

Astrology of Wednesday Born People: An Insight into Their Characteristics

Many traditions around the world celebrate Wednesday as the fourth day of the week. The ruling planet of Wednesday is Mercury, which is closest to the Sun and probably the smallest of all the planets. Born on the day ruled by Mercury, Wednesday born are restless individuals who tend to question everything in life. He is a highly communicative person with multifaceted abilities. They are often unreliable and reckless in their approach to life. They are very active and keep moving here and there. They are great learners and take an active interest in learning anything and everything.
