Why We Matched!

You love digging into the details, and Path Analysis is your perfect precision partner.

You thrive off each other, untangling the mysteries behind every road, speed, g-force, and trajectory.

Together we...

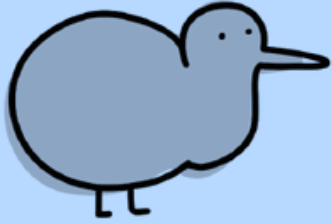

Meticulously analyse vehicle behaviour, finding clear patterns.

Find out the 'why?' behind every stop, delay and free-flow.

See the average, median, 85th and 15th percentiles.

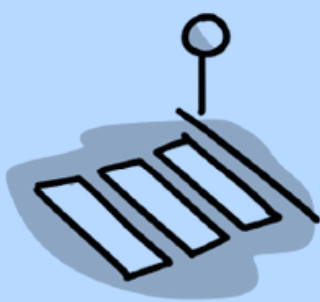

Date Ideas

Drive through New Zealand's new State Highway 1 roundabout and see how traffic has improved.

Sight-see how vehicles react to VMS radars and if they change speeds.

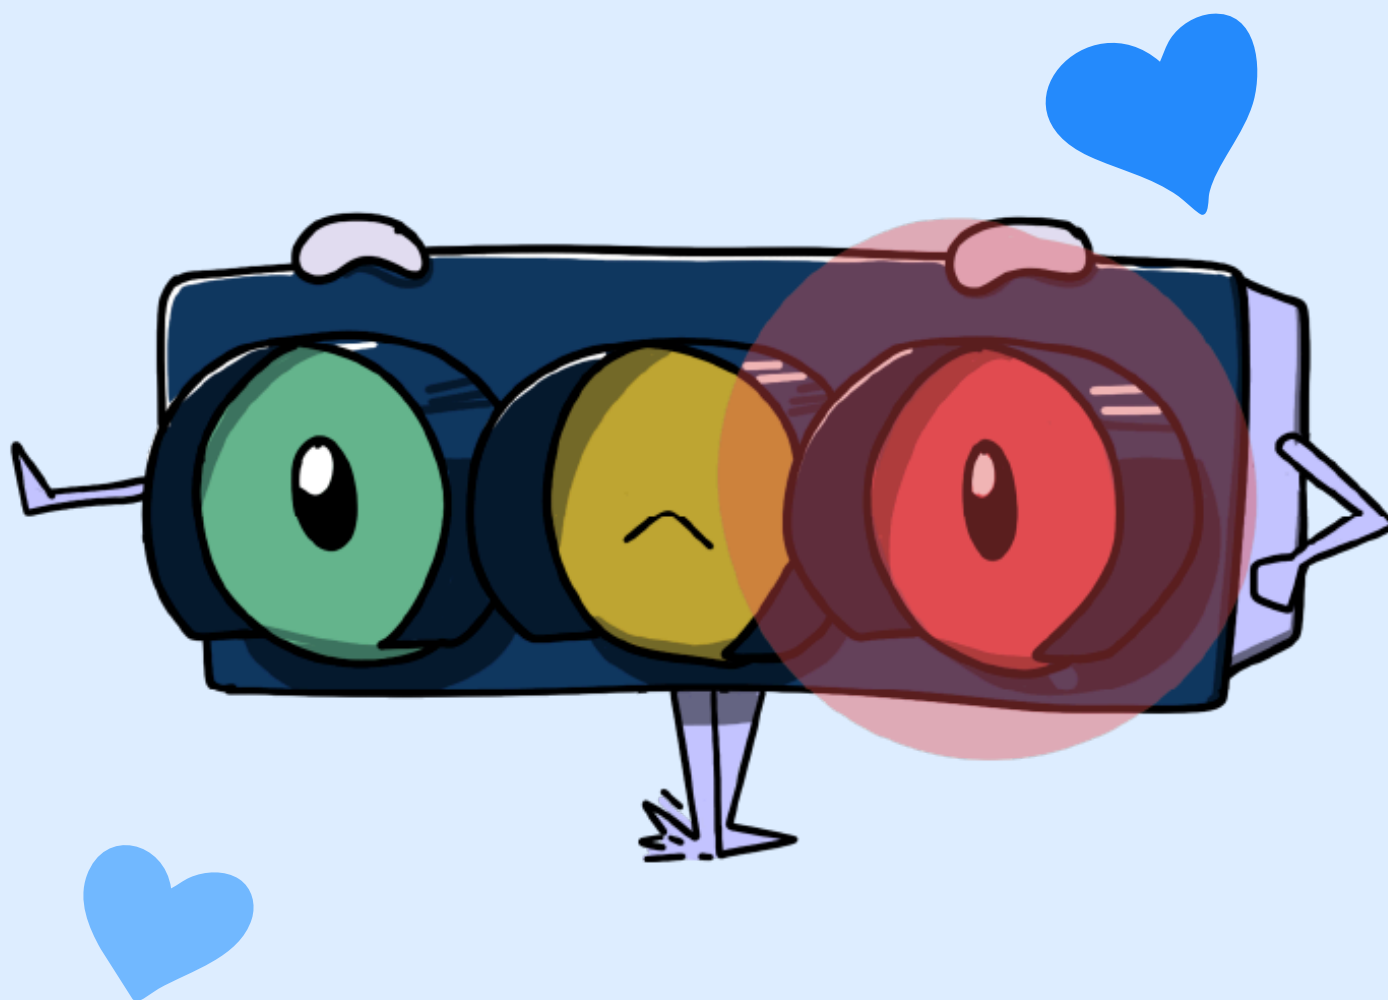

Visit the pedestrian crossings around Whittlesea to understand which are effective.
