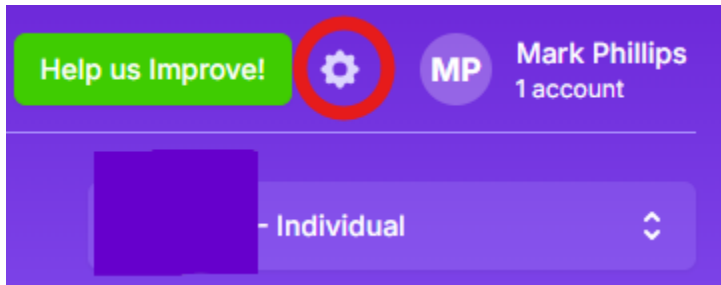

4) Select Account Management at left, and use the dropdown under "Manage Account Features" to select "Add/Remove Margin"
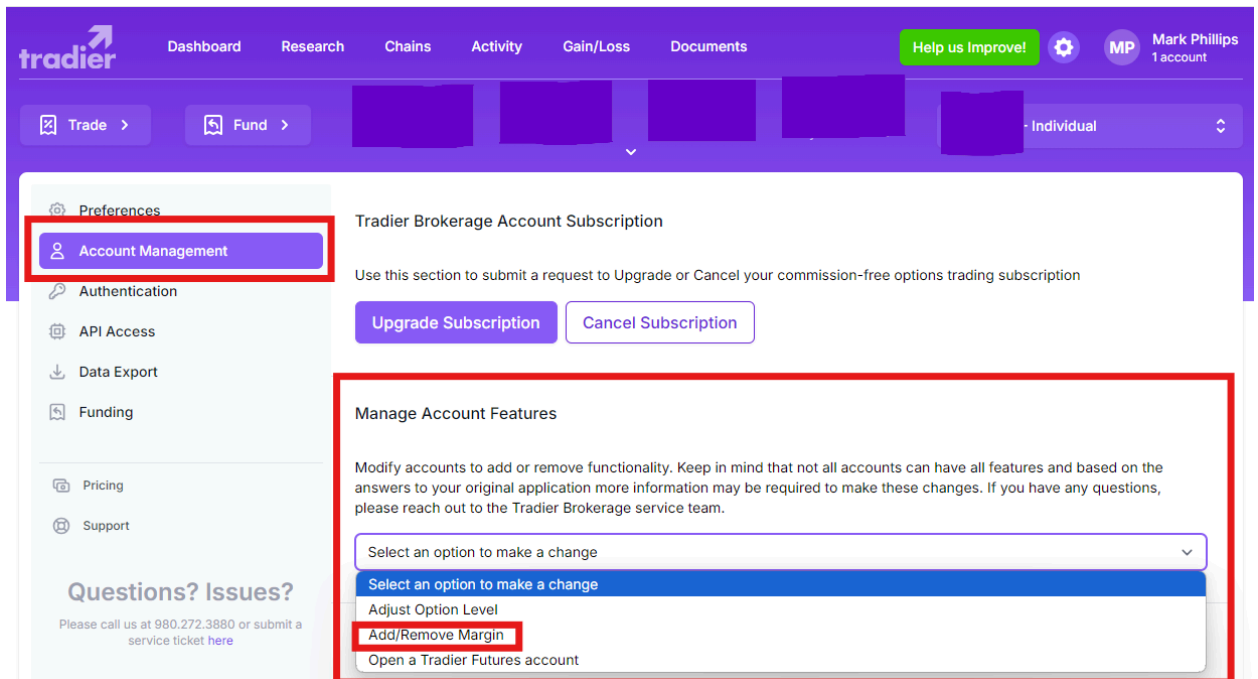

5) Select Remove Margin. This will take 1-2 business days.
6) Please just respond once this has been completed and we can create your Harvested account powered by PeakBot!
