DECEMBER 1, 2009

The City Council meeting was called to order at 7:31 p.m. in the Council Chambers of City Hall by Mayor Eric Perrodin.

ROLL CALL

Council Members Present: Calhoun, Dobson, Arceneaux, Jones, Perrodin

Council Members Absent: None

Other Officials Present: C. Cornwell, D. Bennett, C. Evans

PUBLIC COMMENTS ON AGENDA ITEMS AND NON-AGENDA MATTERS

Floyd Smith, Compton resident, spoke regarding a recent visit to the City Clerk's Office and his ability to obtain information from city records.

Rudolfo Ruval, Compton resident, commented on the Christmas events held in the past, in regards to the events scheduled to be held this holiday season. Mr. Ruval also commented on the airing of council meetings on cable television and asked that more flyers concerning the city's services be disseminated to the residents.

Aaron Dowell, Compton resident, stated that he is awaiting a response from the city, in regards to his film permit that was recently denied. Mr. Dowell stated that he felt the city's issues of crime were not being addressed through the censorship of his film permit and clarified that Councilperson Calhoun did not state that she would not support his film during the October 20, 2009 council meeting.

Benjamin Holifield, Compton resident, requested that the members of the City Council consider adding another district seat and added that there were current issues within the community that needed addressing.

William Kemp, Compton resident, commented on the San Jacinto City Council and the events that lead up to their arrests. Mr. Kemp also spoke concerning the compensations received by the City Council, untrimmed trees and pot holes in the city's streets.

Joyce Kelly, Compton resident, stated that she is anticipating the city's execution of an ordinance that prohibits skateboarding on school campuses. Ms. Kelly further questioned the resolution proposed by the Building and Safety Department for building plan check services and additionally, spoke in opposition to the Water Department's resolution with Necole Pie for professional services.

Lynn Boone, Compton resident, spoke condescendingly concerning the resolution proposed by the City Manager's Office for project management and improved technology. Ms. Boone also spoke in opposition to the resolution proposed by the Risk Management Department to purchase a renewal of auto physical damage insurance for the city's fleet of vehicles. Ms. Boone further asked that the City Council obtain additional information before voting on the Water Department's proposed agreement with Necole Pie for professional services.

Willie Colvin, Compton resident, informed the community that Carson senior residents are not exempt from paying their water bills, although he added that they are exempt from paying certain taxes. Mr. Colvin mentioned that those residents are required to complete the application's process prior to receiving the exemption and asked that the council consider adopting this initiative to help alleviate the hardship of those seniors struggling to pay for prescriptions.

CONSENT AGENDA

ITEMS REMOVED FROM THE CONSENT AGENDA - Item number 6 was removed for discussion at the request of Councilperson Arceneaux. Item numbers 1 & 3 were removed per the City Manager.

#2.

FOR THE PURCHASE AND IMPLEMENTATION OF ENTERPRISE RESOURCE PLANNING (ERP) SOFTWARE AND THE ASCENT SERVICES GROUP FOR PROJECT MANAGEMENT AND RESCINDING RESOLUTION NO. 22,835 (**Removed**)

WATER DEPARTMENT

6. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH GOLDEN STATE WATER COMPANY IN CONNECTION WITH A SEWER SYSTEM SURCHARGE

Councilperson Arceneaux questioned how this resolution would affect the resident's water bills and if the other water companies would be assessed as well.

Michael Harvey, representative of the Water Department, stated that the residents are charged a particular rate per unit of water used every month, therefore they will incur an assessment charge dating back to July 1, 2009 for each month moving forward. Mr. Harvey explained that the Golden State Water Company would be collecting the surcharge for the city to offset the cost of the bonds that were issued to the city for the replacement of the sewer system.

Councilperson Arceneaux asked if there would be an adjustment on the resident's water bills.

Mr. Harvey stated that resident should have noticed an adjustment of approximately 26 cents per unit of water used in October 2009.

Mayor Perrodin requested a power point presentation by the Director of the Water Department.

