Realtime Trajectory

compassiot.com.au/data-match

Why We Matched!

If you want to stay calm under pressure, Real-time Trajectory is your match!

Always on high alert, you detect network changes in real-time, ready to act like it's no big deal.

Together we...

Keep an eye on everything all the time.

Ensure people drive safe by staying one step ahead.

Detect changes in speed across the whole network.

Date Ideas

Hike in Mount Kaputar National Park and see how VMS signs on the Newell Highway update in real-time.

Volunteer at your local fire station for a day and learn evacuation behaviours for your area.

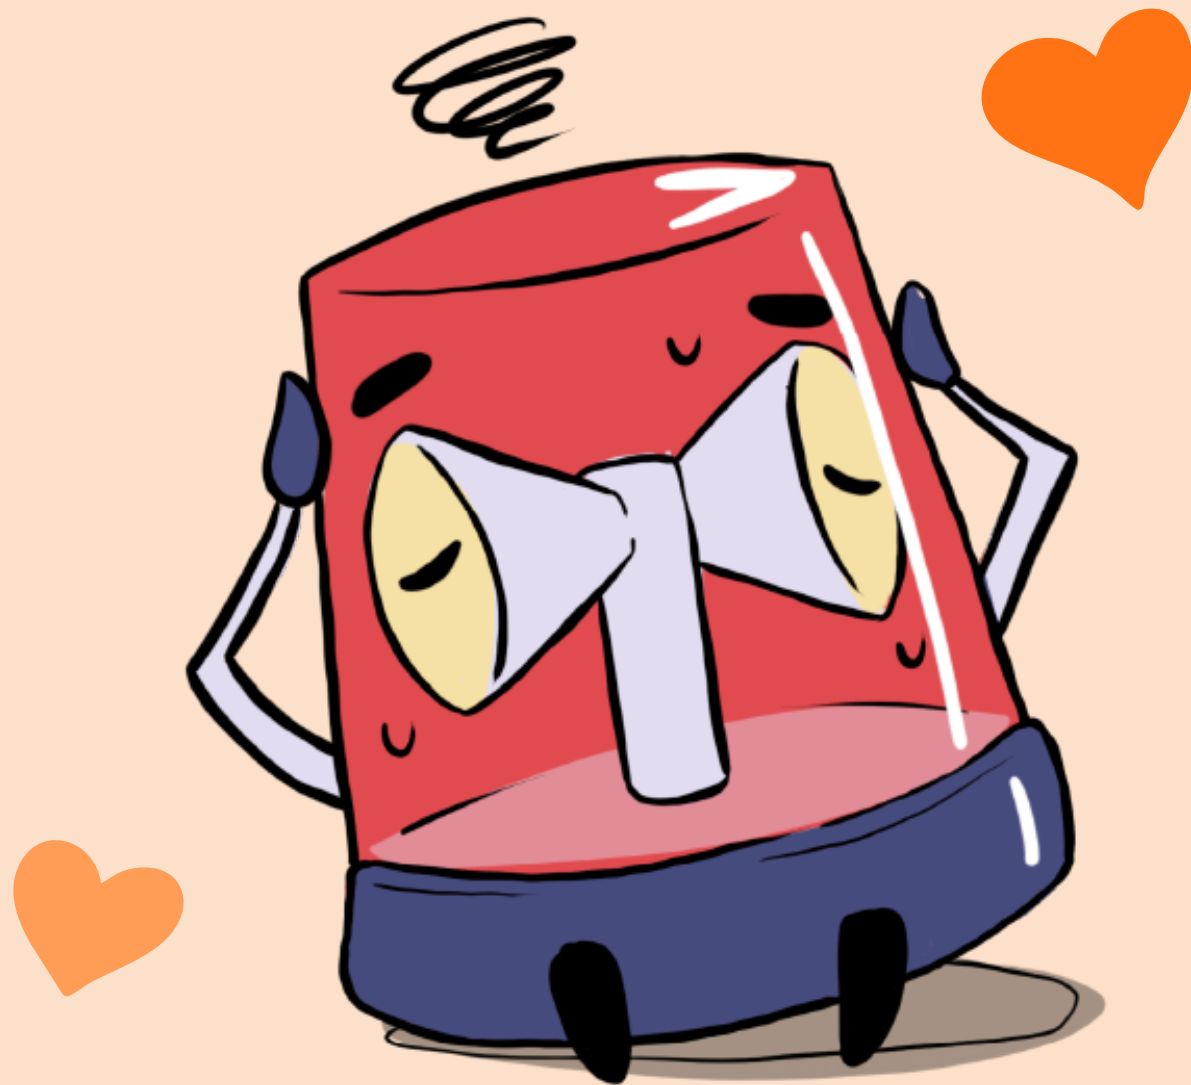

Drive to the city and compare how traffic behaves on any arterial road.
