ROLL CALL

Council Members Present – McCoy, Sharif, Brown
Council Members Absent – Zurita, Galvan (*Entered the meeting at 5:58 p.m.*)

Other Officials Present: C. Cornwell, A. Godwin, D. Sanders, C. Rhambo, Jr.

PUBLIC COMMENTS ON AGENDA ITEMS AND NON-AGENDA MATTERS

Robert Ray, Compton resident, congratulated the General Election winners. Mr. Ray referenced a letter sent to residents regarding the sewer assessment, which caused considerable confusion and suggested that a corrected letter be sent out to the residents. Mr. Ray then commented that the Councilmembers that have not been present for recent City Council meetings are in violation of the City Charter and should be removed.

Benjamin Holifield, Founder/President-Compton Business Chamber of Commerce, requested a financial report be provided by the city once or twice a month. Mr. Holifield also urged the city to prohibit large trucks from travelling over the crumbling bridges on Compton Boulevard and Wilmington Avenue as they are unsafe and the truck traffic contributes to the pothole problems. Mr. Holifield expressed his wishes for Compton to be fully restored as a safe, clean and friendly city.

Maria Villareal, Latino Chamber of Commerce, congratulated Councilmember Emma Sharif on her re-election, and thanked the residents of Districts 1 and 4 for voting, noting that the people make the difference. Ms. Villareal addressed the letter regarding the sewer assessment fee noting that many seniors are confused about the letter. Ms. Villareal indicated that the notice must be provided in Spanish for the residents.

City Manager Cecil Rhambo explained that a second notification printed in English and Spanish was mailed to the residents which clarifies the procedure for returning the form. City Manager Rhambo indicated that residents may return the form in person, without having the document notarized. The deadline for submission of the form has been extended to July 1, 2019.

Adolpho Varas, Latino Chamber of Commerce, informed the community that the Chamber is working in conjunction with the Los Angeles Department of Health to organize a Disaster Preparedness Workshop scheduled for June 25, 2019 at 10 a.m. at the Martin Luther King Jr. Center for Public Health, 11833 Wilmington Avenue, Los Angeles. Mr. Varas further stated that the Chamber is actively working with businesses to improve relationships with the city and provide all unlicensed businesses with an opportunity to legally conduct business and contribute to the community.

Chris Bailey, Compton resident, thanked God and congratulated the election winners. Mr. Bailey urged the Council to clean up the city, particularly the various alley ways. Mr. Bailey encouraged the City Council to treat the community with dignity and respect as they were elected by the voters to serve the residents.

Dawn Franks, Compton resident, congratulated Councilmember Emma Sharif and Michelle Chambers for their wins in the recent election and further thanked the Black and Brown communities for working together to move the city forward.

Richard Earl, Compton resident, congratulated the election winners and also spoke regarding the letter concerning the water rates bill. Mr. Earl suggested that the city consider shopping for a better rate instead of simply raising the fees. Mr. Earl also stated that it would behoove the city to lower the cost of a trash bin, which would allow the residents to afford bins, rather than discarding unwanted materials along the streets and alleyways. Mr. Earl concluded by requesting that the Sheriff's Department patrol along Greenleaf Boulevard to deter speeding.

Jackie Venters, Compton resident, thanked the Council and community for voting to move the city forward. Ms. Venters noted that she was a poll watcher for the recent election and many people voted for change. Ms. Venters questioned if the city has any recreational programs for the youth. Ms. Venters also indicated that the children of the community need jobs and incentives to work for the common good of the city.

Mayor Brown announced that the Parks and Recreation Summer Guide is available on line and can be accessed by visiting the city's website: www.comptoncity.org. The Summer Guide is also available at various parks in the city and on all social media platforms.

Tony Hicks, Compton resident, congratulated the election winners and thanked Councilmember Janna Zurita for her many years of service to the city. Mr. Hicks highlighted the Compton 125 Historical Society and invited the community to contact the Historical Society and become involved in preserving the history of the people of Compton. Mr. Hick urged the residents to contact him at (213) 399-2325 or email them at customercare@compton125historicalsociety.org or visit: www.compton 125historicalsociety.org.

Rev. Dr. Mello Desire, Compton resident, spoke regarding her plans to develop a center focusing on preventing youth homelessness, youth suicide, and proving a you tube channel for the youth to be able to express themselves. Dr. Desire further stated that she is seeking the Council's support for a Wellness Center and a digital studio, adding that the city must provide opportunities for the youth to prevent suicide and violence.

Will Scott, Compton resident, stated that he lives near the 710 Freeway and Alondra and noted that the recent improvements are very progressive. Mr. Scott stated that he drives around the city, and construction is being done, however, he does not see any Blacks working on the projects. He urged the Council to require the contractors to employ more Blacks from the community to alleviate the high unemployment for the youth. Mr. Scott then commented regarding agenda item number 10 (request for travel to Miami, Florida) and expressed his thoughts that a certain Councilmember is frequently absent from the meetings, therefore, that individual should not be allowed to travel and represent the city. Mr. Scott concluded by requesting that the city provide a newsletter or publication detailing the various resources available to the residents.

Lynn Boone, Compton resident, spoke regarding agenda item number 10 (request to travel to Miami, Florida) indicating that the cost associated with the travel is far too costly, given the city's $50 Million deficit. Ms. Boone expressed her excitement that the community is engaging with city administration and encouraged the residents to download and read the entire agenda package to become better informed, adding that knowledge is power. Ms. Boone concluded by informing the residents that she is responsible for requesting that the State Controller conduct the financial audit of the City of Compton.

Joyce Kelly, Compton resident, requested that the City Manager provide more detailed information regarding the agenda items. Ms. Kelly spoke in opposition to any city officials traveling, adding that certain Councilmembers do not know how to properly represent the citizens nor the City of Compton. Ms. Kelly urged the Council to place qualified individuals on the Personnel Board and further commented that the community is demanding positive changes for Compton.

Barbara Calhoun, Former City Councilmember, thanked the citizens for getting involved with their community. Ms. Calhoun requested an explanation of the sewer assessment fee exemption form and the rationale for requiring the residents to notarize the document before returning it to the city. Ms. Calhoun also congratulated Councilmember Emma Sharif on her victory.

Ms. Janice Jackson, Compton property owner, indicated that many of the elders do not have access to computers or internet, thus, are unable to visit the city's website for publications. Ms. Jackson suggested that the city mail out the Summer Activities Guide as well as other important/informational documents to the residents. Ms. Jackson raised concerns regarding the OnBase Software and questioned why the city would purchase software that is incompatible with the current system. Ms. Jackson urged the City Council not to travel because there is plenty of city business that must be addressed; further suggesting that all money designated for travel be directed towards the pothole repairs and city business.

Mr. Johnson further explained that Willdan Financial conducted an audit of the city's sewer system and determined that approximately 4300 out of the city's 20,000 property parcels were exempt from paying sewer fees. The systems fee parcel exemptions had not been updated since fiscal year 1999/2000, so consequentially, the city did not receive approximately $4.2 Million of assessment fees over the last 18 years.

Mr. Johnson further indicated that residents were notified via US mail that they must complete a sewer fee exemption form and it was decided that the residents should have the ability to respond without having to leave their homes. Information was provided to have a mobile notary visit those residents who are unable to submit their forms to city hall, to present identification and have their form notarized, and then mail the form to City Hall to qualify for the exemption. Mr. Johnson stated that Public Works was inundated with calls and inquiries, so staff decided to send a corrected notice to the residents explaining that qualifying residents may present their identification, in person, to the Public Works Department to verify that they qualify for the exemption. Mr. Johnson informed the City Council that approximately 1,000 residents hand-delivered the exemption form to the Public Works Department, while another 1,200 individuals mailed the form to the city.

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: RAFAELA T. KING, CITY CONTROLLER
CITY CONTROLLERS DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO A SOFTWARE AND LICENSE SERVICES AGREEMENT AND ISSUE A PURCHASE ORDER TO GOVINVEST FOR POST-RETIREMENT HEALTHCARE BENEFIT ACTUARIAL REPORTS AND PROPRIETARY SOFTWARE FOR THE PENSION AND HEALTHCARE PLAN FOR THE CITY ($20,000.00)

SUMMARY

Adoption of the attached Resolution will authorize the City Manager to accept the bid of, enter into a software and license service agreement and establish a purchase order in the amount of Twenty Thousand Dollars ($20,000.00) to GovInvest for post-retirement healthcare benefit actuarial reports and proprietary software for the pension and healthcare plan for the City.

BACKGROUND

Pensions are common among public employees, which includes all City of Compton employees. In many cases, the employee, employer and government make regular contributions to a pension, which is paid out in monthly increments upon the employees' retirement.

Pension payouts have become a significant challenge for governments to manage. More often than not, the amount set aside by government agencies does not mirror the actual amount owed to retirees. The discrepancies in funds allocated vs. owed are referred to as "unfunded liabilities."

GovInvest co-founders soon realized how difficult it is to navigate the actuarial reports that are used to predict how much money should be set aside annually for retiree benefit payouts. On top of that, city council members and finance directors are tasked with making these difficult and complex decisions about pension payouts outside of their day-to-day roles. While some government agencies hire expensive actuarial consulting firms to analyze the confusing spreadsheets of data, others make decisions in the dark.

GovInvest's mission is to help governments solve their unfunded pension, OPEB, and debt problems, through unique software and simple, understandable actuarial

reports. They provide value by facilitating easy communication of complex information to decision – makers and stakeholders, allowing them to understand and analyze their liabilities, and providing clear solutions. The available solution suite consists of actuarial software, actuarial valuations, and benefit consulting.

The software solution provides visuals and digestible analysis of the valuation reports that contain hundreds of convoluted assumptions and mathematical equations. GovInvest's platform also enables real-time sensitivity analysis to evaluate employee raises, medical and dental payout benefit modifications and more. This platform will also help the City of Compton properly and most accurately budget pension cost for current and retired employees. Without this software, the City becomes vulnerable to miscalculation of pension costs and can fall short of funds due to improper budgeting.

STATEMENT OF ISSUE

GovInvest is a proprietary software. Their fees include onboard fees and annual licensing fees. The fees are as follows:

- Pension:
  - $10,000 Onboarding (One-time)

BACKGROUND

The Gateway Water Management Authority ("GWMA") is a Joint Powers Authority ("JPA") agency made up of local government agencies representing the entire Gateway region in Southeast Los Angeles County.

The Los Angeles Gateway Region Integrated Regional Water Management "IRWM" Joint Powers Authority) also known as GWMA is a large watershed-based coalition. It is currently comprised of multiple cities, water agencies and a port that are responsible for coordinating the regional watershed needs of two (2) million people in the Gateway Region located in Southeastern Los Angeles County. Distinctive hydrogeological, topographic, demographic and political elements bring the GWMA together as a cohesive, interdependent, self-governing body.

The City of Compton wishes to enter into a joint powers agreement with the Los Angeles Gateway Region Integrated Regional Water Management Authority to become a member of the Los Angeles Gateway Region Integrated Regional Water Management Authority and thereby further the City of Compton's interest in developing an integrated regional water management plan that will protect and enhance the region's water resources. The Integrated Regional Water Management Planning Act (California Water Code Section 10530, et seq.) authorizes the creation of a "regional water management group," in which

three or more local agencies participate by means of a joint powers agreement that is approved by the local agencies' governing bodies, and in which two or more agencies have statutory authority over the water supply.

The City of Compton, the Los Angeles Gateway Region Integrated Regional Water Management Authority, and its members are "local agencies" as defined in the Integrated Regional Water Management Planning Act. Joint Exercise of Powers Act (California Government Code Section 6500, et seq.) authorizes public agencies to enter into a joint powers agreement.

The City of Compton, the Los Angeles Gateway Region Integrated Regional Water Management Authority, and its members are "public agencies" as defined in the Joint Exercise of Powers Act.

STATEMENT OF THE ISSUE

In order for the City Manager to enter into a Joint Powers Agreement and issue a purchase order to the Los Angeles Gateway Region Integrated Regional Water Management Authority to become a member of the Los Angeles Gateway Region Integrated Regional Water Management Authority, City Council's authorization is necessary.

ALTERNATIVE

The City of Compton desires to protect its interest in developing an integrated regional water management plan that will protect and enhance the region's water resources. Therefore, no other alternative is being proposed.

FISCAL IMPACT

The funds for this expenditure in the amount of $15,000 will be available in the Public Work Department 2019-2020 Fiscal Year budget in Account No. 1004-710-000-4249.

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM: CECIL W. RHAMBO, JR., CITY MANAGER

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CHAPTER II OF THE COMPTON MUNICIPAL CODE TO DELETE SECTION 2-7 (OVERSIGHT COMMITTEE), SECTION 2-9 (PUBLIC SAFETY COMMISSION), SECTION 2-14 (FEDERAL GRANTS ADVISORY BOARD), SECTION 2-15 (EMPLOYMENT AND TRAINING ADVISORY COUNCIL), SECTION 2-16 (COMMUNITY RELATIONS COMMISSION), SECTION 2-18 (BLOCK CLUB COMMISSION), SECTION 2-20 (COMPTON YOUTH LEADERSHIP COUNCIL), AND SECTION 2-30 (PUBLIC WORKS COMMISSION) IN THEIR RESPECTIVE ENTIRETY

SUMMARY

This Ordinance will amend Chapter II of the Compton Municipal Code to delete Section 2-7 (Oversight Committee), Section 2-9 (Public Safety Commission), Section 2-14 (Federal Grants Advisory Board), Section 2-15 (Employment and Training Advisory Council), Section 2-16 (Community Relations Commission), Section 2-18 (Block Club Commission), Section 2-20 (Compton Youth Leadership Council), and Section 2-30 (Public Works Commission) in their respective entirety.

BACKGROUND

The City Charter establishes the following three (3) boards and commissions: the Planning Commission, the Personnel Board, and the Recreation and Parks Commission. The Charter also authorizes the City Council to establish other commissions, boards, and committees by ordinance. The Resident Advisory Board was established to comply with the management of the Federal Housing program. The Measure P Committee was established as a part of the tax initiative voted for by the citizens. The remaining commissions, boards and committees were established by various City Councils over a period of years.

Over the years, there have been several commissions, boards and committees ("Commissions") that have been established by ordinance. Currently, many of these Commissions require appropriation of funds that require travel to conferences and training each year along with administrative supplies and logistics. Additionally, many of these Commissions have duties proscribed by ordinance that require varying degrees of budgetary support to fulfill these duties. In order to promote efficiency and reduce operating expenses for these Commissions, some of these Commissions can be eliminated in their entirety and have their respective duties, if any, combined with other Commissions.

STATEMENT OF THE ISSUE

Each fiscal year, the City Manager is mandated to submit a balanced budget. The challenge to do so involves months of meetings with department heads, staff, the community and the Mayor and City Council. While the City Charter allows for the establishment of commissions, boards, and committees ("Commissions") by ordinance, it also calls for the appropriation of funds to support those Commission to perform the respective duties prescribed by ordinance. The City Council shall include in its annual budget sufficient appropriations of funds for the efficient and proper functioning of such Commissions.

A review of the Commissions' compliance with their stated duties reveals that very few of the non-Chartered Commissions actually performed any of the duties set forth in the Municipal Code. There is no significant or regularly submitted evidence that some of the Commissions actually ever met their stated goals. Some of these Commissions have not met or had a quorum in years. Examples of this are the Public Works Commission and the Youth Leadership Council.

Based upon an administrative review of all Commissions it is believed that a reduction of the number of Commissions could be accomplished by combining the duties of some Commissions with those of other Commissions. Additionally, staff believes that a reduction in the number of memberships of certain Commissions, along with revisions in the compensation paid to the members, will have a positive financial impact for the City. This would create budgetary efficiencies by reducing the number of paid Commissioners and reducing the operating expenses for so many Commissions. The following table is a snapshot of the current Commissions, Boards, and Committees including recommendations by staff:

(*Legally required are highlighted in GREEN)

Commission/Committee/Board	Number of Members	Stipend per month	Recommendation
Beautification	11	$75	Reduce # members to 5; Decrease stipend to $50
Block Club	9	$20	**Eliminate**
Commission on Aging	5	$20	Retain; Increase stipend to $50
Community Relations	9	$35 per meeting, not to exceed $70 per month	**Eliminate**

Women's Commission	15	$25	Reduce # of members to 11; Increase stipend to $50
Taxpayers Committee (Measure P)	5	Undetermined	Legally required. Recommend $75
Disability Commission	9	$20	Retain; Increase stipend to $50
Employment & Training Advisory Council	7	$20	**Eliminate**
Federal Grants Advisory Board	9	$150	**Eliminate**
Loan Review Board			**Eliminated 2012**
Oversight Committee	5	$150	**Eliminate**
Parks and Recreation Commission	5	$20	Legally required. Raise stipend to $50.
Personnel Board	5	Paid per meeting	Legally required.
Planning Commission	5	$150	Legally required.
Public Safety Commission	7	$20	**Eliminate**
Public Works Commission	5	$150	**Eliminate**
Resident Advisory Board	5	$50	Legally required.
Youth Leadership Council	5	$50	**Eliminate**

The recommended reduction in the number of Commissions, Boards and Committees will still leave a total of nine (9) such entities which can be modified or added to at a future time as prescribed by the Charter.

FISCAL IMPACT

The current budget amount for all the Commissions based on the number of members, amount of the stipend, and number of meetings per month amounts to a minimum of $108,740 per year. The implementation of the above recommendations would result in savings of $47,540 per year.

RECOMMENDATION

It is staff's recommendation that the City Council adopt the attached Ordinance.

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING AN AMENDED AND RESTATED AGREEMENT BETWEEN THE CITY AND CONSOLIDATED DISPOSAL SERVICE, LLC, THROUGH ITS WHOLLY OWNED SUBSIDIARY, REPUBLIC SERVICES, INC., FOR SOLID WASTE AND RECYCLABLE MATERIALS HANDLING SERVICES, MAKING A DETERMINATION OF EXEMPTION FROM CEQA IN CONNECTION THEREWITH, AND TAKING CERTAIN RELATED ACTIONS

SUMMARY

The attached ordinance approves an amended and restated solid waste franchise agreement.