On motion by Dobson, seconded by Arceneaux, **Resolution # 22,993** entitled "**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH GOLDEN STATE WATER COMPANY IN CONNECTION WITH A SEWER SYSTEM SURCHARGE**" was approved, by the following vote on roll call:

COUNCIL COMMENTS

Councilperson Jones spoke concerning the success of the "Turkey Giveaway Event" hosted by the city and Omega Psi Phi Fraternity. Mr. Jones stated that over 900 families benefited from this event, thanks to radio station KJLH 102.3FM, Compton Fire Department, Municipal Law Enforcement Services, Tyrone Rogers of the Compton Cobras, Assemblyman Isadore Hall, Compton City Council and city staff.

Councilperson Jones also announced that the Compton Cobras would be hosting their first home game on Saturday, December 4, 2009 at Compton College. For more information regarding their schedule and ticket sales call (310) 237-5729.

Councilperson Arceneaux announced that the "Annual Breakfast with Santa Event and Toy Giveaway" would be held on Saturday, December 5, 2009 at Burrell McDonald Park from 8 a.m. to 12 p.m.

Councilperson Dobson announced that the city would be celebrating the holiday season with the citizens at the “Annual Caroling in the Park Event” to be held on Thursday, December 17, 2009 from 6 p.m. to 8 p.m. at Lueders Park. Ms. Dobson encouraged all residents to participate and mentioned that all participants are required to RSVP with Patricia Hooper at (310) 605-5684.

Councilperson Calhoun announced that the Sheriff’s Department would be hosting their “Annual Gifts for Guns Event” to be held on Saturday, December 5, 2009 and Sunday, December 6, 2009 from 10 a.m. to 5 p.m. in the Ralph’s grocery store parking lot. For more information regarding this event, please contact the Sheriff’s Department at (310) 605-6579.

Councilperson Calhoun also announced that the “Annual Winter Wonderland Event and Toy Giveaway” would be held on Saturday, December 5, 2009 from 10 a.m. to 3 p.m. Ms. Calhoun also mentioned that all pertinent information related to this event is available in English and Spanish on the flyers being distributed throughout the community.

Mayor Perrodin notified the citizens of Compton that the allegations made against the City Council are completely false and questioned the motives of certain individuals that appear to be “anti-Compton City Council” as it relates to all city developments, services and events.

The meeting was interrupted by William Kemp and Rudolfo Ruval.

Mayor Perrodin stated that the city’s objective is to create a new image of Compton through the development of the Gateway Towne Center and Northern Downtown Plaza. Mayor Perrodin asserted that there were many great things happening in the City of Compton and listed the following community events hosted by the city and lead by the members of this City Council; Annual Thanksgiving Turkey Giveaway, Annual Winter Wonderland & Toy Giveaway, Annual Breakfast with Santa & Toy Giveaway, and the Annual Caroling in the Park event. Mayor Perrodin expressed his appreciation and recognized each member of the City Council for doing a fantastic job representing the people of the Compton community.

Mayor Perrodin also announced that the “Pastors Breakfast” would be held on Saturday, December 19, 2009 at the Crystal Park Hotel beginning at 8 a.m. Mayor Perrodin affirmed that all participants are required to RSVP at (310) 605-5597.

Mayor Perrodin concluded by announcing the accomplishments of Robert Burnett of the General Services Department and the Dominguez High School football team.

ADJOURNMENT

On motion by Dobson, seconded by Arceneaux, the meeting was adjourned at 8:56 p.m., by the following vote on roll call:

- AYES: Council Members - Calhoun, Dobson, Arceneaux, Jones, Perrodin**
- NOES: Council Members - None**
- ABSENT: Council Members - None**

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ACCEPT FUNDS AND ENTER INTO AN AGREEMENT WITH THE COMMUNITY AND SENIOR SERVICES OF LOS ANGELES COUNTY TO CONDUCT THE WORKFORCE INVESTMENT ACT (WIA) YOUTH PROGRAM FOR FISCAL YEAR 2009/10

SUMMARY

This resolution authorizes the City Manager to accept WIA funds, from the Community and Senior Services of Los Angeles County, for the Workforce Investment Act (WIA) Youth Program and to enter into a contract to implement WIA Youth Program services for fiscal year 2009 – 2010.

