Other Officials Present: E. Perrodin, V. McDaniel, T. Thomas

PUBLIC COMMENTS ON AGENDA ITEM ONLY

Fidel Marquez raised concerns that the public was not provided with an opportunity to speak relative to agenda item Number 1 (HUD-HOME ARP) and alleged that a copy of the Plan was supposed to be displayed in the Grants Department, City Clerk's Office and the Compton Library under HUD guidelines. Mr. Marquez further alleged that the Plan is outdated since it was signed by former City Manager Ronerick Simpson and not the current City Manager.

Vanessa Cain also commented that the public was not allowed to speak relative to agenda item Number 1 (HUD-HOME ARP). Ms. Cain further alleged that the organizations chosen to receive funding are not known to the community and appear to be unqualified. Ms. Cain concluded by accusing the City Council of environmental terrorism.

10:05 AM - PUBLIC HEARING - FUNDING ALLOCATIONS FOR HOME-ARP PROJECTS AND ACTIVITIES

On motion by Duhart, seconded by Darden, the public hearing was declared open at 10:15 a.m. by the following vote on roll call:

AYES: Council Members – Duhart, Spicer, Bowers, Darden, Sharif
NOES: Council Members – None
ABSENT: Council Members – None

Tramel Woods, Grants Compliance Manager, reported that the public hearing is being conducted to authorize the City Manager to submit a grant application to the U.S. Department of Housing and Urban Development (HUD) regarding the HOME Program for Homelessness Assistance and Supportive Services American Rescue Plan (HOME-ARP) that includes the use of funds for the HOME Investment Partnerships Program and also amend the Community Development Department 2022-2023 annual budget and further execute all documents as required.

As part of the American Rescue Plan, the City of Compton was provided with a one-time allocation of HOME-ARP funding in the amount of $1,988,847. The HOME and ARP funds were provided to assist individuals or households who are homeless, at risk of homelessness, and other vulnerable populations, by providing housing, rental assistance, support services, and non-congregate shelter to reduce homelessness and increase housing stability. These grant funds are to be administered through HUD's HOME Investment Partnerships Program. These one-time funds are in addition to the City's annual allocation of HOME funds.

Mr. Woods further noted in accordance with HUD requirements, Staff prepared the draft HOME-ARP Plan for public review and comments prior to City Council approval. As part of the planning process, the 15-day public review period and public hearing notification was published in the Compton Bulletin Newspaper on March 1, 2023. The following graph details the funding allocation for the grant:

HOME ARP-PLAN	AMOUNT
HOME-ARP Program Administration and Operating Funds	$298,327.00
Salaries	150,000.00
Other Professional Services	148,327.00
Supportive Services	990,519.00
Tenant Based Rental Assistance	700,000.00

Mr. Woods then stated that Staff recommends that the City Council adopt the proposed HOME-ARP Plan; authorize the City Manager to submit the grant application and Plan to HUD; and further authorize the City Manager to execute agreements and implement all proposed programs included in the HOME-ARP Plan and also include the identified programs and funding allocations in the City's 2023-2024 budget.

PUBLIC COMMENTS REGARDING THE PUBLIC HEARING

Vanessa Cain commented that the City Council always waits until the final moments and everything is right at the cusp of being lost before action is taken. Ms. Cain further commented that the City Council should be held responsible and accountable for the City's financial dysfunction.

Fidel Marquez suggested that those organizations slated to receive funding come before the community and state which services they provide to the residents. Mr. Marquez then spoke in opposition to the item stating that the City is not in compliance with the guidelines and suggested that the Council not approve the Plan since the taxpayers will be the ones responsible for repaying the funds.

City Attorney Eric Perrodin indicated that the City Council meeting and public hearing was properly advertised and noticed by the City.

Mr. Woods then noted that if approved, the Plan will be submitted to HUD, and further indicated that Staff will return to the City Council with a plan to allocate the funding.

There was discussion regarding the timeline to submit the Plan.

Councilmember Duhart raised concerns regarding the dollar amounts detailed in the staff report.

There was discussion regarding the totals for the funding allocation.

Councilmember Bowers commented that the City Charter requires the City Manager to keep the City Council abreast regarding matters pertinent to City affairs. Councilman Bowers then expressed that it is disheartening to see that City administration continues to wait until the last moment to address certain matters.

There being no further comments, Councilmember Darden offered a motion to close the public hearing. The motion was seconded by Duhart and the public hearing was closed at 10:49 a.m. by the following vote on roll call:

AYES: Council Members – Duhart, Spicer, Bowers, Darden, Sharif
NOES: Council Members – None
ABSENT: Council Members – None

City Clerk Vernell McDaniel informed the Council and community that Councilman Spicer was no longer on the Zoom call for the meeting.

COUNCIL COMMENTS

Councilmember Darden commented that she was happy to have the opportunity to submit the grant application to provide critical funding for the residents of Compton. The Council is not responsible for the day-to day operation of the City, however, the Council must hold Staff accountable for properly performing their duties. The City Council is charged with the responsibility of hiring the City Manager and the City Controller and is prohibited from administrative interference.

Councilmember Duhart thanked the community members for providing their insight and input relative to City administration.

Councilman Bowers commented that although the City Council is not responsible for the day-to-day operation of the City but highlighted that the City is a corporation and the City Council is the Board of Directors, the City Manager is the CEO and the residents are the stakeholders.

The Agreement was amended in September 2006 to admit the City of Compton and the City of Inglewood as "Trade Members."

The members of the Authority consist of cities that are authorized to license the operation and ownership of card clubs (i.e. gaming establishments) and regulate the operations thereof. STATEMENT OF THE ISSUE

The City's membership dues must be paid for the City to remain in good standing and for City officials to utilize the above identified benefits and services. The Authority Board of Directors 2023-2024 Fiscal Year projected budget of $227,500 calculated at Authority member cities contributing $35,000.00 each.

FISCAL IMPACT

Funds for this expenditure are available in the 2023-2024 Fiscal Year Budget in Account No. 1001-510-000-4219 (Memberships and Publishing).

FROM: **CITY MANAGER**

SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON DECLARING THAT CERTAIN PROPERTY LOCATED AT 1434 W. COMPTON BOULEVARD IN THE CITY OF COMPTON IS EXEMPT SURPLUS LAND PURSUANT TO GOVERNMENT CODE SECTIONS 54221(b) AND 54221(f)(1)(A), APPROVING AN EXCLUSIVE NEGOTIATING AGREEMENT BETWEEN THE CITY AND LANDSPIRE GROUP LLC WITH RESPECT TO THE PROPOSED SALE OF THE PROPERTY TO LANDSPIRE GROUP LLC AND THE DEVELOPMENT OF AN AFFORDABLE HOUSING PROJECT THEREON, FINDING THAT THIS ACTION IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA), AND TAKING RELATED ACTIONS.**

SUMMARY

Staff respectfully requests the City Council to adopt the attached Resolution declaring that the property owned by the City and located at 1434 W. Compton Boulevard (the "Property") is exempt surplus land under the Surplus Land Act (Government Code Section 54220-54234) (the "SLA"), and approving the execution and delivery of a new Exclusive Negotiating Agreement (the "ENA") between the City, as the Housing Successor to the former Community Redevelopment Agency of the City of Compton (the "City"), and Landspire Group LLC (the "Developer"),

BACKGROUND

The Developer previously entered into an ENA with the City on September 15, 2020 for the development of this property, but it expired and was not renewed.

Pursuant to Section 54221(b)(1) of the SLA, the City Council must take formal action in a regular public meeting to declare the Property "surplus land" or "exempt surplus land" before the City Council takes action to dispose of the Property. The SLA will not apply to the disposition of the Property if the Property is exempt surplus land as defined in Section 54221(f)(1) of the SLA. Section 54221(f)(1)(A) of the SLA defines "exempt surplus land" to include surplus land that is transferred pursuant to Government Code Section 37364.

Government Code Section 37364 authorizes a city to sell, lease, exchange, quitclaim, convey, or otherwise dispose of real property to provide housing affordable to persons and families of low or moderate income provided that the following conditions are met:

(a) Not less than 80 percent of the area of the parcel will be used for the development of housing; and

(b) Not less than 40 percent of the total number of those housing units developed on the parcel shall be affordable to households whose incomes are equal to, or less than, 75 percent of the maximum income of lower income households, and at least half of which shall be affordable to very low-income households; and

(c) Dwelling units produced for persons and families of low or moderate income under Government Code Section 37364 shall be restricted by regulatory agreement to remain continually affordable to those persons and families for the longest feasible time, but not less than 30 years, with such regulatory agreement recorded in the office of the county recorder in which the housing development is located.

The Developer has proposed to purchase the Property from the City for the purpose of developing an affordable housing project on the Property consisting of 75 apartments and has requested the City to enter into an ENA for the purpose of negotiating on an exclusive basis to establish the terms and conditions of an agreement for the sale of the Property to the Developer. The Developer has proposed an affordable housing project that will comply with Government Code Section 37364. The project includes 75 affordable housing units to be built at 1434 W. Compton Boulevard, a 62,262 square foot site. The City Council must provide a copy of the Resolution to the California Department of Housing and Community Development ("HCD") at least 30 days prior to the disposition of the Property. The State Legislature has authorized HCD to determine whether actions of local agencies comply with the SLA.

STATEMENT OF THE ISSUE

Because the proposed housing development will meet the requirements of Government Code Section 37364, staff recommends that the City Council declare the Property to be exempt surplus land pursuant to Government Code Sections 54221(b) and 54221(f)(1)(A). The attached Resolution contains a declaration of exemption. Upon adoption of the attached Resolution, staff will provide a copy of the Resolution to HCD.

The attached Resolution also contains a finding that this action is exempt from CEQA.

FISCAL IMPACT

There is no fiscal impact associated with the adoption of the attached Resolution.

RECOMMENDATION

Staff requests the City Council adopt the attached Resolution.

WHEREAS, because the proposed housing development will meet the requirements of Government Code Section 37364, staff has also recommended that the City Council declare the Property to be exempt surplus land pursuant to Government Code Sections 54221(b) and 542321(f)(1)(A); and

WHEREAS, the City Council desires to approve an ENA with Landspire Group LLC and declare the Property exempt surplus land pursuant to Government Code Section 54221(f)(1)(A); and

C. The primary purpose of this Agreement is to establish a period during which the Parties shall negotiate the terms of a PSA.

Notwithstanding the foregoing, the Parties may, but only to the limited extent necessary, disclose the Confidential Information to those agents, employees, managers, members, shareholders, officers and directors of the receiving Party having a need to know the Confidential Information to further the proposed transaction.

5. Throughout the ENA Period, City staff shall be reasonably available to meet with the Purchaser to discuss the proposed PSA.

6. The Purchaser and the City understand and agree that neither is under any obligation whatsoever to enter into a PSA. 8. The City may utilize the Site during the ENA Period for storage, parking, logistics or for any other City purposes. The City will provide the Purchaser with seven (7) days' written notice prior to any temporary use of the Site.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING A LIMITED DURATION EMPLOYMENT AGREEMENT WITH JEROME G. GROOMES TO SERVE AS INTERIM CITY MANAGER OF THE CITY OF COMPTON

SUMMARY

The City Council will consider adoption of a resolution approving a limited duration Employment Agreement with Jerome G. Groomes to serve as Interim City Manager of the City of Compton while the City conducts its recruitment for a permanent City Manager.

BACKGROUND

The Compton City Charter provides that the City Council shall appoint the City Manager of the City of Compton, who shall be chosen on the basis of his/her executive and administrative qualifications and be paid a salary commensurate with his/her responsibilities as chief administrative officer of the City. The City Manager position is vital to the daily functioning of the City's government, requiring specialized skills and experience and is responsible to the City Council for the proper administration of all affairs of the City of Compton excepting such matters for which elective officers are made responsible by the Compton City Charter.

State Assembly Bill ("AB") 340, effective January 1, 2013, amended the Public Employees Retirement Law ("PERL") to limit how the California Public Employees Retirement System ("CalPERS") contracting agencies may appoint CalPERS retirees. More specifically, Section 7522.56 of the Government Code was added, which generally prohibits CalPERS retired annuitants from being employed by CalPERS contracting agency without reinstatement from retirement, provides exceptions to this limitation to allow employment without reinstatement when:

- Appointment is either during an emergency to prevent stoppage of public business or because the retired person has skills needed to perform work of limited duration.

- Appointment of the retiree shall not exceed 960 hours or other equivalent limit in a calendar year or fiscal year.

- The rate of pay for the employment shall not be less than the minimum, nor exceed the maximum monthly salary paid to other employees performing

comparable duties, divided by 173.333 to equal an hourly rate and no service credit or retirement rights are provided.

