October 24, 2007

To Whom It May Concern:

My name is Noel Johnson. I am a minister of Greater Faith Baptist Church, in Las Vegas Nevada. Who is under the leadership of Pastor Earl Henry.

I am an ex-gang member from Southside. Well know in the community on both side of town.

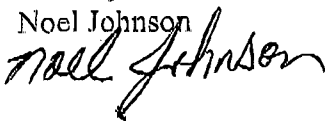

I have prayed for two years for God to send me back to where I was in exile, but by the grace of God he led me from a gang, but now, I am a leader of the Christian race. This gathering is for the war to cease from these gangs between the Southside, N-Hood, Kelly Park, and Atlantic drive Crips, to bring forth a stop firing.

I have been notified by three other ex-gang members who are also ministers now. They are also well known. We want to set this meeting on November 17, 2007 at 11:00am to 1:30pm at Kelly Park. We are using three microphones, one amplifier and three large speakers. So I trust that God already paid the way.

We would also like to have police provision at this rally.

Thank you;

Noel Johnson

**SUBJECT: REQUEST TO SCHEDULE PUBLIC HEARING:
TENTATIVE TRACT MAP NO. 69497/CHANGE OF ZONE NO.

On October 10, 2007, the Planning Commission completed a public hearing on a proposal to **construct a 37-unit planned unit development at 250 N. Central Avenue**, in a C-L (Limited Commercial) zone. The Planning Commission has recommended that the tentative map and change of zone be approved by City Council.

Subdivisions and changes of zone must be considered at an advertised public hearing. Consequently, staff recommends that Council schedule a public hearing on this matter for **Tuesday, November 27, 2007 at 3:15 p.m.**

**SUBJECT: REQUEST TO SCHEDULE PUBLIC HEARING:
CONDITIONAL USE PERMIT CASE NO. 2387 – REQUEST FOR PROPERTY
AND BUSINESS TRANSFER (REFERENCE TO RESOLUTION NO. 22,247)**

On March 6, 2007, the City Council completed a public hearing on an appeal of a Planning Commission decision denied a request for a conditional use permit to extend and expand a nonconforming status of an existing market at 640 West Peach Street. The City Council reversed the Planning Commission action after due consideration pursuant the findings and conditions contained in Resolution No. 22,247. The applicant is requesting to transfer the business to a new owner which would not be allowed pursuant to condition #1 of Resolution No. 22,247, "That the resolution shall expire if title of the subject property is transferred to a new owner."

Upon staff's review of the request it has been determined that consideration of such action should be reviewed at a duly noticed public hearing. Consequently, staff recommends that City Council schedule a public hearing on this matter for **Tuesday, December 4, 2007 at 7:15 p.m.**

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO A PROFESSIONAL SERVICES AGREEMENT WITH KELLY LYTTON & VANN LLP TO PREPARE FEASIBILITY ANALYSIS REPORT AND OUTLINE OF ISSUES RELATED TO CITY OPERATIONS

SUMMARY:

Council will consider a resolution authorizing the City Manager to negotiate a contract to provide review and recommendation of alternatives for consolidation and delivery of city services.

STATEMENT OF THE ISSUE:

Preliminary analysis of the city's various operations has resulted in the compiling of alternative options for coordination and delivery of city services. While there is concern with services related to safety, infrastructure protection and management, issues related to coordination of redevelopment, planning and business development are also of concern. Initial findings indicating numerous inadequacies and programmatic performance failures require further detailed analysis and refining of recommendations for corrective actions.

FINANCIAL IMPACT:

Total estimated cost of services for alternatives analysis, cost effectiveness review and preparation of a feasibility report, and assembly of critical path recommendations is estimated not to exceed \$315,000. Funds are available for this purpose in Accounts 100151000004261 (\$65,000), 40005100004261 (\$50,000), 10016100004261 (\$25,000), and 12006100004269 (\$185,000) of the 2007-2008 fiscal year budget.

RECOMMENDATION:

Staff recommends that Council adopt the attached Resolution.

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO EXTEND THE TERM OF AGREEMENT BETWEEN THE CITY AND B-ADAIR CONSULTING AND ADMINISTRATIVE SERVICES

SUMMARY

Staff would like Council to consider extending the term of the agreement between the City and B-Adair Consulting and Administrative Services from November 1, 2007 through February 29, 2008 to allow the City additional time to go through the procurement process.

