5:45 P.M. PUBLIC HEARING - PROPOSED FISCAL YEAR 2020-2021 BUDGET (Re-scheduled for June 16, 2020 at 5:45 p.m.)

PUBLIC COMMENTS ON AGENDA ITEMS AND NON-AGENDA MATTERS

City Clerk Alita Godwin commented that members of the public may observe this meeting via Channel 36 or via city website streaming services at www.comptoncity.org, and offer comments at this meeting telephonically by leaving a voicemail at (310) 605-6335, or electronically by emailing your comments to contactcityclerk@comptoncity.org, by 4:00 p.m., the day of the

meeting. If you are an individual with a disability and need a reasonable modification or accommodation pursuant to the Americans with Disabilities Act (“ADA”) please contact the City Clerk’s Office at (310) 605-5530 or email contactcityclerk@comptoncity.org prior to the meeting for assistance.

City Clerk Godwin read the following comments into the record as submitted:

Hilda Parks, “In light of the global protests, I would like to know the following: What is Compton doing to hire minorities in their community? Why are we importing non-blacks to public safety, specifically to the Compton Fire Department? Why is Compton turning their backs on non-whites?”

Robert Ray – “George Floyd, and many others, have had their breath taken away. For the rest of us who are still breathing, we must demand change. Use your breath and let your voices be heard. We need equal justice for everyone.”

Charmaine Hays, Resident in the Great 3rd District – “I am writing in regards to the recent proposed Charter recommendations submitted to the Council by The Council appointed Charter Commission. During last week’s council meeting the Council announced that the City of Compton has an additional deficit of 10 million dollars in addition to the previously announced budget deficit of \$45 Million. Does Compton’s total deficit now exceeds \$55 Million dollars?

Also, during last week’s City Council meeting there was a discussion on the proposed Charter recommendations and the exorbitant cost to place a measure on the ballot. It is inconceivable and highly questionable that any of you would entertain placing any measure on the ballot given our dreadful financial uncertainty. The only necessary changes at this time are those organizational restructuring changes, as well as financial cuts that will result in positive net operating income at the end of the coming fiscal year. I would also, request that the Council review The State Controller’s Audit conducted in 2017. To date, the people of Compton have not received a status update to this audit and its findings and recommendations.

It has been mentioned that staff members may be faced with salary cuts and/or termination. I hope that any financial cuts start with those who are in leadership and management roles, prior to imposing any salary/pay cut on the many employees who perform the work and tasks that the citizens of Compton depend on.

We have elected each of you to lead and protect our interest. For the past nine years, the City of Compton has been on a downward decline. Our streets remain dirty, our neighborhoods are full of code violations, pot holes, faded or no street signs and our overall infrastructure remains deficient. It is time that those who sit on the Dias work towards fully representing the people.”

This report reflects all pooled investments in conformity with the Investment Policy adopted by the City Council Gov Code 53646(b) (3). The monthly investment report must state the ability of the agency to meet its expenditure requirements for the next six months or provide an explanation as to why sufficient cash funds may or may not be available. The investment program and future revenue of the City is uncertain as to sufficient cash to meet six months of estimated expenditures due to the COVID-19 OUTBREAK worldwide; the uncertainty of Cities to collect revenues is due to the Executive Order by the Governor of California, which calls for business closures and for people to stay in their homes until April 19, 2020. As of this report, the Governor extended the date until May 20, 2020. As of May 31, 2020, the 11th month of the Fiscal Year 2019/2020, the City had a total in the General City Bank account plus LAIF account of \$51.4 million. At the time of this reporting period, the City had \$3.4 million in large outstanding warrants payable to vendors. On December 20, 2019 we received our property taxes. On January 2, 2020 the Successor Agency received its property Tax Revenue called ROPS. April 20 of 2020, the City received its portion of Property Tax revenue, \$9.4 million from the Los Angeles County, also on May 20, 2020 the City received another property tax revenue over \$8 million, in both cases some of this revenue goes towards the City PERS account. In addition, the Successor Agency will receive its next property tax revenue called ROPS, on June 2 of 2020. Our PERS balance is \$35.435 million as of the date of this reporting period. I also would like to make aware that this report shows that the City EARNED OVER \$1.9 MILLION in Interest Revenue combined in General and Successor Agency. By June 30, 2020, end of our fiscal year, we may go over \$2 million in this crisis. The Federal Reserve Bank has reduced rates to 0% or near zero due to the order from the President of the US over the COVID-19 Pandemic. However, the FOMC Chairman has issued over 20 directives to help jump start the economy with a lot of liquidity for future adjustments, as economic conditions are expected to get worse. Also, Congress has passed several bills, over 3 trillion dollars to help businesses and people who are unemployed. The City is going to lose out on some sales tax revenue due to small and medium businesses closing because of the Governor's Executive Order to stay at home because of COVID-19. The City's payment to the Sheriff's Department each month is approximately \$1.9 million and the employee's payroll over \$2 million a month, plus other major expenditures. The City Manager and staff is projecting a large budget short fall of over \$5 million. Our City, like other cities, will or has put out layoff notices to employees. We are all headed into uncharted territory as the death rate from the Pandemic rises and activity is restricted due to the stay at home order for all California citizens and businesses.

**RE: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
IN SUPPORT OF ASSEMBLY CONSTITUTIONAL AMENDMENT NO. 5
WHICH PROPOSES AN AMENDMENT TO THE CALIFORNIA
CONSTITUTION BY REPEALING SECTION 31 (PROPOSITION 209) OF
ARTICLE I RELATING TO GOVERNMENT PREFERENCES**

SUMMARY

Council member Emma Sharif has requested that a resolution be brought forth for City Council consideration and approval that will register the City of Compton's support of Assembly Constitutional Amendment No. 5 which proposes an amendment to the California Constitution by repealing Section 31 (Proposition 209) of Article 1 relating to government preferences.

BACKGROUND

The California Constitution, pursuant to provisions enacted by the initiative Proposition 209¹ in 1996, prohibits the state from discriminating against, or granting preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in the operation of public employment, public education, or public contracting. The California Constitution defines the state for these purposes to include the state, any city, county, public university system, community college district, school district, special district, or any other political subdivision or governmental instrumentality of, or within, the state.

