

OceanCoralSpring

June 16, 2021

Dear Travel Partner,

In addition to the hygiene and safety measures implemented, Ocean Coral Spring and Ocean Eden Bay have partnered with the approved medical labs to provide the COVID-19 antigen test on-site before returning to the US and other countries where this is required.

- Both Covid-19 test types (antigen and PCR) will be performed on-site at the resort.
- The cost for COVID19 antigen test is available at cost \$45 USD per person.
- For guest interested in taking the PCR test, these will be available at cost of \$232 USD per person.
- Ocean Coral Spring and Ocean Eden Bay will provide guests who test positive for COVID19 with 14 day complimentary accommodations for quarantine and will extend special Covid-19 recovery rates for companion who decides to stay with affected guest. This offer is available for stays through December 31, 2021.

All terms and conditions are subject to changes, according to CDC and WHO guidance and Local Government regulations.

Ocean Hotel's goal is to make our mutual customers confident when booking their vacation. Providing a worry free experience, we ensure guests will have a perfect under the sun, fully enjoying every moment of their all-inclusive stay with us.

Sincerely,
Tanesha Clarke
Director of Sales