- The retiree, during the 12-month period prior to the appointment cannot have received any unemployment insurance compensation arising out of prior employment with a public employer. Compliance with this provision must be certified in writing by the retiree to the employer upon accepting an offer of employment.

- At least 180 days has passed between the appointment and the date of retirement, unless the employer certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days has passed and the appointment has been approved by the governing body of the employee in a public meeting.

- The 180 day waiting period cannot be excepted or waived if the retiree accepted a retirement incentive upon retirement.

STATEMENT OF ISSUE

On July 11, 2023, the City Council met in closed session during a duly noticed City Council meeting and by a vote of at least a majority voted to appoint Jerome G. Groomes as the Interim City Manager of the City of Compton for a definite and limited period of time while the City conducts its recruitment for a permanent City Manager.

Mr. Groomes will bring over thirty-five (35) years of city government experience, including eighteen (18) years as City Manager. He will assist the City with moving forward City projects and working closely with the City Council with the recruitment of a permanent City Manager. He will serve as Interim City Manager commencing July 12, 2023 for a period not to exceed a total of nine hundred and sixty (960) actual hours worked, or until the City Council appoints a permanent City Manager, whichever occurs first.

At the request of the City Council, and in conformance with the PERL, the City Attorney's Office has prepared a proposed Employment Agreement for Mr. Groomes to serve as Interim City Manager. Adoption of the attached Resolution will approve the terms and conditions of the Employment Agreement between the City and the Mr. Groomes.

FISCAL IMPACT

In accordance with state law, Mr. Groomes will be compensated at the rate of $125.00 per hour, for actual hours worked. By state law, Mr. Groomes is limited to no more than Nine Hundred Sixty (960) hours of service per fiscal year.

There is no fiscal impact to the General Fund as funds for this interim appointment are included in the 2023-24 Fiscal Year budget.

Section 3. Termination or Separation

3.1 Termination. The Council may terminate Groomes' services with or without cause, *and without right of advance notice, hearing or appeal*, by motion of the Council adopted by at least three affirmative votes pursuant to section 703 of the Compton City Charter, at any time during the term of this Employment Agreement. Section 4. Retired Annuitant Provisions (AB 1344)

4.1 Assembly Bill 1344 Provisions.

a. The Parties agree to fully comply with the California Government Code sections that are part of AB 1344 (Government Code Section 53243), made effective January 1, 2012, and to fully comply with other applicable law as it exists as of the date of execution of this Agreement and as it may be amended from time to time thereafter.

b. AB 1344 generally provides limits on local agency employee reimbursement requirements. These provisions are included in the following California Government Code sections, which are hereby incorporated into the terms of this Agreement:

Government Code, Section 3511.2 is hereby incorporated into the terms of this Agreement.

4.2 No Unemployment Benefits Received by Groomes. Groomes expressly certified and warrants to the City that he has not received any unemployment insurance payments for retired annuitant work for any public employer within the twelve (12) months prior to his appointment date.

Retired annuitants appointed to an interim position without reinstatement are limited to a combined total of Nine Hundred Sixty (960) hours for all employers each fiscal year, including concurrent appointments pursuant to California Government Code, Sections 21221, 21224 and 21229. Groomes expressly certified and warrants to the City that his anticipated work schedule will not cause him to exceed the 960 hours per fiscal year limit pursuant to California Government Code, Section 21221(h), including work for this or any other CalPERS employer during the current fiscal year.

Section 5. General Provisions

5.1 Amendments. In accordance with state law and the requirements of the California Public Employees Retirement System, this Employment Agreement may not be amended to extend the term of this Agreement.

5.2 Conflict of Interest.

a. The Interim City Manager shall not engage in any business or transaction or shall have a financial or other personal interest or association, direct or indirect, which is in conflict with the proper discharge of official duties or would tend to impair independence of judgment or action in the performance of official duties. FOR THE ADDITIONAL WORK PURSUANT TO THE COMPTON FIRE STATION NOS. 1 THROUGH 4 DRIVEWAY AND APRON IMPROVEMENT PROJECT, CIP# 20-01 ($752,098.60).**

SUMMARY

Adoption of this resolution will amend the Public Works Engineering Department's Fiscal Year 2023-2024 budget transferring funds between accounts and authorize the City Manager to amend the construction contract with and establish a purchase order in the amount of Seven Hundred Fifty Two Thousand Ninety Eight Dollars and Sixty Cents ($752,098.60) for Horizons Construction Company International, Inc. and a Seventy Five Thousand Two Hundred Nine Dollars and Eighty Six Cents ($75,209.86) contingency amount for the additional work pursuant to the Compton Fire Station Nos. 1 through 4 Driveways and Apron Improvement Project, CIP# 20-01.

BACKGROUND

Due to the severely damaged condition of the driveway aprons and fire trucks access routes leading into the apparatus bays at each of the four (4) City Fire Stations, City staff was directed to solicit proposals from qualified engineering firms to provide design services for the 4 fire stations located as follows:

Fire Station 1
(Headquarters)
201 South Acacia Avenue
Compton, CA 90220

Fire Station 2
1320 East Palmer Street
Compton, CA 90221

Fire Station 3
(Training Facility)
1133 West Rosecrans Avenue
Compton, CA 90222

Fire Station 4
950 West Walnut Avenue
Compton, CA 90220

Design Phase

In February 2019, staff received three proposals from qualified engineering firms and the proposal submitted by KOA was the most responsive bidder and on May 21, 2019, pursuant to Resolution No. 25,020, City Council authorized the City Manager to enter into a professional services agreement with KOA, a design engineering firm, to provide design services in the amount of $79,930 to accommodate the fire truck loads entering and leaving the fire station bays as well as an in-depth soils analysis to provide adequate driveway structural strength. Design services were completed in January 2021 and in March 2021, staff moved forward with the construction phase of the project.

Construction Phase

The "Compton Fire Stations Nos. 1 through 4 Driveways and Apron Improvement Project", CIP# 20-01 ("Project") consisted of the following general work description: construction of PCC driveways, on-site concrete slab accesses and parking lots, dowel bars and tie bars joints, isolated joints, saw cut contraction joints, curb and gutters, sidewalks, aggregate base (Class II), detectable warning surfaces, cold mill, asphalt concrete pavement overlay, full depth of AC slot patch, adjustment of water valve, groundwater monitoring well covers, water meter boxes, and pull boxes.

The Compton Fire Stations Nos. 1 through 4 Driveways and Apron Improvement Project, CIP# 20-01 was advertised for competitive bids on February 10th and February 17th 2021. Bids were received and opened on March 11, 2021. Nine (9) bids were received and the bid submitted by Horizons Construction Company International, Inc was the lowest bidder.

On April 13, 2021, pursuant to Resolution No. 25,444, City Council authorized the City Manager to enter into a construction contract with an establish a purchase order for Horizons Construction Company International, Inc. for the Compton Fire Stations Nos. 1 through 4 Driveways and Apron Improvement Project, CIP# 20-01 in the amount of $584,700.25. The Project was specified to be completed in 60 working days.

As part of the pre-construction activities, staff and the contractor performed a site visit to verify and compared the scope of work identified in the plans and the current conditions of each fire station based on the design plans completed in 2021.

The original scope of work only covered portions of the severely damaged parking lots at all four fire stations. The City desired to repair the damaged pavement at all four stations in its entirety which would require an additional funding allocation.

In June 2021, after conducting a pre-construction inspection of the sites prior to construction, City staff and management determined that the current pavement conditions of the 4 fire stations were severely damaged and that additional work was necessary to bring the parking lots up to an adequate level of service in order to meet City standards.

As a result, City staff requested that the contractor provide a list of additional work that needed to be included as part of the project. Therefore, the following Change Orders (CO) were requested as follows in the below Change Order Summary Report which was developed for City Council's consideration:

Change Order Summary Report

The contractor began construction on June 14, 2021 at Fire Station No. 1 and completed the construction work at the following fire stations in the order indicated below:

Location	**Start Date**	**Completion Date**	**Status**
Fire Station No. 1	6/14/2021	10/1/2021	Completed
Fire Station No. 2	9/2/2021	9/17/2021	Completed
Fire Station No. 4	9/21/2021	11/30/2021	Completed
Fire Station No. 3	Pending	Pending	Redesign

Fire Stations Nos. 1, 2, & 4 were completed at a total cost of $842,062.25 which was $257,362.00 above the authorized contract. The available funding allocated to the project had been exhausted. City staff requested that an additional $257,362.00 be authorized to pay the contractor for services rendered at Fire Stations Nos. 1, 2 & 4.

On December 14, 2021, pursuant to Resolution No. 25,592, City Council authorized the City Manager to amend (First Amendment) the Construction Contract with and establish a purchase order with Horizon in the amount of $257,362 for the work completed at Fire Stations Nos. 1, 2 & 4.

Fire Station No. 3 Drainage Issue

The City experienced drainage issues at Fire Station No. 3. As a result, any discharge from the fire station could cause runoff overland from its paved surfaces into Gonzales Park. This drainage issue could cause damage to the nearby baseball diamond and the City desired to implement a drainage solution to prevent this from occurring.

On September 9, 2021, City staff and its engineering consultant recommended that the City contact Psomas regarding the Gonzales Park best management practices to find a resolution for the drainage issue at Fire Station No. 3. Psomas was the consultant that prepared the drainage plans for Gonzales Park Drainage Improvement project which was completed in November 2012.

On September 22, 2021, City staff requested that Psomas submit a proposal to resolve the drainage issue associated with the work at Fire Station No. 3. The civil engineering scope for this portion of the project was to review a potential drainage solution for Fire Station No. 3.

On November 2, 2021, pursuant to Resolution No. 25,573, City Council authorized the City Manager to enter into a professional services agreement with and establish a purchase order for Psomas to provide design engineering services related to the drainage issue located at Fire Station No. 3 in the amount of $48,950.

On May 23, 2022, the design engineer recommend the construction of a drainage swale on the parks perimeter. This was the simplest, low cost and low maintenance solution for the drainage condition at Fire Station No. 3.

On November 8, 2022, Psomas submitted the Bid Schedule to provide to the contractor the cost to complete the drainage portion of the work at Fire Station No. 3. The scope of work included water pollution control, erosion control & best management practices, adjusting the existing sprinkler systems, construction survey, relocate existing backflow preventer, earthwork, remodel existing curb drain, formwork, concrete, dowel joints, construct concrete block slough wall, and irrigation and landscape improvements.

On January 25, 2023, Horizon Construction Company International, Inc. provided a proposal to complete **only the drainage portion of the work at Fire Station No. 3.** in the amount of $213,073 and a completion time of 45 working days.

On March 7, 2023, pursuant to Resolution No. 25,798, City Council authorized the City Manager to amend the Construction Contract with and establish a purchase order for Horizons Construction Company International for the additional work to complete **only the drainage portion of the work at Fire Station No. 3.** in the amount of $213,073.

STATEMENT OF ISSUE

The amendment of the Construction Contract only covered the construction of the drainage issue. However, the cost did not include the concrete work of the entire area of Fire Station No. 3. It is the City's desire to complete the entire portion of the rear parking lot at this station.

On May 2, 2023, Horizon provided a proposal to City staff to complete the recommended concrete portion of Fire Station No. 3 in the amount of $752,098.60 and 60 working days. The scope of work will include the following:

SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO A DONATION AGREEMENT ACCEPTING A GRANT FROM *KABOOM!, INC.* OF THE PARTS AND INSTALLATION OF A NEW PLAYGROUND WORTH AN ESTIMATED VALUE OF EIGHTY THOUSAND DOLLARS ($80,000).**

SUMMARY

This Resolution authorizes the City Manager to enter into a Donation Agreement accepting a gift from KABOOM!, Inc. ("KABOOM!") for the parts and installation of a new playground with an estimated value of Eighty Thousand Dollars and Zero Cents ($80,000).

BACKGROUND

KABOOM! is a national, non-profit organization dedicated to giving all children, especially those children living in economically disadvantaged communities, safe and fun places to play. The organization brings people together from diverse backgrounds, from cities to corporations (including non-profits), to create great places to play for all children. KABOOM! serves communities with the purpose to help individuals feel more engaged, connected and united by the common cause of ensuring that all children can thrive every day and everywhere.

Last year, the City Manager's office was contacted by KABOOM! for the purpose of partnering with a funding partner to build a new playground at Kelly Park Community Center in the City of Compton. After successfully submitting interest, the Grants Division was notified by KABOOM! that the Community Partner Application was approved and the City of Compton ("City") was selected to receive the KABOOM! Community Partner Program Playground Grant for 2023.