Proposition 209, entitled the California Civil Rights Initiative, amended Article I (Section 31 added by Proposition 209) of the California Constitution to prohibit race and gender conscious remedies that were designed to rectify the underutilization of women and people of color in public employment, as well as public contracting and education. Proposition 209 invalidated a series of laws that had been enacted by the California Legislature over the twenty (20) years prior to its passage that required state agencies to eliminate traditional patterns of segregation and exclusion in the workforce, to increase the representation of women and minorities in the state service by identifying jobs for which their employment was underrepresented due to discrimination, and to develop action plans to remedy such underrepresentation without effectuating quota systems.

¹ Proposition 209 was voted into law on November 5, 1996 with 55% of the vote. The provisions of Proposition 209 are codified into Article I, Section 31 of the California Constitution.

STATEMENT OF ISSUE

As a result of the passage of Proposition 209, women and people of color continue to face discrimination and disparity in opportunities to participate in numerous forms of association and work that are crucial to the development of talents and capabilities that enable people to contribute meaningfully to, and benefit from, the collective possibilities of a diverse environment. The State of California has provided employment opportunities for people of color and women of all races. However, lingering, and even increasing, disparity still exists, particularly for African Americans, Latino Americans, Native Americans, Asian Americans, Pacific Islanders, and women, and should be rectified.

In the wake of Proposition 209, California saw stark workforce diversity reductions for people of color and women in public contracting and in public education. Studies show that more diverse workforces perform better financially and are significantly more productive and focused. Since the passage of Proposition 209, the state's minority-owned and women-owned business enterprise programs have been decimated. A 2016 study conservatively estimates that the implementation of Proposition 209 cost women and people of color over \$1 million dollars annually in lost contract awards. Most procurement and subcontracting processes remain effectively closed to these groups due to the changes brought on by Proposition 209.

Additionally, Proposition 209 has had a devastating impact on minority equal opportunity and access to California's publicly funded institutions of higher education. While federal law allows schools to use race as a factor when making admissions decisions, California universities are prohibited by Proposition 209 from engaging in targeted outreach and extra efforts to matriculate high-performing minority students. Proposition 209 instigated a dramatic change in admissions policy at the University of California, with underrepresented group enrollment at the Berkeley and Los Angeles campuses immediately falling by more than sixty (60) percent and system-wide underrepresented group enrollment falling by at least twelve (12) percent. Consequently, this reduces the graduation rates of students of color and contributes to the diminution of the "pipeline" of candidates of color for faculty positions.

Assembly Constitutional Amendment No. 5 would repeal the provisions of Proposition 209 relating to government preferences and make a statement of legislative findings in this regard. It is the intent of the Legislature that California remedy discrimination against, and underrepresentation of, certain disadvantaged groups in a manner consistent with the United States Constitution and allow gender, racial, and ethnic diversity to be considered among the factors used in public employment, as well as public contracting and education.

FISCAL IMPACT

There is no anticipated fiscal impact resulting from adoption of this Resolution.

WHEREAS, Proposition 209 invalidated a series of laws that had been enacted by the California Legislature over the twenty (20) years prior to its passage that required state agencies to eliminate traditional patterns of segregation and exclusion in the workforce, to increase the representation of women and minorities in the state service by identifying jobs for which their employment was underrepresented due to discrimination, and to develop action plans to remedy such underrepresentation without effectuating quota systems; and

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM: COMPTON FIRE DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING THE FIRE DEPARTMENT'S 2019-2020 FISCAL YEAR BUDGET TO TRANSFER FUNDS BETWEEN ACCOUNTS AND AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO ONSOLVE, LLC FOR THE CITY'S EMERGENCY TELEPHONE MASS NOTIFICATION SYSTEM (\$27,300)

SUMMARY

Adoption of this resolution will amend the Fire Department's 2019-2020 Fiscal Year budget to transfer Twenty Seven Thousand Three Hundred Dollars (\$27,300.00) between accounts and authorize the issuance of a purchase order to Onsolve, LLC in payment for an Emergency Telephone Mass Notification System for the City.

BACKGROUND

The City of Compton has a responsibility to preserve and protect life, property and continuity of government by notifying its citizens, businesses and other stakeholders about disasters and other emergencies that may occur in or near the City.

On April 10, 2018, pursuant to Resolution No. 24,760, the City entered into a three (3) year Emergency Telephone Notification Services Subscription Agreement with OnSolve, LLC to provide a mass notification system for the City and authorized payment of \$27,300.00 per contract year for a total of \$81,900.00.

The mass notification system (Code RED) provides the latest technology and important features for emergency notification to City residents and stakeholders. The CodeRED system also includes the capability for each City Department to contact their respective employees for welfare checks or to call them back into work. CodeRED also has a telephone app for both iPhone and Android, making notifications even more accessible to residents, stakeholders, and City employees.

Additionally, the subscription contract with OnSolve, LLC allows the City to apply to the Federal Emergency Management Agency (FEMA) Integrated Public Alert & Warning System (IPAWS) program, which enables access to the Emergency Alert System (EAS), Wireless Emergency Alerts (WEA), the National Oceanic and Atmospheric Administration (NOAA) Weather Radio, and other public alerting systems.

STATEMENT OF ISSUE

The Fire Department (“Department”) has received an invoice from OnSolve, LLC for services to be rendered May 15, 2020 through May 14, 2021 in the agreed annual amount of \$27,300.00.

Due to exhaustion of the Department’s yearly allocated funds in the other professional services, a budget amendment is needed in order to pay the invoice.

FISCAL IMPACT

The Department’s 2019-2020 Fiscal Year budget will need to be amended to transfer funds between accounts as follows:

<u>From:</u>	<u>Description</u>	<u>Amount</u>
1001-670-000-4269	Other Contract Services	\$27,300.00
<u>To:</u>	<u>Description</u>	<u>Amount</u>

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON RESCINDING RESOLUTION NO. 25,278 AND DECLARING A LOCAL EMERGENCY AND AUTHORIZING TEMPORARY PROCEDURES TO LIMIT THE SPREAD OF THE GLOBAL NOVEL CORONAVIRUS (COVID-19) PANDEMIC

SUMMARY

If approved by City Council, this resolution will rescind Resolution No. 25,278, adopted by the City Council on June 2, 2020, allowing the City Manager to waive unpaid street sweeping citations if received between the period of 6/2/2020 – 6/22/2020, and resume full enforcement of parking restrictions effective 6/23/2020, and declare a local emergency authorizing temporary procedures to limit the spread of the Global Coronavirus (Covid-19) Pandemic.

BACKGROUND

The Coronavirus disease 2019 (COVID-19) is an infectious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The disease was first identified in 2019 in Wuhan, China and has since spread globally, resulting in the 2019-2020 coronavirus pandemic. Common symptoms include fever, cough and shortness of breath.

