TO: CITY MANAGER

FOR: MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: CITY ATTORNEY

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH AON RISK SERVICES FOR EMPLOYMENT PRACTICES LIABILITY, DIRECTORS AND OFFICERS LIABILITY AND EMPLOYED LAWYERS LIABILITY INSURANCE SERVICES.

SUMMARY:

The City Council will consider adopting a Resolution authorizing the City Manager to enter into an agreement with AON Risk Services for the provision of Employment Practices Liability, Directors and Officers Liability and Employed Lawyers Liability Insurance services for the City of Compton.

BACKGROUND:

The City of Compton annually purchases Employment Practices Liability insurance to provide adequate coverage in the event of an occurrence. Previously, this insurance has been broad, and did not include the City Manager, City Attorney or any City Official.

STATEMENT OF ISSUE:

As the City grows and restructures, so do the insurance needs. The City of Compton requires Employment Practices Liability Insurance to include Directors, Officers and the City Attorney. This would enhance the City's current protection and increase viability in the event of an unforeseen lawsuit or multiple lawsuits within a policy period.

On May 21, 2009, AON, our current insurance broker, provided Risk Management with a quote to bind coverage for the City Manager, City Attorney and City Council for Employment Practices Liability Insurance. The insurance company selected by AON to write this policy is more reputable than the previous carrier, has the ability to provide the needed services and has introduced a rate that will be financially beneficial.

#4.

FINANCIAL IMPACT:

The Employment Practices Liability, Directors and Officers and Employed Lawyers Liability policies will cost **\$37,595.00 which is \$5,905.00 less** than last year's policy, even though there is the addition of coverage for the City Manager, City Council and City Attorney. Also, terms of this policy include an additional month of coverage from 05/31/09 to 07/01/10. Funds for the renewal of this insurance with AON Risk Services are available in the 2008-09 Fiscal Year Budget of the City Attorney's Office budget in Account No. 6400 420 000 4268.

RECOMMENDATION:

It is recommended that the City Council adopt the attached Resolution authorizing the City Manager to enter into an agreement with AON Risk Services for Employment Practices Liability Insurance, Directors and Officers Liability and Lawyers Professional Liability insurance.

SUBJ: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AGREEMENTS WITH DOUGLAS INDUSTRIAL MEDICAL CLINIC AND ST. FRANCIS MEDICAL CENTER FOR THE PROVISION OF MEDICAL SERVICES FOR THE WORKERS' COMPENSATION PROGRAM

SUMMARY:

The City Council will consider adopting a Resolution authorizing the City Manager to enter into agreements with Douglas Industrial Medical Clinic and St. Francis Medical Center for the provision of employee workers' compensation first care health services, after hours health services and secondary after hours health services for the period of June 1, 2009 through June 30, 2010.

BACKGROUND:

The "2140 Medical Group" has provided workers' compensation first care health services for City of Compton employees for many years. Most injured employees have been referred to "2140" for initial treatment after injury, follow-up care and some physical therapy on the premises.

STATEMENT OF ISSUE:

As the City grows and restructures, there is a need for more advanced methods of providing healthcare to employees suffering from industrial injuries. There are more effective and cost efficient ways of providing workers' compensation healthcare to fit the needs of the City.

In order to evaluate and review the level of service the City has been receiving over the years – and endeavor to provide more effective and cost efficient service into the future - staff solicited and interviewed several medical facilities; to wit: U.S.

**Staff Report Re Resolution Authorizing
Agreement/Douglas Industrial Medical
June 9, 2009**

Healthworks, Douglas Industrial Medical Clinic and St. Francis Medical Center; to determine their ability to provide optimal healthcare services to City employees and comply with current workers' compensation laws. This would include more rapid specialist referrals and a more sophisticated panel of specialists who would partner with Risk Management staff to obtain the best possible medical and claims management results on accepted and questionable claims. After assessing 2140 Medical Group, U.S. Healthworks, Douglas Industrial Medical Clinic and St. Francis Medical Center, it was determined that Douglas Industrial Medical Clinic and St. Francis Medical Center could provide services to better fit the needs of the City. Douglas Industrial Medical Clinic will provide first care and primary after hours care, while St. Francis Medical Center will provide secondary after hours care (i.e. back-up facility support). The City would also benefit from the additional services offered by Douglas Medical Clinic, such as ergonomic evaluations, safety lectures and work capacity testing.

FINANCIAL IMPACT:

Rates for services range from flat fees of \$15.00 to \$55.00.