BACKGROUND INFORMATION

The City of Compton CareerLink WorkSource California Center is responsible for administering the Workforce Investment Act (WIA) Youth Program, within the Los Angeles County area.

WIA establishes employment programs to prepare youth for participation in the labor force, by providing paid work experience, job placement, and other employment and educational related services.

These funds are made available under the Workforce Investment Act (WIA) Youth Program as delineated below:

<u>Program</u>	<u>Funds Received</u>
WIA Youth Program	\$586,666
Total Funds Received:	\$586,666

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
AUTHORIZING THE CITY MANAGER TO AMEND THE BUDGET
ALLOCATION OF THE COMPTON CAREERLINK WORKSOURCE
CALIFORNIA CENTER WITH THE COMMUNITY AND SENIOR
SERVICES OF LOS ANGELES COUNTY TO CONDUCT THE
WORKFORCE INVESTMENT ACT (WIA) YOUTH PROGRAM FOR
FISCAL YEAR 2009/10**

SUMMARY

This resolution authorizes the City Manager or his designee to amend the Workforce Investment Act (WIA) Youth Program budget to accept additional program funding of \$25,983 for Fiscal Year 2009-10. The increase in projected revenues resulted from funding adjustments made by the Community and Senior Services of Los Angeles County due to the increase or decrease, as applicable, of unemployment claims in the Compton area during Fiscal Year 2009-10.

BACKGROUND INFORMATION

The City of Compton CareerLink WorkSource California Center is responsible for administering the Workforce Investment Act (WIA) Youth Program, within the Los Angeles County area.

The Workforce Investment Act (WIA) establishes programs to prepare youth for participation in the labor force, by providing paid work experience and other employment and educational related services.

STATEMENT OF THE ISSUES

The CareerLink WorkSource Center requests authorization to accept additional program resources from the Community and Senior Services of Los Angeles County to conduct WIA Youth Program services for Fiscal Year 2009-10. The WIA Youth Program revenues and expenditures will total \$612,649.

RE: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON TRANSFERRING FUNDS WITHIN THE OFFICE OF THE CITY ATTORNEY'S 2009-2010 FISCAL YEAR BUDGET AND AUTHORIZING THE CITY MANAGER TO ENTER INTO A LEGAL RETAINER AGREEMENT WITH AND ADD THE LAW FIRM OF GONZALEZ, SAGGIO & HARLAN LLP TO THE LIST OF LAW FIRMS RETAINED TO PROVIDE SPECIALIZED LEGAL EXPERTISE TO THE CITY OF COMPTON DURING FISCAL YEAR 2009-2010.**

SUMMARY:

The City Council will consider adoption of a Resolution that transfer funds within the Office of the City Attorney's 2009-2010 Fiscal Year budget and authorize the City Manager to enter into a legal retainer agreement with and add the law firm of Gonzalez, Saggio & Harlan LLP to the list of the retained law firms -- Kelly, Lytton & Williams LLP, Richard, Watson & Gershon, and Martin & Martin – retained to provide specialized legal expertise to the City of Compton during Fiscal Year 2009-2010.

BACKGROUND:

Section 702 of the Compton City Charter authorizes the City Council to employ outside attorneys to assist the City and the Office of the City Attorney in the handling of the legal business of the City. Over the years, the City Council has exercised this discretion by retaining the services of various law firms to provide consultation and representational services on matters which requires specific expertise, to act in lieu of the Office of the City Attorney in the presence of conflicts, and to work jointly with the Office of the City Attorney on specific projects.