There are now over 90,000 cases of Covid-19 in California, with just under half within the borders of Los Angeles County.

On March 4, 2020, California Governor Gavin Newsom declared a coronavirus state of emergency and on March 13, 2020, Governor Newsom signed an executive order stating the following:

Waiving the one-week waiting period for people who are unemployed and/or disabled as a result of COVID-19; Delaying the deadline for state tax filing by 60 days for individuals and businesses unable to file on time based on compliance with public health requirements related to COVID-19 filings; Directing residents to follow public health directives and guidance, including to cancel large non-essential gatherings that do not meet state criteria; Allowing the state to commandeer property for temporary residences and medical facilities for quarantining, isolating or treating individuals; Allowing local or state legislative bodies to hold meetings via teleconference and to make meetings accessible

electronically; and Allowing local and state emergency administrators to act quickly to protect public health.

On March 16, 2020, Governor Gaven Newsom signed an executive order halting foreclosures and evictions in the state while also directing the state utility commission to monitor efforts by companies to prevent utility shutoffs.

On March 16, 2020, the County of Los Angeles Department of Public Health Order of the Health Officer issued a directive effective March 16, 2020 – March 31, 2020 for the following:

1. All public and private group events and mass gatherings of 50 or more people are prohibited anywhere in Los Angeles County Public Health Jurisdiction.
2. All public and private events and gatherings attended by 10-49 members of the public, the owner of the venue holding the event or gathering shall:
 - a. Enforce social distancing by at least six (6) feet.
 - b. Provide access to hand washing facilities with soap and water or with hand sanitizer that contains at least 60 percent alcohol.
 - c. Post a sign in a conspicuous place at all public entries to the venue that instructs members of the public to not attend if they are experiencing symptoms of respiratory illness, including fever or cough.
 - d. Adhere to communicable disease control recommendations.
3. All permanent food facilities may only prepare and offer food that is provided to customers via delivery service, via pick-up for takeout dining, and via drive-thru.

The above-noted County Public Health Order directive was extended indefinitely, particularly for Los Angeles County. As a result, City Council approved Resolution No. 25, 226 on March 17, 2020 declaring a local emergency as a result of COVID-19.

On May 8, 2020, the Governor authorized Phase 2 of the reopening of California cities, which relaxed some restrictions, allowed some non-essential businesses to reopen and relieved in part some of the stricter stay at home orders for California Cities.

Subsequently, City Council approved Resolution No. 25,278 on June 2, 2020, which allowed the City Manager to issue directives and establish programs that adhered to the Governor's Orders and Los Angeles County Department of Public Health guidelines and allowed Parking Enforcement Officers to resume regulatory street sweeping enforcement.

STATEMENT OF ISSUE

In an effort to comply and support the State and County guidelines/directives, staff is recommending that the City Council take the following actions:

1. Implement Teleconference attendance by legislative body members at public meetings

2. Restrict any Public Meetings to 10 persons
3. Reduce City Hall Occupancy limit
4. Close City Park Facilities
5. Cancel all City and private events at City facilities
6. Suspend Water service disconnections
7. Suspend all eviction activity by the Local Housing Authority
8. Reduce the number of riders on the Dollar-A-Ride service to a maximum of three (3) people
9. Identify a public space for Covid-19 examinations
10. Authorize temporary Employee Work Restrictions
11. Authorize temporary Waiver of “Doctor’s Note” Personnel Rule
12. Adopt Emergency Standby Council resolution

Staff has determined a need to rescind the Local Emergency Resolution No. 25,278, and while most of the provisions of Resolution No. 25,278 are restated within this Resolution, it is proposed that the City:

1. Resume enforcement of parking violations effective June 23, 2020 which will have given residents two-week’s notice
2. Waiving of unpaid Citations received between 6/8/2020 – 6/21/2020 as a result of street sweeping parking violations
3. Relax certain restrictions, compliant with State and County guidelines for Phase 2 of reopening.

FINANCIAL IMPACT

With regulatory street sweeping parking enforcement resuming effective June 22, 2020, the City anticipates an increase in ticketing revenue. Code Enforcement efforts will provide revenue relief as well as the enforcement of health and safety guidelines.

RECOMMENDATION

Staff recommends that the City Council adopt the attached Resolution.

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: GENERAL SERVICES DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO ELITE ELEVATOR SERVICES FOR PAYMENT OF A CHANGE ORDER FOR THE REPAIRS TO ELEVATOR #1 IN CITY HALL (\$14,200)

SUMMARY

Adoption of this resolution will authorize the City Manager to approve and authorize a purchase order in the amount of Fourteen Thousand Two Hundred Dollars (\$14,200.00) to Elite Elevator Services for a change order incurred during repair services to Elevator #1 in City Hall.

BACKGROUND

The City of Compton owns certain real property located at 205 South Willowbrook Avenue, Compton, commonly known as "Compton City Hall." Compton City Hall has two passenger elevators that serve the three (3) story structure (i.e. 1 level below grade and 2 above grade) that serve both the public and staff. These elevators have been in service since the completion of construction of City Hall in 1976.

Elevator #1 was shut down due to a significant piston jack mechanical failure and the piston jack is one of the most essential components needed for the elevator system to function.

On March 12, 2019, the City Council approved Resolution No. 24,958, that authorized the City Manager to enter into an agreement in the amount of \$56,840.00 with a ten percent (10%) contingency of \$5,684.00 for a total amount of \$62,524.00 for the repair of Elevator #1 in City Hall with Elite Elevator Services ("Elite Elevator").

STATEMENT OF THE ISSUE

During the repair of the elevator, a few unforeseeable issues arose that required additional labor and parts that exceeded the authorized amount of the contract. Elite Elevator found the flooring oversaturated and soil unsuitable to support the installation of the new piston with the proposed PVC casing. In order to remediate the issue, additional drilling to install a 30 foot steel casing was required.

Once that matter was addressed, Elite Elevator discovered additional mechanical issues when the State Inspector came out to certify that the elevator met its operational guidelines. These issues required additional parts and labor to address the mechanical repairs and exceeded the authorized amount of the agreement.

FINANCIAL IMPACT

Elite Elevator's work has brought the elevator back on line and has passed the State's inspection. The additional work has resulted in a balance of \$14,200.00 due in excess of the authorized amount of \$62,524.00 pursuant to Resolution No. 24,958. Funds are available in the amount of Fourteen Thousand Two Hundred Dollars (\$14,200.00) in Account No. 1001-610-000-4238.