RECOMMENDATION:

It is recommended that the City Council adopt the attached Resolution authorizing the City Manager to enter into agreements with Douglas Industrial Medical Clinic and St. Francis Medical Center for workers' compensation first care health services, after hours health services and secondary after hours health services for the period of June 1, 2009 through June 30, 2010.

CITY CLERK OF THE CITY OF COMPTON

June 9, 2009

TO: MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: APPROPRIATION LIMIT FOR F.Y. 2009-2010

PURPOSE:

The purpose of this item is to have the City Council authorize adoption of the Appropriation Limit pursuant to Article XIII B of the California Constitution and establish the maximum Fiscal Year 2009-2010 Annual Appropriation Limit for the City of Compton.

BACKGROUND:

In November 1979, California voters approved Proposition 4 (Prop 4) commonly known as the Gann Initiative. Prop 4 created Article XIII B of the State of California Constitution which placed limits on the amount of Tax Revenue Proceeds appropriated each fiscal year. Restricted revenues noted in Article XIII B are those referred to as "Proceeds of Taxes."

The high inflation rates in the early 1980's caused the appropriation limit to increase faster than the growth in revenues. To alleviate the increasing complaints regarding Prop 4 restrictions, voters approved Proposition 111 (Prop 111) in June 1990. The proposition provided new adjustment formulas which made the limit more responsive to local growth issues.

The annual growth factors used in calculating the City's Appropriation Limit are as follows:

- a) Inflation factor - calculation includes the percentage (%) change in California Per Capita Income.
- b) Population factor - calculation includes the percentage (%) change in population in the City of Compton.

Staff has prepared the City of Compton's Appropriation Limit for F.Y. 2009-2010 utilizing the following:

- a) California change in per Capita Income (CPI) **4.29%** (per capita converted to ratio = 1.0429)
- b) Compton's change in population **.35%** (population change converted to ratio = 1.0035).

Utilizing the above factors, the City of Compton's Appropriation Limit for F.Y. 2009-2010 is as follows:

#6.

• Maximum Appropriation Limit	\$80,229,454
• Proceeds of Taxes (Less Retirement Taxes + Interest Alloc. Taxes)	<u>52,941,604</u>
• Under Maximum Appropriation Limit	\$27,287,850

As the above figures indicate, the City of Compton is under its Appropriation Limit by \$27,287,850 for F.Y. 2009-2010.

Article XIII B of the State Constitution requires that all local jurisdictions establish their annual cost-of-living factor in calculating Appropriation Limit by a vote of the City Council.

STATEMENT OF THE ISSUE

The City's Gann Appropriation Limit for F.Y. has been calculated at \$80,229,454. Pursuant to Article XIII B of the State Constitution, this amount is subject to the spending limit. The Proceeds of Taxes amount has been calculated at \$52,941,064. Therefore, the City of Compton is under its Maximum Appropriation Limit by \$27,287,850.

The attached resolution has been prepared by staff to conform with Article XIII B of the California Constitution and Proposition 111 whereby the City establishes its Gann Appropriation Limit for F.Y. 2009-2010 at \$80,229,454.

RECOMMENDATION:

Staff respectfully recommends that the Compton City Council adopt a resolution entitled: "**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING AND ADOPTING THE APPROPRIATION LIMIT FOR FISCAL YEAR 2009-2010.**"

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING THE FY 2008-09 ANNUAL BUDGET, APPROPRIATING FUNDS, ACCEPTING CONSTRUCTION, AUTHORIZING STAFF TO FILE A NOTICE OF COMPLETION WITH LOS ANGELES COUNTY, AND AUTHORIZING THE RELEASE OF RETAINAGE FOR THE LONG BEACH BOULEVARD HAZARD ELIMINATION SAFETY PROJECT COMPLETED BY SULLY MILLER CONTRACTING, CO (CIP# 06-15)

SUMMARY

It is recommended that the City Council accept the Long Beach Boulevard median and landscaping improvements performed by Sully-Miller Contracting Company, (CIP #06-15).

In addition, the FY 2008-09 Annual Budget should be amended to appropriate federal construction funds for this project.

BACKGROUND

The project consisted of construction of median and landscaping along the Long Beach Boulevard transportation corridor. It was authorized by Resolution No. 22,613, adopted on June 24, 2008. In accordance with California Public Contracts Law, a retainage amount equivalent to 10% was withheld from progress payments to insure satisfactory completion.

