Near Misses

Why We Matched!

You're on a mission to make every trip safe, and Near Misses is your sidekick, spotting danger from a mile away.

Together, you care deeply about people, noticing the moments that could save a life.

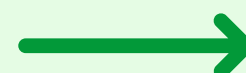

Together we...

Analyse any area for dangerous behaviour and outliers.

Prevent crashes and identify risks.

Focus on the intensity of vehicle steering and braking.

Date Ideas

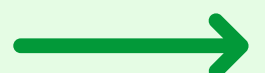

Go camping in Tasmania and see how new curve advisory signs save lives.

Take a train trip across NSW and watch vehicle behaviour at 1,200 rail crossings.

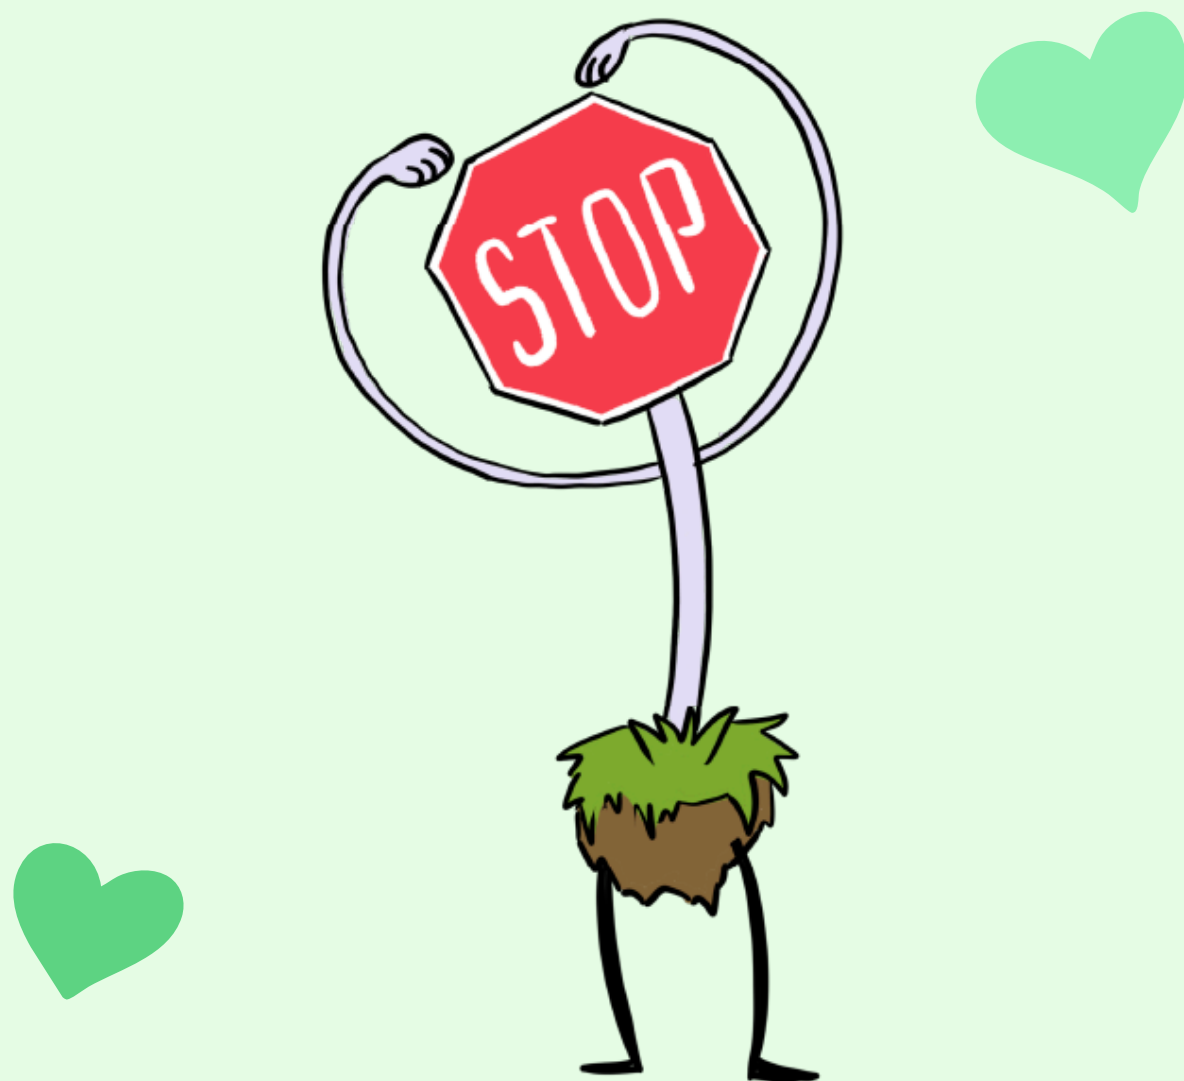

Grab a coffee and plan how to investigate crashes for retrospective safety.
