# OCEAN ISO LIFERAFT

**OCEAN SAFETY®**

Ocean Safety,  
Saxon Wharf,  
Lower York Street,  
Southampton,  
SO14 5QF, UK.

[www.oceansafety.com](http://www.oceansafety.com)

An award winning liferaft designed and developed by Ocean Safety specifically for the global leisure market.

The Ocean ISO 9650 liferaft is compact and of superior design and construction. This liferaft meets the requirements under current MCA Codes Of Practice, Class XII and World Sailing (formally ISAF) Offshore Special Regulations.

We have developed this innovative, lightweight solution using years of experience in designing and servicing liferafts. With 9,000 rafts sold and a large global service network, thousands of satisfied customers can enjoy the very best of support worldwide.

VALISE

CANISTER

## KEY FEATURES

- Compact and lightweight canister and valise options available
- Exceptional quality – designed, tested and manufactured in the UK to ISO 9650
- Water ballasts exceeding ISO requirements for maximum stability:  
6 & 8 man = 4 x 75L = 300L  
10 & 12 man = 6 x 75L = 450L
- Strong boarding ladder with aluminium tubing to improve ease of access
- Knee scoop with grab handles for quick boarding
- Internal hand over hand ladder and insulated floor
- High visibility canopy and retro-reflective tape for easy location
- Zip closure for splash protection
- SOLAS approved Internal and external lighting system
- Ties to enable observation port
- External guide rail
- Rain water collection
- 3 year service intervals
- Supported by Ocean Safety's global service network