This year, the funding partner has not been identified yet but the project site is slated for Kelly Park Community Center. This will mark the third grant received from KABOOM! Inc. as the City was awarded a playground grant for its South Park in 2016 and Gonzales Park in 2019. The grant contribution, through the funding partner unidentified is committed to donate approximately $80,000 to cover the costs of supplies, equipment and other ancillary costs. The project would include the demolition of the existing

playground located at Kelly Park and the coordination of a community build day to install a brand-new play space.

STATEMENT OF ISSUE

The City of Compton desires to enter into a Donation Agreement with KABOOM! to accept and receive a grant to build a new playground at Kelly Park. To facilitate the receipt of the grant, the City Council's authorization and acceptance of the grant is required. The proposed Donation Agreement (hereinafter referred to as the "Community Partner Playground Agreement") obligates the City to collaborate with KABOOM!, the unidentified funding partner, and the community residents to design, plan, and build the new playground at Kelly Park. A summary of the specific obligations of the City and KABOOM! are as follows:

Obligations of the City:

- Fundraise: To contribute $8,500 to KABOOM! for the purpose of applying said funds directly to the purchase of playground equipment. The City has identified funding through Special Projects in the Recreation's Department FY 2023-2024 budget.

- Project Site: Community Partner shall provide KABOOM! With proof of land ownership evidenced by either a deed granting title to the property to the Community Partner or a letter from the property owner showing approval for the project.

- Design Day: To host a KABOOM!-facilitated "Design Day" with at least twenty (20) adult volunteers and twenty (20) youth.

- Prep Day: Community Partner shall ensure that the project site is safe for volunteers and children responsibilities includes: prep the site for two (2) weeks before build week, which may include removing existing equipment, footers and safety surfacing grading the land .

- Build Week: Scheduled for October 2023. To recruit ninety (90) volunteers from the community to participate in a three-day installation event for the project.

Obligations of KABOOM!:

- Playground Build: Provide technical and organizational leadership and guidance for the Project, including:

    - Coordinate funding partner participation, facilitate playground design, work with vendors to procure equipment and materials;

  - Manage construction logistics for the Project, coordinate playground site preparation;

  - Lead Build Day activities, including coordination of Build Day captains and volunteers;

  - Provide educational and promotional materials to support the project, including toolkits online Playground Planner, nametags and other general supplies.

- Inspections: KABOOM!, in conjunction with City, will secure a Certified Playground Safety Inspector to review playground structure at conclusion of Build Day to ensure structure is safe and built to appropriate standards and guidelines

Obligations of Funding Partner:

- Assist the Project with funding for all equipment, parts and supplies.

- There are no long-term obligations of the Funding Partner because the City assumes long term responsibility for the playground.

FISCAL IMPACT

Funds in the amount of $8,500 are available in the Recreation's Department 2023-2024 Fiscal year budget in Account No. 1001-840-000-4238

COMMUNITY PARTNER AGREEMENT

July 20, 2023

KABOOM!, Inc. (referred to herein as KABOOM!) is pleased that the City of Compton (referred to herein as the Community Partner) has agreed to collaborate with KABOOM! and the Funding Partner in the construction of a new playspace at Kelly Park, 2319 E Caldwell St, Compton, CA 90220 (the "Project"). This Community Partner Agreement (this "Agreement"), which sets forth the Community Partner's obligations in connection with the Project and certain matters on which the parties have agreed, will, when executed by the duly authorized representatives of each party, supersede any prior agreements and represent the complete legally binding agreement between the parties regarding the Project. The Community Partner acknowledges and agrees the primary source of funding for the Project is a contribution from the Funding Partner. In the event that such a contribution is not funded, then this agreement shall immediately terminate upon written notice thereof from KABOOM!.

1. Obligations of the Community Partner. The Community Partner shall work with KABOOM! and the Funding Partner as well as community residents to design, plan, and build the Project. By executing this Agreement, the Community Partner is unconditionally agreeing to each of the following obligations, in each case meeting the requirements provided by KABOOM!:

   (a) Fundraising. In support of the Project, the Community Partner must contribute $8,500 to KABOOM!, which will apply the funds directly to the purchase of the equipment. KABOOM! will invoice the Community Partner for such amount promptly following the execution of this Agreement, which amount must be paid in full at least thirty (30) days prior to the Project's Build Week (as defined below).

   (b) Project Site.

      (i) Ownership. At the time of execution of this Agreement, the Community Partner shall provide KABOOM! with proof of land ownership evidenced by either a deed granting title to the property to the Community Partner or a letter from the property owner showing approval for the Project. The Community Partner is the owner of the playspace in its entirety, for the lifetime of the product, including the equipment and/or safety surfacing at the time purchased by KABOOM! and/or the Funding Partner.

      (ii) Permits. Prior to Build Week, the Community Partner shall obtain or cause to be obtained all necessary permits and licenses regarding the installation, possession, and use of the playspace in compliance with applicable laws and regulations.

      (iii) Preparation. The Community Partner shall ensure that the Project site is safe for volunteers and children, which responsibility includes: (1) preparing the site for the installation of the Project at least two (2) weeks before Build Week, which may include removing existing equipment, footers, and safety surfacing, grading the land, repairing existing surfacing and removing fencing (2) conducting up to two (2) utility checks as reasonably requested by KABOOM! with the appropriate utility companies, with the first test being completed before Design Day (as defined below) and with all utility check documentation provided upon completion to the KABOOM! Project Manager who shall supervise the planning and installation of the equipment (the "Project Manager"); and (3) conducting up to two (2) soil site tests as reasonably requested by KABOOM!, with the first test being completed before Design Day and with all soil check documentation provided to the Project Manager upon completion. The Community Partner is responsible for undertaking any necessary risk mitigation should the soil be deemed unsafe for children and volunteers.

(iv) Safety and Security. The Community Partner shall ensure the security of equipment, tools, supplies, and well-being of the adults and children from the beginning of the preparation activities until the conclusion of Build Week, including any postponement. The Community Partner shall also ensure that all volunteers sign a waiver and that a CPR- certified Community Partner staff member or volunteer is present and will serve as the safety leader onsite for the Build Week.

(v) Maintenance. Maintenance of the facility and supervision of its use is the sole responsibility of the Community Partner. The Community Partner shall collaborate with KABOOM! during the Project planning process to develop a maintenance program (a copy of which has been provided) for the play equipment and, with the support of the property owner (if owner is a separate party), shall maintain the equipment and the property before and after the Build Week to ensure a safe and attractive playspace. It is also the responsibility of the Community Partner to ensure that no one enters the playground within 72 hours of the completion of the final Build Day. Anyone accessing and/or touching the playground within 72 hours of its completion could prevent the concrete from curing properly or the surfacing (if rubber) from setting properly, leading to long-term damage that would be the responsibility of the Community Partner to repair. In furtherance of the foregoing, in the event any equipment included in the Project no longer is permitted for any reason to be located at its original site of construction or such site is no longer controlled by the Community Partner for any reason, then the Community Partner promptly shall notify KABOOM! following its becoming aware of such situation and shall, at the Community Partner's sole cost and expense, take such steps as may be necessary to promptly and safely relocate the equipment (including any permanent signage and other fixtures) to an alternate site that serves children or to ensure that the successor controlling person of such site shall continue to make such equipment available to children in the same manner contemplated as of the Build Week and maintain (or permit the Community Partner to maintain) such play equipment in accordance with the maintenance program. In addition, if applicable, the Community Partner shall accept and maintain engineered wood fiber as play equipment safety surfacing, meeting standards established by Consumer Product Safety Commission guidelines, for the lifetime of the playspace. Guidance and materials for the purpose of developing a maintenance plan for the playspace are available, upon request, from the play equipment and safety surfacing manufacturers.

(c) Design Day. The Community Partner agrees to host a KABOOM! facilitated Design Day event with at least twenty (20) adult volunteers and twenty (20) youth. Such adult volunteers shall remain engaged in the planning activities throughout the Project's planning process. In the event Public Health guidelines do not permit public gatherings, the Community Partner agrees to participate in KABOOM! facilitated Design events remotely and virtually.

(d) Build Week. The Community Partner shall recruit up to 90 total community volunteers to participate in a 3-day volunteer installation event (to be comprised of 30 volunteers on Day 1, 10 volunteers on Day 2 and 50 volunteers on Day 3) scheduled to occur in October of 2023 and which is referred to herein as the Build Week. The Community Partner shall ensure that all volunteers sign a waiver (a copy of which has been provided). During the Build Week, the Community Partner shall provide food, water, tools, dumpsters, music, hand washing and/or hand sanitizing facilities, and restroom facilities for all volunteers on each day.

(e) Promotion; Intellectual Property. The Community Partner shall seek prior approval from KABOOM! and/or the Funding Partner for any materials that reference the Project or contain the name, trademarks, service marks, logos and other intellectual property (collectively, and together with all goodwill attached or which shall become attached to any of them, the "Marks") of KABOOM! and/or the Funding Partner, including press releases, fliers, and promotional materials. The Community Partner acknowledges and agrees that each of KABOOM! and the Funding Partner is the sole owner of all right, title, and interest in and to its respective Marks. The parties acknowledge that KABOOM! and the Funding Partner may take all steps to protect their Marks as they deem appropriate. Any use of the Marks will inure to the sole benefit of KABOOM! or the Funding Partner (as applicable). The Community Partner shall not use the Marks in any manner that would harm the reputation of KABOOM! or the Funding Partner or disparage or negatively reflect upon the Marks.

If applicable, the Community Partner shall allow individual instructional signs to accompany the equipment.

(g) Costs. The Community Partner is solely responsible for and shall hold KABOOM! and the Funding Partner harmless from any costs incurred by the Community Partner for any prior site preparation, upgrades, or improvements, or any equipment or materials purchased to supplement those secured by KABOOM!.

(h) Warranty. The equipment and the safety surfacing related to the Project may be covered under warranty by the applicable manufacturers (a copy of which has been provided). The Community Partner acknowledges that any warranties and/or guarantees on any equipment or material are subject to the respective manufacturer's terms thereof, and the Community Partner agrees to look solely to such manufacturers for any such warranty and/or guarantee. Neither KABOOM! nor the Funding Partner nor any of their respective affiliates, directors, officers, managers, partners, members, shareholders, employees, agents or representatives, have made nor are in any manner responsible or liable for any representation, warranty, or guarantee, express or implied, in fact or in law, relative to any equipment or material, including its quality, mechanical condition or fitness for a particular purpose.

(i) Insurance. The Community Partner is self-insured and is responsible for providing coverage for its own employees and against liability for bodily injury, death and property damage that may arise out of or be based on the use of the playground at "Community Partner location", from seven (7) calendar days before the Build Day and for a minimum of one year afterward, in each case, in amounts not less than one million dollars ($1,000,000). This self-insurance shall be primary and non-contributing with any other insurance covering KABOOM! and its funding partners.

(j) Indemnification. The Community Partner shall indemnify and hold harmless KABOOM!, the Funding Partner and their respective affiliates, directors, officers, managers, partners, members, shareholders, employees, agents, and representatives from any and all losses, liabilities, claims, actions, fees, and expenses (including interest and penalties due and payable with respect thereto and reasonable attorneys' and accountants' fees and any other reasonable out-of-pocket expenses incurred in investigating, preparing, defending, or settling any action), including any of the foregoing arising under, out of or in connection with any breach of this Agreement, any actions associated with this Project or resulting from the use of any play property and equipment, including those for personal injury, death, or property damage, except to the extent resulting from the gross negligence or willful misconduct of such indemnified person. This provision shall survive any termination or expiration of this Agreement.

(k) Data and Reporting. The Community Partner shall distribute and complete play-related surveys, provided by KABOOM!, to its stakeholders, including parents/caregivers, volunteers, and staff (i) promptly following the execution of this agreement (ii) 2 weeks following the completion of the Project (iii) 12 months after the completion of the Project. 2. Obligations of KABOOM!.

(a) Project. KABOOM! shall provide technical and organizational leadership and guidance for the Project and shall:

(i) Coordinate Funding Partner participation, facilitate design, including regular planning meetings, and work with vendors to procure equipment and materials in a timely manner, except to the extent that safety surfacing other than engineered wood fiber is used, which shall be procured by the Community Partner.

(ii) On the behalf of and in collaboration with the Community Partner, KABOOM! shall manage construction logistics for the Project, coordinate site preparation activities with the Community Partner, inventory equipment and materials, and assure that the necessary small hand tools and materials and other general supplies are available on the Build Week; Lead the Build Week activities, including the coordination of Build Week volunteers.

(iii) Make available certain educational and promotional materials related to the Project.

