Report: Kargil Vijay Diwas

On the solemn occasion of Kargil Vijay Diwas, students and staff members of SRM Arts and Science College gathered to pay homage to the 527 brave martyrs who made the ultimate sacrifice in defence of our nation. The event served as a poignant reminder of the valour and sacrifice of our armed forces during the Kargil War. In remembrance of the fallen heroes and as a symbolic gesture of gratitude, 527 saplings were planted near Guduvancherry lake, The Principal Dr. R. Vasudevraj inaugurated the event by planting the first sapling. Saplings were planted to symbolize the resilience and enduring legacy of the martyrs. The act of planting only honoured the memory of the brave soldiers but also contributed to environmental conservation and sustainability.

Report - Meri Mati Mera Desh

Meri Maati Mera Desh (My Soil, My Nation), a mega campaign envisaged as a culminating event initiated by the Ministry of Youth Affairs, Government of India in coordination with various Central & State Government departments & Panchayatiraj institutions, has begun in all the districts of Tamilnadu. As part of this campaign NSS volunteers of SRM Arts and Science College carried out various activities including planting of 75 saplings & 300 Palm seeds, administering of Panch Pran Pledge at Guduvancherry lake and Urapakkam lake.

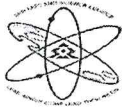

This initiative aimed to promote greener surroundings and raises awareness about the significance of trees in mitigating climate change and preserving biodiversity. This tree plantation drive significantly enhanced our existing green cover within the campus premises, fostering a healthier and more vibrant environment.

REPORT – NSS Day

The NSS Day activities at Thiruvidadanthal Temple, on September 24, served as a testament to the power of community-driven initiatives in effecting positive change. Through cleaning the temple pond and planting 1000 palm seeds, The participants not only beautified the surroundings but also demonstrated their commitment to environmental conservation. By embracing the motto of “No Plastic, Clean Nature,” the event fostered a culture of sustainability and environmental responsibility, leaving a lasting impact on both the local ecosystem and the collective consciousness of the community. Overall, the NSS Day activities at Thiruvidadanthal Temple signify the spirit of volunteerism, solidarity, and environmental advocacy, which reaffirm the significance of collective action in addressing contemporary environmental challenges.

Report -NSS Special Camp- 2024

The seven day special camp was organized by the NSS unit SRM Arts and Science College at Nellikuppam village of Chengalpattu district from March 18- 24, 2024.

The main motive for conducting the special camp was to develop society, enlighten the villagers and educate NSS volunteers by raising awareness on various socioeconomic issues faced by the downtrodden sections. Around 60 NSS volunteers actively participated in the special camp. The theme of special camp was "Healthy Youth Healthy India".

Day 1 (18/03/2024)

The NSS Special camp 2024 was inaugurated by Dr R. Vasudevaraj planting a tree sapling at College campus. He captivated the gathering through his remarkable key note address by emphasizing the traditional methods of handling things without the usage of plastics.

Presidential address by Prof. K. Mathiyazhagan, followed by planting a tree sapling at Sree Nelleswarar temple. During his presidential address, he highlighted the specific needs and benefits of a clean environment and encouraged the participants to share their views and suggestions on eliminating the usage of polythene plastics.

Special Camp speech was addressed by N. C. Parthasarathi, President, Nellikuppam Gram Panchayat. He delivered a wonderful speech regarding Nellikuppam village and shared his experiences in developing his role on as the President of the Nellikuppam Panchayat. His exemplary remarks included the discussion on aspects of environmental degradation.

Afternoon, the NSS volunteers visited Nellikuppam village and explained the details of the seven days NSS special camp and also collected data from the village people.

Day 2 (19/03/2024)

A grand rally was organized to create awareness on "Ban on one time use of plastics" in day-to-day life.