ALTERNATIVE

No alternative is proposed as the City is obligated to pay the balance for the completion of the project.

RECOMMENDATION

It is staff's recommendation that the City Council adopt the proposed Resolution.

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: COMPTON MUNICIPAL WATER DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON RESCINDING RESOLUTION NO. 25,151, RATIFYING THE MASTER SOFTWARE LICENSE AND THREE (3) YEAR SUPPORT AGREEMENT WITH SEDARU, INC. FOR SUPPLYING ASSET AND OPERATIONAL MANAGEMENT SOFTWARE AND SUPPORT SERVICES AND RE-ESTABLISHING A PURCHASE ORDER (\$130,000)

SUMMARY

Adoption of this resolution rescinds Resolution No. 25,151, ratifies the three (3) year Master Software License and Support Agreement with Sedaru, Inc. ("Sedaru") for supplying asset and operational management software and support services to the Compton Municipal Water Department and authorize the re-establishment of a purchase order to Sedaru in the amount of Seventy Six Thousand Dollars (\$76,000.00) for services rendered during the first (1st) year of the agreement. The total cost of this service agreement over the three (3) year period will be One Hundred Thirty Thousand Dollars (\$130,000.00).

BACKGROUND

The Compton Municipal Water Department ("Department") is an Urban Retail Water Supplier providing water services to approximately 80% of the incorporated City limits. The water system consists of approximately 156 miles of water mains, 1,000 fire hydrants, 1,700 valves, 8 water wells, 2 water storage tank locations with 5 storage tanks total and 1 booster pump stations.

The Department has identified a need to engage the services of an experienced, professional firm for provision of Geographic Information Systems ("GIS") based Operational and Asset Management software services for creating work orders, tracking maintenance, performing operational analysis and data tracking, in addition to software maintenance and support.

A Request for Proposals was advertised on July 17, 2019 and proposals were solicited from firms experienced in this type of engagement. On August 8, 2019 proposals were received from three (3) consulting firms.

Proposals were independently evaluated and scored on six (6) criteria:

- Proposed Scope of Work and Project approach.
- Plan for managing the work rate, project management methods.
- Project experience and staff qualifications.
- Proposed schedule.
- Overall quality of proposal.
- Cost proposal.

The ranking scores are as follows:

▪ SEDARU, Inc.	26.25
▪ Smart Energy Water	21.75
▪ Vertech	15.85

Sedaru, Inc. builds and maintains GIS-based systems for water, wastewater and public works utilities nationally, specifically building and deploying Ersi-based Geographic Information Systems, applying GIS for maintenance management and field mobility, and delivering decision support systems, including hydraulic modeling.

STATEMENT OF ISSUE

On November 5, 2019, the City Council adopted Resolution No. 25,151, which authorized the City Manager to enter into an agreement for the implementation of a Geographic Information Systems-based Asset and Operational software system, including three (3) years maintenance and support services; with the option to extend the agreement for two (2) – one (1) year terms; with Sedaru, Inc. Resolution No. 25,151 further authorized the establishment of a purchase order for Sedaru, Inc. in the amount of \$76,000.00 for the first year of services rendered and \$27,000.00 (for maintenance and support) for each contract year thereafter, to be allocated in future City budgets.

Subsequent to execution of the authorized agreement it was determined that the incorrect budget line account number authorized in Resolution No. 25,151 was incorrect. Thus, Resolution No. 25,151 needs to be rescinded and a new resolution is necessary with the revised account number. Furthermore, the executed agreement between the City and Sedaru should be ratified by the Council.

ALTERNATIVE

None suggested. Sedaru, Inc. entered into the agreement with the City based on the good faith belief that proper authorization was obtained and funding appropriately allocated.

FINANCIAL IMPACT

The cost to implement the GIS-based Asset and Operational Management software is a one-time fee of Forty Nine Thousand Dollars (\$49,000.00). The cost for each year of the three (3) year maintenance and support services is Twenty Seven Thousand Dollars (\$27,000.00) per contract year. Funding in the amount of \$76,000.00 for software implementation and maintenance services rendered during the first (1st) year of the contract are available in Account No. 5000-890-000-4222 (Computer Software). Funding in the amount of \$27,000.00 for each remaining years of the maintenance and support services will be appropriated in future City budgets.

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING THE 2019-2020 FISCAL YEAR BUDGET TO TRANSFER FUNDS, RESCIND RESOLUTION NO. 25,057, AUTHORIZE THE CITY MANAGER TO ENTER INTO A THREE (3) YEAR CONTRACT WITH CONVERGINT TECHNOLOGIES, LLC FOR THE UPGRADE AND ONGOING MAINTENANCE OF THE CITY-WIDE CAMERA SURVEILLANCE SYSTEM (\$367,088.00)

SUMMARY

Adoption of this resolution will amend the 2019-2020 Fiscal Year budget to transfer One Hundred Forty Seven Thousand and Eighty Eight Dollars (\$147,088.00) between the Supplemental Law Enforcement Fund and One Hundred Thousand Dollars(\$100,000.00) between the Measure P Fund, rescind Resolution No. 25,057 and authorize the City Manager to enter into a three (3) year contract with Converjint Technologies LLC for the upgrading and repair of the City's camera surveillance equipment located throughout the City of Compton, authorize a preventative maintenance program and as-needed repairs to the City-wide Camera Surveillance System infrastructure.

BACKGROUND

In 2007, in an effort to enhance security for its employees and the general public, the City initiated a city-wide Camera Surveillance and Automated License Plate Recognition System. The city-wide surveillance system was deployed in several phases with the initial phase occurring in 2007. While the system has been upgraded over time, some of the legacy networking equipment from 2007 remains in use, as well as the initial Automated License Plate Recognition ("ALPR") deployed at Gateway Town Center, with six (6) original PIPS Technology Detection Innovation ALPR cameras still in use.

In 2011, the City expanded the surveillance system to include thirteen (13) City parks. In addition, the initial 2007 Gateway Town Center installation was upgraded and expanded to match the growth of the center's development. The City expanded the system significantly to cover multiple street intersections, as identified by the Los Angeles County Sheriff's Department, and also expanded the ALPR component of the system in 2014. As part of the 2014 expansion the Martin Luther King Transit Center cameras and the Traffic Management Operations Center ("TMOC") were integrated into the system.

The City's Surveillance System has not been properly maintained and requires repairs and other attention to restore it to full functionality. Currently, several of the City's cameras are not functioning efficiently, which limits the safety and security of the City's employees and citizens.

