

US Communications: COVID 19 update April 5, 2021

- Couples resorts will be providing complimentary Antigen testing on property to all US residents, results will be available via email within 48 hours
- Antigen tests will be scheduled during check-in at the resort. Guest will be responsible for arriving during the testing window provided. If missed, guests will have to reschedule or make their own arrangements. If a guest claims a false-positive result, they can immediately retest at their own expense. Guests who test positive will be quarantined in a complimentary room for up to 14 days. If additional rooms are necessary, a separate room will be available at a deeply discounted rate.
- This may change without notice based on the direction and requirements of the CDC, DOT and The Jamaica Ministry of Health.
