TO: MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON ADOPTING THE LOCAL IMPLEMENTATION PLAN FOR CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD FOR TRASH SERVICE

SUMMARY

This resolution will adopt the Local Implementation Plan that is required to meet the first phase of the City of Compton compliance order with the California Integrated Waste Management Board (CIWMB).

BACKGROUND

The Legislature of the State of California enactment of the California Integrated Waste Management Act of 1989 ("AB 939") has declared that it is in the public interest to require local agencies to make adequate provision for solid waste handling within their jurisdictions to meet the goals and requirement of AB 939. In these requirements City's and County must meet certain diversion rates. The diversion rate for all agencies is fifty percent (50%).

The City of Compton had it bi-annual review for fiscal year 2005-2007; we were in compliance with the AB 939 requirement until late 2007. On December 11, 2008 the CIWMB issued a new compliance Order number IWMA BR08-02 to the City of Compton. In the compliance order the first requirement is to develop and adopt a Local Implementation Plan by January 31, 2009.

The Local Implementation Plan defines and outlines all the programs and activities that the City will implement by March 31, 2009.

FISCAL IMPACT

No fiscal impact.