BACKGROUND

On April 23, 2019, the City Council adopted Resolution 25,008 (i) declaring the Council's intent to amend the City's existing solid waste franchise agreement, approve increases to the solid waste rates, amend Chapter XXI of the Compton Municipal Code, collect solid waste charges for single-family residential properties that do not receive water service from the City on the fiscal year 2019-20 County tax roll, and make a finding that the foregoing actions are exempt from CEQA; (ii) setting a public hearing on June 18, 2019; and (iii) and taking related actions, including approving procedures for conducting the public hearing, directing staff to prepare a written report in connection with the tax roll billing, and directing staff to provide notice of the public hearing. The public hearing procedures and written report are on file in the office of the City Clerk.

The City published Resolution No. 25,008. In addition, in accordance with the requirements of Proposition 218 (which added Article XIII D to the California Constitution), the City mailed notice of the public hearing to property owners and customers at least 45 days prior to the date of the public hearing and in accordance with Health and Safety Code Section 5473.1, the City published notice of the public hearing once a week for two successive weeks prior to the public hearing. The notices set forth the proposed rate increases and information regarding the collection of charges for single-family properties that do not receive water service from the City on the County tax roll for fiscal year 2019-20.

STATEMENT OF THE ISSUE

In 2010, the City entered into an exclusive solid waste franchise agreement with Pacific Coast Waste & Recycling, LLC, which was amended and restated in 2012. The agreement was assigned to Consolidated Disposal Service, LLC, a wholly owned subsidiary of Republic Services, Inc. ("Republic"), in 2013. The term of the franchise agreement will expire on September 30, 2022.

California's mandatory commercial recycling law (California Public Resources Code Sections 42649-42649.7 and Title 14 of the California Code of Regulations Sections 18835-18839) ("MCR law") and mandatory organics recycling law (California Public Resources Code Sections 42649.8-42649.87) ("MOR law") require the City to implement a commercial solid waste recycling program and an organic waste recycling program that meet certain requirements.

Pursuant to the MCR law, public entities and businesses that generate four cubic yards or more of solid waste per week and multi-family complexes of five or more units, regardless of the amount of solid waste they generate, must arrange for recycling services. Pursuant to the MOR law, public entities, multi-family complexes of five or more units, and businesses that generate four cubic yards or more of commercial solid waste per week must arrange for recycling services specifically for organic waste. The City must implement commercial solid waste and organic waste recycling programs designed to divert commercial solid waste and organic waste in accordance with the MCR and MOR laws. The programs must include identification of businesses and multi-family complexes subject to the MCR and MOR laws, and notification, monitoring, education, outreach and enforcement actions. The City is also required to report periodically to CalRecyle on its progress in implementing its MCR and MOR programs.

In order to establish and implement suitable MCR and MOR programs and address other solid waste issues, including increasing the solid waste rates, staff recommends that the City Council hold a public hearing and adopt the attached ordinances and resolution to accomplish the actions described below.

Amend and restate the existing solid waste franchise agreement. The City Council will consider the proposed amended and restated franchise agreement at the public hearing. Republic has agreed to provide recycling programs that will assist the City to comply with the MCR and MOR laws, and has also agreed to provide enhanced bulky waste/clean-up programs. Proposed amendments to the existing franchise agreement set forth the City's and Republic's agreements with respect to the new and enhanced programs and also include updated provisions to the agreement. The proposed amendments to the franchise agreement will not extend the term of the agreement.

Other proposed amendments to the existing franchise agreement include providing for Republic to take over the billing for commercial accounts and multi-family accounts (with bin service) on or after August 1st, with the City to undertake proceedings annually to collect delinquent commercial and multi-family accounts on the County property tax roll commencing in fiscal year 2020-21. In addition, the amended franchise agreement includes provisions for the City to make installment payments to Republic, in the total amount of $1,600,000, over the remaining term of

the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

CEQA

City staff has evaluated the actions described above to determine whether they will have a significant effect on the environment. Staff has determined that the actions are exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15061(b)(3) and 15308 on the grounds that it can be seen with certainty that the enhanced solid waste regulations, as provided for in the proposed amended franchise agreement and in Chapter XXI of the Compton Municipal Code, as proposed to be amended, will not have a significant effect on the environment and that the new requirements, which strengthen requirements for the handling of solid waste, represent actions by a regulatory agency (the City) for the protection of the environment. In addition, pursuant to State CEQA Guidelines Section 15378(b)(4), the creation of funding mechanisms and other fiscal activities which do not involve commitments to a specific project that could have significant physical impacts on the environment are not projects subject to CEQA.

FISCAL IMPACT

As described in this Staff Report, Republic has requested rate increases to the solid waste charges. If the higher rates generate higher revenues for Republic, there will be an increase in the City's franchise fee revenues. As described in this Staff Report, the amended franchise agreement includes a payment to Republic in the total amount of $1,600,000, payable in installments over the term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

RECOMMENDATION

That the City Council hold a public hearing and (i) in the absence of a majority protest (calculated as described in this Staff Report) introduce the attached ordinance increasing the solid waste rates by a 2/3 vote; (ii) introduce the attached ordinance amending the franchise agreement; (iii) introduce the attached ordinance amending Chapter XXI of the Compton Municipal Code by a 2/3 vote; and (iv) in the absence of a majority protest (calculated in as described in this Staff Report) adopt the attached resolution providing for collection on the fiscal year 2019-20 County tax roll of the solid waste charges for single-family properties that do not receive water service from the City.

2.8 Limitations to Scope

Notwithstanding any provision to the contrary contained herein, the Franchise granted to Company by this Agreement specifically excludes the following services, which services may be provided by Persons other than Company and which may be the subject of other permits, licenses, franchises or agreements issued or entered by City:

a) The sale or donation of Source-Separated Recyclable Materials or Organic Waste by the Waste Generator to any Person or entity other than the Company in accordance with the requirements of the Compton Municipal Code; provided, however, to the extent permitted by law, if the Waste Generator is required to pay monetary or non-monetary consideration in any form or amount for the Collection, transportation, transfer, brokerage, removal, handling or processing of Recyclable Materials or Organic Waste, the fact that the Waste Generator receives a reduction or discount in price (or in other terms of the consideration the Waste Generator is required to pay) shall not be considered a sale or donation;

b) The removal of Solid Waste, including Green Waste, Organic Waste, Bulky Items, and Recyclable Materials from any Premises by the Waste Generator, which is transported personally by such Waste Generator (or by his or her full-time employees) to a processing or Disposal Facility in a manner consistent with all Applicable Law;

c) The removal of Green Waste from a Premises by a gardening, landscaping, or tree trimming company in accordance with the requirements of the Compton Municipal Code, utilizing its own equipment, as an incidental part of a total service offered by that company rather than as a hauling service;

d) The Collection, transfer, transport, Recycling, processing, and Disposal of animal waste and remains from slaughterhouses or butcher shops for use as tallow;

e) The Collection, transfer, transport, Recycling, processing, and Disposal of by-products of sewage treatment, including sludge, sludge ash, grit and screenings;

Rather, the Parties intend that whatever, if any, title in and to the Solid Waste and Recyclable Materials that is Collected by Company which otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Company; and further that if Company gains title to such Solid Waste and Recyclable Materials, it is by operation of law and agreement with its Customers and is not the result of this Agreement. At no time does City obtain any right of ownership or possession of Solid Waste or Recyclable Materials placed for Collection, and nothing in this Agreement shall be construed as giving rise to any inference that City has any such rights. City and Company agree that, for the purposes of the Uniform Commercial Code and all other laws imposing liability for defective products, it is Company, and not City which is to be considered the merchant of goods recycled pursuant to this Agreement. Subject to the provisions of this Agreement, and unless City exercises its rights to direct the location for Disposal and processing of Solid Waste and Recyclable Materials, Company shall have the right to retain, Recycle, process, dispose of, and otherwise use Solid Waste and Recyclable Materials Collected pursuant to the terms hereof in any lawful fashion or for any lawful purpose; and, further, shall have the right to retain any benefit resulting from its right to retain, convert, Recycle, process, dispose of, or reuse the Solid Waste and Recyclable Materials which it Collects including, without limitation, all carbon, air quality, green house gas reduction, emission, and renewable energy credits, set-offs, and similar benefits (collectively "Credits") arising from the Solid Waste and Recyclable Materials Handling Services by Company pursuant to this Agreement. i) Other information or reports that City may reasonably request or require.

8.3.5 Financial Report

City may, at City's option, request and be provided with Company's financial reports/statements for the most recently completed fiscal year in connection with any audit, rate adjustment request, or verification of other information required under this Agreement.

Financial statements shall include a supplemental combining schedule showing Company's results of operations, including the specific revenues and expenses in connection with the operations provided for in this Agreement, separated from others included in such financial statements. The financial statements and footnotes shall be prepared in accordance with generally accepted accounting principles (GAAP) and audited, in accordance with generally accepted auditing standards (GAAS) by an independent (not affiliated with Company) certified public accountant (CPA) licensed (in good standing) to practice public accounting in the State as determined by the State. Financial statements and records of parent company Republic Services, Inc. may be used for purposes of Company's compliance with this Section 8.3.5.

Department of Consumer Affairs Board of Accountancy. The cost for preparation of the financial statements and audit shall be borne by Company as a direct cost of service. In addition, Company shall provide to City the supplemental schedule on a compiled basis.

8.4 Reporting Adverse Information

Company shall provide City two copies (one to the City Manager, one to the City Attorney) of all reports, pleadings, applications, notifications, Notices of Violation, communications or other material relating in any way to Company's performance of services pursuant to this Agreement, submitted by Company to, or received by Company from, the United States, California Environmental Protection Agency, CalRecycle, the Securities and Exchange Commission or any other federal, state or local agency, including any federal or state court. Copies shall be submitted to City within 30 days of receipt by Company, or sooner if reasonably apparent that to do so is materially relevant and any responses by Company shall be submitted to City simultaneously with Company's filing or submission of such matters with these agencies. Company's routine correspondence to these agencies need not be routinely submitted to City, but shall be made available to City promptly upon City's written request.

8.5 Right to Inspect Records

City shall have the right to inspect or review the specific documents or records required pursuant to this Agreement, or any other similar records or reports of Company or its Affiliates that City shall reasonably deem necessary to evaluate annual reports, rate adjustments applications provided for in this Agreement and Company's performance provided for in this Agreement. Company shall make all records and documents to be reviewed and inspected by City as a part of any audit or other record review conducted by City, available for City's review, inspection and copying within 24 hours of receiving written notice from City requesting the same.

8.6 Failure to Report

The refusal or failure of Company to file any required reports, or to provide required information to City within five days of demand to do so by City, or the inclusion of any materially false or misleading statement or representation by Company in such report shall be deemed a material breach of this Agreement as described in Section 11.1 and shall subject Company to all remedies which are available to the City under this Agreement or otherwise.

ARTICLE 9
INDEMNIFICATION, INSURANCE, BOND

9.1 Indemnification

Company hereby agrees to and shall indemnify and hold harmless City, its public officials, officers, employees, consultants, agents, volunteers and independent contractors serving in the role of City officials (collectively, "Indemnitees") from and against any and all loss, liability, penalty, damage, costs and fees (including but not limited to all fees and charges of engineers, architects, attorneys and other professionals as well as all court or other dispute resolution costs, and costs of exhibits, reports and other similar defense expenses), forfeiture, claim, demand, action, proceeding or suit in law or equity of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to property, or for contribution or indemnity claimed by third parties) arising or resulting from and in any way connected with (1) the negligence, willful misconduct or intentional acts or omissions of Company, its officers, employees, agents, representatives, contractors, subcontractors and/or Affiliates in performing services under this Agreement, including with respect to the collection by City of delinquent accounts on the Tax Roll turned over by Company to City for collection; (2) the failure of Company, its officers, employees, agents, representatives, contractors and/or subcontractors to comply in all respects with the provisions of this Agreement, Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; and (3) the acts of Company, its officers, employees, agents, representatives, contractors, subcontractors and/or Affiliates in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws). Company further agrees to and shall, upon demand of City, at Company's sole cost and expense, defend (with attorneys acceptable to City) the Indemnitees against any claims, actions, suits in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City incurs in providing any such defense, either before, during or after the time Company elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Company.

THE PROVISIONS OF THIS SECTION SHALL NOT TERMINATE OR EXPIRE, SHALL BE GIVEN THE BROADEST POSSIBLE INTERPRETATION AND SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

9.2 Hazardous Substances Indemnification

A. Without regard to any insurance coverage or requirements, and without limiting the above general indemnification obligation in any way, Company specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), reimburse, indemnify, and hold harmless the Indemnitees from and against any and all claims, actions, liabilities, damages, demands, judgments, losses, costs, liens, expenses, suits, actions, attorneys' fees, consultant fees, penalties and any and all other losses, damages, fees and expenses of whatever kind or nature ("Claims") (including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Company from and after the Effective Date that:

1. Results in any demand, claim, notice, order, or lawsuit, asserting that any Indemnitee is liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

2. Relates to material Collected, transported, recycled, processed, treated or disposed of by Company.

B. Company's obligations pursuant to this section shall apply, without limitation, to:

3. Any Claims brought pursuant to or based on the provisions of any Environmental Law;

4. Any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation of Company of any Facility;

5. Any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, Disposal, processing or use of any materials recovered by Company; and

6. Any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

B. The foregoing indemnity and defense obligations shall apply irrespective of the negligence or willful misconduct of Company or any Affiliate. However, Company assumes no liability whatsoever for acts or omissions of City that precede the Effective Date of this Agreement.

C. For purposes of this section, the term "Hazardous Contaminant" shall mean any Hazardous Substance, any Hazardous Waste, any crude oil or refined or unrefined petroleum product or any fraction or derivative thereof; and any asbestos or asbestos-containing material.

THE PROVISIONS OF THIS SECTION SHALL NOT TERMINATE OR EXPIRE, SHALL BE GIVEN THE BROADEST POSSIBLE INTERPRETATION AND SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

9.3 Indemnification for Failure to Meet Diversion Requirements; Guarantee

A. To the extent authorized by law, Company agrees to indemnify and hold harmless City from and against all fines and/or penalties imposed by the CalRecycle in the event the waste diversion or disposal reduction goals or any other requirements of the Act are not met by City.

B. Company warrants and represents that it is familiar with City's waste characterization study as set forth in City's Source Recovery and Recycling Element (SRRE), and that it has the ability to and will provide sufficient programs and services to ensure City will meet or exceed the requirements (including, without limitation, amounts of Solid Waste to be diverted, time frames for Diversion, and any other requirements) set forth in the Act.

C. Subject to the provisions of Section 40059.1 of the Public Resources Code, Company agrees to protect and defend Indemnitees with counsel selected by Company and approved by City, to pay all costs and fees (including, without limitation, fees and charges of engineers, architects, attorneys and other professionals, and costs of exhibits, reports and other similar defense expenses) and to indemnify and hold Indemnitees harmless from and against all fines or penalties imposed by the CalRecycle if the Diversion goals specified in California Public Resources Code Section 41780 are not met by the City with respect to the Solid Waste and Recyclable Materials Collected by Company and if the lack in meeting such goals are attributable to the failure of the Company to implement and operate the Recycling or Diversion programs or undertake the related activities required by this Agreement.

9.4 Insurance

Company shall procure and maintain during the entire Term the following types of insurance, and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Company's performance hereunder or the actions or inactions of any of Company's officers, agents, representatives, employees, contractors or subcontractors in connection with Company's performance. The insurance requirements hereunder in no way limit Company's various defense and indemnification obligations, or any other obligations as set forth herein.

9.4.3 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its officials, employees and agents; or Company shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

9.4.4 Other Insurance Provisions. The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

a) City, its elective and appointive boards, commissions, officials, employees, agents, and volunteers are to be named as additional insured's as respects: liability arising out of activities performed by or on behalf of Company; products and completed operations of Company; Premises owned, leased or used by Company; or vehicles owned, leased, hired or borrowed by Company. The coverage shall contain no special limitations on the scope of protection afforded to City, its elective and appointive boards, commissions, officials, employees, agents or volunteers.

b) Company's insurance coverage shall be primary insurance as respects City, its elective and appointive boards, commissions, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by City, its officials, elective and appointive boards, commissions, employees, agents or volunteers shall be excess of Company's insurance and shall not contribute with it.

9.4.5 Acceptability of Insurers. The insurance policies required by this section shall be issued by an insurance company or companies authorized to do business in the State and with a rating in the most recent edition of Best's Insurance Reports of size category VII or larger and a rating classification of A or better.

9.4.6 Verification of Coverage. Company shall furnish City with certificates of insurance and with original endorsements affecting coverage required hereunder. The certificates and endorsements for each insurance policy are to be signed by a Person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

9.4.7 Contractors and Subcontractors. Company shall include all contractors and subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each contractor and subcontractor. All coverages for contractors and subcontractors shall be subject to all of the requirements stated herein.

9.4.8 Required Endorsements

1. The Workers' Compensation policy shall contain an endorsement in substantially the following form:

> "Thirty (30) days prior written notice by certified mail, return receipt requested, shall be given to City in the event of cancellation, reduction in coverage, or non-renewal of this policy. Such notice shall be sent to:

City of Compton
205 South Willowbrook Avenue
Compton, CA 90220"

The Comprehensive General Liability policy shall contain endorsements in substantially the following form:

a) "Thirty (30) days prior written notice shall be given to City in the event of cancellation, reduction in coverage, or non-renewal of this policy. Such notice shall be sent to:

City Manager
City of Compton
205 South Willowbrook Avenue
Compton, CA 90220"

b) "City, its public officials, officers, employees, consultants, agents, volunteers and independent contractors serving in the role of City officials are additional insured's on this policy."

c) "This policy shall be considered primary insurance as respects any other valid and collectible insurance maintained by City, including any self-insured retention or program of self-insurance, and any other such insurance shall be considered excess insurance only."

d) "Inclusion of City as an insured shall not affect City's rights as respects any claim, demand, suit or judgment brought or recovered against Company. This policy shall protect Company and City in the same manner as though a separate policy had been issued to each, but this shall not operate to increase Company's liability as set forth in the policy beyond the amount shown or to which Company would have been liable if only one party had been named as an insured."

9.4.9 Delivery of Proof of Coverage. Simultaneously with the execution of this Agreement, Company shall furnish City certificates of each policy of insurance required hereunder, in form and substance satisfactory to City. Such certificates shall show the type and amount of coverage, effective dates and dates of expiration of policies and shall have all required endorsements. If City requests, copies of each policy, together with all endorsements, shall also be promptly delivered to City.

