

The background of the entire sheet is a detailed illustration of a Viking village at night. On the left, there are several wooden houses with thatched roofs and lit windows. In the center, a large, bright, fiery sphere, resembling a sun or a fireball, dominates the sky, with sparks and embers falling from it. To the right, a large, bearded Viking man with a fur cloak and a sword at his waist stands prominently. He has a stern expression and a large, ornate tattoo on his left arm. The overall color palette is dominated by the warm oranges and yellows of the fire, contrasting with the cool blues and greys of the night scene.