Volunteers cleaned the nearby temple ground and care of took the planted saplings from morning till the noon. Students including girls and boys enthusiastically

used proper tools to remove weeds and arrange the saplings under the guidance of a few gardeners

About 60 NSS volunteers participated and marched a rally from the Govt Higher Secondary school, Nellikuppam till the highway, they shouted slogans for road safety and held placards depicting the ill effects about drug abuse with message such as “Yes to life, No to drugs” to create awareness on drug abuse among the public. REPORT - One Crore Palm Seed Plantation drive

The NSS palm seeds plantation drive at Thiruvidadanthai, on October 1, exemplifies the organization's commitment to environmental sustainability and community service. SRM Arts and Science College along with Green Needa organisation collected nearly 6000 seeds. The Principal Dr. R. Vasudevaraj and the Village panchayat chairman, K. Amudha Kumari, together inaugurated the plantation drive. NSS students planted the seeds enthusiastically and also cultivate a culture of environmental consciousness and responsibility.

Overall, the plantation drive serves as a testament to the power of collective action in effecting positive change and underscores the importance of grassroots initiatives in addressing the pressing environmental challenges. NSS remains steadfast in its mission to create a greener and more sustainable future for all.

REPORT- National Youth Awakening Day

The Department of Mathematics and NSS jointly organised a tree plantation campaign on 26/10/2023 on the occasion of the birth anniversary of Bharat Ratna Dr. A. P. J. Abdul Kalam, the former President of India, which is also celebrated as Youth Awakening Day. The campaign was held at Government Primary School, Vallancherry. Dr. R. Vasudevaraj, Principal of the college flagged off the campaign by planting and distributing the saplings. As a part of the campaign 100 palm seeds and 60 various tree saplings were planted at the campus of Government Primary School, Vallancherry. Dr. E. J. Lalithkumar, Head, Department of Mathematics, planted the palm seeds, that was followed by Vijayaraghavan, Head Department of Hindi, Faculty of Department of Mathematics, NSS volunteers, school students and teachers of the school. The students of the school were given an awareness talk about the importance of planting trees and preserving the natural resources.

Report - International Forestry Day

Forests play an important role in mitigating these issues, acting as vital carbon sinks that absorb greenhouse gases and harbor an incredible diversity of life. The International Day of forests, established by the United Nations General Assembly in 2012, is celebrated on 21 March to promote the significance of all forest types. Theme for International Day of forests 2024 is "Forests and innovation: New Solutions for a better world" showcases the vital role of technology and innovation in forest conservation, combining deforestation, habitat degradation and climate change.

Forestry Day organized by Department of Forest, Chengalpattu was inaugurated by District Collector S. Arunraj I. A. S sapling the tree plant at district Collector office in Chengalpattu. R. Anamika Ramesh I. A. S Additional Collector, V.S. Narayana Sarma I.A.S, Sub Collector also participated. Ravimeena I.F.S Dist Forest Officer briefed about the significance of World Forestry Day highlighting the need of an hour to conserve the green belt. Our NSS volunteers of SRM Arts and Science College has as part of the tree plantation drive went to the forest with the forest officer to plant tree saplings and raise awareness about the forest.

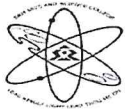

A drawing Competition was organized by on occasion of World Forestry Day based on theme, "Forests and innovation: New Solutions for a better world". Our NSS volunteers benefited from trip, learn a lot from them and received many prizes.

Report: International Day Against Drug Abuse and Illicit Trafficking

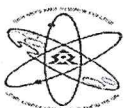

In observance of the International Day Against Drug Abuse and Illicit Trafficking a human chain event was planned by Tamil Nadu NSS over 8000 spots around Tamil Nadu. SRM Arts and Science College have chosen Guduvancherry Bus Stand Signal, where our NSS student volunteers performed human chain. The event aimed to raise awareness about the detrimental effects of drug abuse and illicit trafficking on individuals, families, and communities. The event concluded with a renewed sense of determination and solidarity, underscoring the importance of the ongoing efforts to address the multifaceted challenges posed by drug abuse and illicit trafficking.