STATEMENT OF ISSUE

On June 25, 2019, the City Council adopted Resolution 25,057, which authorized the execution of an agreement of \$250,000.00 with Convergent Technologies, LLC (Convergent) to be funded out of the City's Measure P Fund (1004-610-000-4269). Staff was unable to encumber the funds before the end of last fiscal year resulting in the loss of funding for the project therefore Resolution No. 25,057 is requested to be rescinded.

Currently, staff solicited proposals from qualified companies for: a) upgrading existing technical equipment on the Compton Courthouse roof; b) upgrading aggregation switches installed in 2007, which have not been supported since 2014; c) replacing the wireless link for the Gateway Towne Center to increase bandwidth with other associated wireless radios; and d) provide ongoing maintenance and servicing of the surveillance system for a proposed three (3) years. Only one (1) company presented a proposal – Convergent Technologies, LLC.

Staff reviewed the proposal presented by Convergent Technologies, LLC (Convergent) and found it responsive to the needs of the City as it concerns this project at a reasonable cost. However, as previously mentioned, the funds were not encumbered last fiscal year so a new funding source is required as well as Council authorization.

Resolution No. 25,057 utilized Measure P funding, however, in addition to Measure P, this project can utilize the Supplemental Law Enforcement Fund. This fund is dedicated to support law enforcement activities and the city-wide cameras are primarily utilized by Compton's Sheriff's Department to aid in patrolling the City. Additional funding is also being requested as the amount of the contract increased due to a prevailing wage adjustments, additional damaged poles, and camera repairs.

This resolution authorizes a three-year preventative maintenance agreement and provides for the upgrade of the Compton Courthouse roof system and the repair of damaged poles and cameras. The first year of the contract will include the cost of the maintenance agreement at \$35,580.00, the courthouse roofing upgrade at \$87,000, and “on-call time and material” service repairs at an amount not to exceed \$124,508 for a Year One total of \$247,088.00. The funding value of the maintenance agreement for Year Two will be \$36,648.00 plus an additional amount not to exceed \$23,352.00 for “on-call time and material” service repairs for a Year Two amount not to exceed \$60,000.00. 3	\$37,748.00	\$22,252.00		\$ 60,000.00
	TOTAL			\$367,088.00

ALTERNATIVE

None proposed at this time due to the dire need to move forward with this project. Without upgrades, repairs and maintenance support, the City’s Camera Surveillance System equipment will eventually fail without available spare parts or support. The amount of downtime from these devices failing would be considered catastrophic.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
APPROVING BUDGET AMENDMENT TO THE 2019-2020 FISCAL YEAR
BUDGET AND TRANSFERRING FUNDS BETWEEN VARIOUS
ACCOUNTS**

SUMMARY

Adoption of this resolution will authorize amendments to the Fiscal Year 2019-2020 Adopted Budget which was approved by the City Council on June 25, 2019.

The City Attorney is recommending transferring funds from Liability Payments to Legal Services in order to cover the costs of the City's legal fees incurred during this fiscal year. This transaction is "cost neutral" (i.e., it does not increase or decrease net budget appropriations).

BACKGROUND

The annual budget is a planning document used to fund policies and programs as directed by Council, and is based on assumptions and projections.

STATEMENT OF THE ISSUE

The proposed budget amendment is cost neutral and does not affect the total revenue and expenditure balances projected for the Fiscal Year 2019-2020 Budget.

The proposed change focuses on transferring funds from Liability Payments to Legal Services in order to create additional funding to pay for legal services incurred by the City during this fiscal year. The following is the proposed change:

Increase Budget Accounts:

• 1001-420-000-4261	<u>Legal Services</u>	<u>\$ 100,000.00</u>
	Total	\$ 100,000.00

Decrease Budget Accounts:

• 6400-420-000-4295	<u>Liability Payment</u>	<u>\$ 100,000.00</u>
	Total	\$ 100,000.00

All budget amendment changes take effect on the adoption date of this resolution.

FISCAL IMPACT

As outlined in this staff report, the City of Compton has a balanced budget and the recommendation is cost neutral and does not have a negative impact on the City's balanced budget.

RECOMMENDATION

Staff recommends that the City Council adopt the attached Resolution authorizing the City Manager to make the amendment to the FY 2019-2020 Budget.

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: CITY ATTORNEY

RE: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO EXECUTE AN INSURANCE BINDER WITH ALLIANT INSURANCE SERVICES FOR RENEWAL OF THE CITY'S INSURANCE POLICY PORTFOLIO FOR FISCAL YEAR 2020-2021 AND AUTHORIZE AN ACTUARIAL STUDY (\$1,864,297.91)

SUMMARY

The City Council will consider adopting a resolution authorizing the City Manager to execute an insurance binder with the City's insurance broker, Alliant Insurance Services ("Alliant") for renewal of the following policies of insurance for Fiscal Year 2020-2021: Crime, Directors and Officers/Employment Liability, Property, Difference In Conditions, Excess Workers' Compensation, Athletics, Excess General Liability, Auto Physical Damage, Dial-A-Ride Auto and the Special Events policy renewal for December 5, 2020 through December 4, 2021. Additionally, the Council will also consider authorizing Eight Thousand Dollars (\$8,000.00) for conducting an actuarial study.

Staff is recommending that the Council authorize the issuance of a purchase order to Alliant and/or First Insurance Funding Corporation ("First Insurance") in the amount of One Million Eight Hundred Sixty-Four Thousand Two Hundred Ninety-Seven Dollars and Ninety-One Cents (\$1,864,297.91) for financing of the costs of the premium for all lines of insurance indicated above, including an estimated Three Thousand Dollars (\$3,000.00) premium for the Special Events policy renewal due in December 2020, and adding additional coverage for cyber security, deadly weapons response and pollution liability. It is further recommended that the City Manager be authorized, if fiscally practical, to accelerate the payments to avoid finance charges.

BACKGROUND

The City of Compton is currently insured for the policies listed above (excluding the Special Events GL policy, Cybersecurity increases, deadly weapon response program and pollution liability) through June 30, 2020. The Crime policy insures the City against crimes of theft or fraud that could be perpetrated by employees, while Directors and Officers/Employment Liability insurance protects management and elected officials against judgments and in the defense of lawsuits that may be filed against the City for claims such as discrimination.

