## THE NEIGHBORHOOD

Vineyard Creek is a unique community of 41 homes in Templeton wine country. Two different single family home floorplans make up this neighborhood of Tuscan and Craftsman architecture. You will be in close proximity to several towns, enjoying the feeling of country living with the convenience of nearby shopping and restaurants.

## THE COMMUNITY

Templeton is a vibrant semi-rural community located between Atascadero and Paso Robles in San Luis Obispo County. The town has retained much of its historical character from its 1886 beginnings – many of the old buildings have been restored and are still in use today. As new buildings are built, they reflect an eye to the past. The area is near the many local wineries that extend through the oak-studded hills of Paso Robles and beyond. Templeton is just 30 minutes from the coast to both the west and south, including Hearst Castle in San Simeon. Lake Nacimiento, with over 166 miles of shoreline, offers water skiing, fishing and camping. This destination for year round fun is just 22 miles to the northwest.

Start the weekend off with the Saturday morning Farmer's market, one of the best in the county! Kick back and enjoy Concerts in the Park, or spend a few hours touring vineyards and tasting rooms just minutes from your home.

Templeton is fast becoming one of the most sought-after locales on the Central Coast. It's the perfect place to make your home – a small, quiet town, with a strong community spirit and a vision to preserve its colorful past.