BACKGROUND

B-Adair Consulting and Administrative Services has been providing professional services to the City since 2005. B-Adair's contract, which expired October 31, 2007, was to provide the following services:

- Preparation of the City's 2004-05, 2005-06, and 2006-07 Consolidated Annual Performance and Evaluation Reports (CAPER)
- Preparation of the City's 2006-07 and 2007-08 Annual Action Plans
- Technical Assistance with the City's Community Development Block Grant (CDBG), Home Investment Partnership (HOME), and Emergency Shelter Grant (ESG) programs
- IDIS updates, maintenance, and training of staff (IDIS is HUD's system for tracking disbursements and reporting performance for the program year)
- Assistance with program monitoring and Davis Bacon compliance

B-Adair has satisfactorily completed the above listed reports and plans. However, the City requires ongoing technical assistance related to the CDBG, HOME, and ESG programs as well as assistance with IDIS, monitoring, and Davis Bacon compliance. The City is in the process of developing a Request for Proposals to identify and select the most responsive and competent consultant to assist the City in this capacity as well as help with the preparation of the 2008-09 Annual Action Plan and 2007-08 CAPER. More time is needed to go through the prescribed procurement process.

Staff estimates that it will take three to four months to complete the procurement process. In order to avoid a gap in services, the City would like to amend and extend its contract with B-Adair from November 1, 2007 through February 29, 2008. B-Adair is willing and able to continue providing these services.

5.

B-Adair Staff Report
Page 2 of 2

FISCAL IMPACT

There is a balance of \$23,757.98 remaining on B-Adair's existing purchase order, #D0730252. Therefore, the requested amendment would represent a no-cost extension.

RECOMMENDATION

Staff recommends that Council adopt the attached resolution allowing the city manager to extend the term of agreement with B-Adair Consulting and Administrative Services.

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO EXTEND THE CONTRACT AGREEMENT WITH SWAYZER'S INC. TO PROVIDE ROUTINE LANDSCAPE MAINTENANCE OF MEDIANS, PARKWAYS AND MAJOR THOROUGHFARES THROUGHOUT THE CITY

SUMMARY

This resolution authorizes the City Manager to extend the contract agreement with Swayzer's Inc. for routine landscape maintenance of medians, parkways and major thoroughfares throughout the City of Compton.

BACKGROUND

Presently, the City is contracting with Swayzer's Inc. for routine landscape maintenance of medians, parkways and major thoroughfares throughout the City of Compton. On June 12, 2007, the City Council approved Resolution Number 22,326 authorizing a contract agreement with Swayzer's Inc. for 120 days effective June through October 2007. The contract for Swayzer's Inc. was executed; however, the resolution did not reflect Fiscal Year 2007-2008. In order to continue payment to Swayzer's Inc., in Fiscal Year 07/08, a contract extension is needed.

Swayzer's Inc. will provide extended temporary services for a period not to exceed (8) months from July 1, 2007 to March 1, 2008. During this period, the Public Works Department will develop a request for proposals and solicit bids, so these services can be provided on an annual basis to the most responsive bidder.

FISCAL IMPACT

The cost for median and parkway landscape maintenance is **One Hundred Eighty Nine Thousand, Nine Hundred Twenty Five Dollars and Fifty Two Cents (\$189,925.52)**. Funds for these services are allocated in the Public Works Street Maintenance Division's Fiscal Year 2007-2008 Budget, from Account Number 2502-720-000-4269.

7.

STAFF RECOMMENDATION

Staff is recommending that the City Council:

- a. Find routine landscape maintenance of medians, parkways and major thoroughfares throughout the city an urgent necessity for the preservation of the citizen's public safety.
- b. Authorize the City Manager to extend the temporary contract agreement with Swayzer's Inc. from July 1, 2007 through March 1, 2008.
- c. Authorize the City Manager to issue a purchase order to Swayzer's Inc. for routine landscape maintenance of medians, parkways and major thoroughfares throughout the City for an amount not to exceed \$189,925.52.

TO: MAYOR AND CITY COUNCIL

FROM: CITY ATTORNEY

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON, CALIFORNIA, ADDING SECTION 9-24 TO CHAPTER IX OF THE COMPTON MUNICIPAL CODE PROHIBITING THE ESTABLISHMENT AND OPERATION OF MEDICAL MARIJUANA DISPENSARIES

SUMMARY

The attached ordinance adds section 9-24 “Medical Marijuana Dispensaries,” to the Compton Municipal Code.