(b) Inspection. KABOOM!, in collaboration with the Community Partner, will secure an Installation Supervisor to review the structure at the conclusion of the Build Week to ensure that the structure is safe and built to all appropriate standards and guidelines, unless the installation is not completed during the Build Week due to failure of the Community Partner, in which case the Community Partner shall secure the Installation Supervisor.

(c) Promotion. KABOOM! will provide proposed promotional materials relating to the Project for the Community Partner's review and approval, which approval shall not be unreasonably withheld or delayed.

(d) Website Listing. KABOOM! will place the playspace on its list of KABOOM! builds on the KABOOM! website, and KABOOM! will send information to the Community Partner on maintenance programming and enhancements.

3. Build Week Postponement.

(a) COVID-19 Public Health Compliance. The Project Manager will monitor public health guidelines and local conditions to ensure adherence to public health safety at specific timelines prior to Build Week. If the project does not meet requirements, KABOOM!, the Funding Partner, and the Community Partner will agree on a postponement date to occur no later than thirty (30) days after the last day of the original Build Week and if health indicators allow project completion. If health indicators do not allow project completion within close to the originally scheduled date, project will be rescheduled on a mutually agreed upon date or converted to a professional installation with no volunteers participating in building the playspace.

(b) Weather or other conditions unrelated to COVID-19. The Build Week shall not be postponed except when weather or other conditions jeopardize the safety of the volunteers or threaten the structural integrity of the playspace. The decision to postpone the Build Week will be made by majority agreement of the representatives of KABOOM!, the Community Partner, and the Funding Partner, except where such decision must be made by KABOOM! on the construction site and representatives of the Community Partner and the Funding Partner are not available for consultation. In the event that the Build Week is postponed, KABOOM!, the Community Partner, and the Funding Partner shall develop a plan for rescheduling the Build Week at the next earliest date possible for each party. The Funding Partner shall be responsible for all additional expenses related to the rescheduled Build Week, including, without limitation, equipment, labor and materials, storage and travel costs and expenses; provided, however, that the Funding Partner shall be notified of the estimated amount of such additional expenses in connection with rescheduling of the Build Week. Notwithstanding the foregoing, in the event that the date of the Build Week is cancelled or changed as a result of the Community Partner's failure to satisfy its obligations in connection with the Project, then the Community Partner shall be liable to KABOOM! and the Funding Partner for all such additional expenses related to the rescheduled Build Week.

4. Funding Partner Relations. KABOOM! has a separate contract with the Funding Partner pursuant to which the Funding Partner has agreed to provide financial and human resources for the Project. In recognition of the Funding

Partner's contribution of such resources, the Funding Partner shall receive first placement on any recognition materials developed for the Project, including signage, banners, T-shirts, press releases, website and newsletter stories, and flyers, and the Community Partner shall not solicit sponsors or donors in relation to the Project whose products or services directly compete with the products or services of the Funding Partner as identified to the Community Partner by KABOOM! and/or the Funding Partner. In the event the Community Partner solicits other sponsors or donors, then the Community Partner shall not permit such sponsors or donors to compete with the Funding Partner for signage and sponsorship recognition.

5. Termination. In the event that the Community Partner fails to make the payments required under Section 1(a) or otherwise breaches this Agreement, KABOOM! may terminate this Agreement upon written notice to the Community Partner of such termination. Furthermore, if either party is delayed or prevented from fulfilling any of its obligations hereunder by any cause beyond its reasonable control, including acts of God, acts or omissions of civil or military authorities, fire, strike, flood, riot, act of terrorism, war, transportation delay, or inability due to such causes to obtain required labor, materials or facilities, such party shall not be liable hereunder for such delay or failure and either party may terminate this Agreement if the other is unable to perform any obligation hereunder for a period longer than ten (10) calendar days due to such force majeure event, in which case KABOOM! shall refund to the Community Partner any amounts paid to KABOOM!, less expenses already committed and/or incurred prior to the date of such termination. If, upon termination as provided herein, the sum due KABOOM! by the Community Partner exceeds the sum paid to KABOOM! hereunder, the Community Partner shall pay KABOOM! for any such additional sum due upon presentation of appropriate documentation within thirty (30) days of invoice. Except as set forth above, upon any termination, this Agreement shall become void and have no effect, and no party shall have any liability to the other party, except that nothing herein will relieve any party from liability for any intentional breach of this Agreement prior to such termination.

6. General Provisions. The Community Partner represents to KABOOM! that all information provided by it to KABOOM!, including in the application, is true, correct and complete in all respects and does not omit any information relevant to the Project. Each party has all requisite power and authority, including any necessary approval by its governing body, to execute and deliver this Agreement, and to perform its obligations hereunder. This Agreement may not be assigned or transferred by either party without the prior written consent of the other party hereto. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors and permitted assigns, and where expressly stated, their affiliates and representatives. This Agreement shall be governed by and construed under the laws of the State of California, without regard to conflicts of laws principles to the extent that the application of the laws of another jurisdiction would be required thereby. This Agreement may be altered, modified, or amended only by a written document signed by both parties. This Agreement may be executed in two (2) or more counterparts, each of which shall be an original and all of which, when taken together, shall constitute the same agreement and may be delivered by facsimile or electronic mail transmission with the same force and effect as if originally executed copies hereof were delivered. Any notices required or permitted to be given hereunder shall be sent by certified or registered United States mail, postage prepaid, by personal delivery addressed to the applicable party or by facsimile or electronic mail transmission (the receipt of which is confirmed) at the address set forth under such party's signature below. The Funding Partner shall be an intended third party beneficiary of Sections 1(b), (e), (f), (g), (h), (i), and (j) and Sections 2(b), 3, 4 and 6 of this Agreement and is entitled to enforce its rights under such sections as if it were a party to this Agreement.

FROM: **CITY MANAGER**

SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO AMEND THE 2023 – 2024 FISCAL YEAR BUDGET TO APPROPRIATE FROM FUND BALANCE TO PAY EXPENDITURES RELATED TO COMPTON DUMP DAY PROGRAM SPONSORED BY CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS) FOR THE COLLECTION OF HOUSEHOLD BULKY ITEMS IN THE CITY OF COMPTON ($4,608.66).**

SUMMARY

The City Council will consider adopting a resolution authorizing the City Manager to amend the 2023 – 2024 Fiscal Year Budget to appropriate from fund balance to pay expenditures related to the Compton Dump Day Program sponsored by California Department of Transportation (Caltrans) for the collection of household bulky items in the City of Compton at no cost to the City or its residents.

BACKGROUND

California Department of Transportation ("Caltrans") manages more than 50,000 miles of California's highway and freeway lanes, provides inter-city rail services, permits more than 400 public-use airports and special-use hospital heliports, and works with local agencies. Caltrans carries out its mission with six primary programs: Aeronautics, Highway Transportation, Mass Transportation, Transportation Planning, Administration and the Equipment Service Center.

In addition to managing highways and roads, Caltrans also offers local agencies dump day services to customers that do not have the resources to directly disposal household bulky items. Furthermore, Caltrans is an employer of individuals whose passion is to keep California clean by utilizing the "Dump Day" initiative, which is to provide State, County and Local agencies with resources to provide safe disposal alternatives and improve the quality of life for their residents.

STATEMENT OF THE ISSUE

The Clean California initiative is a multiyear clean-up effort led by Caltrans to keep roads and waterways free of litter, create thousands of jobs, and transform state and local public spaces through beautification efforts. As part of the litter collection component, Caltrans proposed free dump day events where the public could dispose of household waste safely and properly for free (Dump Day events).

Caltrans offered to render its dump services free of charge to the City and residents of the City of Compton. At the request of the Mayor, residents had the opportunity to dispose of bulky items that they no longer needed or wanted. On the dates of November 5, 2022, February 4, 2023, March 25, 2023 and April 15, 2023, Compton residents dropped off their bulky items at 700 N. Bullis Road.

FISCAL IMPACT

Caltrans agreed to reimburse the City one hundred percent (100%) of cost for, including but not limited to, labor, equipment and/or dumping fees expended for Dump Day events (Dump Day Costs). Caltrans has agreed to reimburse the City in the amount Four Thousand Six Hundred Eight Dollars Sixty-Six Cents ($4,608.66) to fulfill its obligations under the agreement.

Prior to funds being expended, the FY 2023 – 2024 Budget must be amended to appropriate expenditures for funds that were received in Fiscal Year 2022 – 2023. Funds are available in fund 1518-000-000-2710 Fund Balance account.

Accordingly, the Public Works Fiscal Year 2023 – 2024 budget shall be amended as follows;

Increase Expenditure appropriations in the following accounts:

• 1518-710-DDO-4171	Overtime	$1,866.36
• 1518-710-DDO-4234	Disposal Fees and Trash	$ 726.21
• 1518-710-DDO-4249	Special Department Expenses	$2,016.09

RECOMMENDATION

Staff recommends that the City Council adopt the attached Resolution.

CITY CLERK OF THE CITY OF COMPTON

July 25, 2023

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: MUNICIPAL WATER DEPARTMENT

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON RESCINDING RESOLUTION NO. 25,730, AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH AND ISSUE A PURCHASE ORDER TO SOUTH BAY MILLWORKS FOR THE CUSTOMER SERVICE AND THE TREASURER'S OFFICE FRONT COUNTER REPLACEMENT PROJECT IN THE AMOUNT OF TWO HUNDRED THIRTY-SEVEN THOUSAND TWO HUNDRED DOLLARS ($237,200.00)

SUMMARY

Adoption of this resolution will rescind Resolution No. 25,730 and authorize the City Manager to enter into an agreement with and issue a purchase order to South Bay Millworks in the amount of $237,200.00 for the Customer Service and the Treasurer's Office front counter replacement project.

BACKGROUND

On April 17, 2017, the Municipal Water Department (Department) hired a private consultant to perform an Ergonomic Evaluation of several work stations throughout the Department, which included having an evaluation performed at the front counter. The front counter was deemed to be out of ADA (Americans with Disability Act of 1990) compliance, which ultimately led to the recommendation by the private consultant to completely replace the front counter as quickly as possible to be compliant with current standards and to prevent further injury to Department staff. At this time, the front counter has still not been replaced and has remained out of compliance.

The Department uses the front counter to assist walk-in customers with various transactions, which include, but are not limited to: opening and closing water accounts; assisting with water bill and payment related questions; and other customer service related tasks. Given the nature of the front counter and the customer service workload, several Customer Service Representatives have suffered and continue to suffer medical issues related to the front counter, which has affected the Department's productivity. Furthermore, the Treasurer's Office uses the front counter to collect payments for departments throughout the City.

The Department originally brought this resolution before City Council requesting approval on September 27, 2022. Unfortunately, the previous resolution did not list the correct account number that the funds would be allocated from; it also did not indicate that the Department would be requesting to enter into an agreement with South Bay Millworks. Therefore, the Department must rescind the original resolution to correct these two issues.

STATEMENT OF THE ISSUE

On April 11, 2022, the Department opened the Request for Proposal (RFP) process to solicit bids for the Customer Service and the Treasurer's Office front counter replacement project. The Department attempted to solicit quotes from three (3) reputable companies; however, upon the submission deadline of April 28, 2022, we were only able to garner a response from one (1) company. Furthermore, this is the second time the RFP process was initiated for the same project, and the first RFP process resulted in one (1) submission from the same company as well. The price for the front counter replacement project has more than doubled from the initial quote due to inflation (higher cost of materials), which makes it fiscally responsible to correct the issue as quickly as possible.

The company and their response are listed below:

Vendor	Purchase Price
South Bay Millworks	**$237,200.00**

Staff has determined that South Bay Millworks was deemed the lowest responsive and responsible bidder.

The proposal is itemized as follows:

Description	Amount
Treasurer Office - Cashier Counter	$86,000.00
Customer Service Counter	$59,400.00
Level 3 Ballistic Glass	$87,000.00
Shop Drawings	$4,800.00
Total	**$237,200.00**

ALTERNATIVES

Staff does not recommend any alternatives.

FISCAL IMPACT

Funds for this project will be allocated from the Department's fund balance.

ACCOUNT NO.	DESCRIPTION	AMOUNT
5000-000-000-2710	Fund Balance	$237,200.00

Increase Expenditures in the following Accounts:

ACCOUNT NO.	DESCRIPTION	AMOUNT
5000-890-000-4262	Other Professional Services	$237,200.00

It should be noted that the Department is not requesting any additional funds, as these funds have already been allocated. The Department is only requesting that the original resolution be rescinded to make minor corrections.