The City maintains Excess General Liability insurance to offset payment of any liability claim filed against the City in excess of the City's self-insured retention level of \$1,000,000.00. Property insurance is necessary to insure coverage to the City's property against damages that may occur such as fire or business interruption, and Difference in Conditions insurance covers damage to the City's property in the event of earthquake or flood. Excess Workers' Compensation Insurance covers the City in the event a workers' compensation claim exceeds the City's self-insured retention level of \$1,000,000.00, while Athletics Liability covers parks and recreation athletic events. However, over-night camping events, pyrotechnics (fireworks), and events that include animal rides and skateboarding events are excluded from the Athletics Liability policy due to the inherent risks. Additionally, entertainment events which include celebrities are also excluded; however, some of these excluded events could be covered under the Special Events policy which is up for renewal this December.

The City's Dial-A-Ride vehicles are insured through the Auto Physical Damage policy, although coverage for the Dial-A-Ride vehicles is limited to within 100 miles from the City Hall parking lot. Commercial Auto Physical Damage insurance covers losses to all scheduled vehicles in the City's fleet.

The City also has options for additional coverage. The Deadly Weapon Response Program insures against incidents involving active shooters (such that we saw with San Bernardino County employees in 2015). The Excess Cyber option shores up our current cybersecurity coverage to guard against the increased expenses associated with damage to City infrastructure. The pollution liability coverage is added onto the City's existing property insurance coverage and would protect the City against liability for sewage leaks and the release into the environment of dangerous materials.

STATEMENT OF ISSUE

It is routine for municipalities to maintain the types of insurance coverage described above to protect all municipal interests. The City's insurance policies will expire on June 30, 2020; thus, it is vital to renew these policies in order to continue the protections afforded thereby. Consolidating policies in this way tends to guarantee that major coverage, such as excess general liability, property, earthquake, flood and excess workers' compensation are managed without the worry or hazards of lapses in coverage periods.

The insurance industry constantly reviews individual as well as national client loss statistics and compares them against and with other factors to determine rates. Negative factors affecting the City's insurance portfolio over the last few years

include, but are not limited to the increase in employment liability claims, training issues, staff accountability issues and personnel turnover. Positive factors affecting the City's insurance portfolio include increased efficient claims reporting, effective risk analysis and coverage choices, positive claims experience in our policies such as Dial-A-Ride Auto, Difference in Conditions, and Excess Workers' Compensation.

Business practices, including staff accountability issues, are the types of conditions that tend to increase claims loss experience and drive premium costs upward. Increased accountability including oversight and training assists in lowering claims which could equate to lower premiums.

The City would also benefit greatly from an actuarial study to determine the "Incurred But Not Reported" ("IBNR") on the general liability and workers' compensation claims. With a more clear analysis of the amount projected to pay claims, the City will have a better picture of insurance budgeting needs for the future. Also, insurance companies like to know IBNR when pricing liability and workers' compensation excess insurance, and the City's IBNR liability may be at a level that assists the City in securing more favorable terms. Therefore, it is requested that an additional \$8,000.00 be authorized for an actuarial study.

FINANCIAL IMPACT

The total insurance premium for the policies of insurance specified above for Fiscal Year 2020-2021 (i.e. July 1, 2020 through June 30, 2021), is **\$1,815,900.40 plus \$45,397.51 funding finance charges, plus an estimated \$3,000.00 for the Special Events policy, for a total of \$1,864,297.91**. It is also requested that the additional \$8,000.00 be authorized for an actuarial study. The Dollarhide Special Events GL policy is due to renew in December 2020, and will not be included in the Finance Agreement payment plan.

Funds for the renewal of these insurance policies will be available in the 2020-2021 Fiscal Year budget of the City Attorney's Office as follows:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
6400 420 000 4268	Insurance Liability	\$1,500,577.91
6300 420 000 4268	Workers' Compensation	\$ 287,720.00
2000 420 000 4268	Prop A	\$ 76,000.00
	Total	\$1,864,297.91

Funding for the actuarial study in the amount of \$8,000.00 will be available in the City Attorney's Office Fiscal Year budget of 2020-2021 Account No. 6400 420 000 4269.

It is recommended that the City Council adopt the attached Resolution.

WHEREAS, except for the Dollarhide Special Events policy, the City's current policies expire June 30, 2020; thus, it is vital that these policies are bound prior to July 1, 2020 to avoid interruptions in coverage for Fiscal Year 2020-2021; and

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: COMPTON MUNICIPAL WATER DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON RECEIVING A REPORT IN CONNECTION WITH CHARGES FOR SOLID WASTE AND RECYCLABLE MATERIALS HANDLING SERVICES AND DELINQUENCIES PROPOSED TO BE COLLECTED ON THE LOS ANGELES COUNTY PROPERTY TAX ROLL FOR FISCAL YEAR 2020-2021, AND SETTING A PUBLIC HEARING THEREON FOR JULY 14, 2020 AT 5:45 PM.

SUMMARY

Staff respectfully requests the City Council to adopt the attached Resolution receiving a report in connection with the charges for solid waste and recyclable materials handling services and delinquencies proposed to be collected on the Los Angeles County Property Tax Roll for Fiscal Year 2020-21, and setting a public hearing on the report for July 14, 202 at 5:45 p.m.

BACKGROUND

The City Council is authorized pursuant to Chapter XXI of the Compton Municipal Code and Article 4 of Chapter 6 of Part 3 of Division 5 of the California Health and Safety Code, commencing with Section 5470 (“HSC Code”) to levy annual charges for solid waste and recyclable materials handling services (“Charges”) and to have such Charges, whether or not delinquent, collected on the County of Los Angeles Property Tax Roll (“Tax Roll”), the water bill for the premises, or by separate bill of the City or the City’s franchise hauler, Republic Services, Inc. (“Republic”).

STATEMENT OF ISSUE

The City bills and collects Charges for single-family residential customers and multi-family customers without bin service, and collects the Charges for certain of these premises on the Tax Roll. Charges collected on the Tax Roll shall be collected in the same manner, by the same persons, and at the same time as, together with and not separately from, the general taxes of the City.

Pursuant to the City’s Amended and Restated Agreement with Republic, Republic bills and collects Charges for all other customers. For charges billed by Republic, the Charge will be considered delinquent if payment is not received by Republic on or before 30 days after billing, and upon Charges becoming delinquent, Republic shall notify the customer that the invoice is overdue and that nonpayment will result in further collection action. Republic may turn over delinquent accounts to the City for collection on the Tax Roll. Republic has submitted a list of

accounts that are delinquent at least 90 days, as of May 15, 2020, to the City for collection on the Fiscal Year 2020-21 Tax Roll, and staff has reviewed such list.