STATEMENT OF THE ISSUE:

While the Office of the City Attorney employs very competent and well rounded attorneys, occasionally and on short notice, the City is faced with legal matters that involve very complex issues that invoke constantly evolving judicial decisions and legal consequences which necessitate the employ of attorneys with highly specialized legal training and experience. Due to the small number of attorneys employed by the City Attorney's Office and the high volume of work they perform on a daily basis, at times it is more efficient and effective to employ specialty law firms with attorneys capable of handling specific and complex legal matters swiftly due to their extensive experience in a particular area(s) of the law that the City does not face on a regular basis.

Staff Report Re Resolution Amending City Attorney's

#7.

**Budget/Retain Law firm of Gonzalez, Saggio & Harlan LLP
December 22, 2009, page 2**

On an as-needed basis during the 2009-2010 Fiscal Year the City has retained the law firms of Richard, Watson & Gershon for its expertise in the area of waste management; Martin & Martin for its labor and employment practices expertise, and Kelly, Lytton & Williams, LLP for its expert assistance in the areas of CEQA and complex contractual matters.

The law firm of Gonzalez, Saggio & Harlan LLP specializes in the areas of public finance, government relations, corporate transactional law, environmental law, energy and regulatory law which are identified as additional areas of law that should be available to the City on an as needed basis.

FISCAL IMPACT:

The 2009-2010 Fiscal Year budget of the Office of the City Attorney will need to be amended to transfer funds between accounts as follows:

	<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
From:	6300 420 000 4261	Legal Services	\$300,000.00
		Total:	\$300,000.00
To:	1001 420 000 4261	Legal Services	\$300,000.00
		Total:	\$300,000.00

The retainer agreements with the law firms of Kelly, Lytton & Williams LLP, Richard Watson & Gershon, Martin & Martin and Gonzalez, Saggio & Harlan LLP shall be paid from Account No. 1001-420-000-4261 and shall not collectively exceed \$300,000.00, based on an hourly rate of not more than \$300.00.

RECOMMENDATION:

It is the recommendation of this office that the attached Resolution transferring funds within the Office of the City Attorney's 2009-2010 Fiscal Year budget and authorizing the City Manager to enter into a legal retainer agreement with and add the law firm of Gonzalez, Saggio & Harlan LLP to the list of the retained law firms -- Kelly, Lytton & Williams LLP, Richard, Watson & Gershon, and Martin & Martin -- retained to provide specialized legal expertise to the City of Compton during Fiscal Year 2009-2010 be adopted.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON TRANSFERRING FUNDS WITHIN THE OFFICE OF THE CITY ATTORNEY'S 2009-2010 FISCAL YEAR BUDGET AND AUTHORIZING THE CITY MANAGER TO ENTER INTO A LEGAL RETAINER AGREEMENT WITH AND ADD THE LAW FIRM OF GONZALEZ, SAGGIO & HARLAN LLP TO THE LIST OF LAW FIRMS RETAINED TO PROVIDE SPECIALIZED LEGAL EXPERTISE TO THE CITY OF COMPTON DURING FISCAL YEAR 2009-2010.

WHEREAS, Section 702 of the Compton City Charter authorizes the City Council to employ outside attorneys to assist the City and the Office of the City Attorney in the handling of the legal business of the City; and

WHEREAS, over the years the City of Compton has retained the services of various outside law firms to assist the City and the Office of the City Attorney with specific cases and in specialized areas of the law; and

WHEREAS, on July 28, 2009, the City Council of the City of Compton adopted Resolution No. 22,905 which authorized the City Manager to enter into legal retainer agreements with the law firms of Kelly, Lytton & Williams LLP, Richard Watson & Gershon, and Martin & Martin to assist the City and the Office of the City Attorney on an as-needed basis with specialized projects such as waste management, municipal labor and employment practices, CEQA and complex contractual issues; and

WHEREAS, the City has identified the need to broaden its available expert legal consulting and advocacy services to include the additional area of public finance, government relations, corporate transactional law, environmental law, energy and regulatory law; and

WHEREAS, the law firm of Gonzalez, Saggio & Harlan LLP, which specializes in the areas of public finance, government relations, corporate transactional law, environmental law, energy and regulatory law, was not included in Resolution No. 22,905; and

