Why We Matched!

You like to keep things moving, and Freight makes sure it all arrives on time.

Together, you're the quiet heroes that keep the world running like clockwork - stocked, supplied, and connected.

Together we...

Compare truck speeds and behaviour with other vehicles.

Spot roads commonly used by trucks and shared with cars.

Identify danger hotspots and fatigue with stopping behaviour.

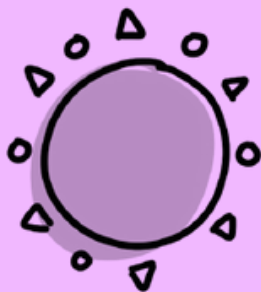

Date Ideas

Build a freight model over coffee in the library.

Picnic at each rest stop across London and see where freight clusters.

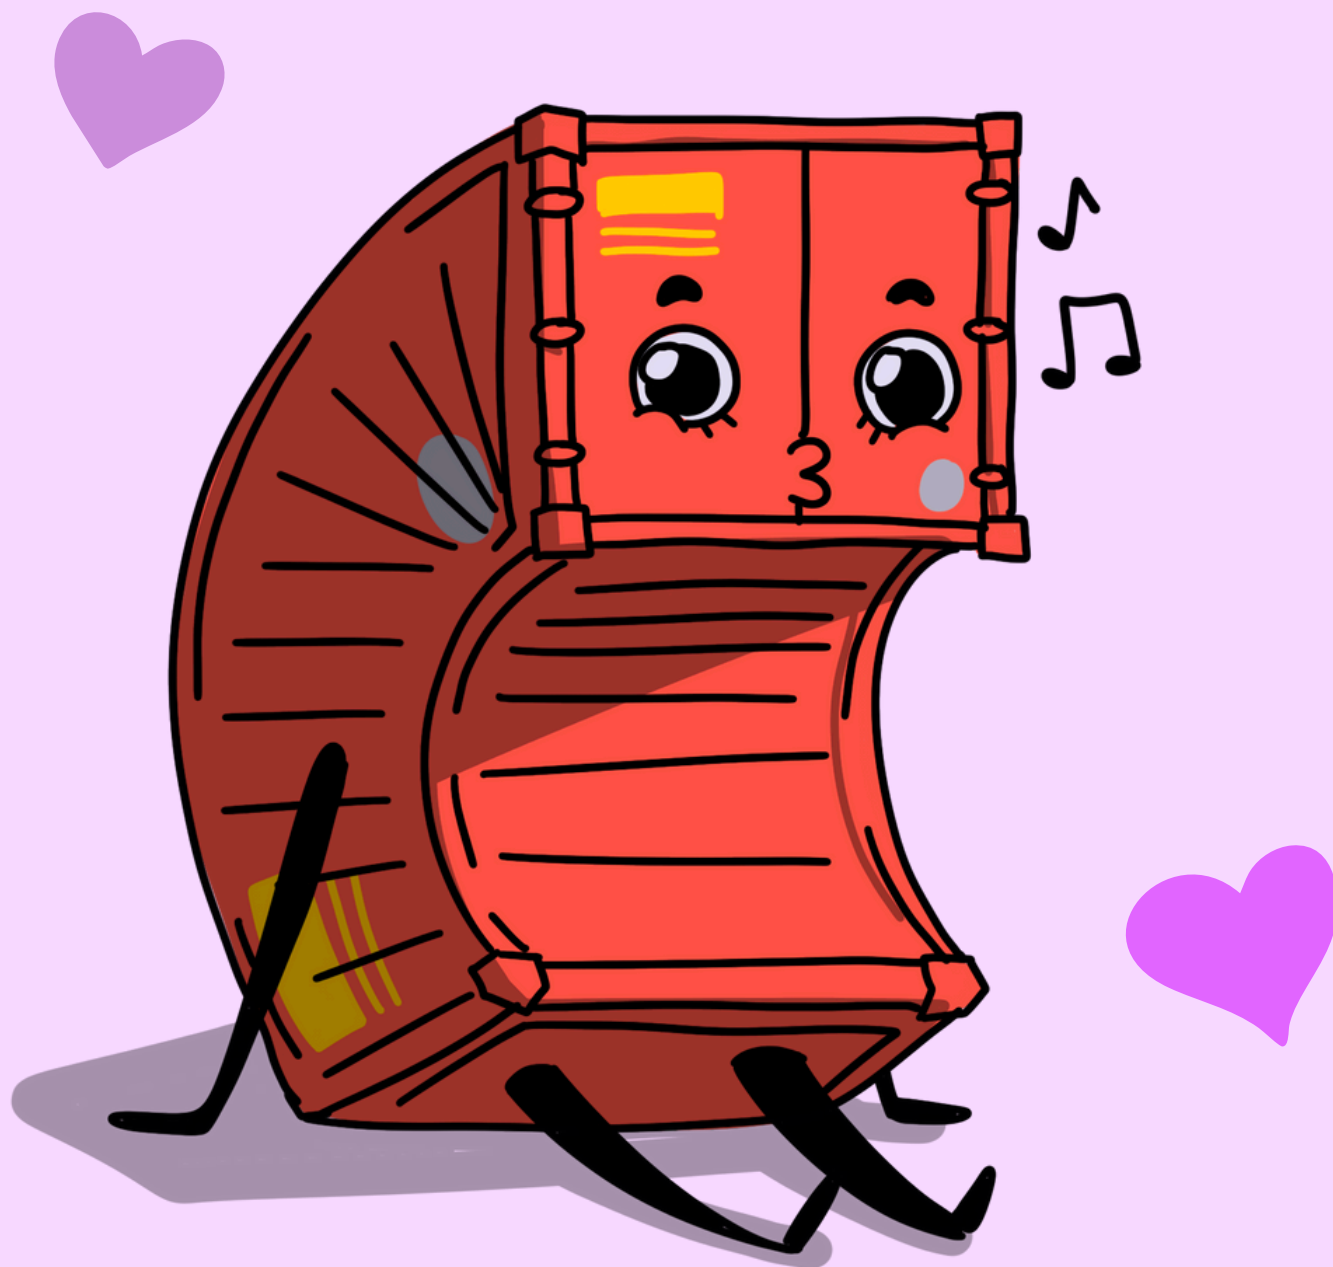

Spend a day in the sun and plan turnout lanes in Queensland to minimise disruption.
