Dear Washington Resident at [ADDRESS 1] [ADDRESS2],

**Your household has been selected to participate in the 2023 Washington Traffic Safety Survey!**

The Washington Traffic Safety Commission (WTSC) is fielding this survey to understand more about drivers' attitudes and behaviors towards safety of the traveling public. This is an important opportunity to share your opinions and experience about traffic and driving in Washington and we need your help to learn about your driving experiences.

Your experience and opinions will help the Washington State Traffic Safety Commission (WTSC) inform new initiatives to reduce traffic fatalities and serious injuries.

If there is more than one person over 18 in your household, **the person with the next birthday should take the survey.**

Your answers will be combined with those from other respondents in your area and across the state and will **NEVER** be presented on their own. This survey is completely anonymous and does not ask for any personally identifiable information. Please fill out this booklet with your answers and return it to us in the enclosed envelope before **July 14th, 2023** to have your experiences be counted. The survey is completely voluntary, but your answers are important!

If you have any questions about the survey, or would like to take it online, please go to [www.watraficsurvey.com](http://www.watraficsurvey.com) and enter your unique ID number: [PIN]

You can also contact the project manager, Adam Johnson, by email at [ajohnson@marketdecisions.com](mailto:ajohnson@marketdecisions.com) or by phone at 1-800-293-1538, ext. 1601.

The Washington State Traffic Safety Commission appreciates your time and attention to this important project and we look forward to hearing from you!

Sincerely,

Shelly Baldwin, Director  
The Washington Traffic Safety Commission