BACKGROUND

Proposition 215

Proposition 215, the Compassionate Use Act of 1996, was approved by the California voters with the intent to “ensure seriously ill Californians the right to obtain and use marijuana for medical purposes where that medical use is deemed appropriate and has been recommended by a physician who has determined that the person’s health would benefit from the use of marijuana in the treatment of [specified illnesses].” This proposition was codified at California Health and Safety Code Section 11362.5. It allows for the personal possession and cultivation of marijuana for medical purposes, but does not provide a patient with absolute immunity from arrest. Instead, it provides limited immunity by allowing a patient to raise medical use as an affirmative defense to prosecution for possession and cultivation of marijuana.

Senate Bill 420 was signed into effect January 1, 2004 to clarify the scope of Proposition 215, and to allow cities and counties to adopt and enforce rules and regulations regarding the Act.

Problems with Proposition 215

Marijuana is still classified as a Schedule I substance under federal law; the Controlled Substances Act. Schedule I drugs, which include heroin and LSD, have a high potential for abuse and serve no legitimate medical purpose in the United States. The California Health and Safety Code also classified marijuana as a Schedule I drug. Moreover, it is highly unlikely that marijuana could pass the Food and Drug Administration's pure drug standards, given the number of crude chemicals, including carcinogens, contained in marijuana. Since marijuana is still a Schedule I drug and not approved by the FDA, Proposition 215 encourages citizens to violate federal law.

Marijuana may be obtained by patients through a variety of sources, since its point of origin remains unregulated. There are no government owned or operated marijuana cultivations, warehouses or retail outlets for medical marijuana in California. The law only designates a "qualified patient" or "primary caregiver" as those permitted to grow, obtain or possess medical marijuana. If a "qualified patient" or "primary caregiver" does not cultivate marijuana, it must be obtained illicitly either by the patient or caregiver or someone else who supplies it to them. Patients may also purchase marijuana through mail order or internet services. It may be obtained through a health care provider, a cannabis club, cooperative, or on the black market. There are dozens of medical marijuana dispensaries, cannabis clubs, collectives and cooperatives in Southern California.

The California Medical Marijuana Information report by the United States Department of Justice indicates large-scale traffickers have been posing as "caregivers" to obtain and sell marijuana. Local news has reported instances of marijuana being grown on public lands, such as the Cleveland, Angeles and Los Padres National Forests, and in homes in various suburbs.

Proposition 215 does not address the consumption of marijuana by minors. Although the age limit for smoking tobacco is 18 and 21 for the consumption of alcohol, there is no age restriction for marijuana consumption under the provisions of Proposition 215. There is a significant and growing problem with the use of marijuana by juvenile aged high school students. Marijuana is also considered a "gateway drug" to other "harder" drug use and is dangerous, psychologically addictive and has a high potential for abuse.

Recent Developments

Under the Federal Controlled Substances Law, there is no Compassionate Use Act. The United States Supreme Court addressed the issue of medical marijuana distribution by dispensaries in *United States v. Oakland Cannabis Buyers' Cooperative*, 532 U.S. 483 (2001) and ruled that there is no medical necessity defense under federal law. Thus, the distribution of marijuana through a dispensary remains illegal under federal law.

In addition, in *Gonzales v. Raich* 545 U.S. 1 (2005), the United States Supreme Court ruled that under the Commerce Clause of the United States Constitution, the federal government has the power to prohibit the local cultivation and use of marijuana, even though such cultivation and use complies with California law. While the Court did not invalidate California's medical

Staff Report

marijuana laws, it found that the federal government could continue to enforce its marijuana laws.

Other Jurisdictions

According to the California League of Cities, as of September 2006, 141 cities surveyed have taken some action regarding medical marijuana dispensaries. Seventy-three cities have enacted moratoriums on these businesses allowing the city more time to study the issue. Twenty-eight cities have chosen to allow medical marijuana dispensaries and forty cities are prohibiting dispensaries in their community.

Impact on Compton

Early this year the City discovered that a business in the City, operating under the name Holistic Caregivers, was selling marijuana, despite the fact its business license was for retail herbs. The City refused to renew the business license. Holistic Caregivers filed a Petition for Writ of Mandate in Superior Court seeking to compel the City to issue a business license. At a recent hearing on the matter, the court sided with the City and stated that the Compassionate Use Act did not give Holistic Caregivers the right to sell marijuana and that the City had not abused its discretion in refusing to renew the business license. Holistic Caregivers' attorney has indicated it will appeal the court's decision.

