SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING THE PUBLIC WORKS 2016-2017 FISCAL YEAR BUDGET TO TRANSFER FUNDS WITHIN THE LIGHTING AND LANDSCAPING FUND, AUTHORIZING THE CITY MANAGER TO AMEND THE ABATEMENT SERVICES AGREEMENT WITH NEW WEST LANDSCAPING TO PROVIDE ADDITIONAL COMPENSATION AND ESTABLISH A PURCHASE ORDER IN AN AMOUNT NOT TO EXCEED \$75,000

SUMMARY

Adoption of this resolution will amend the Public Works 2016-2017 Fiscal Year budget transferring funds in the amount of Seventy Five Dollars (\$75,000.00) within the Lighting and Landscaping fund, authorize the City Manager to enter into a First (1st) Amendment to the Abatement Services Agreement with New West Landscaping to provide additional compensation in the estimated amount of Seventy Five Thousand Dollars (\$75,000.00) for further services to be rendered during the first (1st) year of the agreement and establish a purchase order in an amount not to exceed \$75,000.

BACKGROUND

The City of Compton is responsible for providing clean-up, removal and haul away services city-wide. The City continues to experience high volume of illegal dumping activities city-wide.

Illegal dumping occurs in alleyways, on vacant private properties, near the freeway underpasses and even near the bike path along Compton Creek. The City also experience illegal dumping on our residential streets. To address the large amounts of illegal dumping that occurs throughout the City; staff requested the assistance of a qualified abatement company to assist field staff in mitigating large amounts of illegal dumping that continues to plague our community.

On October 18, 2016, pursuant to Resolution No. 24,454, the City Council authorized the City Manager to enter into a two (2) year agreement (i.e. November 1, 2016 through October 31, 2018), with two (2) one-year options to renew, with New West Landscaping to provide abatement services City-wide on an "as needed" basis in the amount of \$135,000 annually.

Staff Report – Resolution Authorizing (1st) Amendment

Provide Additional Compensation
April 4, 2017, page 2 of 3

STATEMENT OF THE ISSUE

Currently, the City is inundated with illegal dumping activity on its publicly maintained or City-owned properties and the funds that were allocated for the first (1st) year of the abatement services agreement with New West Landscaping have been exhausted.

Therefore, in order to continue utilizing the City-wide abatement services of New West Landscaping for the remainder of the term of the first (1st) year of the agreement (i.e. November 1, 2016 through October 31, 2017), City Council's authorization to provide additional compensation is necessary. All other terms and conditions of the original agreement between the City of Compton and New West Landscaping will remain in effect.

FISCAL IMPACT

That the Public Works 2016-2017 Fiscal Year's budget will be amended in order to transfer funds between accounts within the Lighting and Landscaping fund as follows:

From:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
2502-710-000-4297	Debt Services	\$75,000

To:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
2502-710-000-4269	Other Contract Services	\$75,000

Funds in the amount of \$75,000 will be available in the Public Works 2016-2017 Fiscal Year's budget in Account No. 2502-710-000-4269.

ALTERNATIVE

Due to the large amount of illegal dumping activities city-wide, no other alternative is being recommended. The City desires to retain the services of a qualified contractor to provide clean-up, removal and haul away services City-wide.

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING SECTIONS 2-20.1 AND 2-20.2 OF CHAPTER II OF THE COMPTON MUNICIPAL CODE RELATIVE TO THE COMPTON YOUTH LEADERSHIP COUNCIL

SUMMARY

The City Council will consider adopting an ordinance amending Chapter II of the Compton Municipal Code by amending, in part, Sections 2-20.1 and 2-20.2 for the purpose of revising regulations for the Compton Youth Leadership Council.