Renewal certificates will be furnished periodically to City to demonstrate maintenance of the required coverage throughout the Term.

9.4.10 Other Insurance Requirements

1. In the event any services are delegated to another company or subcontractor, Company shall require and cause such company or subcontractor to provide statutory workers' compensation insurance and employer's liability insurance for all of the company's or subcontractor's employees engaged in the work in accordance with this Section 9.4. The liability insurance required by this Section 9.4 shall cover all companies or subcontractors or the company or subcontractor must furnish evidence of insurance provided by it meeting all of the requirements of this Section 9.4.

2. Company shall comply with all requirements of the insurers issuing policies. The carrying of insurance shall not relieve Company from any obligation under this Agreement. If any claim exceeding the amount of any deductibles or self-insured reserves is made by any third Person against Company or any company or subcontractor on account of any occurrence related to this Agreement, Company shall promptly report the facts in writing to the insurance carrier and to City.

3. If Company fails to procure and maintain any insurance required by this Agreement, City may take out and maintain, at Company's expense, such insurance as it may deem proper. Company shall reimburse City the full cost of City of obtaining such insurance, within 30 days of a written invoice requesting payment.

9.5 Faithful Performance Bond

Concurrently with execution of this Agreement, Company shall deliver to City a performance bond in the amount of $250,000, substantially in the form attached hereto as Exhibit 2, which secures the faithful performance of this Agreement, including, without limitation, payment of any penalty and the funding of any work to cure a breach of this Agreement, unless such requirement is waived by the City Manager. The performance bond shall be executed by a surety company licensed to do business in the State, having an A:VII or better rating, and approved by the City; and included on the list of surety companies approved by the Treasurer of the United States. The bond shall contain the original notarized signature of an authorized officer of the surety and affixed thereto shall be a certified and current copy of his or her power of attorney. The bond shall be unconditional and remain in force during the entire Term, and during the continuation period after the Term as provided in Section 9.7.

9.6 Forfeiture of Performance Bond

In the event Company shall for any reason become unable to, or fail in any way to, perform as required by this Agreement, City may declare a portion or the entire performance bond forfeited to the City. Upon partial or full forfeiture of the performance bond, Company shall restore the performance bond to its face amount within 30 days of the City's declaration. Failure to restore the performance bond to its full amount within 30 days shall be a material breach of this Agreement.

9.7 Performance Security beyond Service Term

Some Agreement requirements extend beyond the Term and other requirements, such as Diversion rates per Sections 4.3.6 and 4.3.7, will not be substantiated until after the final service date. Therefore, Company shall not terminate the performance bond and will renew it annually to ensure continuous availability to City, until the earlier of (1) receiving a written release from City, or (2) the expiration of 12 months after the Term. Any performance bond will automatically expire at the end of 36 months after the end of the Term. Permission from City to discontinue holding these performance securities does not relieve Company of payments to City that may be due, or may become due.

9.8 Property Damage

Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Company to City property shall be promptly repaired or replaced at Company's expense.

ARTICLE 10
CITY'S RIGHT TO PERFORM SERVICE

10.1 General

A. In the event that Company, for any reason whatsoever, fails, refuses or is unable to Collect, Recycle, process, transport or dispose of any or all Solid Waste or Recyclable Materials as required by this Agreement, at the time and in the manner provided in this Agreement, for a period of more than 48 hours (seven consecutive days if performance is excused pursuant to Section 11.4), and if, as a result thereof, Solid Waste should accumulate in the Service Area to such an extent, in such a manner, or for such a time that such accumulation creates an imminent and substantial threat to the public health, safety or welfare, then City shall have the right, but not the obligation, (1) to perform, or cause to be performed, such services itself with its own or other personnel without liability to Company; and/or (2) to take possession of any or all of Company's land, equipment and other property used or useful in the Collection, transfer, transportation, Recycling, processing and Disposal of Solid Waste and Recyclable Materials, and to use such property to Collect, transfer, transport, recycle, process and Dispose of any Solid Waste and Recyclable Materials generated within the Service Area which Company would otherwise be obligated to Collect, transfer, transport, recycle, and properly dispose of or process pursuant to this Agreement.

B. Notice of City's determination to effect its rights under this Section may be given orally by telephone to Company at its principal office and shall be effective immediately. Written confirmation of such oral notification shall be sent to Company within 24 hours of the oral notification.

C. Company further agrees that in such event:

1. It will take direction from City to effect the transfer of possession of equipment and property to City for City's use, or for use by any Person or entity designated by the City.

2. It will, if City so requests, keep in good repair and condition all of such equipment and property, provide all motor vehicles with fuel, oil and other service, and provide such other service as may be necessary to maintain this property in operational condition.

D. City may immediately engage all or any personnel necessary or useful for the Collection, transfer, transportation, Recycling, processing and Disposal of Solid Waste and Recyclable Materials, including, if City so desires, employees previously or then employed by Company. Company further agrees, if City so requests, to furnish City the services of any or all management or office personnel employed by Company whose services are necessary or useful for Solid Waste and Recyclable Materials Collection, transfer, transportation, Recycling, processing and Disposal operations and for the Billing and Collection of fees for these services.

E. City agrees that it assumes complete responsibility for the proper and normal use of such equipment and facilities while in its possession.

F. If the interruption or discontinuance in service is caused by any of the reasons listed in Section 11.4, City shall pay to Company the reasonable rental value of the equipment and facilities, possession of which is taken by City, for the period of City's possession, if any, which extends beyond the period of time for which Company has rendered Bills in advance of service, for the class of service involved.

10.2 Billing and Compensation to City during City's Possession

During such time that City is providing Solid Waste and Recyclable Materials Handling Services, as above provided, City shall bill and collect payment from all users of the above-mentioned services as described in Section 5.1, retaining all amounts collected. Company further agrees that, in such event, it shall reimburse City for any and all costs and expenses incurred by City beyond that billed and received by City in taking over possession of the above-mentioned equipment and property for Solid Waste and Recyclable Materials service in such manner and to an extent as would otherwise be required of Company under the terms of this Agreement. Such reimbursement shall be made from time to time after submission by City to Company of each statement listing such costs and expenses, but in no event later than five Business Days from and after each such submission.

10.3 City's Right to Relinquish Possession

It is further mutually agreed that City may at any time at its discretion relinquish possession of any or all of the above-mentioned property to Company and thereupon demand that Company resume the Solid Waste and Recyclable Materials Handling Services as provided in this Agreement, whereupon Company shall be bound to resume the same.

10.4 City's Possession not a Taking

The Parties agree that City's exercise of its rights under this Article does not constitute a taking of private property for which compensation must be paid.

10.5 Duration of City's Possession

City's right pursuant to this Article to retain temporary possession of Company's facilities and equipment, and to render Collection services, shall terminate when City determines that such services can be resumed by Company, or when City no longer reasonably requires such property or equipment or 90 days from taking possession, whichever occurs first. In any case, City has no obligation to maintain possession of Company's property or equipment and/or continue its use for any period of time and may at any time, in its sole discretion, relinquish possession to Company.

ARTICLE 11
DEFAULT, REMEDIES AND LIQUIDATED DAMAGES

11.1 Events of Default

A. Each of the following shall constitute an event of default:

1. **Fraud or Deceit or Misrepresentation.** If Company engages in, or attempts to practice, any fraud or deceit upon City or makes a misrepresentation regarding material information to City.

2. **Insolvency or Bankruptcy.** If Company becomes insolvent, unable, or unwilling to pay its debts, files a bankruptcy petition or takes steps to liquidate its assets and this result in a suspension of service creating an imminent and substantial threat to public health and safety.

3. **Failure to Maintain Coverage.** If Company fails to provide or maintain in full force and effect the Workers' Compensation, liability, or indemnification coverage required by this Agreement; or if Company fails to provide or maintain in full force and effect the faithful performance bond required by Sections 9.5 and 9.6 of this Agreement.

4. **Violations of Regulation.** If Company violates any orders or filings of any regulatory body having jurisdiction over Company relative to this Agreement, provided that Company may contest any such orders or filings by appropriate proceedings conducted in good faith, in which case no breach of this Agreement shall be deemed to have occurred until a final decision after exhaustion of all appeals adverse to the Company is entered.

5. **Failure to Perform.** Subject to events of Force Majeure, including earthquakes, floods and fires, if Company ceases to provide all or a portion of the Collection, processing or Recycling services, or any other Solid Waste and Recyclable Materials Handling Services as required under this Agreement for a period of two consecutive days or more, for any reason within the control of Company, including labor disputes.

6. **Failure to Pay.** If Company fails to make any payments required under this Agreement.

7. **Failure to Cooperate with Audits.** Failure to complete, perform or cooperate with any audit as described by this Agreement.

8. **Failure to Submit Reports or Documentation.** Failure to complete or to provide required reports or documents to City as required by this Agreement, and/or refuses to provide City, within ten days of the demand, with required information, reports, and/or records in a timely manner.

9. **Acts or Omissions.** Any act or omission by Company relative to the services provided under this Agreement which violates the material terms, conditions, or requirements of this Agreement, the Act, or any Applicable Law. Any failure to correct or remedy any such violation within the time set in the written notice of the violation or, if Company cannot reasonably correct or remedy the breach within the time set forth in such notice, if Company should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.

10. **False or Misleading Statements.** Any representation or disclosure made to City by Company in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement.

11. **Attachment.** The seizure of, attachment of, or levy on, the operating equipment of Company, including, without limits, its equipment, maintenance or office facilities, or any part thereof.

12. **Suspension or Termination of Service.** Any termination or suspension of the transaction of business by Company, including, without limitation, due to labor unrest including strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action lasting more than two consecutive days.

13. **Failure to Provide Assurance of Performance.** If Company fails to provide reasonable assurances of performance as required under Section 11.6.

B. Company shall have three Business Days from the time it is given notification by City to cure any default arising under subsections 3, 5, 6, 7, 8, 9, 11, 12 and 13 above. Company acknowledges that it is not entitled to receive notice of default, or to cure such default, with respect to those matters listed in subsections 1, 2, 4, and 10 above.

11.2 Right to Terminate Upon Default

If Company commits a material breach, including specifically any of the matters listed in subsections 1 through 13 of Section 11.1.A above (and, if permitted to cure, does not cure it

within three Business Days), City shall be entitled to unilaterally terminate this Agreement or impose other such sanctions (which may include financial sanctions, temporary suspensions or any other conditions it deems appropriate short of termination) as it shall deem proper. Should City decide to terminate this Agreement upon a default by Company, City shall have the right to do so upon giving ten days' notice to Company and shall not be required to take any further action (such as holding any hearing, bringing any suit or taking any other action).

City's rights to terminate this Agreement and to exercise its rights under Article 10 are not exclusive, and City's termination of this Agreement shall not constitute an election of remedies. Instead, such remedies shall be in addition to any and all other legal and equitable rights and remedies which City may have.

By virtue of the nature of this Agreement, the urgency of timely continuous and high-quality service, the time required to effect alternative service, and the rights granted by City to Company, the remedy of damages for a breach hereof by Company is inadequate and City shall be entitled to seek injunctive relief and/or specific performance of any breach of this Agreement.

11.3 Liquidated Damages

A. **General.**

City finds, and Company agrees, that as of the time of the execution of this Agreement, it is impractical, if not impossible, to reasonably ascertain the extent of damages which shall be incurred by City as a result of a breach by Company of certain specific obligations under this Agreement. The factors relating to the impracticability of ascertaining damages include, but are not limited to, the fact that: (i) substantial damage results to members of the public who are denied services or denied quality or reliable service; (ii) such breaches cause inconvenience, anxiety, frustration, and deprivation of the benefits of the Agreement to individual members of the general public for whose benefit this Agreement exists, in subjective ways and in varying degrees of intensity which are incapable of measurement in precise monetary terms; (iii) the services that are the subject of this Agreement might be available at substantially lower costs than alternative services and the monetary loss resulting from denial of services or denial of quality or reliable services is impossible to calculate in precise monetary terms; and (iv) the termination of this Agreement for such specific breaches, and other remedies are, at best, a means of future correction and not remedies which make the public whole for past breaches.

B. **Service Performance Standards; Liquidated Damages for Failure to Meet Standards.**

1. The Parties further acknowledge that consistent, reliable Solid Waste and Recyclable Materials Handling Service is of utmost importance to City and that City has considered and relied on Company's representations as to its quality of service commitment in entering this Agreement with it. The Parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent and reliable service and performance. The Parties further recognize that if Company fails to achieve the performance standards, or fails to submit required documents in a timely manner, City and its residents and

businesses will suffer damages and that it is and will be impractical and extremely difficult to ascertain and determine the exact amount of damages which City will suffer. Therefore, without prejudice to City's right to treat such breaches as an event of default under this Article 11, the Parties agree that the following liquidated damage amounts represent a reasonable estimate of the amount of such damages for such specific breaches, considering all of the circumstances existing on the date of this Agreement, including the relationship of the sums to the range of harm to City that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or impractical. In placing their initials at the places provided, each Party specifically confirms the accuracy of the statements made above and the fact that each Party has had ample opportunity to consult with legal counsel and obtain an explanation of the liquidated damage provisions at the time that the Agreement was made.

2. Company agrees to pay (as liquidated damages and not as a penalty) the amounts set forth below:

a) Collection Reliability

1) For each failure, which exceeds ten such failures annually, to Collect Solid Waste from any established Customer account on the scheduled Collection day and not Collected within the period described in this Agreement: $150.00

2) For each failure to Collect Solid Waste, which has been properly set out for Collection, from the same Customer on two consecutive scheduled pickup days: $150.00

b) Collection Quality

1) For each failure to deliver a Roll-off Box or temporary Bin within two Business Days of a Customer's request: $150.00

c) Customer Responsiveness

1) For each failure to process Customer complaints to City as required by Article 5, which exceed a cumulative total for all Customers of five such days annually: $250.00

d) Accuracy of Billing

1) Each Customer invoice that is not prepared in accordance with the Rate Schedule, in excess of ten such invoices annually: $25.00 per invoice not to exceed $1,00 per Billing run.

City may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representative or investigation of Customer complaints.

Prior to assessing liquidated damages, City shall give Company notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. Company may review (and make copies at its own expense) all information in the possession of City relating to incident(s)/non-performance. Company may, within ten days after receiving the notice, request a meeting with the City Manager. Company may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The City Manager will provide Company with a written explanation of his determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of the City Manager shall be final.

C. **Amount.** City may assess liquidated damages for each calendar day or event, as appropriate, that Company is determined to be liable in accordance with this Agreement.

D. **Timing of Payment.** Company shall pay any liquidated damages assessed by City within 14 calendar days after they are assessed. If they are not paid within the 14-day period, City may proceed against the performance bond required by the Agreement or find Company in default and terminate this Agreement pursuant to Section 11.2, or both.

11.4 Excuse from Performance

The Parties shall be excused from performing their respective obligations hereunder in the event they are prevented from so performing by reason of floods, earthquakes, other natural disasters, war, civil insurrection, riots, acts of any government (including judicial action), and other similar catastrophic events which are beyond the control of and not the fault of the Party claiming excuse from performance hereunder. Labor unrest, including, but not limited to, strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action conducted by Company's employees or directed at Company and lasting for a period of more than 48 hours is not an excuse from performance and Company shall be obligated to continue to provide service notwithstanding the occurrence of any or all of such events . The Party claiming excuse from performance shall, within two days after such Party has notice of such cause, give the other Party notice of the facts constituting such cause and asserting its claim to excuse under this section.

The interruption or discontinuance of Company's services caused by one or more of the events excused shall not constitute a default by Company under this Agreement. Notwithstanding the foregoing, however, if Company is excused from performing its obligations hereunder for any of the causes listed in this section for a period of seven consecutive days or more, City shall nevertheless have the right, in its sole discretion, to terminate this Agreement by giving ten days' notice. City's rights to terminate this Agreement is not exclusive, and City's termination of this Agreement shall not constitute an election of remedies. Instead, such remedy shall be in addition to any and all other legal and equitable rights and remedies which City may have.

11.5 Notice, Hearing and Appeal of City Breach

A. Administrative Hearing. Should Company contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. A hearing officer shall be appointed by the City Manager, and the

hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the City Manager and Company. The hearing officer shall make an advisory ruling on Company's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to both Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

B. Other Remedies; Claims. Company shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Company shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted 30-day period to accept the hearing officer's decision has passed, or either City or Company has given timely written notice to the other that it will not accept the hearing officer's decision.

C. Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Company against City arising out of this Agreement, Company shall present a claim to City, as required by Government Code Section 910 et seq., within 30 days of the date of the occurrence giving rise to the claim for damages.

11.6 Assurance of Performance

City may, at its option and in addition to all other remedies it may have, demand from Company reasonable assurances of timely and proper performance of this Agreement, in such form and substance as City may require. If Company fails or refuses to provide satisfactory assurances of timely and proper performance in the form and by the date required by City, such failure or refusal shall be an event of default.

ARTICLE 12
OTHER AGREEMENTS OF THE PARTIES

12.1 Relationship of Parties

The Parties intend that Company shall perform the services required by this Agreement as an independent contractor engaged by City and not as an officer, agent, or employee of City or as a partner of or joint venture with City. No employee or agent of Company shall be or shall be deemed to be an employee or agent of City. Except as expressly provided herein, Company shall have the exclusive control over the manner and means of conducting the Solid Waste and Recyclable Materials Handling Services performed under this Agreement, and all Persons performing such services. Company shall be solely responsible for the acts and omissions of its officers, employees, Affiliates, contractors, subcontractors and agents. Neither Company nor its officers, employees, Affiliates, contractors, subcontractors and agents shall obtain any rights to retirement benefits, workers' compensation benefits, or any other benefits which accrue to City employees by virtue of their employment with City, and Company waives any claim it may have or acquire to such benefits.

12.2 Compliance with Law

In providing the services required under this Agreement, Company shall at all times, at its sole cost, comply with all Applicable Law, including but not limited to the payment of prevailing wages, if applicable.

12.3 Governing Law

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State.

12.4 Jurisdiction

A. Except for those matters where federal courts have exclusive jurisdiction, any lawsuits between the Parties arising out of this Agreement shall be brought and concluded in the courts of the State, which shall have exclusive jurisdiction over such lawsuits.

B. With respect to venue, the Parties agree that this Agreement is made in and will be performed in Los Angeles County, South Central Judicial District.

