2020 DEIDESHEIMER MÄUSHÖHLE RIESLING VDP.ERSTES GEWÄCHS®

WINE

The minerality of the Mäushöhle literally leaps out of the glass, garnished with a hint of exotic melon and red peach. This impression continues the palate: a powerful minerality with plenty of grip in combination with an animating acidity linger on the tongue almost endlessly and whet the appetite for the next sip.

SOIL

The vineyard rests in a hollow with an opening to the east. Due to this factor, along with the stream ditch- which ensures a good water supply, the Mäushöhle benefits immensely in times of climate change. Due to the removal of forest soil, the vineyard in the Mäushöhle is very enriched with humus, explaining the density of the wine.

HARVEST

Selective hand-harvest September 2020.

YIELD

approx. 40 hl/ha

VINIFICATION

Carefully fermented and aged on the lees, in used tonneaux and in stainless steel tanks. Without fining or other technical measures. Bottled at the beginning of June 2021.

CAN BE STORED

10 - 15 years

FOOD PAIRING

A secret weapon with sushi. Sashimi, nigiri and purist rolls with the iodized saltiness of the soy sauce create fireworks on the palate with the Mäushöhle.

SERVING TEMP.

approx. 9-11°C

ALCOHOL

12.5 Vol. %

ACIDITY

6.9 g/l

RESIDUAL SUGAR

2.4 g/l

ITEM NO

2034

Bio-Wein: DE-ÖKO-003
Deutsche Landwirtschaft