BACKGROUND

The Compton Youth Leadership Council ("CYLC") is established under Section 2-20 of Chapter II of the Compton Municipal Code ("CMC"). The goals of the CYLC are to provide youth with the opportunity to make recommendations relative to policies that affect their lives, expose and educate youth relative to the nature and scope of city government, provide a forum for the exchange of positive ideas and information among youth, and conduct workshops and symposiums on important issues facing youth. Sections 2-20.1 and 2-20.2 currently regulate the age requirements for the CYLC as members ages thirteen (13) through eighteen (18) and requires that all members of the CYLC shall be residents of the City of Compton and a majority of the Council membership shall be current students of the Compton Unified School District.

The proposed new language is shown as underlined and in **bold**. The proposed amendments change the age requirements of Section 2-20.1 to require that members of the CYLC be within the ages of sixteen (16) through twenty-four (24) and to the educational requirements of 2-20.2 to state that a majority of the Council membership be currently enrolled students. All of the proposed amendments maintain the intent of Section 2-20.

Proposed Amendments to CMC 2-20 “Compton Youth Leadership Council”

2-20.1 Composition and Appointment of Members.

Each City Council member shall appoint one (1) member to the Compton Youth Leadership Council (CYLC). The CYLC shall consist of (5) members, **ages sixteen (16) through twenty-four (24)**. The chairperson shall be appointed by the Mayor of the City Council.

2-20.2 Council Members.

All members of the CYLC shall be residents of the City of Compton **and a majority of the Council membership shall be currently enrolled in a high school, trade school, college or university**. Any member of the CYLC shall be deemed to have resigned and their membership on the CYLC automatically vacated in the event said member ceases to be a resident of the City of Compton.

No other changes to the remaining provisions of Section 2-20 are proposed.

FISCAL IMPACT

None.

Staff recommends that the City Council adopt the attached proposed Ordinance amending certain sections of CMC 2-20.

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY ATTORNEY

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CHAPTER VII OF THE COMPTON MUNICIPAL CODE BY ADDING SECTION 7-20 TO REGULATE CAMPING, SLEEPING, AND/OR STORAGE OF PERSONAL PROPERTY ON PUBLIC PROPERTY

SUMMARY

The City Council will consider adopting an ordinance that will amend Chapter VII of the Compton Municipal Code to add Section 7-20 to regulate and prohibit, unless otherwise permitted, camping, sleeping, and/or storage of personal property on public property (parks, playgrounds, sidewalks, etc.) within the City of Compton.

BACKGROUND

The public streets and other public areas within the City should be readily accessible and available to residents and the public at large. The use of these areas for camping purposes, storage of personal property, and sleeping interferes with the rights of others to use the areas for which they were intended. Unauthorized camping, sleeping, and/or storage of personal property on public property by individuals has been known to cause a disturbance of the peace, health, safety or general welfare of the community and pose hazardous threats to camp occupants. Using the City's public areas in a manner different than what the area was designed for creates a risk of harm to all users.

The City's Local Housing Authority conducted the Greater Los Angeles Homeless Count on January 26, 2017 to determine the number of homeless individuals within the City. The Local Housing Authority found that there were 165 homeless persons over the age of 18 in the City at the time of counting.

IMPACTS OF PUBLIC CAMPING

Detrimental impacts from unauthorized camping, sleeping, and/or storage of personal property on public property which is not designed for human habitation include lack of proper water and sanitary facilities, safety hazards for visitors and the inhabitants of substandard temporary structures, presence of trash and debris, criminal activities (including illegal drug use) and other conditions which are inconsistent with the intended use and enjoyment of these areas by the general public.

Persons using camps as a means for shelter are also more likely than the general population to be victims of crime against the person, particularly due to the vulnerability and ease of access of public camps as opposed to living in shelters. Despite the notion that camps are safe havens for those living an otherwise rough or unconventional life, these camps can be venues for serious violent crime. Camps also have the direct result of being a place for storage of personal property, which leads to theft, littering, and various other public nuisances.