Report: Kargil Vijay Diwas

On the solemn occasion of Kargil Vijay Diwas, students and staff members of SRM Arts and Science College gathered to pay homage to the 527 brave martyrs who made the ultimate sacrifice in defence of our nation. The event served as a poignant reminder of the valour and sacrifice of our armed forces during the Kargil War. In remembrance of the fallen heroes and as a symbolic gesture of gratitude, 527 saplings were planted near Guduvancherry lake, The Principal Dr. R. Vasudevraj inaugurated the event by planting the first sapling. Saplings were planted to symbolize the resilience and enduring legacy of the martyrs. The act of planting only honoured the memory of the brave soldiers but also contributed to environmental conservation and sustainability.

REPORT – Marine Biodiversity Study and Coastal Clean-Up

A one day Field Study on marine biodiversity and coastal clean-up drive was organized jointly by Department of Biotechnology and NSS, on 28th July, 2023 to celebrate World Nature Conservation Day. The students and faculty members visited the Marine Kingdom which hosts small to big aquatic animals many of which are threatened and near to extinction species. Students identified the flora and fauna at the marine kingdom and understood the roles they played at the various types of aquatic ecosystems. There were more than 250 species hosted under 5 native habitats: rainforest, gorge, mangrove, coastal and deep ocean ecosystems. Students learnt the conservation strategies and the need to implement nature saving practices in day to day life. After this, students visited Neelankarai beach for field study of the local flora and fauna present at the beach. Students also collected samples such as soil, ocean water, and sea weed for processing and future research activities. The students collected photos to identify the conservation status of the organisms and for study report preparation. Thereafter coastal clean-up drive was organized where students and faculty members collected the litter in the beach ecosystem and segregated as plastic, biodegradable and recyclable wastes. A total of 8 Kg of plastic waste and 1 Kg biodegradable wastes was collected from the beach by the participants.

A total of 45 students and faculty members participated in this field study and clean-up drive. The students understood the various marine flora and fauna, their conservation status and importance of nature conservation. The students discerned the various practices in daily life that must be implemented to protect marine ecosystems. Students actively participated in coastal clean-up drive and learnt hands-on about waste segregation.

Report - Meri Mati Mera Desh

Meri Maati Mera Desh (My Soil, My Nation), a mega campaign envisaged as a culminating event initiated by the Ministry of Youth Affairs, Government of India in coordination with various Central & State Government departments & Panchayatiraj institutions, has begun in all the districts of Tamilnadu. As part of this campaign NSS volunteers of SRM Arts and Science College carried out various activities including planting of 75 saplings & 300 Palm seeds, administering of Panch Pran Pledge at Guduvancherry lake and Urapakkam lake.

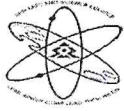

This initiative aimed to promote greener surroundings and raises awareness about the significance of trees in mitigating climate change and preserving biodiversity. This tree plantation drive significantly enhanced our existing green cover within the campus premises, fostering a healthier and more vibrant environment.

REPORT – NSS Day

The NSS Day activities at Thiruvidadanthai Temple, on September 24, served as a testament to the power of community-driven initiatives in effecting positive change. Through cleaning the temple pond and planting 1000 palm seeds, The participants not only beautified the surroundings but also demonstrated their commitment to environmental conservation. By embracing the motto of “No Plastic, Clean Nature,” the event fostered a culture of sustainability and environmental responsibility, leaving a lasting impact on both the local ecosystem and the collective consciousness of the community. Overall, the NSS Day activities at Thiruvidadanthai Temple signify the spirit of volunteerism, solidarity, and environmental advocacy, which reaffirm the significance of collective action in addressing contemporary environmental challenges.