In addition, to the civil case, the City has criminal matters on calendar with Holistic Caregivers for their continued operation of a business without a license and battery on a Code Enforcement Officer.

RECOMMENDATION

It is recommended that the City Council adopt this ordinance prohibiting the establishment and operation of medical marijuana dispensaries in the City of Compton.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON, CALIFORNIA, ADDING SECTION 9-24 TO CHAPTER IX OF THE COMPTON MUNICIPAL CODE PROHIBITING THE ESTABLISHMENT AND OPERATION OF MEDICAL MARIJUANA DISPENSARIES

WHEREAS, the People of the State of California approved Proposition 215, which was codified as California Health and Safety Code § 11362.5 and entitled the Compassionate Use Act of 1996 (“the Act”); and

WHEREAS, the Act prohibits the provisions of law making the possession or cultivation of marijuana unlawful from applying to a qualified patient, or to a patient’s primary caregiver, who possesses or cultivates marijuana for the personal medical use of the patient upon the recommendation of a physician and also prohibits the criminal prosecution or punishment of a physician for having recommended marijuana to a patient for medical purposes; and

WHEREAS, thereafter, the Legislature of the State of California enacted Senate Bill 420 (the “Medical Marijuana Program”), codified as California Health and Safety Code § 11362.7, *et seq.*, which requires the State Department of Health Services to establish and maintain a voluntary program for the issuance of identification cards to qualified patients and primary caregivers, and prohibits the arrest of a qualified patient or primary caregiver with a valid identification card for the possession, transportation, delivery, or cultivation of medical marijuana; and

WHEREAS, one purpose of the Act and the Medical Marijuana Program is “[t]o encourage the federal and state governments to implement a plan to provide for the safe and affordable distribution of marijuana to all patients in medical need of marijuana;” and

WHEREAS, neither the federal nor the state government has implemented a specific plan “to provide for the safe and affordable distribution of marijuana to all patients in medical need of marijuana,” leaving cities with a lack of direction about how the Act is intended to be implemented, particularly in regard to distribution for medical marijuana through dispensaries; and

WHEREAS, the Medical Marijuana Program provides additional statutory guidance for medical marijuana use and cultivation, but it does not explicitly address the role of dispensaries, nor does it require that cities provide for or allow the establishment and/or operation of medical marijuana dispensaries; and

WHEREAS, notwithstanding the passage of the Act and the Medical Marijuana Program, the possession, sale and distribution of marijuana is prohibited by the Controlled Substances Act, 21 U.S.C. § 841 and California Health and Safety Code § 11359; and

Ordinance No.

Page 2 of 5

WHEREAS, California state law does not provide for the sale or distribution of marijuana by Medical Marijuana Dispensaries to a primary caregiver, a qualified patient or a person with an identification card, as the terms are defined in California Health and Safety Code § 11362.7; and

WHEREAS, the Compton Municipal Code currently does not specifically provide for or restrict the existence or operation of Medical Marijuana Dispensaries in the City of Compton; and

WHEREAS, Medical Marijuana Dispensaries have been established in numerous locations in California, and as a consequence, local agencies have reported negative secondary effects on the community, which effects include, illegal drug activity and drug sales in the vicinity of dispensaries, robbery of persons leaving dispensaries, driving under the influence of a controlled substance by persons who have obtained marijuana from a dispensary; persons acquiring marijuana from a dispensary and then selling it to a non-qualified person; burglaries and robberies; and an increase in vacancies in the commercial areas in the vicinity of such businesses; and

WHEREAS, the California Police Chiefs Association has compiled an extensive database, which can be accessed on its website, detailing the state of medical marijuana dispensaries throughout the state and the negative secondary effects, and which contain persuasive anecdotal and documented evidence that medical marijuana dispensaries pose a threat to public health, safety and welfare; and

WHEREAS, California Health and Safety Code § 11362.5(c)(2) expressly provides that nothing in the Act shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, nor to condone the diversion of marijuana for non-medical purposes; and

WHEREAS, the City Council hereby finds that, because of the inconsistency between state and federal law relating to the possession, sale and distribution, and because of the documented threat to public health, safety and welfare, it is in the best interest of the citizens of the City of Compton that the City prohibit the establishment and operation of medical marijuana dispensaries within the City of Compton; and

WHEREAS, this ordinance is enacted pursuant to California Health and Safety Code §§ 11362.5(c)(2) and 11362.83 and the City's police power as granted broadly under Article XI, Section 7 of the California Constitution in order to promote the health, safety and welfare of Compton residents.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Section 9-24, "Medical Marijuana Dispensaries" is hereby added to the Compton Municipal Code to read as follow:

§ 9-24.1 Purpose and Findings.