WHEREAS, the extensive amount of services currently needed to bring certain unique and intense legal matters, including ongoing Workers' Compensation civil litigation, to resolution has resulted in the need to expend additional funds, requiring the transfer of funds within the Office of the City Attorney's 2009-2010 Fiscal Year budget; and

WHEREAS, it is anticipated the cost of the legal services retainer agreements, including Gonzalez, Saggio & Harlan LLP, should not exceed \$300,000.00.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City Manager is hereby authorized to add the law firm of Gonzalez, Saggio & Harlan LLP to the list of law firms (i.e. Kelly, Lytton & Williams LLP, Richard Watson & Gershon and Martin & Martin) retained to provide specialized legal expertise to the City of Compton and, on advice of the City Attorney, enter into a legal retainer agreement on an as-needed basis during the 2009-2010 Fiscal Year.

Section 2. That the 2009-2010 Fiscal Year budget of the Office of the City Attorney is hereby amended to transfer funds between accounts as follows:

#7.

	<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
From:	6300 420 000 4261	Legal Services	\$300,000.00

To:	1001 420 000 4261	Legal Services	\$300,000.00
		Total:	\$300,000.00

Section 3. That the retainer agreements with the law firms of Kelly, Lytton & Williams LLP, Richard Watson & Gershon, Martin & Martin and Gonzalez, Saggio & Harlan LLP shall be paid from Account No. 1001-420-000-4261 and shall not collectively exceed \$300,000.00, based on an hourly rate of not more than \$300.00.

Section 4. That a certified copy of this Resolution shall be filed in the offices of the City Manager, City Clerk, City Controller and City Attorney.

Section 5. That the Mayor shall sign and the City Clerk shall attest to the adoption of this Resolution.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
COMPTON AMENDING THE CITY ATTORNEY'S OFFICE 2009-2010
FISCAL YEAR DEPARTMENTAL BUDGET AND TRANSFERRING
FUNDS BETWEEN ACCOUNTS FOR THE ADDITION OF ONE (1)
CLAIMS TECHNICIAN AND THE DELETION OF ONE (1) LEGAL
SECRETARY**

SUMMARY

The City Council will consider a resolution adding one (1) Claims Technician position and deleting (1) Legal Secretary within the City Attorney's Fiscal Year 2009/2010 departmental budget.

BACKGROUND

Staff has determined that the City Attorney's Office requires a Claims Technician to maintain administrative efficiency in the Risk Management unit of the City Attorney's Office. The additional staff member will assist with the daily operational functions required by the unit. The deletion of the Legal Secretary position will allow for the reallocation of funds for such personnel addition.

STATEMENT OF THE ISSUE

The City Attorney requests amending the City Attorney's FY 2009/2010 departmental budget in order to add one (1) Claims Technician position and delete (1) Legal Secretary within the City Attorney's Fiscal Year 2009/2010 departmental budget.

FINANCIAL IMPACT

The fiscal impact of adding the position of Claims Technician with annual salary and fringe benefits totaling \$71,210.91, and deleting the position of Legal Secretary with annual salary and fringe benefits totaling \$79,014.66, from the City Attorney's Fiscal Year 2009-2010 budget is a net gain in the amount of \$7,803.75. The City Attorney's Fiscal Year 2009/2010 departmental budget must be amended to accurately reflect the salary and fringe benefit expenditure for this position.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF COMPTON AUTHORIZING THE CITY
MANAGER TO DESIGNATE SAMSTON “SAM”
LITTLETON’S PATIO AS A HISTORICAL LANDMARK**

SUMMARY

The City Council will consider a resolution designating Sam Littleton’s Patio as a Historical Landmark within the City of Compton.

BACKGROUND

The Samston “Sam” Littleton Patio is a long-time community landmark for religious, social, political and civic functions within the City of Compton. The owner and operator, Samston “Sam” Littleton (1917-1997), devoted his Patio for providing social opportunities for African American during de facto segregation in Los Angeles. The use of the Patio for various community and individual events provided a safe haven for those prohibited from using major hotels, rental halls, and wedding chapels.