REPORT - One Crore Palm Seed Plantation drive

The NSS palm seeds plantation drive at Thiruvadanthai, on October 1, exemplifies the organization's commitment to environmental sustainability and community service. SRM Arts and Science College along with Green Needa organisation collected nearly 6000 seeds. The Principal Dr. R. Vasudevaraj and the Village panchayat chairman, K. Amudha Kumari, together inaugurated the plantation drive. NSS students planted the seeds enthusiastically and also cultivate a culture of environmental consciousness and responsibility.

Overall, the plantation drive serves as a testament to the power of collective action in effecting positive change and underscores the importance of grassroot initiatives in addressing the pressing environmental challenges. NSS remains steadfast in its mission to create a greener and more sustainable future for all.

REPORT- National Youth Awakening Day

The Department of Mathematics and NSS jointly organised a tree plantation campaign on 26/10/2023 on the occasion of the birth anniversary of Bharat Ratna Dr. A. P. J. Abdul Kalam, the former President of India, which is also celebrated as Youth Awakening Day. The campaign was held at Government Primary School, Vallancherry. Dr. R. Vasudevaraj, Principal of the college flagged off the campaign by planting and distributing the saplings. As a part of the campaign 100 palm seeds and 60 various tree saplings were planted at the campus of Government Primary School, Vallancherry. Dr. E. J. Lalithkumar, Head, Department of Mathematics, planted the palm seeds, that was followed by Vijayaraghavan, Head Department of Hindi, Faculty of Department of Mathematics, NSS volunteers, school students and teachers of the school. The students of the school were given an awareness talk about the importance of planting trees and preserving the natural resources.

Report - IIT Madras, IITM Pravartak, and ERDC collaborated to host an Entrepreneurship & Rural Development conclave

IIT Madras, IITM Pravartak, and ERDC collaborated to host an Entrepreneurship & Rural Development conclave at IITM Research Park from January 16th to 19th, 2024. On 19th January, 2024, 5000 NSS Volunteers took a collective oath at IIT Madras, emphasizing job creation over job seeking through Entrepreneurship and Rural Development.

Our NSS volunteers of SRM Arts and Science College has actively embraced this initiative and has planned to participate in a one day conference at IIT Madras Research Park. The purpose of this conference is students to enhance their entrepreneurial activities in rural areas and learn the entrepreneurial mindset to create road-map of future generation

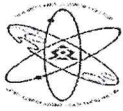

The report highlights the active participation of our NSS students in conference organized by IIT Madras Research Park titled "Entrepreneurship and rural development conclave Chennai 2024" On 19th January 2024 of during grand finale event Sri Anurag Takur Singh, Honorable Minister of Youth Affairs & Sport, Govt of India and Smt. Meeta Rajiviochan, the secretary of the Ministry of Youth Affairs & sport, Govt of India gave their gracious presence to inspire social action and spark a movement for job creation. The announcement for further projects and future roadmap with pledge taking ceremony happened in the conference and under the guidance of the NSS Regional Directorate demonstrate our commitment to the entrepreneur role in the economic growth and standard of living of our nation. It serves important tools to empower individual and enhance the social acceptance and creates employment opportunities to meet the rising aspiration of the youth. We are dedicated to engaging students in this noble cause and look forward to a successful journey ahead.

Report -Forest Fire Fighting Awareness

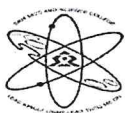

The National Service Scheme (NSS) and the Government of Tamil Nadu Forest Department organized a Forest Fire Fighting Awareness programme on 10/03/2024 at 10.30 am in Chengalpattu. The programme was inaugurated by the respected Principal Dr. R. Vasudevaraj and the Vice principal Prof. Mathiyazhagan of SRM Arts and Science College, Kattankulathur.

The Chengalpattu Forest Department conducted the event to raise awareness about fire safety. NSS volunteers learned about fire prevention measures, how to safety cautions and ways to assist people in fire related emergencies. The programme concluded at 1.00 pm. Following this, the Forest Department conducted another forest related awareness programme. They emphasized the importance of forest, our responsibility to protect them and the need to save the nature.