12.5 Assignment

Except as may be provided for in Article 10, Company shall not assign its rights, nor delegate, subcontract or otherwise transfer its obligations under this Agreement (collectively referred to as an "assignment") to any other Person without the prior written consent of City. Any such assignment made without the consent of City shall be void and the attempted assignment shall constitute a material breach of this Agreement.

For purposes of this section the term "assignment" shall be given the broadest possible interpretation, and shall include, but not be limited to (i) a sale, exchange or other transfer of substantially all of Company's assets dedicated to service under this Agreement to a third party; (ii) a sale, exchange or other transfer of outstanding common stock of Company to a third party provided such sale, exchange or transfer may result in a change of control of Company; (iii) any dissolution, reorganization, consolidation, merger, re-capitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction which results in a change of ownership or control of Company; (iv) any assignment by operation of law, including those resulting from mergers or acquisitions by or of Company of any of its Affiliates, insolvency or bankruptcy, making assignment for the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of Company's property, or transfer occurring in the event of a probate proceeding; and (v) any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any such transfer or change of ownership, or change of control of Company.

Company acknowledges that this Agreement involves rendering a vital service to City's residents and businesses, and that City has selected Company to perform the services specified herein

based on (i) Company's experience, skill and reputation for conducting its Solid Waste and Recyclable Materials Handling Services in a safe, effective and responsible fashion, at all times in keeping with applicable Environmental Laws, regulations and best Solid Waste and Recyclable Materials management practices, and (ii) Company's financial resources to maintain the required equipment and to support its indemnity obligations to City under this Agreement. City has relied on each of these factors, among others, in choosing Company to perform the services to be rendered by Company under this Agreement.

If Company requests City's consideration of and consent to an assignment, City may deny or approve such request in its sole and absolute discretion. Any request for an assignment shall be made in a manner to be prescribed by the City Manager, and no request by Company for consent to an assignment need be considered by City unless and until Company has met (or with respect to matters that would only occur upon completion of the assignment if approved, made reasonable assurances that it will meet) the following requirements:

a) Company shall undertake to pay City its reasonable expenses for attorney's fees and investigation costs necessary to investigate the suitability of any proposed assignee, and to review and finalize any documentation required as a condition for approving any such assignment. An advance payment of $50,000 towards expenses shall be paid to City prior to City consideration of any assignment request and Company shall be responsible to pay all costs incurred by City in considering a request for assignment, including those in excess of this deposit amount, regardless of whether City consents to the assignment.

b) Company shall pay the City a transfer fee equal to one percent of the Gross Revenues it, or its assignee, will receive during the remaining Term, as estimated by City.

c) Company shall furnish City with audited financial statements for the proposed assignee's operations for the immediately preceding three operating years.

d) A proforma financial statement (income statement and balance sheet) for the proposed assignee with the projected results of operations assuming that the assignment is completed. Such proforma financial statement shall reflect any debt to be incurred by the assignee as part of the acquisition of Company's operations.

e) Company shall furnish City with satisfactory proof: (i) that the proposed assignee has at least ten years of Solid Waste and Recyclable Materials management experience on a scale equal to or exceeding the scale of operations conducted by Company under this Agreement; (ii) that in the last five years, the proposed assignee has not suffered any significant citations or other censure from any federal, state or local agency having jurisdiction over its Solid Waste and Recyclable Materials management operations due to any significant failure to comply with state, federal or local Environmental Laws and that the assignee has provided City with a complete list of any such citations and censures; (iii) that the proposed assignee has at all times conducted its operations in an environmentally safe and conscientious fashion; (iv) that the proposed assignee conducts its Solid Waste and Recyclable Materials Handling Services in accordance with sound Solid Waste and Recyclable Materials management practices in full compliance with all federal, state and local laws regulating the collection and disposal of Solid

Waste and Recyclable Materials including Hazardous Substances and Hazardous Waste; and, (v) of any other information required by City to ensure the proposed assignee can fulfill the terms of this Agreement in a timely, safe and effective manner.

Under no circumstances shall City be obliged to consider any proposed assignment by Company if Company is in default at any time during the period of consideration. Should City consent to any assignment request, such assignment shall not take effect until all conditions relating to City's approval have been met. In the event of any permitted assignment, the assignee shall fully assume all the liabilities of the Company.

12.6 Contracting or Subcontracting

Company shall not engage any contractors or subcontractors for Collection, transfer, processing, Recycling or Disposal of Solid Waste or Recyclable Materials, without the prior consent of City.

12.7 Binding on Assigns

The provisions of this Agreement shall inure to the benefit to and be binding on the permitted assigns (if any) of the Parties.

12.8 Cooperation in Preparation for Termination or Expiration of Contract

A. Prior to, and at, the end of the Term or in the event this Agreement is terminated for cause prior to the end of the Term, Company shall cooperate fully with City and any subsequent Solid Waste enterprise it designates to assure a smooth transition of Solid Waste and Recyclable Materials Handling Services. Company's cooperation shall include, but not be limited to, providing route lists, Billing information and other operating records needed to service all Premises covered by this Agreement. The failure to cooperate with City following termination shall be conclusively presumed to be grounds for specific performance of this covenant and/or other equitable relief necessary to enforce this covenant.

B. Company shall provide a new service provider with all keys, security codes and remote controls used to access garages and Bin enclosures. Company shall be responsible for coordinating transfer immediately after Company's final pickups, so as not to disrupt service. Company shall provide City with detailed route sheets containing service names and addresses, Billing names and addresses, monthly rate and service levels (number and size of Containers and pickup days) at least 90 days prior to the transition date, and provide an updated list two weeks before the transition and a final list of changes the day before the transition. Company shall provide means of access to the new service provider at least one full Business Day prior to the first day of Collection by another party and always within sufficient time so as not to impede in any way the new service provider from easily servicing all Containers.

12.9 Parties in Interest

Nothing in this Agreement, whether express or implied, is intended to confer any rights on any Persons other than the Parties to it and their representatives, successors and permitted assigns.

12.10 Waiver

The waiver by either Party of any breach or violation of any provisions of this Agreement shall not be deemed to be a waiver of any breach or violation of any other provision nor of any subsequent breach of violation of the same or any other provision. The subsequent acceptance by either Party of any moneys which become due hereunder shall not be deemed to be a waiver of any pre-existing or concurrent breach or violation by the other Party of any provision of this Agreement.

12.11 Company's Investigation

Company has made an independent investigation (satisfactory to Company) of the conditions and circumstances surrounding this Agreement and the work to be performed by it.

12.12 Notice

A. Unless otherwise specified in this Agreement, all notices, demands, requests, proposals, approvals, consents and other communications which this Agreement requires, authorizes or contemplates shall be in writing and shall either be personally delivered to a representative of the Parties at the address below or be deposited in the United States mail, first class postage prepaid, addressed as follows:

C. Notice shall be deemed given on the day it is personally delivered or, if mailed, three days from the date it is deposited in the mail.

12.13 City Free to Negotiate with Third Parties

City may investigate all options for the Collection, transferring, transporting, Recycling, processing and Disposal of Solid Waste and Recyclable Materials for periods during which this Agreement has expired or been terminated. Without limiting the generality of the foregoing, City may solicit proposals from Company and from third parties for the provision of Solid Waste and Recyclable Materials Handling Services which are the subject of this Agreement, including without limitation Collection services, Disposal services, Recycling services, Green Waste services and processing, and any combination thereof, and may negotiate and execute agreements for such services which will take effect upon the expiration or earlier termination of this Agreement.

12.14 Privacy

Company shall strictly observe and protect the rights of privacy of Customers. Information identifying individual Customers or the composition or contents of a Customer's waste stream shall not be revealed to any Person, governmental unit, private agency, or company, unless upon the authority of a court of law, by statute, or upon valid authorization of the Customer. This provision shall not be construed to preclude Company from preparing, participating in, or assisting in the preparation of waste characterization studies or waste stream analyses which may be required by the Act. This provision shall not apply to reports or records provided to City pursuant to this Agreement.

12.15 Public Records; Exempt Information

Company is obligated to permit City inspection of its records which are applicable to this Agreement on demand and to provide copies to City where requested. All documents that are provided to City will be subject to disclosure if requested by a member of the public pursuant to the Public Records Act (Government Code Section 6250 et seq.). There are a very limited number of narrow exemptions to this disclosure requirement. If Company believes the copies it provides to City are exempt from disclosure under the Public Records Act, Company must mark the portions considered as such and state the specific provisions of the Public Records Act that provides the exemption as well as the factual basis for claiming the exemption. City, if it concurs with Company's conclusion, will endeavor to maintain the confidentiality of documents so marked but will not guarantee to do so. If the City chooses to withhold records from disclosure at the Company's request and an action is brought against the City to force disclosure, the Company shall pay all attorney's fees and litigation costs associated with defending that action, including without limitation, City's and the prevailing plaintiff's attorney's fees and litigation costs.

PARENT GUARANTY AGREEMENT

This Guaranty, made as of the date written below by Republic Services, Inc., a Delaware corporation ("Guarantor"), is to and for the benefit of the City of Compton ("City"), a municipal corporation of the State of California ("State"), relative to the City's approval of the Amended and Restated Agreement for Solid Waste and Recyclable Materials Handling Services ("Agreement") between City and Consolidated Disposal Service, LLC a Delaware limited liability company ("Contractor").

WITNESSETH:

WHEREAS, City and Contractor propose to enter into the Agreement, which Agreement is incorporated in this Guaranty by reference; and

WHEREAS, Contractor is a wholly owned subsidiary of Guarantor; and

WHEREAS, City has requested and Contractor has accepted that in connection with City's approval of the Agreement to Contractor ("Agreement"), Contractor shall provide a parent company guaranty for the benefit of City; and

WHEREAS, it is in the interest of Guarantor that City approve the Agreement, and that Contractor enter into the Agreement with the City; and

WHEREAS, City is willing to approve the Agreement only upon the condition that the Guarantor execute this Guaranty; and

WHEREAS, in the event Contractor fails to timely and fully perform its obligations, including the payment of moneys, pursuant to the Agreement, Guarantor is willing to guaranty Contractor's timely and full performance thereof; and

WHEREAS, it is a condition precedent to the City's obligations under the Agreement that the Guarantor provide and maintain this Guaranty.

NOW, THEREFORE, as an inducement to the City to approve the Agreement, Guarantor agrees as follows:

Capitalized terms used in this Guaranty and not otherwise defined in this Guaranty shall have the meaning assigned to them in the Agreement.

1. **Guaranty of Contractor's Performance Under Agreement.** Guarantor by this Guaranty directly, unconditionally, irrevocably, and absolutely guaranties the timely and full performance of Contractor's obligations under the Agreement in accordance with the terms and conditions contained therein or to cause that timely and full performance. Within 30 Calendar

Days of written request therefore by the City, Guarantor shall honor the Guaranty. Notwithstanding the unconditional nature of the Guarantor's payment obligations set forth in this Guaranty, the Guarantor may assert the defenses provided in the paragraph entitled Defenses under Section 8 of this Guaranty, against claims made under this Guaranty.

2. **Governing law; Consent to Jurisdiction; Service of Process.** This Guaranty is governed by the laws of the State of California. The Guarantor by this Guaranty agrees to the service of process in the State for any claim or controversy arising out of this Guaranty or relating to any breach. The Guarantor by this Guaranty agrees that the Superior Court of Los Angeles County, and to the extent permitted by law, the United States District Court for the Central District of California, shall have the exclusive jurisdiction of all suits, actions, and other proceedings involving itself and to which the City may be party for the adjudication of any claim or controversy arising out of this Guaranty or relating to any breach of this Guaranty, waives any objections that it might otherwise have to the venue of any Court for the trial of any suit, action, or proceeding, and consents to the service of process in any suit, action, or proceeding by prepaid registered mail, return receipt requested, to the address set forth in Section 20 hereof.

3. **Enforceability; No Agreement.** This Guaranty is binding upon and enforceable against Guarantor, its successors, assignees, and lawful representatives. It is for the benefit of the City, its successors and assignees. The Guarantor may not Assign or delegate the performance of this Guaranty without the prior written consent of City, which consent City may grant or deny in its sole or absolute discretion.

For purposes of this Guaranty "Assign" means:

(i) selling, exchanging or otherwise transferring effective control of management of the Guarantor (through sale, exchange or other transfer of outstanding stock or otherwise);

(ii) issuing new stock or selling, exchanging or otherwise transferring 50% or more of the then outstanding common stock of the Guarantor which results in a change of control of Guarantor;

(iii) any dissolution, reorganization, consolidation, merger, re-capitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction which results in a change of ownership or control of Guarantor;

(iv) any assignment by operation of law, including insolvency or bankruptcy, making assignment for the benefit of creditors, writ of attachment of an execution, being levied against Guarantor, appointment of a receiver taking possession of any of Guarantor's tangible or intangible property; and

(v) any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any transfer or change of ownership or control of Guarantor.

For purposes of determining ownership, the constructive ownership provisions of Section 318(a) of the Internal Revenue Code of 1986, as in effect on the date here, shall apply.

4. **Guaranty Absolute and Unconditional.** The undertakings of Guarantor set forth in this Guaranty are absolute and unconditional, and the City is entitled to enforce any or all of those undertakings against Guarantor without being first required to enforce any remedies or to seek to compel the Contractor to perform its obligations under the Agreement or to seek, or obtain recourse against any other Party or Parties, including but not limited to the Contractor or any assignee of the Contractor, who are, or may be, liable therefore, in whole or in part, irrespective of any cause or state of facts whatever. Without limiting the generality of the foregoing, the Guarantor expressly agrees that its obligations under this Guaranty shall not be affected, limited, modified or impaired by any state of facts or the happening from time to time of an event, other than the payment of monetary obligations by the Contractor to City under the Agreement in accordance with the terms of the Agreement, including, without limitation, any of the following, each of which is by this Guaranty expressly waived as a defense to its liability under this Guaranty, except to the extent those defenses would be available to the Contractor and release, discharge or otherwise offset Contractor's obligations under the Agreement:

(a) the invalidity, irregularity, illegality or unenforceability, of any defect in or objections to the Agreement;

(b) any modification or amendment or compromise of or waiver of compliance with or consent to variation from any of the provisions of the Agreement by the Contractor;

(c) any release of any collateral or lien thereof, including, without limitation, any performance bond;

(d) any defense based upon the election of any remedies against the Guarantor of the Contractor, or both, including without limitation, any consequential loss by the Guarantor of its right to recover any deficiency, by way of subrogation or otherwise, from the Contractor or any other Person or entity;

(e) the recovery of any judgment against the Contractor to enforce any collateral or performance bond;

(f) the City or its assignees taking or omitting to take any of the actions which it or any of its assignees is required to take under the Agreement; any failure, omission or delay on the part of the City or its assignees to enforce, assert or exercise any right, power or remedy conferred on it or its assignees by the Agreement, except to the extent that failure, omission or delay gives rise to an applicable statute of limitations defense by the Contractor with respect to a specific obligation;

(g) the default or failure of the Guarantor to fully perform any of its obligations set forth in this Guaranty;

(h) the bankruptcy, insolvency, or similar proceeding involving or pertaining to the Contractor or the City, or any order or decree of a court, trustee or receiver in any proceeding;

(i) in addition to those circumstances described in item (h), any other circumstance which might otherwise constitute a legal or equitable discharge of Guarantor or limit the recourse of the City to the Guarantor;

(j) the existence or absence of any action to enforce the Agreement;

(k) subject to the provisions of Section 11.4 of the Agreement relating to excuse from performance, any present or future law or order of any government or of any agency thereof, purporting to reduce, amend or otherwise affect the Agreement or to vary any terms of payment or performance under the Agreement;

provided that, notwithstanding the foregoing, Guarantor shall not be required to pay any monetary obligation of Contractor to City from which Contractor would be discharged, released or otherwise excused under the provisions of the Agreement.

5. **Waivers.** Except as provided herein the Guarantor shall have no right to terminate this Guaranty or to be released, relieved, exonerated or discharged from its obligations under this Guaranty for any reason whatsoever, including, without limitation: (1) the insolvency, bankruptcy, reorganization or cessation of existence of Contractor; (2) the actual or purported rejection by a trustee in bankruptcy of the Agreement, or any limitation on any claim in bankruptcy resulting from the actual or purported termination of the Agreement; (3) any waiver with respect to any of the obligations of the Agreement guaranteed hereunder or the impairment or suspension of any of the City's rights or remedies against Contractor; or (4) any merger or consolidation of Contractor with any other corporation, or any sale, lease or transfer of any or all the assets of Contractor. Without limiting the generality of the foregoing, Guarantor hereby waives the rights and benefits under California Civil Code Section 2819.

The Guarantor hereby waives any and all benefits and defenses under California Civil Code Sections 2846, 2849, and 2850 as may be amended from time to time, including without limitation, the right to require the City to (a) proceed against Contractor, (b) proceed against or exhaust any security or collateral the City may hold now or hereafter hold, or (c) pursue any other right or remedy for Guarantor's benefit, and agrees that City may proceed against Guarantor for the obligations guaranteed herein without taking any action against Contractor or any other guarantor or pledgor and without proceeding against or exhausting any security or collateral the City may hold now or hereafter hold. The City may unqualifiedly exercise in its sole discretion any or all rights and remedies available to it against Contractor or any other guarantor or pledgor without impairing the City's rights and remedies in enforcing this Guaranty.

The Guarantor hereby waives and agrees to waive at any future time at the request of the City to the extent now or then permitted by applicable law, any and all rights which the Guarantor may have or which at any time hereafter may be conferred upon it, by statute, regulation or otherwise, to avoid any of its obligations under, or to terminate, cancel, quit or surrender this Guaranty. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or

more of the following shall not affect the liability of the Guarantor hereunder: (a) at any time or from time to time, without notice the Guarantor, performance or compliance herewith is waived; (b) any other of any provision of its Agreement indemnification with respect to Contractor's obligations under the Agreement or any security therefore is released or exchanged in whole or in part or otherwise dealt with; or (c) any assignment of the Agreement is effected which does not require the City's approval.

