We will continue offering complimentary 10-day extension through December 20th, 2021 to guests that test positive on Covid-19 testing in Dominican Republic, Mexico, and Jamaica.

Dear partner,

At Bahia Principe Hotels & Resorts we continue our commitment to doing our part in reactivating our industry. Hence, **through December 20th, 2021** we will continue offering a **maximum of 10 complimentary days to guests that present covid-19 tests with a positive result.**

This offer applies to all resorts in Dominican Republic, Mexico or Jamaica and only to clients that have booked a minimum 3-night stay. Upon getting the results, they will be assigned a room in an area prepared and reserved for their isolation.

We would also like to remind you that at all Bahia Principe hotels there are designated areas where both antigen and PCR testing is taking place, in collaboration with certified external labs that are highly qualified.