RECOMMENDATION

Staff recommends that Council adopt the attached Resolution, which rescinds Resolution No. 25,730, and authorizes the City Manager to enter into an agreement with and issue a purchase order to South Bay Millworks in the amount of $237,200.00 for the Customer Service and the Treasurer's Office front counter replacement project.

Accordingly, the provisions of this indemnity provision are intended by the Parties to be interpreted and construed to provide the fullest protection possible under the law to City. Consultant acknowledges that City would not enter into this Agreement in the absence of Consultant's commitment to indemnify and protect City as set forth herein.

15.2 To the full extent permitted by law, Consultant shall indemnify, hold harmless and defend City, its officers, agents, elected and appointed officials, employees, affiliated public agencies and volunteers from and against any and all claims, demands, lawsuits, causes of action, losses, costs or expenses for any damage due to death or injury to any person and injury to any property resulting from or arising out of any alleged intentional, reckless, negligent, or otherwise wrongful acts, errors or omissions of Consultant or any of its officers, employees, servants, agents, or subcontractors in the performance of this Agreement. Such costs and expenses shall include reasonable attorneys' fees incurred by counsel of City's choice and expert witness fees and consultant fees.

15.6 City does not, and shall not, waive any rights that it may possess against Consultant because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. This hold harmless and indemnification provision shall apply regardless of whether or not any insurance policies are determined to be applicable to the claim, demand, damage, liability, loss, cost or expense.

16.2 Consultant shall require each of its subcontractors, if any, to maintain insurance coverage that meets all of the requirements of this Agreement.

16.3 The policy or policies required by this Agreement shall be issued by an insurer admitted in the State of California and with a rating of at least A:VII in the latest edition of Best's Insurance Guide.

16.8 The general liability and automobile policies of insurance provided by Consultant shall be primary to any coverage available to City. Any insurance or self-insurance maintained by City, its officers, employees, agents or volunteers, shall be in excess of Consultant's insurance and shall not contribute with it.

16.9 All insurance coverage provided pursuant to this Agreement shall not prohibit Consultant, and Consultant's employees, agents or subcontractors, from waiving the right of subrogation prior to a loss. Consultant hereby waives all rights of subrogation against the City.

16.10 Any deductibles or self-insured retentions must be declared to and approved by the City. At the option of City, Consultant shall either reduce or eliminate the deductibles or self-insured retentions with respect to City, or Consultant shall procure a bond guaranteeing payment of losses and expenses.

16.11 Procurement of insurance by Consultant shall not be construed as a limitation of Consultant's liability or as full performance of Consultant's duties to indemnify, hold harmless and defend under Section 15 of this Agreement.

16.12 If Consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Consultant. The arbitrator shall submit in writing his or her decision within 30 days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The arbitrator's

decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision of the arbitrator rendered in accordance with the foregoing shall be binding upon the parties.

4. The arbitrator may hear and determine only one grievance at a time without the express agreement of the City and Local 2216.

5. It is agreed that the party determined by the ruling arbitrator to be in violation shall pay the total cost of arbitration with the exception of counsel's fees and witness services.

B. Arbitrator of Severe Discipline: Disciplinary actions which may or do result in a suspension, demotion, termination from active City employment, a reduction in pay or a disputed personnel transfer, constitute "severe discipline" for purposes of Article 29B. Notwithstanding anything in this Memorandum of Agreement, the procedures described below: 1) do not apply in the case of any dispute or personnel action other than "severe discipline as defined here; 2), do not apply in the case of a demotion because of failure to pass his/her probation; and 3) do not apply in the case of a termination of a probationary firefighter because of failure to pass his/her probation.

1. Method of Appeal: On or before the 10th work day after the date of written notice of severe discipline, the disciplined employee may invoke this appeal procedure by delivering written notice of such appeal to the City Manager. An employee's failure to timely deliver written notice of appeal waives these appeal procedures,

and makes the discipline final and binding. Such notice of appeal shall contain a statement of the grounds upon which it is based.

2. Selection of Arbitrator: As soon as possible, and in any event not later than ten work days after the City Manager receives a timely written notice of appeal from the employee, the parties shall agree upon an arbitrator. If no agreement is reached within said ten workdays, the parties shall jointly request a list of seven arbitrators from the State Mediation and Conciliation Service. If no agreement is reached on the selection of an arbitrator from the list, the parties will select an arbitrator by alternate striking of names from the list until one name remains. Each party bears its own counsel's fees, costs, witness services, and any other costs that the party unilaterally incurs. Also, any copies of transcripts of the proceedings other than that provided to the arbitrator will be paid

solely by the requesting party. The cost of the arbitrator shall be borne equally by the City and the employee.

b. Court Reporter: A reporter shall be ordered and shall be present during the entire proceedings. The cost of a reporter and of one copy of the transcript of the hearing shall be borne equally by the City and the employee.

c. Oaths and Subpoenas: The arbitrator shall have the power, upon request of either party, to issue subpoenas to compel the attendance of any witness. The arbitrator shall administer oaths or affirmations in conjunction with testimony given at such hearings. When employees of the City are called to testify on behalf of the City's case during non-working hours, they will be compensated for all time required of them during such non-duty hours at their regular rate of pay in the form of additional pay or compensatory time, as the City may decide in its discretion. If called by the aggrieved employee, an employee's normal pay for time released from normal work duties will be paid by the aggrieved employee and not by the City. Non-employee witnesses called by the City to testify on its behalf may be reimbursed for their actual loss of earnings and any expense incurred, in the discretion of the City.

d. Jurisdiction of the Arbitrator: The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Memorandum of Agreement or the City's Personnel Rules and Regulations, or any other City Council Resolution bearing upon the matter. The arbitrator shall have authority to determine only whether the City has proven the charges by the preponderance of the evidence

and what level of discipline is appropriate. The arbitrator may rescind the aggrieved employee's suspension, demotion, termination, or disputed personnel transfer. If the arbitrator finds that the action was taken without cause, the arbitrator may direct that the employee be paid all or a portion of the wages or salary to which he/she would have been entitled had he/she not been disciplined. Under no circumstances does the arbitrator have authority to award damages, attorney's fees or costs. The decision of the arbitrator shall be based solely upon the evidence and arguments presented by the respective parties at the hearing, on any stipulations entered into by them in writing, and by the arguments presented in their written briefs, if any. Findings of fact and conclusions drawn therefrom, that support the determination or award resulting from the hearing, will be issued in writing within the time limits agreed to between the employee, the City and the arbitrator at the conclusion of the hearing.

e. Effect of Arbitration Decision: The written decision of the arbitrator shall be final and binding on the employee, the Union, and the City, provided that the decision is within the arbitrator's jurisdiction, is limited to the agreed-upon issue(s), and is consistent with the preponderance of the evidence.

f. One Appeal at a Time: The Arbitrator may hear and determine only one appeal of severe discipline at a time without the express agreement of the City and Local 2216.

The City agrees to review the Fire Department's personnel files annually and to remove and/or seal any minor reprimands or infractions (excluding serious disciplinary matters, i.e., suspensions, dismissals and demotions) as follows:

Minor infractions or reprimands which are five years or older (as defined above) and those which have not been repeated within a two-year period.

ARTICLE 40. FLSA/OVERTIME

The City and the Union agree to the following application of the Fair Labor Standards Act:

1. The City and the Local agree to a 14-day work cycle with a maximum of 106 hours worked. For FLSA overtime purposes employees must be paid overtime in cash at a rate of one and one-half (1 1/2) the Unit member's regular rate of pay for all hours worked in excess of 106 hours for each 14 day pay period.
2. For purposes of overtime computation, all non-work hours shall be excluded from the hours a Unit member accrues with the exception of time granted for Union business and funeral leave.
3. In the event that the City is exempted from the requirements of the Fair Labor Standards Act, then the City and the Union agree that the above provisions of this Article are rescinded. The City would resume overtime computation for employees under the provision of the previous contract.

ARTICLE 41. QUARTERLY MEETING

The Union agrees to meet quarterly with the City to discuss and prepare tentative productivity standards for the various job classifications.

These discussions will serve as the basis of intended standards to be set at the expiration of this agreement and shall be incorporated into the terms and conditions of succeeding agreements. Further, the Union and the City agree to discuss the Administration of the Contract during these quarterly meetings. The intent here is for the parties to keep one another abreast of the day to day problems with respect to application of the MOU. It is not intended that any collective bargaining is to take place at these quarterly meetings.

Both parties agree that the added purpose of these meetings is to foster improved employer-employee relations, reduce the number of conflicts between the Union and Management through improved communications and set the tone for negotiations at the expiration of the MOU.

ARTICLE 42. DURATION

This Agreement shall be effective July 1, 20194, and shall remain in full force and effect through June 30, 20241~~6~~, unless amended by mutual consent, at which time, all terms and conditions agreed to in this Agreement shall be terminated.

BACKGROUND

The State of California State Auditor's Department issued an Audit report to the City in October of 2022. This report had findings and recommendations for various areas of improvement needed for the City. A few of the recommendations included in this report were (on page 4 and 6 of the report) stated as the following,

> *"By July 2023, direct the City Manager to make efforts to fully staff the human resources department and the City Controller's office with qualified individuals to ensure that these departments can address Compton's broader, chronic issues related to staffing and finances. The level of staffing in the departments should be sufficient for the successful performance of key tasks, including those listed in our recommendations"*
>
> *"By July 2024, the City Council should ensure that the City has issued its audited financial statements for fiscal years 2020-21, 2021-22, and 2022-23. The Council should adopt a requirement that, for subsequent years, the City must issue complete audited financial statements by six months after the end of the fiscal year. To ensure that it has the ability to meet this requirement, the City should consider*

measure such as increasing staff in the City Controller's office and training them on their responsibilities for preparing the financial statements."

"By December 2024, Compton should resolve all of the audit findings it has received that predate its fiscal year 2020-21 audited financial statements and any findings from subsequent audit reports, including findings related to improving financial controls."

Prior to this, there were also audit findings and recommendations to enhance the staffing in the City Controller's department that were published in the City's Single Audit Report and in the State Controller's Audit Report of 2018. The audit findings from the State Controller's Audit Report were combined with the City's external auditor (Eadie & Payne LLC)'s audit findings and were stated in the Fiscal Year 2019-2020 Single Audit report as follows:

The City has received 9 findings from that State Controller's office and from Eadie and Payne external audit firm during FY2018- FY2020 as follows:

Finding Number	Finding Title	Recommendation
2014-074B	Commitment to Competence (SD)	We recommend that the City implement a remedial action plan to adequately staff the departments. Most importantly, the City Controller's Office should be staffed with qualified and experienced individuals who can contribute immediately to the performance of its accounting functions. In addition, we recommend that the City implement policies to address the importance of experience and proper training of back-up staff when regular staff member are not available. Inexperienced staff may cause material impact in the City's operations in terms of incurring additional costs, delaying the processing of financial transactions, and failing to keep City Management and the City Council updated with accurate information
2014-062A	Turnover and Lack of Consistent Leadership (MW)	Recommendation: The SCO recommended that the City evaluate its hiring practices for its upper management positions. In addition, the SCO recommended that the City develop a succession plan that will help it to ensure continued leadership even during management turnover. E+P concurs with the SCO finding and recommendation.

2014-064A	Lack of Adequate Staff Performing Critical Functions (MW)	Recommendation: The SCO recommended that the City implement a remedial action plan to adequately staff the noted departments. Most importantly, the City Controller's Office should be staffed with qualified and experienced individuals who can contribute immediately to the performance of its accounting functions. In addition, the SCO recommended that the City implement policies to address the importance of experience and proper training of back-up staff when regular staff members are not available. Inexperienced staff may cause material impact in the City's operations in terms of incurring additional costs, delaying the processing of financial transactions, and failing to keep City Management and the City Council updated with accurate information.

In order to comply with the State Auditor, State Controller, and External Auditor recommendations for continuous staffing of qualified personnel, the City Controller is requesting that an agreement with at least one Temp Agency (a Temp Agency is a firm that provides a pool of staff in a particular industry, for organizations that need assistance with maintaining sufficient, qualified staff on an on-going basis) be approved so that operations can be maintained. The work performed would directly affect the City Controller Department's ability to adhere to the audit recommendations to catch up on all delayed audits and to implement all audit findings. The temp agency would be used only until successful recruitments have been completed, and upon re-evaluation every ninety days by related City Bargaining Units of exhaustion of all other avenues to staff the department.

It should be of note that candidates from temp agencies are different from the hiring of permanent employees. A temp agency candidate can be separated from the City at any time, unlike City employees. Additionally, temp agency candidates do not receive any City fringe benefits, and are paid directly by the temp agency. Lastly, the temp agency bills the City for the hourly rate of the candidate, plus a premium which is the agency's management fee. The arrangement with the agency is strictly temporary, unlike the hiring arrangement with permanent City employees.