However, the above-mentioned resolution didn't appropriate the \$318,940.00 designated for the project.

STATEMENT OF THE ISSUE

It is necessary to amend the FY 2008-09 Annual Budget and appropriate the federal funds for the Long Beach Boulevard median project.

Meanwhile, work has been completed in a satisfactory manner. Staff recommends that the City Council accept the improvements, and authorize the release of the retainage held from progress payments.

SUBJECT: REQUEST A JOINT PUBLIC HEARING TO CONSIDER THE FIRST AMENDMENT TO THE DISPOSITION AND DEVELOPMENT AGREEMENT BETWEEN THE COMMUNITY REDEVELOPMENT AGENCY AND ALAMEDA COURT LLC FOR THE DISPOSITION OF CERTAIN AGENCY-OWNED PROPERTY LOCATED AT 501 AND 521 SOUTH ALAMEDA STREET IN THE COMPTON REDEVELOPMENT PROJECT AREA

SUMMARY

Requesting a joint public hearing to consider the First Amendment to the Disposition and Development (DDA) between the Community Redevelopment Agency (Agency) and Alameda Court LLC (Redeveloper) for the disposition of certain Agency-owned property located at 501 and 521 South Alameda Street in the Compton Redevelopment Project Area.

BACKGROUND

On February 6, 2007, the City Council of the City of Compton adopted Resolution No. 22,221 which authorized the execution of a Disposition and Development Agreement with Alameda Court LLC to facilitate the development of twenty-eight (28) for sale town home units located at 501 and 521 South Alameda Street.

The purpose of the public hearing is that the Redeveloper has informed the Agency that a member of the Redeveloper has withdrawn from the limited liability company, and the Agency has informed the Redeveloper that it has no objections to the withdrawal.

Additionally, the Agency and Redeveloper also desires to amend the DDA to clarify the standards for disbursement of certain HOME funds, and to make other necessary changes.

STATEMENT OF THE ISSUE

In accordance with Section 33431 of the California Redevelopment Law, Health and Safety Code, any lease or sale of Agency property requires a public hearing of both the Agency and legislative body. The public hearing must be noticed for not less than once a week for two (2) weeks in a newspaper of general circulation. Therefore, the City Council must set a date and time to conduct a joint public hearing to consider amending the DDA for the disposition of Agency-owned property to the Redeveloper.

RECOMMENDATION

SUBJECT: REQUEST FOR SCOPING MEETING – NORTH DOWNTOWN SPECIFIC PLAN

The California Environmental Quality Act (CEQA) requires that a scoping meeting is conducted by the Lead Agency (City of Compton) prior to the preparation and subsequent adoption of the North Downtown Specific Plan Environmental Impact Report (EIR). The end result of the scoping meeting is to ensure that the draft EIR produced for public review and comment is thorough and balanced; that all environmental issues are identified and properly analyzed. The scoping process should identify concerns of both agencies and the affected public and should clearly define the environmental or social impacts that the public wants considered. Alternatives and concepts for minimizing potential environmental harm that the public would like to see evaluated should be raised, therefore assuring that the EIR can be structured to better address public and agency concerns and help lead to better decision-making.

Scoping meetings must be advertised and open to the public. Consequently, staff requests that Council schedule the requested scoping meeting for **Thursday, June 18, 2009 at 6:30 p.m., at the Compton Neighborhood Center, 600 N. Alameda Street, Compton.**

I certify that this report accurately reflects all pooled investments and is in conformity with the investment policy statement adopted by the City Council on July 01, 2008. (Gov Code 53646(b)(3)) The quarterly investment report must state the ability of the Agency to meet its expenditure requirements for the next six months or provide an explanation of why sufficient cash funds may or may not be available. The Investment program may not provide sufficient cash flow liquidity to meet six months estimated expenditures. On December 20, 2008 the City received one of its major revenue sources, property tax of over \$9 million. This revenue is supposed to at least last until April 20, 2009 when the next major property tax revenue is received. The City is spending more that it receives. The pricing of securities is done by Union Bank of California and Interactive Data Services. Moody's Investor Services rates the Manage Pool Accounts AAA.