Forest fire are one of the major causes of forest degradation in our nation. To address this issue, NSS volunteers organized a forest fire awareness drive aimed at spreading the message loud and clear. This special initiative sought to educate and sensitize villagers about the importance of forest conservation.

Report -NSS Special Camp- 2024

The seven day special camp was organized by the NSS unit SRM Arts and Science College at Nellikuppam village of Chengalpattu district from March 18- 24, 2024.

The main motive for conducting the special camp was to develop society, enlighten the villagers and educate NSS volunteers by raising awareness on various socioeconomic issues faced by the downtrodden sections. Around 60 NSS volunteers actively participated in the special camp. The theme of special camp was "Healthy Youth Healthy India".

Day 1 (18/03/2024)

The NSS Special camp 2024 was inaugurated by Dr R. Vasudevaraj planting a tree sapling at College campus. He captivated the gathering through his remarkable key note address by emphasizing the traditional methods of handling things without the usage of plastics.

Presidential address by Prof. K. Mathiyazhagan, followed by planting a tree sapling at Sree Nelleswarar temple. During his presidential address, he highlighted the specific needs and benefits of a clean environment and encouraged the participants to share their views and suggestions on eliminating the usage of polythene plastics.

Special Camp speech was addressed by N. C. Parthasarathi, President, Nellikuppam Gram Panchayat. He delivered a wonderful speech regarding Nellikuppam village and shared his experiences in developing his role on as the President of the Nellikuppam Panchayat. His exemplary remarks included the discussion on aspects of environmental degradation.

Afternoon, the NSS volunteers visited Nellikuppam village and explained the details of the seven days NSS special camp and also collected data from the village people.

Day 2 (19/03/2024)

A grand rally was organized to create awareness on "Ban on one time use of plastics" in day-to-day life.

Volunteers cleaned the nearby temple ground and care of took the planted saplings from morning till the noon. Students including girls and boys enthusiastically

used proper tools to remove weeds and arrange the saplings under the guidance of a few gardeners

About 60 NSS volunteers participated and marched a rally from the Govt Higher Secondary school, Nellikuppam till the highway, they shouted slogans for road safety and held placards depicting the ill effects about drug abuse with message such as “Yes to life, No to drugs” to create awareness on drug abuse among the public. The volunteers also formed a human chain on the main road of Nellikuppam near Buss-top and raising awareness among the public through their slogans and placards carrying messages against drug abuse.

Day 3 (20/03/2024)

After the inaugural event, the NSS volunteers had an interaction with the school children and conducted vocabulary related games. A cleaning drive at the Govt. Primary school campus, as part of the Clean India campaign, was organized at the Nellikuppam Government Higher Secondary school and nearby Sree Krishna temple. This camp was organized to create social awareness among the NSS volunteers and the villagers keeping the surrounding and environment clean. Volunteers have cleaned nearby temple ground and took care of planted saplings starting in the morning till the noon

Day 4 (21/03/2024)

World Forestry Day was celebrated at Nellikuppam and Kondangi Reserve Forest. The theme for International Day of Forests 2024 was “Forests and innovation: New Solutions for a better world” showcases the vital role of technology and innovation in forest conservation, combining deforestation, habitat degradation and climate change.

As part of the session, the NSS volunteers planted 360 tree saplings for to promote forest conservation.

Day 5 (22/03/2024)

World Water day was 2024 celebrated at Kondangi lake, The theme of World Water Day 2024 was “Water for Peace”. When we cooperate on water, we create a positive ripple effect – fostering harmony, generating prosperity and building resilience to shared challenges

As a part of the session, the participants took oath to imposing the duties of humans in safeguarding our nature. Two ponds were cleaned by removing plastic waste and glass debris, and tree saplings were planted.

