

Post COVID19 Hospitality Sector Alliance

OBJECTIVE

Post COVID 19 Hospitality Sector Alliance is a Preverisk initiative focused on sharing not only our Public Health based knowledge and recommendations but also by facilitating the industry easy to execute plans on key Health & Safety areas.

PARTNERS OF THE INITIATIVE

| Hotel | Institutions | Travel Companies

...and key tourism stakeholders.

Let's foster the conditions of an amplified, holistic perspective based on two pillars:

Shared knowledge:

Based on all relevant Public Health recommendations and both local and global requirements of authorities, Preverisk will provide:

Co-development:

All alliance members will provide their vision and feedback.

Restarting recommendations on key H&S areas.

Covid-19 preventative measures and protocols.

What are the benefits?

By participating you will obtain:

Access to documents and methodologies based on Public Health recommendations adapted to real life operative.

A one-stop-platform where to find and share expertise.

Periodically, updates about practices, methodologies and proposals.

Expert feedback from peers and professionals.

Additionally Preverisk offers added value initiatives such as:

Training on protocols and measures through online or face-to-face sessions.

Certificate in Covid 19 Response.