Although recruitments are on-going for several positions in the City Controller's Department, there are some recruitments that have not yet begun, have resulted in staff-move-ups, or which have had unsuccessful outcomes from the recruiting process. These failures to maintain continuous, qualified staff, over time, have caused the City Controller's department to delay significant deliverables, and has caused specifically, the City of Compton to be listed as number one high risk since the FY 2020-2021 Audit could not be completed on time.

A Meet and Confer with affected Bargaining Unit representatives has already taken place on February 9th, 2023, and an agreement was reached that all other routine avenues of staffing the department were exhausted and that a temp agency would be the only avenue at this time to assist the Controller's Department to fulfill the requirements of the various auditing authorities through staffing. The meeting with affected Bargaining Unit representatives included a declaration by union representatives that they would have comfort with such an outreach to a temp agency, only if the cost would be limited to $25,000 per each employee vacancy in the department. Further, per discussion with the City's Human Resources (HR) Department management, the HR Department does not participate in the monitoring or usage of temp agency firms since the candidates are not City employees. The agreement with the affected bargaining unit representatives has already occurred and therefore the HR Department participation is not needed.

STATEMENT OF ISSUE

In order to remain in compliance with the State of California Auditor's October 2022 recommendations as well as to remain in compliance with the State Controller Audit Report and External Auditor recommendations to fully staff the Controller's Department with qualified personnel, Controller staff has searched for quotes for accountants from various temp agencies specializing in Accounting staff.

It shall be of note that Section 4-11.7.d of the Municipal Code states the following in regards to competitive bidding requirements for accountants:

> *"Except as otherwise provided in Section 1409 of the City Charter, state, or federal law, the competitive bidding requirements of this section shall not apply in the following circumstances:*
>
> *d. Any contract for professional services; such as, but not limited to, attorneys, physicians, architects, engineers, consultants, accountant, specialized printers or other individuals or organizations possessing a high degree of professional, unique, specialized or technical skill or expertise. Selection of professional services providers shall be on the basis of demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required at a fair and reasonable price."*

Therefore, by the authority expressed in this section of the municipal code a request for proposal was not issued. However, careful scrutiny has been placed by the City Controller Department staff on achieving qualified temporary candidates at a reasonable price by the comparison of various quotes of hourly rates and qualifications listed by temp agency candidate resumes. Background checks on temp agency candidates will also be performed by the temp agency agencies before a candidate is brought on-board.

At the time of this report, there are two permanent vacancies in the Accounting Specialist position (due to a retirement and selection of internal candidate for the Financial Analyst position recruitment), and one temporary vacancy in the Accounting Specialist position (due to a temporary move up opportunity of an existing Accounting Specialist into an Accountant I position). Additionally, there is one permanent vacancy for an Accountant II position. There is an on-going recruitment for Accounting Specialist for the permanent vacancies. The recruitment for Accountant II has not yet begun. The Controller's office is also waiting for a recruitment of Internal Auditor to be completed which may also affect the temporary vacancy in one of the Accounting Specialist positions.

It is not feasible to know at the time of this agenda item the actual temp candidate that will be brought on-board since the pool of candidates maintained by different temp agency firms changes daily. Different temp agency firms have different candidates with different backgrounds, experiences, and different hourly rates who are available at different times. Therefore, agreements with four firms are being requested so that the most advantageous candidate can be selected at the best hourly rate from the pool of candidates from any of the firms. This approach increases the opportunities for the City to achieve its objectives at the lowest possible rate.

Therefore, the Purchase Order that is being requested would be issued to either firm or to all firms with a total-combined not-to-exceed-spending-amount of Seventy-Five Thousand Dollars ($75,000).

FISCAL IMPACT

The cost for these services is not to exceed Seventy-Five-Thousand Dollars ($75,000), per the estimated cost of performing the necessary functions that have fallen behind for the unrecruited or delayed-recruited positions.

A budget amendment to the FY2023-2024 City Controller's Department Budget is being requested for the following:

Decrease in Expenditure appropriations:

Account Code	Account Name	Amount
1001-650-000-4101	General Fund, Controller's Dept Salaries - Permanent	$75,000.00

Increase in Expenditure appropriations:

Account Code	Account Name	Amount
1001-650-000-4262	General Fund, Controller's Dept Other Professional Services	$75,000.00

A purchase order for Seventy-Five-Thousand Dollars ($75,000.00) is being requested to be authorized to be issued out of the following account. The Purchase Order that is being

requested would be issued to either firm or to all firms with a total-combined not-to-exceed-spending-amount of Seventy-Five-Thousand Dollars ($75,000):

Account Code	Account Name	Amount
1001-650-000-4262	Other Professional Services	$75,000.00

The achievement of timely production of financial information will provide guidance for financial decision making that will ultimately improve the City's financial position, while simultaneously addressing related auditor findings and recommendations.

ALTERNATIVE

The City would continue to remain in a position of being behind and remaining out of compliance with auditor recommendations to provide for timely financial information for which staff could start implementing into day-to-day operations, and these audit findings would likely continue to be repeated until an equally effective measure is adopted and implemented.

RECOMMENDATION

The City Controller recommends that the City Council adopt the attached Resolution.

CITY MANAGER

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON TO AUTHORIZE THE CITY MANAGER TO EXECUTE AGREEMENTS WITH HELPMATES STAFFING SERVICES LLC, CENTURY GROUP, TANDYM GROUP LLC, AND WITH ROBERT HALF INTERNATIONAL INC FOR ACCOUNTING TEMP AGENCY SERVICES, TO AUTHORIZE AN AMENDMENT TO THE CITY CONTROLLER'S DEPARTMENT FY2023-2024 BUDGET, AND TO AUTHORIZE A PURCHASE ORDER ($75,000.00 FOR ALL AGREEMENTS COMBINED).

WHEREAS, the State of California State Auditor's Department issued an Audit report to the City in October of 2022. This report had findings and recommendations for various areas of improvement needed for the City. A few of the recommendations included in this report were (on page 4 and 6 of the report) stated as the following,

"By July 2023, direct the City Manager to make efforts to fully staff the human resources department and the City Controller's office with qualified individuals to ensure that these departments can address Compton's broader, chronic issues related to staffing and finances. The level of staffing in the departments should be sufficient for the successful performance of key tasks, including those listed in our recommendations"

"By July 2024, the City Council should ensure that the City has issued its audited financial statements for fiscal years 2020-21, 2021-22, and 2022-23. The Council should adopt a requirement that, for subsequent years, the City must issue complete audited financial statements by six months after the end of the fiscal year. To ensure that it has the ability to meet this requirement, the City should consider measure such as increasing staff in the City Controller's office and training them on their responsibilities for preparing the financial statements."

"By December 2024, Compton should resolve all of the audit findings it has received that predate its fiscal year 2020-21 audited financial statements and any findings from subsequent audit reports, including findings related to improving financial controls."

WHEREAS, prior to the State Auditor's Report of October of 2022, there were also audit findings and recommendations to enhance the staffing in the City Controller's department that were published in the City's Single Audit Report and in the State Controller's Audit Report of 2018. The audit findings from the State Controller's Audit Report were combined with the City's external auditor (Eadie & Payne LLC)'s audit findings and were stated in the Fiscal Year 2019-2020 Single Audit report as follows:

The City has received 9 findings from the State Controller's office and from Eadie and Payne LLP external audit firm during FY2018- FY2020 as follows:

It is understood that you are responsible for implementing and maintaining usual, customary and appropriate internal accounting procedures and controls, internal controls and other appropriate procedures and controls (including information technology, proprietary information, creative designs and trade secret safeguards) for your company and RH shall not be responsible for any losses, liabilities or claims arising from the lack of such controls or procedures.

Professionals are assigned to you under the following additional terms:

1. Guarantee - RH guarantees your satisfaction with the Services of the Professional by extending to you a one-day (8 hour) guarantee period. If, for any reason, you are dissatisfied with the Professional, RH will not charge for the first eight hours worked, provided that you allow RH to replace Professional. Unless you contact RH before the end of the first eight hours guarantee period, you agree that the Professional is satisfactory.
2. Bill Rates and Time Sheet - Hourly rates for all assignments will be agreed on a case-by-case basis. Professionals will present a time sheet or an electronic time record to you or your representative for verification and approval at the end of each week. RH will bill you weekly for the total hours worked; RH's invoices are due upon receipt, including applicable sales and service taxes all of which are payable by you. In the event that you fail to pay the invoices when due, you agree to pay all of RH's costs of collection, including reasonable attorneys' fees, whether or not legal action is initiated. Additionally, RH may, at its option, charge interest on any overdue amounts at a rate of the lesser of 1½% per month or the highest rate allowed by applicable law from the date the amount first became due. RH may charge you a technology fee for the provision of equipment or technology, if you request that a Professional use equipment or technology provided by us. RH may also increase its rates to reflect increases in our own costs of doing business, including costs associated with higher wages for workers and/or related tax, benefits or other costs. RH will provide written or verbal notice of technology fees and/or increase in its rates. Any increase in RH rates will be prospective, starting as of the effective date RH specifies in the notice.
3. Overtime - If applicable, overtime will be billed at 1.50 times the normal billing rate. Federal law defines overtime as hours in excess of 40 hours per week, state laws vary. If state law requires double time pay, the double time hours will be billed at 2.00 times the normal billing rate.
4. Hiring the Person Referred to You - After you evaluate the performance and potential of a Professional on the job, you may wish to employ this person directly. In such event, you agree to pay a conversion fee. The conversion fee is payable if you hire a Professional, regardless of the employment classification, on either a full-time, temporary (including temporary assignments through another agency) or consulting basis within twelve months after the last day of the assignment. You also agree to pay a conversion fee if a Professional is hired by (i) a subsidiary or other related company or business as a result of your referral of the Professional to that company or (ii) one of your customers as a result of the Professional providing services to that customer.

   The conversion fee will be owed and invoiced upon your hiring of the Professional, and payment is due upon receipt of the invoice. The same calculation will be used if you convert the Professional on a part-time basis using the full-time equivalent salary.

   The conversion fee will equal a percentage of the Professional's aggregate annual compensation, including bonuses:

RECITALS:

WHEREAS, the City's objective is to select a professional governmental relations and lobbying services firm to represent the City of Compton before federal, state and local legislative bodies by developing and sponsoring sound legislation in the interest of the City, and likewise by opposing detrimental legislative proposals and identifying and preparing application for grant funding; and

WHEREAS, by Resolution No. 25,692, adopted on the 28th of June 2022, the City Council authorized the City Manager to enter into a professional services agreement with the Consultant to provide the needed services; and

WHEREAS, Consultant is willing to render such professional services subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, Consultant and City, (collectively the "Parties"), for the consideration, terms and conditions herein described, mutually agree as follows:

AGREEMENT:

1. **Services to be rendered by Consultant.** It is the mutual understanding of the Parties that the Consultant shall perform and be responsible for providing and rendering the professional services of a governmental relations firm to work with the City to address matters in which Charter Law Municipalities require professional assistance before the Federal Legislature, California State Legislature, individual Federal/State Legislators, the California State Governor, and other state agencies. Governmental relations services will include, though are not limited, to the professional services as more fully discussed in the City's **"Request for Proposal: Governmental Relations and Lobbying Services"** (dated April 20, 2022) and the Consultant's **"Proposal for**

Government Relations and Lobbying Services" (dated May 11, 2022), both of which are incorporated herein by this reference.

Consultant acknowledges that in entering into this Agreement the City is relying on Consultant's special skills and experience to do and perform the services in accordance with best standards of professional practice. Consultant agrees to perform all the said services and to the extent not furnished by the City, furnish all the necessary materials at its own cost and expense necessary to complete said services in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances and to the reasonable satisfaction of the City.

Consultant services hereunder shall be performed in a good, workmanlike and professional manner. Consultant shall be responsible for correcting and completing all errors and omissions related to the services provided by the Consultant for this Agreement at no additional cost to the City. "Errors" and "Omissions" for purposes of this paragraph are defined to mean a failure by the Consultant to meet the standards of its profession as set forth in the preceding paragraph. The acceptance of the services by City does not release Consultant from these obligations.

Consultant will be responsible for employing or engaging all persons necessary to perform the services. All of Consultant's staff will be qualified by training and experience to perform their assigned tasks. Consultant will give its personal attention to the fulfillment of the provisions of this Agreement by all of its employees and sub-consultants, if any, and will keep the services under its control. On demand of the City, if any employee or sub-consultant of Consultant fails or refuses to carry out the provisions of this Agreement or appears to be incompetent or to act in a disorderly or improper manner, Consultant agrees that he or she will be discharged from performing services pursuant to provisions of this Agreement.

