

Mazatlán-Cozumel-Cancun/Riviera Maya Covid-19 Antigen Test Policy for USA Guests

Dear Valued Travel Partner,

Complying with the USA Center for Disease Control and Prevention new guidelines effective January 26, 2021 for all air passengers entering the USA by air, El Cid Resorts in Mazatlan, Cozumel and Cancun/Riviera Maya are pleased to expand our Always Committed Hygiene Program by providing two Covid-19 antigen tests per room at no cost to our mutual clients.

- Both tests will be conducted on-site at the El Cid Resorts by professional and Cofepris certified laboratories.
- Results will be provided and ready for guests to present it to the airline on their flight home fulfilling CDC format via electronic or written.
- Guests will be able to schedule their test upon check-in by contacting Guest Service at each one of our hotels.
- Should a guest test 'Positive', El Cid will provide pre-assigned accommodations following our certified hygiene protocols at a very low rate for up to 14 days quarantine period.
- Additional rapid antigen tests can be provided at a price negotiated by the El Cid with laboratories.
- This policy is valid for stays (3-nights minimum) between January 26, 2021 and March 31, 2021
- PCR tests will also be available on-site at a cost to guests. It will be paid directly to the laboratories.

For El Cid Resorts safety and well-being of our guests and staff is our top priority and making your stay with us a memorable one and as pleasant as possible.

Thank you for your continuous and valuable partnership.

Best regards,

El Cid Resorts
Mazatlan-Cozumel-Cancun/Riviera Maya