STATEMENT OF THE ISSUE

Staff is recommending that the City Council adopt an ordinance to regulate; unless otherwise permitted; camping, sleeping and/or storage of personal property on public property. The purpose of the ordinance will be to decrease the rising number of camps within the City which will reduce negative impacts on the public health, safety and general welfare arising out of camping and storage of personal property on public property. The City's parks, recreation and open space areas are intended for daytime use by the general public, not for overnight occupancy or storage of personal property.

CONSTITUTIONALITY OF PROPOSED ORDINANCE

In order for such an ordinance to be constitutional, there must be means for proper sheltering of homeless individuals. Courts have found that ordinances regulating homeless camps will generally be upheld as constitutional under the Eighth and Fourteenth Amendments so long as they do not punish solely for the status of being homeless. While this proposed ordinance will affect the homeless population in the City, it is not solely targeted against homeless individuals, but rather prohibits unauthorized camping, sleeping, and/or storage of personal property on City property by all individuals within the City, regardless of status. The purpose of the ordinance is not to punish, but rather help the City's law enforcement agencies regulate these types of activities for the health, safety, and general welfare of the community at large.

Courts have also found that ordinances regulating homeless camps are constitutional so long as the regulating city takes into consideration the public "necessity" within a city with regard to the availability of homeless shelters. Shelters do not need to be directly located within the city, but need to be within a reasonably feasible proximity to allow access to them by homeless individuals. Currently, there exist eight (8) shelters within the City of Compton. Additionally, the City is enrolled in a voucher program with landlords through the Homeless Incentive Program, which provides approximately fifty (50) vouchers for homeless individuals. There are also shelters located outside of the City's boundaries that are in a feasible proximity to the City to allow for access by homeless individuals seeking shelter. Further, the City has shown a commitment to

partner with organizations that are readily available to provide both temporary and permanent shelter, transportation, and resources to the City's homeless population.

PROPOSED COMPTON MUNICIPAL CODE

Staff recommends that the City Council adopt the proposed amendment of Chapter VII of the Compton Municipal Code to add Section 7-20 to provide legislation that will regulate camping, sleeping, and/or storage of personal property on public property to effectively protect the public peace, health, safety and general welfare of the community. The proposed amendment shall make it unlawful; unless otherwise permitted; to camp, sleep, and/or store personal property in or on the City's public property. The proposed ordinance shall also include notice procedures for abatement.

PROCEDURE FOR ABATEMENT

The following summarizes the proposed procedure for abating camps in the City:

Clean-up of Camps in City Public Areas

A. Prior Notice

1. For camps inhabited by ten (10) or more individuals which have been in place for more than thirty (30) days:

Approximately ten (10) days prior to undertaking a clean-up, the City shall make reasonable efforts to provide informal notice to any present occupants of the camp.

At least seven-two (72) hours prior to undertaking a clean-up, the City shall seek to provide a written notice of the intended clean-up by posting and/or distributing a written notice in a manner which is reasonably calculated to provide notice to any occupants of the camp.

2. For camps which are either inhabited by fewer than ten (10) individuals or have been in place for fewer than thirty (30) days:

At least seventy-two (72) hours prior to undertaking a clean-up, the City shall seek to provide a written notice of the intended clean-up in a manner which is reasonably calculated to provide notice to any occupants of the camp.

B. Collection, Storage and Disposition of Personal Property

The City will take reasonable precautions to prevent disposal or destruction of any items which appear to be the personal property of any individual. Reasonable doubt about whether property constitutes trash or debris, as opposed to personal property, shall be resolved in favor of the conclusion that the property has not been discarded or abandoned.

Personal property which is collected will be documented and after the removal of personal property, the City shall post a written notice of property retrieval. Personal property will be stored at no charge to the owner for a period of at least ninety (90) days, during which time the property will be available to be reclaimed by the owner. After the expiration of ninety (90) days, any unclaimed property may be disposed of by the City as deemed appropriate.

RECOMMENDATION

It is staff recommendation that the City Council adopt the attached Ordinance.