Christopher Townsend, President of Consultant, shall be primarily responsible for representing Consultant in performance of this Agreement.

2. **Duration of Contract.** The term of this Agreement shall commence upon Notification to Proceed from the City to Consultant and Consultant shall perform the services in a diligent and professional manner pursuant to this Agreement through June 30, 2023, unless this Agreement is extended or terminated as provided herein.

If agreed to between the Parties, the term of this Agreement may be extended for two (2) – one (1) year terms (i.e. July 1, 2023 – June 30, 2024 and/or July 1, 2024 – June 30, 2025).

3. **Compensation.** The method of payment for the services will be based on a fee-for-services basis, billable at the rates identified within Consultant's **"Budget"** within the **"Proposal"**, which is incorporated herein. It is understood and agreed between the Parties that the maximum compensation payable for all services performed by the

Consultant during the initial term of this Agreement shall be limited to a not-to-exceed amount of **Ninety Six Thousand Dollars ($96,000.00).** Should the Parties agree to extend the term of this Agreement (see **Section 2,** above), it is understood and agreed that the maximum compensation payable for all services performed by the Consultant during each extension exercised, if any, shall be limited to the not-to-exceed amount of **Ninety Six Thousand Dollars ($96,000.00)** per contract year extension.

The total price paid the Consultant will include compensation for all work, including travel, materials, supplies, vendor services, expenses and subcontracted work. No additional compensation will be paid to the Consultant, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total compensation will be negotiated between the Consultant and the City. Adjustment in the total compensation will not be effective until authorized and approved in writing by the City. Should the Parties be unable to agree as to a compensation adjustment amount for changes in the work or scope of the project, this Agreement may be terminated pursuant to the provisions of **Section 16,** below.

Consultant acknowledges the importance to City of the project schedule and agrees to put forth its best professional efforts to perform the services in a manner consistent with that schedule. City understands, however, that Consultant's performance must be governed by sound practices. Consultant will work such overtime or engage such personnel and equipment as necessary to maintain the schedule, without additional compensation.

Consultant shall provide the City with monthly reports describing services performed during the preceding month of services. Reports and Invoices shall be delivered or mailed to the **City Manager or his/her designee** at the following address: **City of Compton, 205 South Willowbrook Avenue, Compton, California 90220.**

In the event of termination, the Consultant shall be entitled to compensation for the undisputed reasonable value of services performed to the effective date of termination, including any non-cancellable obligations incurred prior to termination; provided, however, that the City may condition payment of such compensation upon the Consultant's delivery to the City of any and all City property, documents, reports, records, materials and work product associated with the performance of this Agreement.

4. Ownership of Materials. Consultant agrees that all of its customized reports, recommendations, plans, copyrightable materials and other work product created or assembled by it in the course of performing the services ("Work Product") hereunder are works for hire for the benefit of the City and as such is the sole property of the City. To the extent that such materials and work product do not constitute work for hire, in consideration of the payments and other covenants of the City, as set forth or called for herein, Consultant hereby sells, transfers, conveys and assigns any and all of its rights therein to the City. In the event this Agreement is terminated, all Work Product produced

by Consultant or its agents, employees and sub-consultants pursuant to this Agreement will be delivered to City pursuant to the termination clause of this Agreement.

The Work Product may be used by City and its agents, employees, representatives, and assigns, in whole or in part, or in modified form, for all purposes City may deem advisable, without further employment of or payment of any compensation to Consultant; provided, however, that if this Agreement is terminated for any reason prior to completion of the Project and if under such circumstances City uses, or engages the services of and directs another consultant to use, the Work Product, City agrees to hold Consultant harmless from any and all liability, costs, and expenses relative to claims arising out of matters and/or events which occur subsequent to the termination of this Agreement as a result of causes other than the fault or negligence of Consultant, or anyone for whose acts it is responsible, in preparation of the Work Product. Consultant will not be responsible for deficiencies solely attributable to modifications of the Work Product performed by others, or that arise from use of the Documents in connection with a project or site other than that shown in the Work Product.

5. Independent Consultant Status. Consultant, its officers, employees, subcontractors, agents and volunteers (collectively hereinafter the "Consultant"), is a wholly independent Consultant and not an officer, employee, sub-contractor or agent of the City of Compton. Neither the City nor any of its officers, employees, agents or volunteers shall have any control over the conduct of the Consultant, except as expressly set forth in this Agreement. Consultant expressly warrants that while engaged in carrying out and complying with any terms and conditions of this Agreement that Consultant shall not at any time or in any manner, represent that Consultant is in any manner officers, employees, agents or volunteers, joint venture or partner of the City. Consultant shall obtain no rights to retirement, health care or any other benefits that accrue to City officials, officers, or employees. Consultant expressly waives any claim to such rights. City will not make deductions from any amounts payable to Consultant of taxes or insurance. All payroll and employment taxes, insurance, and benefits shall be the sole responsibility of Consultant. Consultant retains the right to provide services for others during the term of this Agreement.

The payment(s) made to Consultant pursuant to the Agreement will be the full and complete compensation to which Consultant is entitled. City will not make any federal or state tax withholdings on behalf of Consultant or its agents, employees or subcontractors. City will not pay any workers' compensation insurance, retirement contributions or unemployment contributions on behalf of Consultant or its employees or subcontractors. Consultant agrees to indemnify and pay City within thirty (30) days for any tax, retirement contribution, social security, overtime payment, unemployment payment or workers' compensation payment which City may be required to make on behalf of Consultant or any agent, employee, or sub-consultant of Consultant for work done under this Agreement. At the City's election, City may deduct the amounts paid pursuant to this Section, from any balance owing to Consultant.

6. Successors, Assignment and Delegation. City and the Consultant each binds themselves, their partners, successors, assigns and legal representatives to the other hereto and to partners, successors, assigns and legal representatives of such other party in respect to all covenants, agreements and obligations contained in this Agreement.

The expertise and experience of Consultant are material considerations for this Agreement. Consultant shall not assign or transfer any interest in this Agreement or the performance of any of Consultant's obligations under this Agreement without the prior written consent of the City. Any attempted assignment or transfer of any of Consultant's rights, duties or obligations arising under this Agreement shall be null and void.

7. Nondiscriminatory Employment Practices. During the performance of this Agreement, the Consultant agrees not to discriminate against any employee or applicant for employment because of race, sex, creed, color, religion, age, sexual orientation, marital status, national origin, political affiliation, handicap or belief in accordance with requirements of City, State or Federal laws and regulations. Consultant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, sex, creed, color, religion, age, sexual orientation, marital status, national origin, political affiliation, handicap or belief in accordance with requirements of City, State or Federal laws and regulations. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant agrees to post in conspicuous places, available to employees, applicants and sub-consultants for employment, notices setting forth the provisions of this non-discrimination clause.

In the event of the Consultant's non-compliance with the non-discrimination clause of this Agreement, this Agreement may be immediately canceled, terminated or suspended in whole or in part.

8. Subcontracting. Consultant's services are unique and personal. Except as may be specified in Consultant's Proposal and agreed to by the City, Consultant will not subcontract any portion of the services without prior written approval of City Manager or his/her designee. If Consultant subcontracts any of the services, Consultant will be fully responsible to City for the acts, errors and omissions of Consultant's sub-consultant and of the persons either directly or indirectly employed by the sub-consultant, as Consultant is for the acts and omissions of persons directly employed by Consultant. Nothing contained in this Agreement will create any contractual relationship between any sub-consultant of Consultant and City. Consultant will be responsible for payment of sub-consultants. Consultant will bind every sub-consultant by the terms of this Agreement applicable to Consultant's work unless specifically noted to the contrary in the subcontract and approved in writing by City.

9. Other Consultants. The City reserves the right to employ other consultants in connection with the services.

10. Indemnification. Consultant shall indemnify and save harmless the City, its officials, officers, employees, agents and volunteers (collectively hereinafter the "City"), against any and all damages to property or injuries to or death of any person or persons, including property and employees or agents of the City and shall indemnify and save the City from any and all liability and expense including reimbursement of reasonable defense costs and legal fees, and claims, demands, suits, actions or proceedings of any kind or nature, including Workers' Compensation claims, of or by anyone whomsoever to the extent resulting from or arising out of the negligent, reckless or willful misconduct for the Consultant, its officers, employees, sub-consultants, or agents in the performance of the duties undertaken by Consultant pursuant to this Agreement.

This indemnification and hold harmless obligation does not extend to claims arising out of the negligence or willful misconduct of the City.

11. Insurance. Without limiting the Consultant's indemnification of the City, Consultant shall obtain and maintain, at its cost and expense, for the duration of the Agreement and any and all amendments hereto, insurance against claims for injuries to persons or damage to property which may arise out of or in connection with performance of the services by Consultant or Consultant's agents, representatives, employees or sub-consultants. The insurance will be obtained from an insurance carrier admitted and authorized to do business in the State of California. Such evidence shall specifically identify this Agreement and shall contain express conditions that the City is to be given written notice at least thirty (30) days in advance of any termination or implementation of a reduction of limits or material change of insurance coverage as specified herein. ***Failure on the part of the Consultant to procure or maintain insurance shall constitute a material breach upon which the City may immediately terminate this Agreement.*** All insurance required hereunder shall be primary with respect to any insurance maintained by the City.

Coverages and Limits. Consultant will maintain the types of coverages and minimum limits indicated below, unless the Risk Manager or City Manager, in consultation with the City Attorney approves a lower amount. These minimum amounts of coverage will not constitute any limitations or cap on Consultant's indemnification obligations under this Agreement. City, its officers, agents, volunteers and employees make no representation that the limits of the insurance specified to be carried by Consultant pursuant to this Agreement are adequate to protect Consultant. The coverage will contain no special limitations on the scope of its protection to the below-indicated insureds except for Workers Compensation and errors and omissions insurance. Consultant will obtain occurrence coverage, excluding Professional Liability, which will be written as claims-made coverage. If Consultant believes that any required insurance coverage is inadequate, Consultant will obtain such additional insurance coverage, as Consultant deems adequate, at Consultant's sole expense.

11.1 Commercial General Liability Insurance. $1,000,000 combined single-limit per occurrence for bodily injury, personal injury and property damage. If the submitted policies contain aggregate limits, general aggregate limits will apply separately to the work under this Agreement or the general aggregate will be twice the required per occurrence limit.

11.2 Workers' Compensation and Employer's Liability. Workers' Compensation limits as required by the California Labor Code and Employer's Liability limits of $1,000,000 per accident for bodily injury. Workers' Compensation and Employer's Liability insurance will not be required if Consultant has no employees and provides, to City's satisfaction, a declaration stating this.

11.3 Professional Liability. Errors and omissions liability appropriate to Consultant's profession with limits of not less than $1,000,000 per claim. The coverage shall also provide an extended two (2) year reporting period commencing upon termination or cancellation of this Agreement.

Endorsements. For Commercial General Liability Insurance, Consultant will ensure that the policies are endorsed to name the City of Compton and its respective elected and appointed officers, officials, employees, agents and volunteers as **"additional insureds"** with respect to liability arising out of the activities of the Consultant. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City. ***Prior to City's execution of this Agreement, Consultant will furnish certificates of insurance and endorsements to City.***

Waiver of Subrogation. The policies shall contain a waiver of subrogation for the benefit of City.

12. Permits and Licenses. Consultant, at its own expense, during the term of this Agreement, shall obtain and maintain all appropriate business and professional permits, licenses and certificates that may be required in connection with the performance of services by the Consultant. Upon execution of this Agreement, the Consultant shall show evidence of a business license permit in conformance with *Section 9-1.2* of the *Compton Municipal Code.*

13. Maintenance of Records. Consultant will maintain complete and accurate records with respect to costs incurred under this Agreement. All records will be clearly identifiable. Consultant will allow a representative of City during normal business hours to examine, audit, and make transcripts or copies of records and any other documents created pursuant to this Agreement. 15. General Compliance with Laws. Consultant will keep fully informed of federal, state and local laws and ordinances and regulations, which in any manner affect those employed by Consultant, or in any way affect the performance of the services by Consultant. Consultant will at all times observe and comply with these laws, ordinances, and regulations and will be responsible for the compliance of the services with all applicable laws, ordinances and regulations. In the event the Consultant encounters any conflict between such laws and ordinances, Consultant shall notify the City in writing and the Parties agree to work cooperatively to resolve the conflict.