I certify that this report accurately reflects all pooled investments and is in conformity with the investment policy statement adopted by the City Council on July 01, 2008. (Gov Code 53646(b)(3)) The quarterly investment report must state the ability of the Agency to meet its expenditure requirements for the next six months or provide an explanation of why sufficient cash funds may or may not be available. The investment program may not provide sufficient cash flow liquidity to meet six months estimated expenditures. On December 20, 2008 the City received one of its major revenue sources, property tax of over \$9 million. This revenue is supposed to at least last until April 20, 2009 when the next major property tax revenue is received. The City is spending more that it receives. The pricing of securities is done by Union Bank of California and Interactive Data Services. Moody's Investor Services rates the Manage Pool Accounts AAA.

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
COMPTON AMENDING CHAPTER VII (POLICE REGULATIONS)
OF THE COMPTON MUNICIPAL CODE BY ADDING SECTION
7-25 RELATING TO RESIDENCY RESTRICTIONS FOR SEX
OFFENDERS.**

SUMMARY

The City Council will consider adopting an ordinance amending Chapter VII (Police Regulations) of the *Compton Municipal Code* by adding section 7-25 which imposes residency restrictions on registered sex offenders in the City of Compton.

BACKGROUND

In 1998, *California Penal Code section 3003.5* was enacted, which prohibited registered sex offenders, on parole, from residing in a "single family dwelling," with another registered sex offender during the parole period, unless those persons were related by blood, marriage or adoption. In 2006, the voters of the state of California overwhelmingly approved Proposition 83, (The Sexual Predator Punishment and Control Act), commonly referred to as "Jessica's law." Jessica's law prohibits any registered sex offender, while on parole, from residing within 2,000 feet of public or private schools and parks where children regularly gather. Jessica's law also authorizes cities to enact local ordinances that further restrict the residency of registered sex offenders, whether or not they are on parole or probation.

As the City of Compton has become an increasingly attractive place for families with children to live, the City Council has made it a priority to assure the safety of its residents. Events involving sexual offenses in the County of Los Angeles and across the state have highlighted the need for local regulation of registered sex offenders. These events have included predatory acts of violence and molestation committed by registered sex offenders, and instances where multiple registered sex offenders have been residing in clusters in violation of state law. These instances, coupled with the fact that sex offenders have a higher recidivism rate

than any other type of violent felon further highlight the need for local regulation.

STATEMENT OF THE ISSUE

With a heightened need to protect the citizens of Compton from registered sex offenders, the proposed ordinance seeks to accomplish this objective by restricting the places where multiple sex offenders may reside and by prohibiting sex offenders from loitering within 300 feet of places where children congregate. Any violation of this ordinance constitutes a misdemeanor. The more salient features of the proposed ordinance are outlined below.

1. Residency and Distance Requirements

The proposed ordinance would prohibit sex offenders from living within 2,000 feet of child care centers, public or private schools grades K through 12, or parks. The proposed ordinance extends the prohibition beyond Jessica's law by including "child care centers." This 2,000 foot radius is referred to as a "Residential Exclusion Zone."

2. Multiple Sex Offender Residency Requirements

The proposed ordinance extends the prohibition of cohabitation of multiple sex offenders in single family dwellings to multi-family dwellings, hotels, motels and inns. It further extends the prohibition beyond a registered sex offender's term of parole. The proposed ordinance also holds both property owners and registered sex offenders liable for violations of multiple registered sex offender living prohibitions.

3. Loitering

The proposed ordinance prohibits sex offenders from loitering within a 300 feet radius of child care centers, public and private schools (K-12), school bus stops, parks, public libraries, public swimming pools and children's playgrounds.

4. Nuisance Abatement

Pursuant to California law, a city may regulate conduct which is harmful to the health, safety and welfare of its citizens. This is done by declaring certain conduct and conditions public nuisances. Here the proposed ordinance declares registered sex offenders residing within a "Residential Exclusion Zone" and the owners and/or their authorized agents who knowingly rent to more than one registered sex offender, a public nuisance.

5. Exceptions/Limitations

Outlined below are exceptions and limitations to the restrictions of the ordinance:

a. This ordinance would be prospective only in effect and therefore would not require sex offenders already residing in Compton to relocate to come into compliance with this ordinance.

b. If, for example a child care center moved into a prohibited area (within 2000 feet from where the registered sex offender resided) **after** the registered sex offender had already established residency there, the sex offender would not be required to move.

c. The ordinance does not prohibit the state from placing more than one sex offender in a "residential care facility" as defined in *Health and Safety Code Section 1566.3*. A residential care facility is licensed by the state and accommodates persons in need of personal assistance essential for sustaining the activities of daily living.

FISCAL IMPACT

No fiscal impact.

RECOMMENDATION

Staff recommends that the City Council adopt the attached ordinance.
