SUBJECT: A RESOLUTION OF THE SUCCESSOR AGENCY TO THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF COMPTON AUTHORIZING THE EXECUTIVE DIRECTOR TO ENTER INTO A CONTRACT WITH EVERFENCE CORPORATION AND ISSUE A PURCHASE ORDER IN THE AMOUNT OF \$28,416.00 FOR FENCING AT 110-114 NORTH BOWEN AVENUE AND 1425 EAST COMPTON BOULEVARD

SUMMARY

Adoption of this resolution will authorize the Executive Director to enter into a contract and open a purchase order in the amount of \$28,416 for fencing at 110-114 N. Bowen Ave. and 1425 E. Compton Blvd.

BACKGROUND

These sites have been the target of illegal dumping and have had several encampment cleanups. The fencing at these Successor Agency owned properties must be replaced with more sturdy fencing to prevent illegal dumping and homelessness encampments from occurring. Authorization to enter into a contract to install fencing is needed.

STATEMENT OF ISSUE

Staff solicited proposals for fencing services for the Successor Agency owned and we received three (3) bidders for the fence and installation.

CONTRACTOR

BID AMOUNT

EverFence Corporation
All Pro Fence Company
J and J Fencing

\$28,416
Non-Responsive
\$33,958

Staff had reached out to the non-responsive bidder by both email and phone on and did not receive a response. Staff also solicited through some websites like Thumb Tack and Angie's List and was not able to reach contractors through those sites.

Staff found that EverFence Corporation is the lowest most responsive bidder based on price.

**Staff Report – Resolution Authorizing Contract
Fence Installation 110-114 N. Bowen Ave. and 1425 E. Compton Blvd.,
March 15, 2022, page 2**

ALTERNATIVE

There is no alternative proposed.

FISCAL IMPACT

Currently, thousands of dollars are spent annually on illegal dumping clean up and removal. More sturdy fencing at this site will be an additional layer of protection against illegal dumping and should deter many would be illegal dumpers that easily dump at this site. Savings will occur with less illegal dumping to clear and haul away.

Funds for this expenditure are available in the 2021-22 Fiscal Year budget of the Successor Agency in Account No. 1201-910-000-4269 in the amount of \$28,416.

RECOMMENDATION

It is staff's recommendation that the Board adopt the attached Resolution.

to commence work on any subcontract until such subcontractor(s) has secured all insurance required under this Section 6.

As a condition precedent to the effectiveness of this Contract for work to be performed hereunder and without limiting the Contractor's indemnification of the Successor Agency, Contractor will maintain the types of coverage's and minimum limits indicated below, unless the Successor Agency Executive Director, in consultation with the Successor Agency General Counsel approves a lower amount. These minimum amounts of coverage will not constitute any limitations or cap on Contractor's indemnification obligations under this Contract. Successor Agency, its officers, agents, volunteers and employees make no representation that the limits of the insurance specified to be carried by Contractor pursuant to this Contract are adequate to protect Contractor. The coverage will contain no special limitations on the scope of its protection to the below-designated insureds except for Workers Compensation insurance. ***Failure on the part of the Contractor to procure or maintain insurance shall constitute a material breach upon which the Successor Agency may immediately terminate this Contract.*** Contractor agrees to suspend and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been furnished to the Successor Agency.

.c The assigned project Site(s) and all property located at the Site(s), whether or not said property or structures are part of the project or involved in the work.

7.3 Contractor shall designate an individual at the Site(s) of the assigned project in the employ of Contractor who shall act as Contractor's designated safety representative with a duty to prevent accidents.

7.4 Losses not insured under property insurance which may arise from the performance of the work, to the extent of the negligence attributed to such acts or omissions of Contractor or anyone for whose acts Contractor may be liable, shall be promptly remedied by Contractor at Contractor's cost and without reimbursement by Successor Agency as a cost of work, or in any other manner.

7.5 If Successor Agency deems any part of the work or Site unsafe, Successor Agency may require Contractor, without assuming responsibility for Contractor's safety program, to immediately stop performance of the work or take corrective measures. Neither Successor Agency's order nor Contractor's action in response thereto shall be the basis for adjustment in the contract price or contract time.