16. Termination. In the event of the Consultant's failure to prosecute, deliver, or perform the services, after giving written notice of default and two (2) days to correct the same, then, in addition to any other remedies, City may terminate this Agreement for nonperformance by notifying Consultant in writing. Consultant has five (5) business days to deliver any documents owned by City and all work in progress to City address contained in this Agreement. City will make a determination of fact based upon the work product delivered to City and of the percentage of work that Consultant has performed which is usable and of worth to City in having the Agreement completed. Based upon that finding City will determine the final payment of the Agreement. In the event City elects to terminate, City will have the right to immediate possession of all Work Product and work in progress prepared by Consultant, whether located at Consultant's place of business, or at the offices of a sub-consultant.

The City's obligation is payable only from funds appropriated for the purpose of this Agreement. All funds for payments after the end of the current fiscal year are subject to the City's legislative appropriation for this purpose. In the event this Agreement extends into succeeding fiscal year periods and the City Council does not allocate sufficient funds for the next succeeding fiscal year payments, this Agreement shall terminate immediately upon written notice from the City.

Either Party, upon tendering ten (10) calendar days written notice to the other Party, may terminate this Agreement for convenience. In this event and upon request of City, Consultant will assemble the work product without charge, put it in order for proper filing and closing, and deliver it to City. Consultant will be paid for work performed to the termination date; however, the total shall not exceed the maximum amount payable as specified in **Section 3,** above. City will make the final determination as to the portions of tasks completed and the compensation to be made.

17. Covenants Against Contingent Fees. Consultant warrants that Consultant has not employed or retained any company or person, other than a bona fide employee working for Consultant, to solicit or secure this Agreement, and that Consultant has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon, or resulting from, the award or making of this Agreement. For breach or violation of this warranty, City will have the right to terminate this Agreement for nonperformance, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of the fee, commission, percentage, brokerage fees, gift, or contingent fee.

SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH AND ESTABLISH A PURCHASE ORDER WITH STETSON ENGINEERS, INC. FOR PROVIDING PROFESSIONAL ENGINEERING CONSULTANT SERVICES AND PROJECT MANAGEMENT TO FINALIZE WORK ON ONLY WELL 20 FOR FISCAL YEAR 2023-2024 OR UNTIL THE PROJECT RECEIVES AN OPERATING PERMIT AND THE WELL IS FULLY FUNCTIONAL IN AN AMOUNT NOT TO EXCEED TWENTY-SEVEN THOUSAND DOLLARS ($27,000)**

SUMMARY

The City Council will consider a resolution authorizing the City Manager to enter into an agreement with and establish a purchase order with Stetson Engineers, Inc. for providing professional engineering consultant services and project management to finalize work on only Well 20 for Fiscal Year 2023-2024 or until the project receives an operating permit and the Well is fully functional in an amount not to exceed Twenty-Seven Thousand Dollars ($27,000).

BACKGROUND

The Municipal Water Department (Department) is responsible for overseeing the City's utility services. The water system is approximately 7.8 square miles, composed of approximately 156 miles of main lines, eight (8) water wells, two (2) reservoir locations with corresponding booster pump stations, approximately 3,500 gate valves, 1,700 fire hydrants and 19,001 service connections.

On May 17, 2022, City Council appropriated Seven Million Nine Hundred Eighty-Eight Thousand Dollars ($7,988,000.00) of the American Rescue Plan Act (ARPA) funds to the Department to invest in necessary improvements that will upgrade the aging water infrastructure.

On December 20, 2022, City Council authorized the re-appropriation of ARPA funds to the Department's capital budget. The Department intends to utilize these funds for ongoing projects throughout the current and subsequent fiscal years through December 31, 2026.

There is a deadline to obligate the ARPA funds and to open purchase orders by December 31, 2024. Additionally, the Department has until December 31, 2026 to fully expend the funds.

The Department is seeking to move forward with the capital improvement projects and needs the services of a professional engineering consultant to analyze the water infrastructure and evaluate its water production, conveyance, storage, and distribution infrastructure, including its production wells and associated groundwater quality and prepare recommendations, related design services, project management of all recommended approved projects and overseeing construction of approved projects.

STATEMENT OF THE ISSUE

On April 5, 2023, the Department opened the Request for Proposal (RFP) process to solicit bids for Professional Engineering Consultant Services and Project Management, which closed on April 26, 2023. The Department solicited quotes from ten (10) reputable professional engineering firms.

The firms that submitted proposals are listed as follows:

Vendor	Hourly Rate Schedule	
Infrastructure Engineers	Principal in Charge	$ 238
	Project Manager	$ 185
	Principal Engineer	$ 180
Tetra Tech	Program Manager	$ 300
	Project Manager	$ 210
	Principal Engineer	$ 365
Stetson Engineers, Inc.	**Principal**	**$ 249**
	Senior Project Manager	**$ 216**
	Special Project Director	**$ 249**

After a thorough review of the quotes submitted, staff has determined that Stetson Engineers, Inc. is the most responsive and responsible bidder to provide professional engineering consulting services and project management to finalize work on only Well 20 for FY 2023-2024 or until the project receives an operating permit and the Well 20 site is fully operational.

In 2017, Stetson Engineers was selected to assist the City in the implementation of a Treatment Plant to help address High Levels of Iron and Manganese in the water at the well 20 site. Stetson helped with the design and other related and necessary items but never completed the State Division of Drinking Water (DDW) permitting phase. Mainly due to short staffing and Management changes that transpired within the City of Compton.

As a result, the City never completed the process. With this in mind, Staff has selected Stetson Engineers vs. any other company to assist with the completion of this project until the City receives an operational permit from DDW. The City is of the opinion, Stetson would be the most logical and cost-effective approach to this project's completion. Stetson Engineers has the knowledge and the background experience to finalize the project vs. another firm. A new firm would have to start from scratch and take the time to get familiar with the project's background, condition and needs. That step would lead to a significant cost increase and delay the project's completion time lines.

Stetson has all the background information for the Well 20 site and has previously completed the majority of the necessary items to help finalize the project to receive a DDW permit. They have previously prepared the necessary documentation for Well 20 Treatment Plant that the State Water Department would requires for review, such as the Operational and Maintenance Manuals and procedures to be submitted to DDW. With this in mind that is the reason Stetson was selected vs. any other firm.

The services to be rendered will be provided on a task-by-task basis and will include, but not limited to the following tasks and deliverables:

Evaluating available water quality data from the City's Well 20 site, including the possible presence of volatile organic compounds (VOCs), 1,4-dioxane, per- and polyfluoroalkyl substances (PFAS), and other organic and inorganic contaminants, and making recommendations as appropriate for treatment, blending, and/or mitigation measures to help the City meet and exceed State and Federal water quality standards.

Evaluating the City's well 20 site production well in terms of its production capacity, vertical screened intervals, integrity, and overall condition and making recommendations as appropriate for rehabilitation and repairs, including redevelopment, sealing parts of the well screen, re-casing the wells, replacing pumps, and the like.

Evaluating other water-related City infrastructure at the well 20 site including but not limited to security, lighting, safety, and the overall condition of the well 20 production well site, conveyance and distribution piping, storage facilities, pump houses, grading and

paving of the well 20 site, reservoirs and treatment facility, the adequacy of existing Supervisory Control and Data Acquisition (SCADA) systems, pressure station and related

electrical systems and making recommendations as appropriate for repairs, upgrades, or replacement.

Project management of related recommended upgrades.

Employing or engaging all persons necessary, including subcontractors and project managers to perform the services of the related recommended upgrades.

ALTERNATIVES

Staff does not recommend any alternatives.

FISCAL IMPACT

The purchase orders will be opened from the following account:

Account	Description	Amount
2810-86-008-4262 Well 20	Other Professional Services	$27,000
	Total	$27,000

The agreement with Stetson Engineers, Inc. is not to exceed Twenty-Seven Thousand Dollars ($27,000) for Fiscal Year 2023-2024. This allocation may take place in future budgets as applicable.

RECOMMENDATIONS

Staff recommends that the City Council adopt the attached Resolution, which authorizes the City Manager to enter into an agreement with Stetson Engineers, Inc. and establish a purchase order for providing professional engineering consultant services and project management to finalize work on Well 20 in an amount not to exceed Twenty-Seven Thousand Dollars ($27,000) for Fiscal Year 2023-2024 or until the project receives an operating permit and the Well is fully functional.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON ORDERING CHARGES FOR SOLID WASTE AND RECYCLABLE MATERIALS HANDLING SERVICES, DELINQUENCIES TO BE COLLECTED ON THE LOS ANGELES COUNTY TAX ROLL FOR FISCAL YEAR 2023-2024 AND COMBINED OUTSTANDING BALANCES FOR TAX ROLL BILLING FOR FISCAL YEAR 2022-2023

SUMMARY

Adoption of the attached Resolution will authorize ordering charges for solid waste and recyclable materials handling services and delinquencies to be collected on the Los Angeles County Property Tax Roll for Fiscal Year 2023-2024 and combined Outstanding Balances for Fiscal Year 2022-2023.

BACKGROUND

The City Council is authorized pursuant to Chapter XXI of the Compton Municipal Code and Article 4 of Chapter 6 of Part 3 of Division 5 of the California Health and Safety Code, commencing with Section 5470 (“HSC Code”) to levy annual charges for solid waste and recyclable materials handling services (“Charges”) and to have such Charges, whether or not delinquent, collected on the County of Los Angeles Property Tax Roll (“Tax Roll”), the water bill for the premises, or by separate bill of the City or the City’s franchise hauler, Republic Services, Inc. (“Republic”).

STATEMENT OF ISSUE

Effective, July 1, 2023, the City will bill all single-family and multi-family (without bin service) parcels within the City on the County of Los Angeles Property Tax Roll.

The City's solid waste & recyclable materials hauler, Republic Services, Inc., bills the charges for multi-family accounts (with bin service) and commercial accounts, by invoice, and may turn over delinquent accounts to the City for collection on the Tax Roll.

Pursuant to the City’s Amended and Restated Agreement with Republic Services, Inc. Republic bills and collects charges for all other customers. For charges billed by Republic, the charge will be considered delinquent if payment is not received by Republic on or before 30 days after billing, and upon Charges becoming delinquent, Republic shall notify the customer that the invoice is overdue and that nonpayment will result in further

collection action. Republic may turn over delinquent accounts to the City for collection on the Tax Roll. Republic has submitted a list of accounts that are delinquent at least 90 days, as of May 15, 2023 to the City for collection on the Fiscal Year 2023-24 Tax Roll, and staff has reviewed such list. Additionally, included herein are the Outstanding Balances for Fiscal Year 2022-2023 to be collected on the Los Angeles County Property Tax Roll, and staff has reviewed such list.

The collection of Charges and delinquencies on the Tax Roll requires the preparation of a report and the holding of a public hearing. Staff has caused a written report to be prepared and filed with the City Clerk in accordance with HSC Section 5473 ("Report") and the Report is on file in the office of the City Clerk and in the Water Department. The Report contains (i) a description of each single-family residential and multi-family (without bin service) parcel within the City to which the Charge is applicable and for which the City intends to collect the Charge on the Tax Roll for Fiscal Year 2023-2024, including the amount of the Charge for each parcel for Fiscal Year 2023-2024, and (ii) a description of each parcel within the City for which Republic billed the Charge which is now delinquent and which Republic has requested the City to collect on the Tax Roll for Fiscal Year 2023-2024 delinquent amount.

Furthermore, the report contains (i) a description of each single-family residential parcel within the City to which the Charge is applicable and for which the City intends to collect the Charge on the Tax Roll for Fiscal Year 2022-2023, including the amount of the Charge for each parcel for Fiscal Year 2022-2023, and (ii) a description of each parcel within the City which is delinquent and is to be collected on Tax Roll for Fiscal Year 2022-2023.
Pursuant to a previous resolution, the City Council received the Report, set a public hearing on the Report for July 25, 2023 at 5:35 p.m., and directed that notice of the public hearing be provided in accordance with the law.

At the public hearing, the City Council must hear and consider all objections and protests to the Report and the collection of Charges and delinquencies on the Tax Roll. If the City Council determines at the close of the public hearing that oral or written protests have been presented, and not withdrawn, by the record owners of a majority of the parcels subject to tax roll collection, the City Council shall not approve the Report, the City Council shall not collect the Charges and delinquencies on the Fiscal Year 2023-2024 and outstanding balances for Fiscal Year 2022-2023 Tax Roll. However, the City may still bill the Charges and Republic may still pursue the delinquencies, but not by including the Charges or delinquencies on the Tax Roll.

FISCAL IMPACT

No Fiscal Impact.

RECOMMENDATION

That the City Council hold a public hearing on July 25, 2023 at 5:35 p.m. and, in the absence of a majority protest, adopt the attached Resolution.