The collection of Charges and delinquencies on the Tax Roll requires the preparation of a report and the holding of a public hearing. Staff has caused a written report to be prepared and filed with the City Clerk in accordance with HSC Section 5473 (“Report”) and the Report is on file in the office of the City Clerk and in the Water Department. The Report contains (i) a description of each single-family residential parcel within the City to which the Charge is applicable and for which the City intends to collect the Charge on the Tax Roll for Fiscal Year 2020-21, including the amount of the Charge for each parcel for Fiscal Year 2020-21, and (ii) a description of each parcel within the City for which Republic billed the Charge which is now delinquent and which Republic has requested the City to collect on the Tax Roll for Fiscal Year 2020-21, including the delinquent amount.

Pursuant to the attached Resolution, the City Council receives the Report, sets a public hearing on the Report for July 14, 2020 at 5:45pm, and directs that notice of the public hearing be provided in accordance with law.

FISCAL IMPACT

The cost for the County Assessor to collect Direct Assessments is estimated at \$1,198.50.

Funds for this expenditure are available in Account 5100-8500-000-4249 (Special Department Expense).

RECOMMENDATION

That the City Council adopt the attached Resolution.

TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ACCEPT THE CONSTRUCTION OF THE CITYWIDE ROAD REPAIR SERVICES PROJECT AS COMPLETE, DIRECT STAFF TO FILE THE NOTICE OF COMPLETION WITH THE LOS ANGELES COUNTY RECORDER'S OFFICE AND AUTHORIZE THE RELEASE OF THE CONTRACTOR'S RETENTION (\$123,737.48)

SUMMARY

This Resolution authorizes the City Manager to accept the construction of the Citywide Road Repair Services project as complete, direct staff to file the Notice of Completion with the Los Angeles County Recorder's Office and authorize the release of the contractor's retention in the amount of \$123,737.48.

BACKGROUND

The City's Road Repair Services project consisted of pavement improvements; such as, pothole repair, grind and overlay; on various City streets that had distress pavement areas.

On December 3, 2020, pursuant to Resolution No. 25,166, the City Council awarded the Road Repair Services construction contract to All American Asphalt in the amount of \$2,249,880 and a ten percent (10%) contingency in the amount of \$224,988 for a total contract cost of 2,474,868.

All American Asphalt submitted their bid to provide 30,000 square yards of pothole preparation, 8,000 tons of asphalt installation, and the adjustment of 12 manholes. The project has been completed with a final installation of 45,253.21 square yards (sy) of pothole preparation and 5,089.29 tons (tn) of asphalt installation and other associated work as follows:

<u>Item Description</u>	<u>Quantity</u>	<u>Unit</u>	<u>Unit Price</u>	<u>Total</u>
Pothole Preparation	45,253.21	SY	\$31.46	\$ 1,423,665.99
Asphalt Installation	5,089.29	TN	\$161.31	\$ 820,953.37
Adjust Sewer Manholes	4.00	EA	\$1,300	\$ 5,200.00
Slurry				\$ 29,566.24
Grind & Pave on 132 nd St.				\$ 195,364.00
Total Cost				\$ 2,474,749.60

The project has been completed with a final construction cost of \$2,474,749.60, which is \$118.40 below the contract amount authorized by City Council. All construction items were completed per the contract documents.

STATEMENT OF THE ISSUE

The project was conducted in accordance with California Public Contract Law, and a retention amount equivalent to five percent (5%) of each payment due was withheld from progress payments to ensure satisfactory completion.

City staff is requesting Council authorization to accept the project as completed, direct staff to file the Notice of Completion with the Los Angeles County Recorder's Office for the Road Repair Services project and authorize the release of the contractor's withheld retention in the amount of \$123,737.48.

FISCAL IMPACT

There is no financial impact associated with release of the retention. Funds in the amount of five percent (5%) were withheld from each progress payment throughout the contract period.

ALTERNATIVE

The contractor has completed all work to the satisfaction of the construction specifications. Therefore, no other alternative is being proposed.

RECOMMENDATION

Staff recommends that the City Council accept the completion of the Road Repair Services project, and authorize the release of the contractor's retention.

CITY CLERK OF THE CITY OF COMPTON

June 23, 2020

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: GENERAL SERVICES DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING THE 2019-2020 FISCAL YEAR BUDGET TO TRANSFER FUNDS, AUTHORIZE THE CITY MANAGER TO ENTER INTO A CONSTRUCTION CONTRACT WITH AND ISSUE A PURCHASE ORDER TO JOHNSON'S ROOFING SERVICE FOR RE-ROOFING OF CITY-OWNED PROPERTY LOCATED AT 1108 NORTH OLEANDER (\$112,283)

SUMMARY

Adoption of the attached resolution will amend the 2019-2020 Fiscal Year Budget to transfer One Hundred Twelve Thousand Two Hundred and Eighty-Three Dollars (\$112,283.00) between accounts, authorize the City Manager to accept the bid of Johnson's Roofing Service, enter into a construction contract and establish a purchase order for the sectional re-roofing of the City-owned single-story structure located at 1108 North Oleander.

The requested purchase order will total One Hundred Twelve Thousand Two Hundred Eighty Three Dollars (\$112,283.00) with a base amount of One Hundred Two Thousand Seventy Five Dollars (\$102,075.00) and includes a ten percent (10%) contingency in the amount of Ten Thousand Two Hundred Eight Dollars (\$10,208.00).

BACKGROUND

The City of Compton owns certain real property located at 1108 North Oleander Avenue, currently occupied by tenancy authorized by the City Council for Compton Youth Build, Crystal Stairs, and LA County Health Services.

The building's aging roof has shown significant signs of failure. Facility Maintenance Workers are being called upon to perform a higher number of repairs to problem areas in the roof each year. However, despite staff's efforts, water continues to leak inside the building.

In February of 2020, staff worked with MB Technology to inspect, evaluate and recommend repairs to the roof. The following deficiencies were noted in the report:

1. Soft Spots – This is an indication that the layer below the roofing membrane is damaged and needs to be replaced.

2. Ponding – This occurs when moisture collects in large pools on the surface of the roof system. Typically, ponding occurs because the drains are blocked or clogged with debris.
3. Old Repairs – Old repairs where mastic has dried out and cracked allowing water intrusion.
4. Perimeter Flashing Deterioration – Caused by extreme expansion/contraction, normal seasonal building movement, and UV degradation can create fail points that allow moisture to gain access to the roof system insulation and the interior of the building.
5. Pitch Pocket Deterioration – Water can enter through a defective pitch pan and penetrate the roof system leading to premature failure.