8. Successors and Assigns. Successor Agency and the Contractor each binds themselves, their partners, successors, assigns and legal representatives to the other Party hereto and to partners, successors, assigns and legal representatives of such other Party in respect to all covenants, contracts and obligations contained in the Contract. Neither Party to the Contract shall assign the Contract or sublet it in whole or part without the written consent of the other, nor shall the Contractor assign any monies due or to become due to it hereunder, without the previous written consent of the Successor Agency. Any attempted assignment of this Contract without the written consent of both Parties is void.

9. Warranties. The Contractor guarantees work performed at the location from defective workmanship for a period of one (1) year following completion of the project.

If within one (1) year after the date of completion of the Contract, any of the work is found to be defective or not in accordance with the Contract, the Contractor shall correct it promptly after receipt of a written notice from the Successor Agency to do so, at the Contractor's expense. This obligation shall survive termination of the Contract. The Successor Agency shall give notice promptly after discovery of the condition.

10. Termination. Notwithstanding any other provisions of this Contract, this Contract may be terminated as follows:

10.1 If the Contractor becomes insolvent; that is, it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether or not it has committed an act of bankruptcy, and whether or not insolvent within the meaning of the federal Bankruptcy law, then, the Successor Agency may, without prejudice to any other right or remedy and after giving the Contractor three (3) days written notice, terminate this Contract.

10.2 If the Contractor persistently or repeatedly refuses or fails, except in cases for which extensions of time are provided, to supply enough properly skilled workers, property or material, or if it fails to make prompt payment to subcontractors or for materials or labor, or it persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, then, the Successor Agency may, without prejudice to any other right or remedy and after giving the Contractor three (3) days written notice, terminate this Contract.

10.3 If either Party fails to perform or breaches any material obligation under this Contract, then, the non-breaching Party may, without prejudice to any other right or remedy and after giving the three (3) days written notice, terminate this Contract.

If the Successor Agency gives notice of termination, Contractor shall cease immediately all work in progress unless otherwise directed in writing by the Successor Agency. Upon termination Contractor shall furnish to the Successor Agency a final invoice for work performed to the date of the termination.

11. Ownership of Documents/Property. All electronic and hardcopy data, reports, documents, records, plans, discs, diskettes or other materials ("Documents") prepared, developed or discovered by or provided to Contractor during the course of providing work pursuant to this Contract and equipment/property installed shall be the property of the Successor Agency, whether or not the work is completed.

12. Force Majeure. In the event that performance by either Party is rendered impossible (permanently or temporarily) due to acts of war, acts of terrorism, fires, floods, epidemics, quarantine restrictions, or other natural occurrences, strikes, work slowdowns, lockouts (other than lockout by Contractor or any of Contractor's subcontractors), or other similar acts to those described above or other causes beyond the reasonable control of such Party, and without fault or negligence, said event shall excuse performance by such Party, or in the case of temporary impossibility, shall excuse performance

only for a period commensurate with the period of impossibility. Notwithstanding the foregoing, Successor Agency shall have the right to terminate this Contract upon any event that renders performance impossible. In such case, Successor Agency shall be responsible for payment of all expenses incurred to the point at which this Contract is terminated.

13. Notice. All notices, demands or requests to be given under this Contract shall be given in writing and conclusively shall be deemed received when: (a) delivered personally or via reputable delivery service (e.g. FedEx, etc.) or (b) on the fifth (5th) calendar day after the deposit thereof in the United States mail, postage prepaid and addressed as hereinafter provided, or (c) one business day after sent by facsimile transmission.

The acceptance by either Party of any fee or other payment which may become due under this Contract will not be deemed to be a waiver of any preceding breach or violation by the other Party of any term, covenant, or condition of this Contract or any applicable law.

Subject: Quote for fencing at 110, 114 Bowen Ave. and 1425 E. Compton Blvd.

Hi Rhonda,

Can you please provide us with a quote for chain link fencing at the subject address. We would like the same specifications as the fencing you just put up for us at at 509 E. Tamarind. . fence project in terms of materials. On Google our property shows as 1427 E. Compton Blvd. Please let me know if you need more information. You will be replacing the white wooden fencing to give you an idea of what we are looking at. I had tried submitting you invoice for payment before I left on vacation last week, but it wasn't processed. I fully expect them to be sending your check by this Thursday.

Please call if you have any questions about the quote for the new fence at the subject property above.

Thanks,