The Guarantor hereby expressly waives, diligence, presentment, demand for payment or performance, protest and all notices whatsoever, including, but not limited to, notices of non-payment or non-performance, notices of protest, notices of any breach or default, and notices of acceptance of this Guaranty. If all or any portion of the obligations guaranteed hereunder are paid or performed, Guarantor's obligations hereunder shall continue and remain in full force and effect if all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise, irrespective of (a) any notice of revocation given by Guarantor or Contractor prior to such avoidance or recovery, and (b) payment in full of any obligations then outstanding.

6. **Agreements between City and Contractor; Waivers by City.** The Guarantor agrees that, without the necessity for any additional endorsement or Guaranty by or any reservation of rights against Guarantor and without any further assent by Guarantor, by mutual agreement between the City and Contractor, the City and Contractor may, from time to time:

(a) renew, modify, or compromise the liability of the Contractor for or upon any of the obligations by this Guaranty guarantied; or

(b) consent to any amendment or change of any terms of the Agreement; or

(c) accept, release, or surrender any security (including, without limitation, any performance bond), or

(d) grant any extensions or renewals of the obligations of the Contractor under the Agreement, and any other indulgence with respect thereto, and to effect any release, compromise or settlement with respect thereto,

all without releasing or discharging the liability of Guarantor under this Guaranty.

The Guarantor further agrees that the City or any of its assignees shall have and may exercise full power in its uncontrolled discretion, without in any way affecting the liability of the Guarantor under this Guaranty, to waive compliance with and any default of the Contractor under, the Agreement.

7. **Continuing Guaranty.** This Guaranty is a continuing Guaranty and shall continue to be effective or be reinstated, as applicable, if at any time any payment of any of the obligations under this Guaranty is rescinded or is otherwise required to be returned upon reorganization, insolvency or bankruptcy of the Contractor or Guarantor or otherwise, all as though payment had not been made.

8. **Defenses.** Notwithstanding any provision in this Guaranty to the contrary, the Guarantor may exercise or assert any and all legal or equitable rights, defenses, counter claims or affirmative defenses under the Agreement or Applicable Law which the Contractor could assert against any Party seeking to enforce the Agreement against the Contractor, and nothing in this Guaranty shall constitute a waiver thereof by the Guarantor.

9. **Payment of Costs of Enforcing Guaranty.** In addition to the amount guaranteed under this Guaranty, Guarantor agrees to pay all costs, expenses and fees, including all reasonable attorney's fees, which may be incurred by the City in enforcing this Guaranty following an Event of Default on the part of the Guarantor under this Guaranty, whether the same is enforced by suit or otherwise, including any action to determine the respective rights and obligations of the parties hereunder.

10. **Enforcement.** The terms of this Guaranty may be enforced as to any one or more breaches either separately or cumulatively.

11. **Remedies Cumulative.** No remedy in this Guaranty conferred upon or reserved to the City under this Guaranty is intended to be exclusive of any other available remedy or remedies, but each and every remedy is cumulative and is in addition to every other remedy given under the Guaranty and the Agreement or in this Guaranty after existing at law or in equity or by statute.

12. **No Waivers.** No delay on the part of the City in exercising any rights under this Guaranty or failure to exercise such rights shall operate as a waiver of such rights. No notice to or demand on Guarantor shall be a waiver of any obligation of Guarantor or right of the City to take other or further action without notice or demand. No waiver of any of the provisions of this Guaranty shall be effective unless it is in writing and signed by the City and by Guarantor, nor shall any waiver be effective except in the specific instance or matter for which it is given.

13. **Severability.** The invalidity or unenforceability of any one or more phrases, sentences or clauses in this Guaranty contained shall not affect the validity or enforceability of the remaining portions of this Guaranty, or any part thereof.

14. **Amendments.** No amendment, change, modification or termination of this Guaranty is effective unless it is in writing and signed by the City and by Guarantor.

15. **Term.** This Guaranty is not limited to any period of time, but shall continue in full force and effect until all of the terms and conditions of the Agreement have been fully performed or otherwise discharged and Guarantor shall remain fully responsible under this Guaranty without regard to the acceptance by the City of any performance bond or other collateral to assure the performance of Contractor's obligations under the Agreement. Guarantor shall not be released of its obligations hereunder so long as there is any claim by the City against Contractor arising out of the Agreement based on Contractor's failure to perform which has not been settled or discharged.

16. **No Set-offs.**

By Guarantor. The obligation of Guarantor under this Guaranty shall not be affected by any set-off, counterclaim, recoupment, defense or other right that Guarantor may have against the City on account of any claim of the Guarantor against the City; provided that Guarantor reserves the right to bring independent claims or counter claims not arising from the Agreement against the City so long as any claims shall not be used to set-off or deduct from any claims which the City may have against the Guarantor arising from this Guaranty.

By Contractor. The obligation of Guarantor under this Guaranty is subject to any set-off, counterclaim, recoupment, defense or other right that the Contractor may assert pursuant to the Agreement, if any, but the obligation of Guarantor under this Guaranty shall not be subject to any set-off, counterclaim, recoupment, defense or other right that the Contractor may assert independently of and outside the Agreement.

17. **Warranties and Representations.** The Guarantor warrants and represents that as of date of execution of this Guaranty:

(a) The Guarantor has the power, authority and legal right to enter into this Guaranty and to perform its obligations and undertakings under this Guaranty, and the execution, delivery and performance of this Guaranty by the Guarantor (i) have been duly authorized by all necessary corporate and shareholder action on the part of the Guarantor, (ii) have the requisite approval of all federal, State and local governing bodies having jurisdiction or authority with respect thereto, (iii) do not violate any judgment, order, law or regulation applicable to the Guarantor, (iv) do not conflict with or constitute a default under any agreement or instrument to which the Guarantor is a party or by which the Guarantor or its assets may be bound or affected, and (v) do not violate any provision of the Guarantor's articles or certificate of incorporation or by-laws;

(b) This Guaranty has been duly executed and delivered by the Guarantor and constitutes the legal, valid and binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms; and

(c) There are no pending or, to the knowledge of the Guarantor, threatened actions or proceedings before any court or administrative agency which would have a material adverse effect on the financial condition of the Guarantor, or the ability of the Guarantor to perform its obligations or undertakings under this Guaranty.

18. **No Merger; No Conveyance of Assets.** Guarantor agrees that during the term of this Guaranty in accordance with Section 15 Guarantor shall not consolidate with or merge into any other corporation where the shareholders of the Guarantor yield control of the Guarantor, or a majority interest in the Guarantor, to the newly formed corporation, or convey, transfer or lease all or substantially all of its properties and assets to any Person, firm, joint venture, corporation and other entity, unless the City consents thereto in accordance with Section 3 above.

19. **Counterparts.** This Guaranty may be executed in any number of counterparts, some of which may not bear the signatures of all Parties to this Guaranty. Each counterpart, when so executed and delivered, is deemed to be an original and all counterparts, taken together, shall constitute one and the same instrument; provided, however, that in pleading or proving this Guaranty, it shall not be necessary to produce more than one copy (or sets of copies) bearing the signature of the Guarantor.

20. **Notices.** All notices, instructions and other communications required or permitted to be given to or made upon any party to this Guaranty shall be in writing, deposited in the U.S. mail, registered or certified, first class postage prepaid, addressed as follows:

To the City: City Manager
City of Compton
205 South Willowbrook Avenue
Compton, CA 90220

with a copy to the City Attorney at the same address.

To the Guarantor: Timothy Benter
Vice President and Deputy General Counsel
Republic Services, Inc.
18500 North Allied Way
Phoenix, AZ 85054

The address to which communications may be delivered may be changed from time to time by a written notice given in accordance with this Section. Notice shall be deemed given three days from the date it is deposited in the mail.

21. **Separate Suits.** Each and every payment default by Contractor under the Agreement shall give rise to a separate cause of action under this Guaranty, and separate suits may be brought under this Guaranty by the City or its assignees as each cause of action arises.

22. **Headings.** The Section headings appearing in this Guaranty are for convenience only and shall not govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of this Guaranty.

23. **Entire Agreement.** This Guaranty constitutes the entire agreement between the parties to this Guaranty with respect to the transactions contemplated by this Guaranty. Nothing in this Guaranty is intended to confer on any Person other than the Guarantor, the City and their permitted successors and Assigns under this Guaranty any rights or remedies under or by reason of this Guaranty.

24. **Personal Liability.** It is understood and agreed to by the City that nothing contained in this Guaranty shall create any obligation or right to look to any director, officer, employee or stockholder of the Guarantor (or any Affiliate thereof) for the satisfaction of any obligations

under this Guaranty, and no judgment, order or execution with respect to or in connection with this Guaranty is taken against any director, officer, employee or stockholder.

25. **Events of Default.** Each of the following shall constitute an Event of Default under this Guaranty:

(a) **Failure to Fulfill Payment of Guaranty.** Guarantor fails to fulfill full and timely payment of any payment obligation under this Guaranty, and the failure continues for five Calendar Days after notice provided in accordance with Section 20 of this Guaranty (hereunder defined as Notice) has been given to the Guarantor by the City;

(b) **Breach of Guaranty.** The Guarantor fails to observe and perform any covenant, condition or other obligation under this Guaranty, or engages in any acts prohibited under this Guaranty, other than any failures listed explicitly in this Section, and that failure continues for more than 30 Calendar Days after Notice has been given the Guarantor by the City;

(c) **Failure to Give Notice of Proposed Assignment.** The Guarantor fails to give City notice in accordance with Section 20 within ten Calendar Days of the first to occur of:

(i) Contractor or any Affiliate issuing a press release as to any proposed assignment (within the meaning of Section 3), or consolidation, merger, conveyance, transfer or lease described in paragraph (e) of this Section 25 or;

(ii) the filing with the Securities and Exchange Commission of a Form 8-K or other filing with respect to a memorandum of intent or an agreement and plan thereof.

(paragraphs (i) and (ii) together defined as Change Notice);

(d) **Consolidation, Merger; Conveyance of Assets.** The Guarantor consolidates, merges or conveys, transfers or leases assets in violation of Section 18 despite City action following Change Notice in preceding paragraph (c) withholding or denying City consent, and on or before 15 Calendar Days thereafter, does not provide City with a substitute Guarantor satisfactory to City;

(e) **Bankruptcy, Insolvency, Liquidation.** Guarantor files a voluntary claim for debt relief under any applicable bankruptcy, insolvency, debtor relief, or other similar law now or hereafter in effect, or shall consent to the appointment of or taking of possession by a receiver, liquidator, assignee, trustee, custodian, administrator (or similar official) of Guarantor for any substantial part of Guarantor's operating assets or any substantial part of Guarantor's property, or shall make any general assignment for the benefit of Guarantor's creditors, or shall fail generally to pay Guarantor's debts as they become due or shall take any action in furtherance of any of the foregoing.

A court having jurisdiction enters a decree or order for relief in respect of the Agreement, in any involuntary case brought under any bankruptcy, insolvency, debtor relief, or similar law now or hereafter in effect, or Guarantor consents to or fails to oppose any proceeding, or any court enters a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Guarantor or for any substantial part of the Guarantor's operating equipment or assets, or orders the winding up or liquidation of the affairs of the Guarantor;

(f) **Breach of Representations or Warranties.** Any representation or warranty of Guarantor is untrue as of the date thereof; Guarantor knowingly makes, causes to be made or condones the making of any false entry in its books, accounts, records, and reports under this Guaranty.

Upon any Event of Default the City may proceed first and directly against the Guarantor under Guaranty without proceeding against or exhausting any other remedies which it may have.

IN WITNESS WHEREOF Guarantor has executed this instrument the day and year first below written.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(3) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(4) That upon default by Trustor in payment of any indebtedness secured hereby, or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and election to cause to be sold the Property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Property at the time and place fixed by Trustee in the notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall

deliver to such purchaser Trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed of Trust is recorded and the name and address of the new Trustee.

(6) That this Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(7) That Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any Deed of Trust or of any action or proceeding in which either Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

(8) Notwithstanding anything provided herein to the contrary, the Beneficiary agrees to look solely to the Trustor's interest in the Property encumbered hereby and improvements thereon (or the proceeds thereof) for the satisfaction of any remedy of the Beneficiary, and for the collection of a judgment (or other judicial process) requiring the payment of money by the Trustor, except where such judgment results from a claim of fraud; intentional misrepresentation; misapplication, misappropriation, condemnation proceeds, or other funds attributable to the Property; the commission of any act of deliberate waste with respect to the Property.

(9) In the event of foreclosure of a deed of trust recorded prior hereto, or the conveyance by deed in lieu of foreclosure of the Property to a bank, savings and loan, or other institutional lender that is the beneficiary of such deed of trust superior to the lien hereof, the provisions hereof shall terminate and be of no force or effect; provided, however, if the senior lender acquires title to the Property pursuant to a deed in lieu of foreclosure, then this Deed of Trust shall terminate only if (i) Beneficiary has been given written notice of a default under the senior lender's deed of trust, and (ii) the Beneficiary shall not have cured the default under the

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING SECTION 21-1 OF CHAPTER XXI OF THE COMPTON MUNICIPAL CODE RELATING TO INTEGRATED WASTE MANAGEMENT, MAKING A DETERMINATION OF EXEMPTION FROM CEQA IN CONNECTION THEREWITH, AND TAKING CERTAIN RELATED ACTIONS

SUMMARY

The attached ordinances (i) approve increases to the rates for the solid waste charges (ii) approve an amended and restated solid waste franchise agreement, and (iii) amend Chapter XXI of the Compton Municipal Code (Integrated Waste Management). The attached resolution provides for collection on the fiscal year 2019-20 County tax roll of the solid waste charges for single-family properties that do not receive water service from the City.

BACKGROUND

On April 23, 2019, the City Council adopted Resolution 25,008 (i) declaring the Council's intent to amend the City's existing solid waste franchise agreement, approve increases to the solid waste rates, amend Chapter XXI of the Compton Municipal Code, collect solid waste charges for single-family residential properties that do not receive water service from the City on the fiscal year 2019-20 County tax roll, and make a finding that the foregoing actions are exempt from CEQA; (ii) setting a public hearing on June 18, 2019; and (iii) and taking related actions, including approving procedures for conducting the public hearing, directing staff to prepare a written report in connection with the tax roll billing, and directing staff to provide notice of the public hearing. The public hearing procedures and written report are on file in the office of the City Clerk.

The City published Resolution No. 25,008. In addition, in accordance with the requirements of Proposition 218 (which added Article XIII D to the California Constitution), the City mailed notice of the public hearing to property owners and customers at least 45 days prior to the date of the public hearing and in accordance with Health and Safety Code Section 5473.1, the City published notice of the public hearing once a week for two successive weeks prior to the public hearing. The notices set forth the proposed rate increases and information regarding the collection of charges for single-family properties that do not receive water service from the City on the County tax roll for fiscal year 2019-20.

STATEMENT OF THE ISSUE

In 2010, the City entered into an exclusive solid waste franchise agreement with Pacific Coast Waste & Recycling, LLC, which was amended and restated in 2012. The agreement was assigned to Consolidated Disposal Service, LLC, a wholly owned subsidiary of Republic Services, Inc. ("Republic"), in 2013. The term of the franchise agreement will expire on September 30, 2022.

California's mandatory commercial recycling law (California Public Resources Code Sections 42649-42649.7 and Title 14 of the California Code of Regulations Sections 18835-18839) ("MCR law") and mandatory organics recycling law (California Public Resources Code Sections 42649.8-42649.87) ("MOR law") require the City to implement a commercial solid waste recycling program and an organic waste recycling program that meet certain requirements.

Pursuant to the MCR law, public entities and businesses that generate four cubic yards or more of solid waste per week and multi-family complexes of five or more units, regardless of the amount of solid waste they generate, must arrange for recycling services. Pursuant to the MOR law, public entities, multi-family complexes of five or more units, and businesses that generate four cubic yards or more of commercial solid waste per week must arrange for recycling services specifically for organic waste. The City must implement commercial solid waste and organic waste recycling programs designed to divert commercial solid waste and organic waste in accordance with the MCR and MOR laws. The programs must include identification of businesses and multi-family complexes subject to the MCR and MOR laws, and notification, monitoring, education, outreach and enforcement actions. The City is also required to report periodically to CalRecyle on its progress in implementing its MCR and MOR programs.

In order to establish and implement suitable MCR and MOR programs and address other solid waste issues, including increasing the solid waste rates, staff recommends that the City Council hold a public hearing and adopt the attached ordinances and resolution to accomplish the actions described below.

A. Increase the solid waste charges.

The City Council will consider the proposed rate increases at the public hearing in accordance with the requirements of Article XIII D of the California Constitution (which was added by Proposition 218). Article XIII D requires that revenues to be derived from the solid waste charges must not exceed the funds required to provide solid waste and recyclable materials handling services; such revenues must not be used for any purpose other than to provide the solid waste services; the amount of the charge imposed upon any parcel must not exceed the proportional cost of the solid waste service attributable to the parcel; the charge must not be imposed upon a parcel unless the solid waste service is actually used by, or immediately available to, the owner of the parcel; and the charge must not be imposed for general

governmental services where the service is available to the public at large in substantially the same manner as it is to property owners.

Republic has requested rate increases to the solid waste charges, effective July 1, 2019. HF&H Consultants, LLC has assisted the City in reviewing Republic's rate proposal. The proposed rate increases recommended by Staff and HF&H are set forth in the exhibit to the attached ordinance increasing the rates. Republic agrees with the proposed rate increases.

The proposed rate increases will compensate Republic for (i) increases in costs over last year for providing existing services, such as increased fuel prices, (ii) the cost of providing enhanced bulky items/clean-up services, and (iii) the cost of providing enhanced commercial solid waste and organic waste recycling programs. In addition, a proposed 1.5% rate increase, effective on or after August 1, 2019, will compensate Republic for taking over billing for multi-family accounts (with bin service) and commercial accounts, and temporary bin and roll off services. Single-family properties will not be subject to the rate increases for the recycling programs or Republic's billing costs. In addition to rate increases described above, automatic rate increases are proposed on July 1, 2020, July 1, 2021, and July 1, 2022, for all premises based on the increase in the Consumer Price Index (Water, Sewer and Trash) (not to exceed 3.5% in any year).