California Historical Landmarks are buildings, sites, features, or events that are of statewide significance and have anthropological, cultural, military, political, architectural, economic, scientific or technical, religious, experimental, or other historical value (http://ohp.parks.ca.gov/listed_resources/). According to the California Office of Historic Preservation, there are several criteria for designating a site as a historical landmark. Criterion’s one and four permit the designating of Littleton Patio as a historic landmark because the site is “associated with events that have made a significant contribution to the broad patterns of local or regional history or the cultural heritage of California or the United States” and “has yielded, or has the potential to yield, information to the prehistory or history of the local area, California or the nation” (California Office of Historic Preservation-California Register <http://ohp.parks.ca.gov/?page_id=21238>).

In order for the county, state and federal agencies to begin the process of designating the Patio with similar recognition, the City must adopt a resolution designating the Littleton’s Patio as a historical landmark.

STATEMENT OF THE ISSUE

The City desires to designate the Samston “Sam” Littleton Patio as a historic landmark.

FISCAL IMPACT

There is no fiscal impact.

WHEREAS, Mr. Samston “Sam” Littleton (1917-1997), humanitarian, philanthropist, civic leader and businessman, built his home at 13415 McKinley Avenue across the street from the City of Compton in 1947, and soon thereafter converted his garage to a Patio for entertainment to fill a void in the social opportunities for African Americans in a segregated Los Angeles; and

WHEREAS, Mr. Samston “Sam” Littleton named his social and political gathering place Littleton’s Patio, and he decorated the interior with exotic black lightings and futuristic art designs, and provided his patrons with a pay telephone; and

WHEREAS, Mr. Samston “Sam” Littleton quickly recognized that African Americans in the Compton, South Los Angeles and Willowbrook areas were unwelcomed and unwanted at the major hotels, rental halls and wedding chapels used by the majority culture and made his Littleton’s Patio the epicenter for African American weddings, banquets, parties, baby showers, family reunions, funeral repasts, fashion shows, political rallies; and

WHEREAS, Mr. Samston “Sam” Littleton during the glory days of Woodley Lewis’ Sportsman’s Bowl and Dooto’s Music Center, provided an afterhours BYO Club at Littleton’s Patio for African Americans; and

WHEREAS, Mr. Samston “Sam” Littleton reinvested proceeds from the Patio by adding additional party rooms, additional patios, fireplace, swimming pool, guest house, huge waterfall, Corinthian Column Arch for weddings; and

WHEREAS, Mr. Samston “Sam” Littleton educated himself by earning a Master’s Degree in Social Work from UCLA, becoming a Medical Social Worker for the Los Angeles County and got elected to the Compton School District Board of Education where he served until his death on January 31, 1997; and

WHEREAS, Mr. Samston “Sam” Littleton, just prior to and in anticipation of his death, made arrangements for the Littleton’s Patio to continue to serve his community beyond his time on earth and in perpetuity; and

WHEREAS, the City of Compton honored Mr. Samston “Sam” Littleton in perpetuity by remaining the street (135th street in the City of Compton) that leads to Littleton’s Patio to Sam Littleton Street.

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING A MEMORANDUM OF AGREEMENT (MOA) BETWEEN THE CITY OF COMPTON AND SERVICE EMPLOYEES' INTERNATIONAL UNION (SEIU), LOCAL 721, MAINTENANCE AND TRADES UNIT

SUMMARY

The City Council will consider this resolution to adopt a three-year Memorandum of Agreement (MOA) between the City of Compton and Service Employees' International Union (SEIU), Local 721, Maintenance and Trades Unit.

BACKGROUND

The City of Compton has fulfilled its meet-and-confer obligations as required by the Meyers-Milius-Brown Act. The negotiations resulted in an Agreement between the City of Compton and the SEIU, Local 721, Maintenance and Trades Unit. This agreement shall be in full force and effect, commencing July 1, 2009 and concluding on June, 30, 2012.

