

Four-Leaf Clovers

Ounce of Luck / Gold Luck

CIT

A CIT classic, the Ounce of Luck has been issued annually since 2010. The proven design has changed little over the years and so it is noteworthy that the 2018 edition features a slightly reworked design update that stays true to the series history while offering a delicate and modern new look.

The Ounce of Luck is once again accompanied by a 1 gram gold version.