To increase the solid waste rates, the City Council will hold a public hearing in accordance with the requirements of Article XIII D of the California Constitution. Any owners of parcels subject to the proposed rate increases and any tenants of such parcels who are directly responsible for paying the charges may protest the proposed rate increases. At the public hearing, the City Council must hear and consider all objections and protests to the proposed increases. At the close of the public hearing, the City Council will determine whether a majority protest exists. A majority protest will exist if, at the end of the public hearing, written protests against the proposed rate increases have been submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increases or by tenants of such parcels who are directly responsible for paying the charges. One written protest per parcel shall be counted in determining the existence of a majority protest. The City Council cannot adopt the proposed increases if a majority protest exists. In the absence of a majority protest, the City Council may adopt the attached ordinance increasing the solid waste rates.

B. Amend and restate the existing solid waste franchise agreement. The City Council will consider the proposed amended and restated franchise agreement at the public hearing. Republic has agreed to provide recycling programs that will assist the City to comply with the MCR and MOR laws, and has also agreed to provide enhanced bulky waste/clean-up programs. Proposed amendments to the existing franchise agreement set forth the City's and Republic's agreements with respect to the new and enhanced programs and also include updated provisions to the agreement. The proposed amendments to the franchise agreement will not extend the term of the agreement.

Other proposed amendments to the existing franchise agreement include providing for Republic to take over the billing for commercial accounts and multi-family accounts (with bin service) on or after August 1st, with the City to undertake proceedings annually to collect delinquent commercial and multi-family accounts on the County property tax roll commencing in fiscal year 2020-21. In addition, the amended franchise agreement includes provisions for the City to make installment payments to Republic, in the total amount of $1,600,000, over the remaining term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

C. Authorize tax roll billing for Fiscal Year 2019-20. Sections 5470 *et seq.* of the California Health and Safety Code and Chapter XXI of the Compton Municipal Code authorize the City to collect solid waste charges on the County tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from the general taxes of the City. The City collects charges on the County tax roll for single-family residential properties that do not receive water service from the City. In accordance with the procedures set forth in the Health and Safety Code*, S*taff has prepared a written report that identifies the single-family parcels that are subject to tax roll billing and the amount of the solid waste charge for each such parcel for fiscal year 2019-20.

At the public hearing, the City Council will consider the collection of the charges on the tax roll for fiscal year 2019-20. Any owners of parcels identified in the written report may protest the collection of the solid waste charges on the 2019-20 tax roll and the City Council must hear and consider all objections and protests to the proposed tax roll billing. At the conclusion of the public hearing, if oral or written protests have been submitted (and not withdrawn) by the owners of a majority of separate parcels described in the written report, then a majority protest against the tax roll billing exits. One protest per parcel shall be counted in determining the existence of a majority protest. The City Council cannot collect the charges on the tax roll for fiscal year 2019-20 if there is a majority protest. In such case, the City must bill the charges by invoice instead of on the tax roll. The attached resolution provides for collecting the solid waste charges for single-family properties that do not receive water service from the City on the 2019-20 tax roll.

D. Amend the Compton Municipal Code. To enable the City to comply with the MCR and MOR laws, the attached ordinance amending Chapter XXI requires, with certain exceptions, that (i) public entities and businesses that generate four cubic yards or more of solid waste per week and multi-family dwellings, regardless of the amount of solid waste they generate, source separate recyclable materials from other solid waste and make arrangements with the City's authorized hauler for the collection of recyclable materials and (ii) that public entities, multi-family dwellings, and businesses that generate four cubic yards or more of solid waste per week source separate organic waste from other solid waste and make arrangements with the City's authorized hauler for the collection of organic waste. The ordinance also makes certain other changes that update the provisions of Chapter XXI.

CEQA

City staff has evaluated the actions described above to determine whether they will have a significant effect on the environment. Staff has determined that the actions are exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15061(b)(3) and 15308 on the grounds that it can be seen with certainty that the enhanced solid waste regulations, as provided for in the proposed amended franchise agreement and in Chapter XXI of the Compton Municipal Code, as proposed to be amended, will not have a significant effect on the environment and that the new requirements, which strengthen requirements for the handling of solid waste, represent actions by a regulatory agency (the City) for the protection of the environment. In addition, pursuant to State CEQA Guidelines Section 15378(b)(4), the creation of funding mechanisms and other fiscal activities which do not involve commitments to a specific project that could have significant physical impacts on the environment are not projects subject to CEQA.

Next steps

The Council may consider adopting the attached ordinances at its meeting on June 25, 2019.

FISCAL IMPACT

As described in this Staff Report, Republic has requested rate increases to the solid waste charges. If the higher rates generate higher revenues for Republic, there will be an increase in the City's franchise fee revenues. As described in this Staff Report, the amended franchise agreement includes a payment to Republic in the total amount of $1,600,000, payable in installments over the term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

RECOMMENDATION

That the City Council hold a public hearing and (i) in the absence of a majority protest (calculated as described in this Staff Report) introduce the attached ordinance increasing the solid waste rates by a 2/3 vote; (ii) introduce the attached ordinance amending the franchise agreement; (iii) introduce the attached ordinance amending Chapter XXI of the Compton Municipal Code by a 2/3 vote; and (iv) in the absence of a majority protest (calculated in as described in this Staff Report) adopt the attached resolution providing for collection on the fiscal year 2019-20 County tax roll of the solid waste charges for single-family properties that do not receive water service from the City.

June 18, 2019

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON INCREASING RATES FOR SOLID WASTE AND RECYCLABLE MATERIALS HANDLING SERVICES, MAKING A DETERMINATION OF EXEMPTION FROM CEQA IN CONNECTION THEREWITH, AND TAKING CERTAIN RELATED ACTIONS

SUMMARY

The attached ordinance request the City Council to approve increases to the rates for the solid waste charges.

BACKGROUND

On April 23, 2019, the City Council adopted Resolution 25,008 (i) declaring the Council's intent to amend the City's existing solid waste franchise agreement, approve increases to the solid waste rates, amend Chapter XXI of the Compton Municipal Code, collect solid waste charges for single-family residential properties that do not receive water service from the City on the fiscal year 2019-20 County tax roll, and make a finding that the foregoing actions are exempt from CEQA; (ii) setting a public hearing on June 18, 2019; and (iii) and taking related actions, including approving procedures for conducting the public hearing, directing staff to prepare a written report in connection with the tax roll billing, and directing staff to provide notice of the public hearing. The public hearing procedures and written report are on file in the office of the City Clerk.

The City published Resolution No. 25,008. In addition, in accordance with the requirements of Proposition 218 (which added Article XIII D to the California Constitution), the City mailed notice of the public hearing to property owners and customers at least 45 days prior to the date of the public hearing and in accordance with Health and Safety Code Section 5473.1, the City published notice of the public hearing once a week for two successive weeks prior to the public hearing. The notices set forth the proposed rate increases and information regarding the collection of charges for single-family properties that do not receive water service from the City on the County tax roll for fiscal year 2019-20.

STATEMENT OF THE ISSUE

In 2010, the City entered into an exclusive solid waste franchise agreement with Pacific Coast Waste & Recycling, LLC, which was amended and restated in 2012. The agreement was assigned to Consolidated Disposal Service, LLC, a wholly owned subsidiary of Republic Services, Inc. ("Republic"), in 2013. The term of the franchise agreement will expire on September 30, 2022.

California's mandatory commercial recycling law (California Public Resources Code Sections 42649-42649.7 and Title 14 of the California Code of Regulations Sections 18835-18839) ("MCR law") and mandatory organics recycling law (California Public Resources Code Sections 42649.8-42649.87) ("MOR law") require the City to implement a commercial solid waste recycling program and an organic waste recycling program that meet certain requirements.

Pursuant to the MCR law, public entities and businesses that generate four cubic yards or more of solid waste per week and multi-family complexes of five or more units, regardless of the amount of solid waste they generate, must arrange for recycling services. Pursuant to the MOR law, public entities, multi-family complexes of five or more units, and businesses that generate four cubic yards or more of commercial solid waste per week must arrange for recycling services specifically for organic waste. The City must implement commercial solid waste and organic waste recycling programs designed to divert commercial solid waste and organic waste in accordance with the MCR and MOR laws. The programs must include identification of businesses and multi-family complexes subject to the MCR and MOR laws, and notification, monitoring, education, outreach and enforcement actions. The City is also required to report periodically to CalRecyle on its progress in implementing its MCR and MOR programs.

In order to establish and implement suitable MCR and MOR programs and address other solid waste issues, including increasing the solid waste rates, staff recommends that the City Council hold a public hearing and adopt the attached ordinances and resolution to accomplish the actions described below.

Increase the solid waste charges.

The City Council will consider the proposed rate increases at the public hearing in accordance with the requirements of Article XIII D of the California Constitution (which was added by Proposition 218). Article XIII D requires that revenues to be derived from the solid waste charges must not exceed the funds required to provide solid waste and recyclable materials handling services; such revenues must not be used for any purpose other than to provide the solid waste services; the amount of the charge imposed upon any parcel must not exceed the proportional cost of the solid waste service attributable to the parcel; the charge must not be imposed upon a parcel unless the solid waste service is actually used by, or immediately available to, the owner of the parcel; and the charge must not be imposed for general governmental services where the service is available to the public at large in substantially the same manner as it is to property owners.

Republic has requested rate increases to the solid waste charges, effective July 1, 2019. HF&H Consultants, LLC has assisted the City in reviewing Republic's rate proposal. The proposed rate increases recommended by Staff and HF&H are set forth in the exhibit to the attached ordinance increasing the rates. Republic agrees with the proposed rate increases.

The proposed rate increases will compensate Republic for (i) increases in costs over last year for providing existing services, such as increased fuel prices, (ii) the cost of providing enhanced bulky items/clean-up services, and (iii) the cost of providing enhanced commercial solid waste and organic waste recycling programs. In addition, a proposed 1.5% rate increase, effective on or after August 1, 2019, will compensate Republic for taking over billing for multi-family accounts (with bin service) and commercial accounts, and temporary bin and roll off services. Single-family properties will not be subject to the rate increases for the recycling programs or Republic's billing costs. In addition to rate increases described above, automatic rate increases are proposed on July 1, 2020, July 1, 2021, and July 1, 2022, for all premises based on the increase in the Consumer Price Index (Water, Sewer and Trash) (not to exceed 3.5% in any year).

To increase the solid waste rates, the City Council will hold a public hearing in accordance with the requirements of Article XIII D of the California Constitution. Any owners of parcels subject to the proposed rate increases and any tenants of such parcels who are directly responsible for paying the charges may protest the proposed rate increases. At the public hearing, the City Council must hear and consider all objections and protests to the proposed increases. At the close of the public hearing, the City Council will determine whether a majority protest exists. A majority protest will exist if, at the end of the public hearing, written protests against the proposed rate increases have been submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increases or by tenants of such parcels who are directly responsible for paying the charges. One written protest per parcel shall be counted in determining the existence of a majority protest. The City Council cannot adopt the proposed increases if a majority protest exists. In the absence of a majority protest, the City Council may adopt the attached ordinance increasing the solid waste rates.

Other proposed amendments to the existing franchise agreement include providing for Republic to take over the billing for commercial accounts and multi-family accounts (with bin service) on or after August 1st, with the City to undertake proceedings annually to collect delinquent commercial and multi-family accounts on the County property tax roll commencing in fiscal year 2020-21. In addition, the amended franchise agreement includes provisions for the City to make installment payments to Republic, in the total amount of $1,600,000, over the remaining term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

CEQA

City staff has evaluated the actions described above to determine whether they will have a significant effect on the environment. Staff has determined that the actions are exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15061(b)(3) and 15308 on the grounds that it can be seen with certainty that the enhanced solid waste regulations, as provided for in the proposed amended franchise agreement and in Chapter XXI of the Compton Municipal Code, as proposed to be amended, will not have a significant effect on the environment and that the new requirements, which strengthen requirements for the handling

of solid waste, represent actions by a regulatory agency (the City) for the protection of the environment. In addition, pursuant to State CEQA Guidelines Section 15378(b)(4), the creation of funding mechanisms and other fiscal activities which do not involve commitments to a specific project that could have significant physical impacts on the environment are not projects subject to CEQA.

FISCAL IMPACT

As described in this Staff Report, Republic has requested rate increases to the solid waste charges. If the higher rates generate higher revenues for Republic, there will be an increase in the City's franchise fee revenues. As described in this Staff Report, the amended franchise agreement includes a payment to Republic in the total amount of $1,600,000, payable in installments over the term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

RECOMMENDATION

Staff request City Council to approve the attached Ordinance.

CECIL W. RHAMBO, JR.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON LEVYING AN ANNUAL CHARGE FOR SOLID WASTE AND RECYCLABLE MATERIALS HANDLING SERVICES TO BE COLLECTED ON THE COUNTY OF LOS ANGELES TAX ROLL FOR FISCAL YEAR 2019-2020, ORDERING SUCH CHARGE TO BE COLLECTED ON THE TAX ROLL, MAKING A DETERMINATION OF EXEMPTION FROM CEQA IN CONNECTION THEREWITH, AND TAKING CERTAIN RELATED ACTIONS

SUMMARY

The attached resolution provides for collection on the fiscal year 2019-20 County tax roll of the solid waste charges for single-family properties that do not receive water service from the City.

BACKGROUND

On April 23, 2019, the City Council adopted Resolution 25,008 (i) declaring the Council's intent to amend the City's existing solid waste franchise agreement, approve increases to the solid waste rates, amend Chapter XXI of the Compton Municipal Code, collect solid waste charges for single-family residential properties that do not receive water service from the City on the fiscal year 2019-20 County tax roll, and make a finding that the foregoing actions are exempt from CEQA; (ii) setting a public hearing on June 18, 2019; and (iii) and taking related actions, including approving procedures for conducting the public hearing, directing staff to prepare a written report in connection with the tax roll billing, and directing staff to provide notice of the public hearing. The public hearing procedures and written report are on file in the office of the City Clerk.

The City published Resolution No. 25,005. In addition, in accordance with the requirements of Proposition 218 (which added Article XIII D to the California Constitution), the City mailed notice of the public hearing to property owners and customers at least 45 days prior to the date of the public hearing and in accordance with Health and Safety Code Section 5473.1, the City published notice of the public hearing once a week for two successive weeks prior to the public hearing. The notices set forth the proposed rate increases and information regarding the collection of charges for single-family properties that do not receive water service from the City on the County tax roll for fiscal year 2019-20.

STATEMENT OF THE ISSUE

In 2010, the City entered into an exclusive solid waste franchise agreement with Pacific Coast Waste & Recycling, LLC, which was amended and restated in 2012. The agreement was assigned to Consolidated Disposal Service, LLC, a wholly owned subsidiary of Republic Services, Inc. ("Republic"), in 2013. The term of the franchise agreement will expire on September 30, 2022.

California's mandatory commercial recycling law (California Public Resources Code Sections 42649-42649.7 and Title 14 of the California Code of Regulations Sections 18835-18839) ("MCR law") and mandatory organics recycling law (California Public Resources Code Sections 42649.8-42649.87) ("MOR law") require the City to implement a commercial solid waste recycling program and an organic waste recycling program that meet certain requirements.

Pursuant to the MCR law, public entities and businesses that generate four cubic yards or more of solid waste per week and multi-family complexes of five or more units, regardless of the amount of solid waste they generate, must arrange for recycling services. Pursuant to the MOR law, public entities, multi-family complexes of five or more units, and businesses that generate four cubic yards or more of commercial solid waste per week must arrange for recycling services specifically for organic waste. The City must implement commercial solid waste and organic waste recycling programs designed to divert commercial solid waste and organic waste in accordance with the MCR and MOR laws. The programs must include identification of businesses and multi-family complexes subject to the MCR and MOR laws, and notification, monitoring, education, outreach and enforcement actions. The City is also required to report periodically to CalRecyle on its progress in implementing its MCR and MOR programs.

In order to establish and implement suitable MCR and MOR programs and address other solid waste issues, including increasing the solid waste rates, staff recommends that the City Council hold a public hearing and adopt the attached ordinances and resolution to accomplish the actions described below.

A. Increase the solid waste charges.

The City Council will consider the proposed rate increases at the public hearing in accordance with the requirements of Article XIII D of the California Constitution (which was added by Proposition 218). Article XIII D requires that revenues to be derived from the solid waste charges must not exceed the funds required to provide solid waste and recyclable materials handling services; such revenues must not be used for any purpose other than to provide the solid waste services; the amount of the charge imposed upon any parcel must not exceed the proportional cost of the solid waste service attributable to the parcel; the charge must not be imposed upon a parcel unless the solid waste service is actually used by, or immediately available to, the owner of the parcel; and the charge must not be imposed for general

governmental services where the service is available to the public at large in substantially the same manner as it is to property owners.

Republic has requested rate increases to the solid waste charges, effective July 1, 2019. HF&H Consultants, LLC has assisted the City in reviewing Republic's rate proposal. The proposed rate increases recommended by Staff and HF&H are set forth in the exhibit to the attached ordinance increasing the rates. Republic agrees with the proposed rate increases.

The proposed rate increases will compensate Republic for (i) increases in costs over last year for providing existing services, such as increased fuel prices, (ii) the cost of providing enhanced bulky items/clean-up services, and (iii) the cost of providing enhanced commercial solid waste and organic waste recycling programs. In addition, a proposed 1.5% rate increase, effective on or after August 1, 2019, will compensate Republic for taking over billing for multi-family accounts (with bin service) and commercial accounts, and temporary bin and roll off services. Single-family properties will not be subject to the rate increases for the recycling programs or Republic's billing costs. In addition to rate increases described above, automatic rate increases are proposed on July 1, 2020, July 1, 2021, and July 1, 2022, for all premises based on the increase in the Consumer Price Index (Water, Sewer and Trash) (not to exceed 3.5% in any year).

To increase the solid waste rates, the City Council will hold a public hearing in accordance with the requirements of Article XIII D of the California Constitution. Any owners of parcels subject to the proposed rate increases and any tenants of such parcels who are directly responsible for paying the charges may protest the proposed rate increases. At the public hearing, the City Council must hear and consider all objections and protests to the proposed increases. At the close of the public hearing, the City Council will determine whether a majority protest exists. A majority protest will exist if, at the end of the public hearing, written protests against the proposed rate increases have been submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increases or by tenants of such parcels who are directly responsible for paying the charges. One written protest per parcel shall be counted in determining the existence of a majority protest. The City Council cannot adopt the proposed increases if a majority protest exists. In the absence of a majority protest, the City Council may adopt the attached ordinance increasing the solid waste rates.