The City Council finds that federal and state laws prohibiting the possession, sale and distribution of marijuana would preclude the opening of medical marijuana dispensaries sanctioned by the City of Compton, and in order to serve public health, safety, and welfare of the residents and businesses within the City, the declared purpose of this chapter is to prohibit medical marijuana dispensaries as stated in this chapter.

Section 2. Section 9-24.2 “Definitions” is hereby added to the Compton Municipal Code. The following terms and phrases, whenever used in this chapter, shall be construed as defined in this section:

“**Identification card**” is a document issued by the State Department of Health Services which identified a person authorized to engage in the medical use of marijuana and the person’s designated primary caregiver, if any.

“**Medical marijuana**” is marijuana used for medical purposes where that medical use is deemed appropriate and has been recommended by a physician who has determined that the person’s health would benefit from the use of marijuana in the treatment of cancer, anorexia, AIDS, chronic pain, spasticity, glaucoma, arthritis, migraine, or any other serious medical condition for which marijuana is deemed to provide relief as defined in subsection (h) of Health and Safety Code § 11362.7.

“**Medical marijuana dispensary or dispensary**” is any facility or location where medical marijuana is made available to and/or distributed by or to three or more of the following: a qualified patient, a person with an identification card, or a primary caregiver. Each of these terms is defined herein and shall be interpreted in strict accordance with California Health and Safety Code §§ 11362.5 and 11362.7 *et seq.* as such sections may be amended from time to time.

“**Primary caregiver**” is the individual, designated by a qualified patient or by a person with an identification card, who has consistently assumed responsibility for the housing, health, or safety of that patient or person.

“**Physician**” is an individual who possesses a recognition in good standing to practice medicine or osteopathy issued by the Medical Board of California or the Osteopathic Medical Board of California and who has taken responsibility for an aspect of the medical care, treatment, diagnosis, counseling, or referral of a patient and who has conducted a medical examination of that patient before recording in the patient’s medical record the physician’s assessment of whether the patient has a serious medical condition and whether the medical use of marijuana is appropriate.

“**Qualified patient**” is a person who is entitled to the protections of California Health and Safety Code § 11362.5, but who does not have an identification card issued by the State Department of Health Services.

Section 3. Section 9-24.3, is hereby added to the Compton Municipal Code to read as follows:

Ordinance No.

Page 4 of 5

§ 9-24.3 Medical Marijuana Dispensary Prohibited.

It shall be unlawful for any person or entity to own, manage, conduct, or operate any medical marijuana dispensary or to participate as an employee, contractor, agent or volunteer, or in any other manner or capacity, in any medical marijuana dispensary in the City of Compton.

Section 4. Section 9-24.4 is hereby added to the Compton Municipal Code to read as follows:

§ 9-24.4 Use or Activity Prohibited by State or Federal Law.

Nothing contained in this chapter shall be deemed to permit or authorize any use or activity which is otherwise prohibited by any state or federal law.

Section 5. Existing Nonconforming Uses.

Any medical marijuana dispensaries existing within the City of Compton on the effective date of this ordinance shall cease operations forthwith.

Section 6. Severability.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or the application to any person or circumstances, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this Ordinance, or its application to any other person or circumstance. The City Council of the City of Compton hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespectively of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable.

Section 7. Savings Clause.

Neither the adoption of this ordinance nor the repeal of any other ordinance of this City shall in any manner affect the prosecution for violations of ordinances, which violations were committed prior to the effective date hereof, nor be construed as a waiver of any license or penalty or the penal provisions applicable to any violation thereof. The provisions of this by the City relating to the same subject matter shall be construed as restatements and continuations, and not as new enactments.

Section 8. Penalty.

Except as may otherwise be expressly provided, any person who violates any provision of this ordinance is guilty of a misdemeanor and shall, upon conviction thereof, be punished in the manner provided in Section 1-6.2 of the Compton Municipal Code.

Ordinance No.

Section 9. The City Clerk shall certify to the adoption of this Ordinance, and shall cause the same to be posted in the manner required by law.

Section 10. The Ordinance shall be effective thirty (30) days following its adoption.