After reviewing the report and speaking with MB Technology, staff concluded that any temporary repair to the roof may be the quickest, but not the most efficient and cost-effective solution. Therefore, staff worked with MB Technology to prepare a different recommendation. Rather than patching or adding an additional roofing layer, staff recommends a sectional replacement (approximately 100 roofing squares) of roofing materials, as shown in attachment “A”.

STATEMENT OF ISSUE

Staff advertised and solicited bids from multiple roofing service companies. Three (3) companies responded with the following cost proposals:

<u>CONTRACTOR</u>	<u>BID AMOUNT</u>
Johnson’s Roofing Service	\$102,075.00
Brown Construction and Development	\$144,880.00
All Contractors West	\$326,000.00

Staff has reviewed the bids and determined that Johnson’s Roofing Service was the lowest, most responsive bidder in the amount of \$102,075.00, and recommends that the Council authorize a construction contract with this vendor. Staff is also recommending that a ten percent (10%) contingency amount \$10,208.00 be authorized in case of unforeseen complications bringing the proposed contracted amount to \$112,283.00.

Staff believes that the repair to the roof can be completed within approximately thirty days (30) business days in a satisfactory manner for the amount proposed.

FINANCIAL IMPACT

In order to issue the purchase order, a budget modification will be required. Staff request authorization to allocate One Hundred Twelve Thousand Two Hundred and Eighty-Three

Dollars (\$112,283.00) from the Code Enforcement Budget (1001-670-000-4269) to the Measure P Budget (1004-610-000-4269).

<u>Account:</u>	<u>Description:</u>	<u>Amount:</u>
From:		
1001-670-000-4269	Code Enforcement – Contract Services	\$112,283.00
To:		
1004-610-000-4269	Measure P – Contract Services	\$112,283.00

RECOMMENDATION

Staff recommends that the City Council adopt the attached Resolution.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
ADOPTING THE BUDGET FOR FISCAL YEAR 2020-2021.**

SUMMARY

The Fiscal Year 2020-2021 Operating Budget for the City of Compton is hereby transmitted to the City Council for review, discussion and adoption. The budget was developed utilizing revenue estimates from the City Controller and projected expenditures recommended by the City Manager.

The intent of this budget review is to provide an opportunity for the City Council and citizenry, to provide policy guidance, funding strategies to the City Manager in order for the strategic administration and implementation of City resources.

BACKGROUND

The Compton City Charter, Section 1407, requires that City Manager present an annual Budget for adoption by City Council on or before June 30, 2020. The City Council conducted a Public Hearing on June 16, 2020 and a 2nd public hearing is scheduled on June 23, 2020. The purpose of these public hearings are to receive input from the community and Council regarding the proposed Fiscal Year 2020-21 budget.

In addition to the public hearings, the Council held two (2) Budget Workshops on April 21, 2020 and May 6, 2020, as well as a "Virtual Community Budget Workshop", held on May 26, 2020. As presented, the proposed Fiscal Year 2020-2021 budget is balanced; wherein, revenue and fund balance or retained earnings equals expenditures.

The development of the Fiscal Year 2020-2021 budget has been an unprecedented and extremely challenging and difficult process, due to the global health crisis and economic recession caused by the novel coronavirus ("COVID-19"). The City is facing a historic \$5 to \$6 million-dollar budget deficit due to the COVID-19 pandemic and the future economic resurgence is unknown at this time, which further hinders the ability to project future economic stability and revenue growth. Although, there are signs that certain segments of the regional economy are re-opening in very slow and methodical phases; however, there is no guarantees that the regional, state or local economy will recover from the economic shutdown. Additionally, there are still unknown factors related to future in COVID-19 cases, which may impact the economic resurgence within the regional and local economy.

STATEMENT OF THE ISSUE

The City organizes the Annual Budget by Fund and by City Department. The Citywide Fiscal Year 2020-2021 proposed budget, includes “All combined Funds” and City Departments, totals **\$195,945,302**. Expenditures are offset by Citywide revenues, Special Funds Fund Balance and Enterprise Funds Retained Earnings totaling **\$195,945,302**.

The General Fund Budget equals **\$52,755,705**. Measure P General Fund Resources equal: **\$10,316,000**. All General Fund Resources (*inclusive of Measure P*) equal: **\$63,071,075**. Measure P funds are allocated to certain essential public services for the residents; such as, Law Enforcement (LA County Sheriff), street repairs, and City’s infrastructure improvement projects.

In response to the estimated \$5 to \$6 million-dollar budget deficit, it was imperative that the City Manager’s Office took a definitive and strategic approach to budgeting and restructuring how the organization provides its the core and essential services to the citizenry and businesses community in the City of Compton.

To that extent, the City Manager’s Office has developed and have proposed a creative, strategic, effective and efficient organizational systems model and structure that I believe will provide streamlined, cost-effective, efficient and sustainable services for our community. The proposed Fiscal Year 2020-2021 budget proposes the creation of four (4) new City departments:

- Community Development Department (“CDD”) includes: Grants Division, CareerLink, Local Housing Authority, Building & Safety Division, and Planning Division
- Internal Services Department (“ISD”) includes: Human Resources, Information Technology, Reproduction, and Channel 36
- Street Maintenance Department (“SMD”) includes: Parks Maintenance, Street Maintenance Fleet Maintenance, and Facility Maintenance
- Community Improvement Services Department (“CISD”) includes: Business License, Code Enforcement, Parking Enforcement, and Security

The proposed organizational restructuring, coupled with a significant reduction of expenditures within the City’s various operational and maintenance line items have contributed to an estimated costs savings of \$5-\$6 million dollars within the proposed Fiscal Year 2020-2021 budget.

The projected Citywide expenditure includes all (combined) funds and departments, totaling \$195,945,302. The projected Citywide revenues totaling \$174,301,302 and also by the use of available fund balance and retained earnings totaling \$21,844,873.

Quarterly Budget Review, Reporting & Compliance

Ongoing monitoring of revenue and expenditures will result in Quarterly Budget review and appropriate adjustments. The City Manager and City Controller intend to conduct a “Mid-year” Budget Review and Workshops with the City Council updating revenue estimates and expenditures. These reviews will be intensive opportunities for citizens, stakeholders, department managers and management to confer and update the Mayor and the City Council. They will also allow us to recognize any additional revenue gains or losses due to COVID-19.