Other proposed amendments to the existing franchise agreement include providing for Republic to take over the billing for commercial accounts and multi-family accounts (with bin service) on or after August 1st, with the City to undertake proceedings annually to collect delinquent commercial and multi-family accounts on the County property tax roll commencing in fiscal year 2020-21. In addition, the amended franchise agreement includes provisions for the City to make installment payments to Republic, in the total amount of $1,600,000, over the remaining term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

B. Authorize tax roll billing for Fiscal Year 2019-20. Sections 5470 *et seq.* of the California Health and Safety Code and Chapter XXI of the Compton Municipal Code authorize the City to collect solid waste charges on the County tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from the general taxes of the City. The City collects charges on the County tax roll for single-family residential properties that do not receive water service from the City. In accordance with the procedures set forth in the Health and Safety Code*, S*taff has prepared a written report that identifies the single-family parcels that are subject to tax roll billing and the amount of the solid waste charge for each such parcel for fiscal year 2019-20.

At the public hearing, the City Council will consider the collection of the charges on the tax roll for fiscal year 2019-20. Any owners of parcels identified in the written report may protest the collection of the solid waste charges on the 2019-20 tax roll and the City Council must hear and consider all objections and protests to the proposed tax roll billing. At the conclusion of the public hearing, if oral or written protests have been submitted (and not withdrawn) by the owners of a majority of separate parcels described in the written report, then a majority protest against the tax roll billing exits. One protest per parcel shall be counted in determining the existence of a majority protest. The City Council cannot collect the charges on the tax roll for fiscal year 2019-20 if there is a majority protest. In such case, the City must bill the charges by invoice instead of on the tax roll. The attached resolution provides for collecting the solid waste charges for single-family properties that do not receive water service from the City on the 2019-20 tax roll.

CEQA

City staff has evaluated the actions described above to determine whether they will have a significant effect on the environment. Staff has determined that the actions are exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15061(b)(3) and 15308 on the grounds that it can be seen with certainty that the enhanced solid waste regulations, as provided for in the proposed amended franchise agreement and in Chapter XXI of the Compton Municipal Code, as proposed to be amended, will not have a significant effect on the environment and that the new requirements, which strengthen requirements for the handling of solid waste, represent actions by a regulatory agency (the City) for the protection of the environment. In addition, pursuant to State CEQA Guidelines Section 15378(b)(4), the creation of funding mechanisms and other fiscal activities which do not involve commitments to a specific project that could have significant physical impacts on the environment are not projects subject to CEQA.

FISCAL IMPACT

As described in this Staff Report, Republic has requested rate increases to the solid waste charges. If the higher rates generate higher revenues for Republic, there will be an increase in the City's franchise fee revenues. As described in this Staff Report, the amended franchise agreement includes a payment to Republic in the total amount of $1,600,000, payable in installments over the term of the franchise agreement, to compensate Republic for lost revenues in connection with past solid waste billing issues, including undercharges to customers.

RECOMMENDATION

Staff recommends approval of the attached resolution.

I. INTRODUCTION

The City of Compton ("City") annually levies and collects special assessments in order to maintain the improvements that provide special benefit to properties within the Compton Landscape and Lighting District No.1 ("District"). Assessments are levied annually for the District pursuant to the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (the "1972 Act").

The Engineer's Report ("Report") describes the District, applicable changes to the District, including any annexations or substantial changes in the improvements, and the proposed assessments for the fiscal year commencing July 1, 2019 and ending June 30, 2020 ("2019/2020"). The assessments are based on the historical and estimated cost to maintain the improvements that provide a special benefit to properties within the District and Zones, as described herein. The improvements within the District and the corresponding costs, including all expenditures, deficits, surpluses, revenues, and reserves, are assessed for each Zone.

For the purposes of this Report, the word "parcel" refers to an individual property assigned its own Assessment Number by the Los Angeles County Assessor's Office. The Los Angeles County Auditor/Controller uses Assessment Numbers and specific Fund Numbers to identify properties assessed for special district benefit assessments on the tax roll.

Following consideration of all public comments and written protests at a noticed public hearing and review of the Engineer's Report, the City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments, the Council may then order the levy and collection of assessments for fiscal year 2019/2020 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each assessable parcel in fiscal year 2019/2020.

II. PROVISIONS OF THE 1972 ACT

The Method of Apportionment described for the District utilizes commonly accepted assessment-engineering practices and have been established pursuant to the 1972 Act in compliance with the provisions of the California Constitution Article XIIID. As generally defined, the improvements and the associated assessments for any district formed pursuant to the 1972 Act may include one or any combination of the following:

1) The installation or planting of landscaping.
2) The installation or construction of statuary, fountains, and other ornamental structures and facilities.
3) The installation or construction of public lighting facilities, including, but not limited to streetlights and traffic signals.
4) The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof; including but not limited to, grading, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

5) The installation of park or recreational improvements including, but not limited to the following:
    i. Land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks, and drainage.
    ii. Lights, playground equipment, play courts and public restrooms.
6) The maintenance or servicing, or both, of any of the foregoing.
7) The acquisition of land for park, recreational or open-space purposes, or the acquisition of any existing improvement otherwise authorized by the 1972 Act.
8) Incidental expenses associated with the improvements including, but not limited to:
    i. The cost of preparation of the Report, including plans, specifications, estimates, diagram, and assessment;
    ii. The costs of printing, advertising, and the publishing, posting and mailing of notices;
    iii. Compensation payable to the County for collection of assessments;
    iv. Compensation of any engineer or attorney employed to render services;
    v. Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements; and,
    vi. Costs associated with any elections held for the approval of a new or increased assessment.

B. SPECIFICATIONS FOR MAINTENANCE AND SERVICING

The lighting and traffic signal system shall be maintained and serviced to provide adequate illumination and traffic control. Maintenance and servicing shall include but not be limited to removal, repair, replacement or relocation of light standards, traffic signals, poles, bulbs, fixtures, circuits and appurtenances.

The Southern California Edison Company, their successors, or assigns, shall furnish energy for lights and traffic signals. The level of illumination shall be adequate for the intended purpose in each Zone. Rates for energy shall be those authorized by the Public Utilities Commission, State of California.

The landscaping improvements include, but are not limited to, the operation, maintenance and servicing of ornamental structures, landscaping including trees, shrubs, grass and other ornamental vegetation, and appurtenant facilities, including irrigation systems and drainage devices located in public streets or rights-of-way within the boundaries of the District.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of the ornamental structures, landscaping and appurtenant facilities, including, but not limited to, repair, removal or replacement of all or part of any of the ornamental structures, landscaping or appurtenant facilities; providing for the life, growth, health and beauty of the landscaping including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease, or sandblasting and painting of walls and other improvements within the street area to remove or cover graffiti.

Servicing means the furnishing of electricity for the lighting and operation of the ornamental structures, landscaping and appurtenant facilities, and water for the irrigation and control of the landscaping and the maintenance of any of the ornamental structures, landscaping and appurtenant facilities.

The plans and specifications for the operation, maintenance and servicing of the landscaping are on file in the office of the City Clerk, the City Engineer and the various service departments where they are available for public inspection. The plans and specifications are voluminous and are not bound in this Report but by this reference are incorporated herein and made a part of this Report.

IV. METHOD OF APPORTIONMENT

A. GENERAL DESCRIPTION OF THE DISTRICT AND SERVICES

The District and assessments provide for the continued maintenance, servicing and operation of the improvements within the District boundaries. The District is divided into seven (7) distinct benefit Zones categorized by land use and the special benefit received from the improvements as outlined in Section IV B. It has been determined that the assessed parcels receive special benefits from the improvements. It is the opinion of the public works supervisors that, on a long-term basis, an equality of effort and expenditure is achieved throughout the District.

Parcels identified as being within the District share in both the cost and the benefits of the improvements. The costs associated with the improvements, are equitably spread between benefiting parcels within the District. Only parcels that receive benefit from the improvements are assessed, and each parcel is assessed in proportion to the estimated special benefit received. The funds collected from the assessments are dispersed and used for the maintenance, services and operation of the improvements provided within the District. Properties receive the following special benefits from the District improvements:

Adequate lighting on public streets and traffic signals to control the flow of traffic and pedestrians are considered important for their contribution to public convenience and safety. Protection of property and reduction of traffic accidents are specific benefits that properties realize within the District. The lighting benefit is directly related to safety and property protection and therefore increases the perceived and actual usability of residential, commercial and industrial properties. Placement of and the intensity of street lighting has received past and ongoing studies by the City officials and consultants with the intent of intensifying such lighting in the area from the curb to the property line and also the onsite level of lighting. Traffic signals contribute to the control of traffic, thereby providing a measure of safety and pedestrian and vehicular accessibility to residential, commercial and industrial properties. Community activities are increased when public infrastructure such as street lights and traffic signals are in place, improved, operable, safe and well maintained.

The maintenance of parkways, including landscaping and trees is of necessity, an ongoing and long-range activity. Properties within the District receive special benefit from the landscaping improvements through improved erosion resistance, dust and debris control, reduced vandalism, enhanced urban environment and improved aesthetic appeal of the properties. As a result of the age of the development of various areas, the level of deterioration within the City and in particular neighborhoods is different, requiring different types and levels of maintenance effort. The intent of the public works staff is to reduce complaints and problems while achieving an acceptable level of maintenance in all areas. The ongoing attempt is to achieve clean, graffiti free streets while maintaining the newer areas and upgrading the older areas.

B. METHODOLOGY

The assessments and method of apportionment described in this Report utilizes commonly accepted assessment engineering practices and have been established pursuant to the 1972 Act. Any new or increased assessment will be subject to the substantive and procedural requirements of the Constitution, Article XIIID, Section 4.

Pursuant to the 1972 Act, the costs of the District may be apportioned by any formula or method that fairly distributes the net amount to be assessed among all assessable parcels in proportion to the estimated benefits to be received by each parcel from the improvements. The benefit formula used should reflect the composition of the parcels, and the improvements and services provided, to fairly proportion the costs based on special benefit to each parcel.

To reflect the composition of the parcels the District has been divided into seven (7) distinct benefit Zones as follows:

ZONE	DESCRIPTIONS
1	Residential
2	Commercial
3	Heavy Manufacturing
4	Limited Manufacturing
5	Gateway Town Center
6	Churches
7	Exempt

The methodology is based on the parcel's land use and size compared to other parcels that are associated with the improvements. For example, an examination of the lighting pattern and lumens of light provided indicates that the lighting intensity in general is much greater in front of non-residential properties than in residential areas or residential properties. The additional lighting provides greater benefit to such non-residential properties because it provides additional protection from robberies and vandalism and provides an enhanced appearance and increased safety in access to potential customers.

In the Residential Zone, all the parcels in the District receive a basic similar special benefit from the improvements, due to their similarity in use and proximity to the improvements. However with frontage a major factor in development and potential usage, adjusted front footage has been used as a measure of such development and use benefit.

In the Commercial Zones, the special benefit to each parcel is derived not only from the benefits to the property as described above, but also the enhancement of the property through the enhanced ability to attract clients, employees, and customers to the parcel. The estimated cost of the improvements in a Commercial Zone has been divided among the parcels within the Zone according to the adjusted front footage of each parcel in the Zone.

The City of Compton has traditionally recognized the role of church and schools in the community; the contribution of churches and church schools in meeting educational, welfare and recreational needs of youth and others; the influence of churches in stabilizing the community and thereby reducing crime and other costs; the role of churches in meeting the nutritional and emotional needs of senior and low income persons; and has partially recognized the reduced costs which are experienced by the community by reason of the above services to society by assigning a reduced assessment rate for churches.

Public property owned by any public agency and in use in the performance of a public function, which is included within the boundary of the District, shall not be subject to the assessment. Other properties that are considered exempt from the assessments are those that receive little or no benefit from the improvements, have restricted development or provide substantially similar improvements, such as, common areas, flood control drainage, right-of-way and rivers.

The cost of the improvements has been apportioned to all assessable parcels within the District on an adjusted front footage basis. Table II in the District Budget section of this Report shows the per lineal foot assessment within each of the seven (7) Zones based on the three improvement categories composed of lighting, landscape and traffic signals.

The Los Angeles County Assessor's maps were utilized to determine the front footage of each respective parcel within the District. Adjustments have been made to the frontage shown in the Assessor' maps for corner, odd shaped and interior (no street frontage) lots. The criteria used to determine front footage is as follows:

LOT	CRITERIA
1. Rectangular Lots	Street frontage on a public street

C. ASSESSMENT

Assessment is comprised of three categories: lighting, landscape and signals. Assessment rate per front foot for each of the three categories are outlined in Table II of this report. As an example, for a residential parcel with front footage of 50 feet, total assessment amount is calculated as follows:

(50 * $0.935 [lighting assessment]) + (50 * $1.886 [landscape assessment]) + (50 * $0.244 [signals assessment]) = $153.25

V. DISTRICT BUDGETS

The 1972 Act provides that the estimated costs of the improvements shall include the total cost of the improvements for the fiscal year, incidental expenses, and may include reserves to operate the District until assessment collections are transmitted to the City from the County.

The 1972 Act also provides that the amount of any surplus, deficit, or contribution must be included in the estimated cost of improvements. The net amount to be assessed on the lots or parcels within the District is the total cost of installation, maintenance, and servicing with adjustments either positive or negative for reserves, surpluses, deficits, and/or contributions.

The estimated net amount to be assessed for fiscal year 2019/2020 is $4,197,528.67. Table III shows a summary of the total assessments per Zone for the three improvement categories of lighting, landscape and traffic signals. The rates of assessment are the same as the rates approved in fiscal year 2018/2019.

A summary of the estimated costs for the District for fiscal year 2019/2020 is shown in Table I of this Section.

A. DESCRIPTION OF BUDGET ITEMS

The following describes the costs funded through the District and shown in the budget.

Maintenance Costs (Labor, Benefits and Material) - Includes all labor, material and equipment required to properly maintain, service and operate the improvements within the District by City staff and others. All improvements within the District will be maintained and serviced on a regular basis. The frequency and specific maintenance operations required will be determined by City staff and in certain instances are incorporated in the agreements with the Southern California Edison Company.

Utilities (Electricity and Water) - The furnishing of water required for the irrigation of the parkway and median landscaping and the maintenance of the ornamental structures and appurtenant facilities. The furnishing of electricity as required for the operation of the street lighting, traffic signals, parkway and median controls and appurtenant facilities, as outlined in agreements with the Southern California Edison Company and under rates as set by the Public Utilities Commission.

Maintenance and Repairs - Repairs that are unforeseen and not normally included in the yearly maintenance cost. This may include repair of damage due to vandalism, storms and other natural occurrences, planned upgrades of the improvements and the cost of subcontractors for maintenance and other services, including tree trimming.

Graffiti Coating for SCE Light Poles - Funds to replace more than 2000 steel poles within the City of Compton with safer and more aesthetically pleasing concrete poles. This program will provide special coating of the new light poles to prevent graffiti and vandalism. The purchase will be made using the FY 2013-2014 L&L Funds.

Park Acquisition – Funds used to acquire the Compton Camp Fire Regional Activity Center site during FY 2013-2014 to be used as an open space recreational park.

Direct and Other Administration - The cost of City department staff personnel involved in providing the coordination for maintenance and servicing, responding to public concerns and levying and collecting assessments. This includes, where appropriate, reimbursement for time spent by other City staff such as, Finance and Accounting, the City Attorney, the City Manager, City Council and the Public Works staff.

Consultants and Professional Services - The costs of contracting with professionals to provide services specific to the levy administration, including preparation of the Engineer's Report, resolutions, and levy submittal to the County. The costs charged by the County to place and collect the assessments on the County property tax rolls. These fees also

include any additional administrative, legal, and engineering services specific to the District such as costs to prepare and mail notices of the Public hearing.

Reserve Collection/(Transfer) – Represents contributions or transfers of funds from the District reserve fund.

Other Revenues/General Fund (Contributions) – Represents revenue from other sources such as the City of Compton General Fund.

Total Net Estimated Cost - Total direct cost plus total administrative costs less any transfers from the reserve fund or contributions from other revenue sources.

Total Parcels – The total number of parcels within the District.

Total Parcels Levied – The total number of parcels within the District that will receive special benefit and be assessed for the fiscal year.

Total Front Footage – The total front footage of parcels within the District calculated according to the methodology detailed in this Report.

Assessment Amount – The total amount to be assessed this fiscal year.

Cost Allocation Plan ("CAP") - Summarizes a comprehensive analysis completed for the City of Compton, California (the "City") to determine the appropriate allocation of costs from City central service departments to the departments that provide services directly to the community. The primary objective is to allocate costs from departments that provide services internally to operating departments that conduct the day-to-day operations necessary to serve the community. These internal service costs are those: (a) incurred for a common or joint purpose benefiting more than one cost objective, and (b) not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. The term "indirect costs," as used herein, applies to costs of this type originating in the central service departments. Typical central service departments include the City Manager and City Controller, whereas, typical operating departments include Fire, Public Works, and enterprise funds.
To ensure central service department costs are appropriately allocated to the operating departments, we analyzed and identified expenditures to determine which costs are allowable versus unallowable in accordance with Office of Management and Budget (OMB)-87 principles. Costs that are typically considered to be unallowable include, but are not limited to: General Advertising, Entertainment, Award Ceremonies, Capital Improvements, Bad Debt, Lobbying, Contingencies, Legislative Body (City Council), Debt Service, Promotional Items.

As such, unallowable costs were excluded from this CAP, including indirect costs associated with City Council (reflected as a negative number under allowable costs).

EXHIBIT B – ASSESSMENT ROLLS

The proposed assessment amounts for fiscal year 2019/2020 for the Landscape and Lighting District are sent under separate cover and hereby referenced to in this report. Parcel identification, for each lot or parcel within the District shall be the Assessor Parcel Numbers as shown on the Los Angeles County Assessor's map for the year in which this Report is prepared.

The listing of parcels and the amount of assessment to be levied shall be submitted to the County Auditor/Controller and included on the property tax roll for each parcel in fiscal year 2019/2020.

If any parcel submitted for assessment is identified by the County Auditor/Controller to be an invalid parcel number or the parcel Land Use changes for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment/Charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment/Charge rates approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment. Similarly, if a parcel Land Use changes, the assessment/charge amount applied shall be recalculated and applied according to the approved method of apportionment and assessment rates.