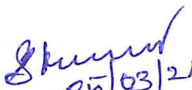

Day 6 (23/03/2024)

This camp was organized to provide free yoga training to the villagers, school students and NSS volunteers. The trainers explained the benefits of yoga for maintaining good health and relieving stress related issues. A total number of 100 beneficiaries from village got benefited from this camp. As a part of the camp, NSS volunteers cleaned the nearby Sree Vendavarasi and Nellivanadevi temple

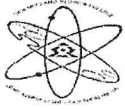

Day 7 (24/03/2024)

A Tree plantation program was organized at Nellikuppam Ponds. Valedictory function was conducted on the final day of Special camp 24/03/2024 at Nellikuppam Gram Panchayat at 12 pm. NSS Programme Officer welcomed the N. C. Parthasarathi, President, Nellikuppam Panchayat and other dignitaries from the village.

On Behalf of Nellikuppam Village, the Nellikuppam Gram Panchayat President and village people appreciated the work done by the NSS volunteers and the team of SRM Arts and Science College, Kattankulathur during the seven days NSS special camping program. They also handed over an appreciation shield to NSS programme officer and for their great enthusiasm and volunteer service to the village. The event ended with national anthem.

Report - International Forestry Day

Forests play an important role in mitigating these issues, acting as vital carbon sinks that absorb greenhouse gases and harbor an incredible diversity of life. The International Day of forests, established by the United Nations General Assembly in 2012, is celebrated on 21 March to promote the significance of all forest types. Theme for International Day of forests 2024 is "Forests and innovation: New Solutions for a better world" showcases the vital role of technology and innovation in forest conservation, combining deforestation, habitat degradation and climate change.

Forestry Day organized by Department of Forest, Chengalpattu was inaugurated by District Collector S. Arunraj I. A. S sapling the tree plant at district Collector office in Chengalpattu. R. Anamika Ramesh I. A. S Additional Collector, V.S. Narayana Sarma I.A.S, Sub Collector also participated. Ravimeena I.F.S Dist Forest Officer briefed about the significance of World Forestry Day highlighting the need of an hour to conserve the green belt. Our NSS volunteers of SRM Arts and Science College has as part of the tree plantation drive went to the forest with the forest officer to plant tree saplings and raise awareness about the forest.

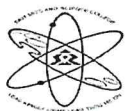

A drawing Competition was organized by on occasion of World Forestry Day based on theme, "Forests and innovation: New Solutions for a better world". Our NSS volunteers benefited from trip, learn a lot from them and received many prizes.

REPORT- Shaheedi Diwas & Voter Awareness Drive

National Service Scheme and Women Empowerment Cell of SRM Arts and Science College organized Shaheedi diwas and Voter Awareness Drive on 17/04/2024 at Potheri Railway station in a beneficial manner.

“Shaheed Diwas” is celebrated in remembrance of the three revolutionaries of India who were hanged to death by the British namely Bhagat Singh, Shivaram Rajguru and Sukhdev Thapar. This day is widely celebrated across India to honour these freedom fighters who lost their lives in serving to mother India

NSS Programme officer Dr. S. Muthukumar briefed about the Shaheed Diwas and the greatest sacrifice performed by the freedom fighters for the cause of freedom.

Dr. J. Umadevi, Convenor of Women Empowerment Cell took the pledge in Tamil followed by the volunteers. The pledge was taken in the occasion for the remembrance of the martyrs of our country.

During the programme, NSS volunteers highlighted that “voting is not just a right but also a civic duty, crucial for the proper functioning of a democratic system”. All the pedestrians and passengers took pledged to cast their vote in the upcoming Lokshaba election 2024. A pledge to exercise one’s voting rights and pave way to high polling percentage was administered on the occasion. The students and faculty distributed pamphlets to the public, emphasizing the importance of voting and encouraging them to show their right and to cast a vote in free and fair elections in a free democratic nation.

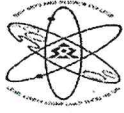

A total of 120 students and 5 faculty members have participated in the programme. The programme was ended with a National Anthem and inculcation knowledge on voting rights.
