

Post COVID19 Tourism Sector Alliance

OBJECTIVE

The Post COVID-19 Tourism Sector Alliance is a Preverisk initiative focused on sharing our Public Health knowledge and recommendations with the industry and providing practical plans on how to approach key Health & Safety areas.

PARTNERS OF THE INITIATIVE

| Hotel | Institutions | Travel Companies

...and key tourism stakeholders.

We are taking a holistic approach that focuses on two key pillars:

Shared knowledge:

Based on all relevant Public Health recommendations and local/global requirements of authorities, Preverisk will provide recommendations on preventing COVID-19 and restarting hotel operations

Co-development:

All alliance members will provide their vision and feedback.

Recommendations regarding key H&S areas to enable the restart of hotel operations.

Covid-19 preventative measures and protocols.

What are the benefits?

By participating you will obtain:

Access to documents and methodologies based on Public Health recommendations adapted to real life scenarios.

A one-stop-platform to find and share expertise.

Updates on best practices, methodologies and commercial offers.

Expert feedback from peers and professionals.

Additionally, Preverisk offers added value initiatives such as:

Training on protocols and measures (online or on-site).

Certificate in Covid-19 Hygiene Response.