I. INTRODUCTION

To ensure a flow of funds for a portion of the ongoing maintenance and operation of the sanitary sewer facilities, within the boundaries of the City of Compton, the City Council has previously established a Sewer Service Charge.

On November 5, 1996, California voters approved Proposition 218. This Constitutional amendment was the latest in a series of initiatives altering the revenue-raising discretion of California local agencies. The provisions of the Proposition are set forth in California Constitutional Articles XIII C and XIII D.

As relevant to the City of Compton Sewer Service Charge, California Constitution Article XIII D, Sections 1 through 5, provide for additional substantive and procedural requirements, as outlined below.

Proposition 218 defines, "Assessments" as:

> ‘‘... any levy or charge by an agency upon real property that is based upon the special benefit conferred upon the real property… "Assessment" includes, but is not limited to, "special assessment," "benefit assessment," "maintenance assessment" and "special assessment tax."
>
> Article XIII D Section 2(e) of the Constitution of the State of California defines ‘‘Charges" as:
>
> "…"charge" means any levy other than an ad valorem tax, a special tax, or an assessment, imposed by an agency upon a parcel or upon a person as an incident of property ownership, including a user fee or charge for a property related service."

Although District assessments and charges are generally collected on the property tax rolls, District "assessments" and "charges" are not "taxes." Assessments and charges are distinct from the regular one percent (1%) property tax and property tax debt overrides in that assessment rates and charges are not levied on an ad valorem basis. The Sewer Service levy is considered a charge under Proposition 218.

Proposition 218 requires that beginning July 1, 1997, all new and existing assessments (with some exceptions) conform to new substantive and procedural requirements. However, certain assessments are exempted from the conformity requirement until they are increased. Generally, these exemptions include:

- Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.
- Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.
- Assessments previously approved by a majority of voters.
- Assessments approved by all the property owners at the time the assessments were initially imposed.

The City Council has previously determined that the charges for the Sewer Service constitute a continuation of charges existing on the effective date of Article XIII D, that the assessments and charges were imposed exclusively to finance the maintenance and operation expenses for sewers and that the charges as they existed before July 1, 1997 are exempt from the requirements of Article XIII D, Section 4 of the California Constitution. In that the charges are used exclusively to fund sewers under the provision for exemption defined in Section 5(a) of the Article.

This Report for the City of Compton Sewer Service Charge ("Charge") has been prepared pursuant to the order of the City of Compton, in compliance with City Municipal Code ("Code") and statutory requirements for the State of California. The Report covers Fiscal Year 2019/2020 beginning July 1, 2019 and ending June 30, 2020.

II. IMPROVEMENTS

The monies collected by the City for the Charge are used for the maintenance of the existing sanitary sewer system and repayment of a portion of sewer bonds previously issued for the reconstruction of the City's sewer system. Maintenance includes the repair or replacement of damaged mains, manholes and appurtenant structures in order to maintain the system for the health, safety and welfare of the parcels charged within the City, all work to be performed within public streets or rights-of-way.

III. METHODOLOGY

The Charge is levied on the basis of historical water consumption data. Past studies have shown a high degree of correlation between water consumption and sewer discharge for a majority of the users within the area. As shown below, fees for the respective users have been divided into six (6) use zones ("Zones"). The Zones are identified as follows:

Zone	Type of User	Average Monthly Water Consumption
1	Residential & Small Commercial	Less than 10,000 cu. ft.
2	Commercial & Industrial	10,000 to 25,000 cu. ft.
3	Commercial & Industrial	25,000 to 50,000 cu. ft.
4	Commercial & Industrial	50,000 to 75,000 cu. ft.
5	Commercial & Industrial	More than 75,000 cu. ft.
6	Vacant lots, Seniors, Septic Tank Users, Public Property, Disabled Citizens & Senior Citizens	Exempt

A flat fee for residential users has been utilized, while a sliding fee for commercial and industrial users was determined to be the most equitable for said users within the City of Compton. Zone 6 provides for exemptions from the Charge for vacant lots properties that have septic tanks, properties currently owned by senior or disabled citizens, and publicly owned properties. Exemptions are applied upon receipt and filing of an application for such exemption with the City.

The City of Compton has historically recognized that senior citizens and the disabled have a water usage which is lower than other housing units and that the cost of such reduced usage services

are covered in the main part by general property taxes and other City revenues and not by direct application of the Sewer Service Charge.

The City of Compton Public Works Department has determined that the rate of sewer service charge for all the assessable parcels within the limits of the City of Compton for Fiscal Year 2019/2020 shall remain the same as Fiscal Year 2018/2019. The total estimated charged for sewer service for all parcels is $981,303.

In order to ensure timely and efficient collections of the sewer service charges, the City of Compton utilizes the Los Angeles County Assessor's office property tax billing system for collection of the sewer service charges. Upon receipt of the sewer service charges through the property tax billing system, the funds received by the Los Angeles County Assessor's office are forwarded to the City of Compton and are placed in a designated fund for exclusive use of the operation and maintenance of the sewer system of the City of Compton.

IV. DISTRICT BUDGET

The following describes the costs funded through the Charge and shown in the budget.

Maintenance Costs (Labor, Benefits, and Equipment) – Includes all labor, material and equipment required to properly maintain and service the sewer system by City staff and others. All improvements within the District will be maintained and serviced on a regular basis. City staff will determine the frequency and specific maintenance operations required.

Debt Service – Pledged revenues under the Trust Agreement for the payment of Bonds issued for the reconstruction of the sewer system.

Administration – The cost of City department staff personnel involved in providing the coordination for maintenance and servicing, responding to public concerns and levying and collecting assessments. This includes, where appropriate, reimbursement for time spent by other City staff such as, Finance and Accounting, the City Attorney, the City Manager, City Council and the Public Works staff. The cost also includes contracts with professionals to provide additional engineering or administrative services specific to the District and County fees.

Reserve Fund Transfer/(Contributions) – Represents contributions or transfers of funds from the reserve fund.

Other Revenues/General Fund (Contributions) – Represents revenue from other sources such as the City of Compton General Fund.

Total Net Estimated Cost – Total direct cost plus total administrative costs and transfers from/to the rebate reserve fund or contributions from other revenue sources.

Total Parcels – The total number of parcels within the District.

Total Parcels Levied – The total number of parcels within the District that will be charged for the Fiscal Year.

Charge Amount – The total amount to be charged this Fiscal Year.

Cost Allocation Plan ("CAP") - Summarizes a comprehensive analysis completed for the City of Compton, California (the "City") to determine the appropriate allocation of costs from City central service departments to the departments that provide services directly to the community. The primary objective is to allocate costs from departments that provide services internally to operating departments that conduct the day-to-day operations necessary to serve the community. These internal service costs are those: (a) incurred for a common or joint purpose benefiting more than one cost objective, and (b) not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. The term "indirect costs," as used herein, applies to costs of this type originating in the central service departments. Typical central service departments include the City Manager and City Controller, whereas, typical operating departments include Fire, Public Works, and enterprise funds.

To ensure central service department costs are appropriately allocated to the operating departments, we analyzed and identified expenditures to determine which costs are allowable versus unallowable in accordance with Office of Management and Budget (OMB)-87 principles. Costs that are typically considered to be unallowable include, but are not limited to: General Advertising, Entertainment, Award Ceremonies, Capital Improvements, Bad Debt, Lobbying, Contingencies, Legislative Body (City Council), Debt Service, Promotional Items.

As such, unallowable costs were excluded from this CAP, including indirect costs associated with City Council (reflected as a negative number under allowable costs).

EXHIBIT B – ASSESSMENT ROLL

The proposed assessment amounts for Fiscal Year 2019/2020 for the Sewer Service Charge are sent under separate cover and hereby referenced to in this Report. Parcel identification, for each lot or parcel within the District shall be the Assessor Parcel Numbers as shown on the Los Angeles County Assessor's map for the year in which this Report is prepared.

The listing of parcels and the amount of assessment to be levied shall be submitted to the County Auditor/Controller and included on the property tax roll for each parcel in Fiscal Year 2019/2020.

If any parcel submitted for assessment is identified by the County Auditor/Controller to be an invalid parcel number or the parcel Land Use changes for the current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment/Charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment/Charge rates approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment. Similarly, if a parcel Land Use changes, the assessment/charge amount applied shall be recalculated and applied according to the approved method of apportionment and assessment rates.

b) The City includes all of the land receiving such benefit.

c) The net amount to be charged upon the lands has been apportioned by a formula and method, which fairly distributes the net amount among chargeable parcels in proportion to the estimated benefit to be received by each parcel from the improvements and services for the Fiscal Year commencing July 1, 2019 and ending June 30, 2020.

d) The proposed charges for Fiscal Year 2019/2020 constitute a continuation of existing charges. That the charges are imposed exclusively to finance the maintenance, operation and servicing expenses for sewer facilities.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN INSTALLATION CONTRACT WITH AND ESTABLISH A PURCHASE ORDER FOR PRIORITY HEATING & AIR CONDITIONING, INC. FOR REPLACING THE ROOFTOP PACKAGED UNITS AT THE NEIGHBORHOOD CENTER LOCATED AT 600 NORTH ALAMEDA STREET ($139,585.84)

SUMMARY

Adoption of this resolution will authorize the City Manager to accept the bid of Priority Heating & Air, Inc., establish a purchase order in the amount of One Hundred Thirty Nine Thousand Five Hundred Eighty Five Dollars and Eighty Four Cents ($139,585.84) and execute an installation contract for the replacement of the existing rooftop package units at the Neighborhood Center building located at 600 North Alameda Street with ten (10) new rooftop packaged units.

BACKGROUND

The City of Compton owns certain real property located at 600 North Alameda Street, Compton, commonly known as the “Neighborhood Center” facility. This property is used as a “shared occupancy” facility, offering indoor and outside space for leasing to outside agencies, organizations, and individuals.

The current HVAC systems located on the rooftop of the Neighborhood Center have been operating at less than optimal working order for some time. This has caused extreme temperature variations providing the occupants with unacceptable cold or hot working conditions, decreasing both staff’s morale and productivity. Currently, the Neighborhood Center is being leased by Shield for Families and Volunteers of America. Both tenants have requested that the City place the buildings HVAC replacement at the top of its facility priority list.

Maintaining or replacing the Neighborhood Center’s aging HVAC system will require a sizable investment by the City. Two primary paradigms exist when addressing this issue: fix-on-fail or planned budgeted replacement. The fix-on-fail scenario can be untimely and unbudgeted, yielding unfavorable outcomes. Most importantly, fix-on-fail creates unscheduled events and unwanted downtime with a loss of comfort for clients and

tenants. Both of these scenarios result in negative consequences and possible lost revenue. Due to the fact that these HVAC units have reached "end-of-life" and are obsolete, the most prudent option available is the replacement of all ten (10) existing packaged units.

STATEMENT OF ISSUE

Staff solicited bids for the subject project. The following bids were received:

CONTRACTOR	BID AMOUNT
Priority Heating & Air Conditioning, Inc.	$139,585.84
City Wide Appliance A/C & Heating Repair	$160,000.00
Los Angeles Air Conditioning, Inc.	$235,215.00

Staff has reviewed the bids and has determined that Priority Heating & Air Conditioning, Inc. was the lowest responsible bidder in the amount of $139,585.84.

Staff believes that the construction work for this project can be completed within approximately thirty (30) business days in a satisfactory manner for the amount proposed. Staff recommends that the City Council approve the proposed resolution and authorize the City Manager to execute a contract with Priority Heating & Air Conditioning, Inc. and issue a purchase order in the amount of $139,585.84.

ALTERNATIVE

None proposed. Both of the current tenants occupy the majority of the property and pay substantial rental amounts. Pursuant to the lease agreement with these tenants the City is responsible for maintaining the HVAC systems in good working order during the tenancies. Thus, failure of the City to repair or replace the HVAC may be considered a breach of the lease.

FISCAL IMPACT

Funds for this expenditure are available in the 2018-2019 Fiscal Year budget in Non Departmental Budget Account No. 1004-610-000-4269.

RECOMMENDATION

It is staff's recommendation that the City Council adopt the attached Resolution.

TO: MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH AND ESTABLISH A PURCHASE ORDER FOR TURBODATA SYSTEMS, INC. FOR THE PROCESSING AND MANAGEMENT OF PARKING AND ADMINISTRATIVE CITATIONS ($200,000)

SUMMARY

Adoption of this resolution will authorize the City Manager to accept the bid of, enter into a three (3) year services agreement; with the option to extend the agreement for two (2) 1-year terms; with TurboData Systems, Inc. for the processing and management of the City's Parking and Administrative Citation Programs and establish a purchase order in the amount of Two Hundred Thousand Dollars ($200,000.00) for services rendered during Fiscal Year 2019-2020.

BACKGROUND

The City of Compton is a 10.2 square mile community within Los Angeles County, California with a diverse population of 96,456 residents. Four major freeways surround Compton; Interstate 710, State Route 91, Interstate 110 and Interstate 105. With the hiring of seven (7) additional Parking Enforcement Officers and four (4) Code Enforcement Officers within the last 6 months, it is anticipated that approximately 49,000 Parking Citations and approximately 500 Administrative Citations will be issued annually.

The City has historically contracted with professional service providers for the parking and administrative citations dispositions, new equipment, software, software licensing fees and revenue collection services for the City. The existing contracts; with the City of Inglewood (parking citations) and DataTicket (administrative citations); are to expire on June 30, 2019.

STATEMENT OF ISSUE

Staff recommends consolidating the parking and administrative citation processing services under a single provider, which should make the processing and management of both Citation Programs more effective, efficient and economical.

Staff released and solicited bids for Parking and Administrative Citation Processing services. The bid opening was held on May 2, 2019, with the following proposals received:

CONTRACTOR	BID AMOUNT
TurboData Systems	12.5%-22% of Gross Revenue
Duncan Solutions	15%-26% of Gross Revenue
DataTicket	15%-23% of Gross Revenue
Complus Data Innovations	12%-25% of Gross Revenue
Passport Enforcement	12%-29% of Gross Revenue
iParq	10-30% of Gross Revenue

Staff reviewed the proposals, which included all the administrative services provided along with costs. The vendors also identified the various percentages of revenue they would retain as their payment for fees collected through routine payments: Franchise Tax Board, Collections, and DMV holds. The level of administrative services provided by each vendor were very similar and the costs associated with these services were minimal compared to the percentages of revenue requested.

Due to numerous variables related to fees for issuance of electronic parking citations, manual citations, administrative citations, fees for conversion of existing data and handheld mobile ticketing device costs it would not be accurate to identify any vendor as the lowest responsible bidder. However, after a careful review of all vendors, staff has determined that TurboData Systems, Inc. would provide the City with the greatest level of service, updated equipment and the best pricing.

FISCAL IMPACT

Funds for the first (1st) year of the agreement will be available in the 2019-2020 Fiscal Year Budget in Account No. 1001--670-000-4269.

RECOMMENDATION

Staff recommends that the City Council approve the attached resolution authorizing the City Manager to execute a 3-year contract, with the option to extend the contract for two (2) one (1) year terms, with TurboData Systems, Inc. and establish a purchase order in the amount not to exceed $200,000 per fiscal year, starting Fiscal Year 2019-2020 through FY 2021-2022.

FROM: WENDELL E. JOHNSON, P.E., PUBLIC WORKS DIRECTOR

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONSTRUCTION CONTRACT WITH AND ESTABLISH PURCHASE ORDERS FOR ALL AMERICAN ASPHALT FOR ROAD REPAIR SERVICES CITYWIDE ($1,121,010)

SUMMARY

Adoption of this resolution will authorize the City Manager to enter into a construction contract with All American Asphalt for road repair services citywide, establish a purchase orders in the amount of One Million Nineteen Thousand One Hundred Dollars ($1,019,100) and authorize a project contingency amount of One Hundred and One Thousand Nine Hundred and Ten Dollars ($101,910).

BACKGROUND

In 2017, the City of Compton ("City") performed an update to the Pavement Management System, which identified approximately 125 miles of Fair to Very Poor condition categories of streets. These findings indicate that proper preventative maintenance is significantly overdue and presents safety and liability concerns to the City.

The Road Repair Service project consist of providing pothole repair services citywide in accordance to the contract specification and other contract documents. Specifically, the project will consist of pavement repairs such as pothole repairs on distressed areas.

The project was advertised in the Compton Bulletin on April 17th, 24th, and May 1st, 2019. Bids were received and opened on May 2, 2019. Six (6) bids were received from the following contractors:

Contractors	Amount
All American Asphalt	$1,019,100
EBS General Engineering	$1,899,200
Hardy & Harper	$8,768,000
Jetpatcher	$ 963,000 (non-responsive)
Palp Inc.	$1,659,400
Sialic	$1,909,800

Based upon the bids received and the review of submitted bid documents, it was determined that All American Asphalt submitted the lowest responsive bid.

Staff is also recommending that Jet Patcher's bid be deemed non-responsive. The City's Request for Bid Proposals required that the Milling method be the mandatory preparation and removal method for this project. However, Jet Patcher's bid is based on the High-Pressure Injection Method, making this bid an alternative or irregular bid and cannot bid considered unless specifically requested.

Accordingly, staff recommends City Council award the construction contract to All American Asphalt in the amount of $1,019,100. Additionally, staff recommends that a ten percent (10%) contingency in the amount of $101,910 for any unforeseen costs be authorized for this project.

STATEMENT OF THE ISSUE

The City reserves the right, after opening bids, to reject any or all bids, or to make award to the lowest responsible bidder and reject all other bids. Therefore, in order to authorize the City Manager to enter into a contract and issue a purchase order for All American Asphalt, City Council's authorization is necessary.

FISCAL IMPACT

Funds for this expenditure in the amount of $1,121,010 ($1,019,100 construction costs plus $101,910 recommended contingency) will be available in the Public Works Department 2019-2020 Fiscal Year budget as follows:

Account No.	Description	Amount
2300-720-000-4269	Other Contract Svc.	$ 550,000
1520-710-0MR-4269	Other Contract Svc.	$ 474,758
1520-710-0MR-4266	Contract Svc.	$ 96,252
	TOTAL	**$1,121,010**

ALTERNATIVE

Council can reject all bids and instruct staff to re-advertise, however, due to the desire of the City to move forward with this project expeditiouslly, no other alternative is being proposed at this time.

RECOMMENDATION

That the City Council adopt the attached Resolution.

WENDELL E. JOHNSON, P.E.