STATEMENT OF THE ISSUE

Over the last several months, the City has been meeting and conferring with representatives of the SEIU, Local 721, Maintenance and Trades Unit regarding terms and conditions of employment. The members of the Maintenance and Trades Unit have voted to ratify and accept the terms of the MOA. This MOA must be approved by the City Council, after which, it can be executed and implemented by the City Manager or designee.

FISCAL IMPACT

There are no adjustments to compensation for the term of this agreement, except that either the City and/or the Bargaining Unit may reopen the

#11.

Memorandum of Agreement effective July 1, 2011 for the purpose of adjustments to compensation and health and welfare benefits.

The adoption of this resolution will have a financial impact. In that the current language in the Memorandum of Agreement regarding the City's contribution to health and welfare benefits is stated as a soft cap, the fiscal impact to the City is the provider increase in the Kaiser Los Angeles Area Region Medical Insurance Plan (KLAAR).

For FY 2010, the KLAAR will increase to \$1,074.24 per month, per eligible employee, effective January 1, 2010, a 6.09 percentage increase over FY 2009. For FY 2011, the KLAAR increase is estimated to be a 6.54 percentage increase over FY 2010 to \$1,149.44 per month, per eligible employee. And, in FY 2012, the cost impact is estimated to be a 7.41 percentage increase over FY 2011 to \$1,241.40, per month, per eligible employee.

The cost impact for FY2010 is an estimated \$41,588.04; FY 2011 is estimated at \$47,825.16; FY 2012 an estimated \$58,483.51 for a total cost impact to the City over three years \$147,896.71.

RECOMMENDATION

Staff recommends that the City Council approves the attached resolution adopting the Memorandum of Agreement between the City of Compton and Service Employees' International Union (SEIU), Local 721, Maintenance and Trades Unit.

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING A MEMORANDUM OF AGREEMENT (MOA) BETWEEN THE CITY OF COMPTON AND SERVICE EMPLOYEES' INTERNATIONAL UNION (SEIU), LOCAL 721, PUBLIC SAFETY AUXILIARY UNIT

SUMMARY

The City Council will consider this resolution to adopt a three-year Memorandum of Agreement (MOA) between the City of Compton and Service Employees' International Union (SEIU), Local 721, Public Safety Auxiliary Unit.

BACKGROUND

The City of Compton has fulfilled its meet-and-confer obligations as required by the Meyers-Milius-Brown Act. The negotiations resulted in an Agreement between the City of Compton and the SEIU, Local 721, Public Safety Auxiliary Unit. This agreement shall be in full force and effect, commencing July 1, 2009 and concluding on June, 30, 2012.

STATEMENT OF THE ISSUE

Over the last several months, the City has been meeting and conferring with representatives of the SEIU, Local 721, Public Safety Auxiliary Unit regarding terms and conditions of employment. The members of the Public Safety Auxiliary Unit have voted to ratify and accept the terms of the MOA. This MOA must be approved by the City Council, after which, it can be executed and implemented by the City Manager or designee.

FISCAL IMPACT

There are no adjustments to compensation for the term of this agreement, except that either the City and/or the Bargaining Unit may reopen the

#12.

Memorandum of Agreement effective July 1, 2011 for the purpose of adjustments to compensation and health and welfare benefits.

The adoption of this resolution will have a financial impact. In that the current language in the Memorandum of Agreement regarding the City's contribution to health and welfare benefits is stated as a soft cap, the fiscal impact to the City is the provider increase in the Kaiser Los Angeles Area Region Medical Insurance Plan (KLAAR).

For FY 2010, the KLAAR will increase to \$1,074.24 per month, per eligible employee, effective January 1, 2010, a 6.09 percentage increase over FY 2009. For FY 2011, the KLAAR increase is estimated to be a 6.54 percentage increase over FY 2010 to \$1,149.44 per month, per eligible employee. And, in FY 2012, the cost impact is estimated to be a 7.41 percentage increase over FY 2011 to \$1,241.40, per month, per eligible employee.

The cost impact for FY2010 is an estimated \$9,023.82; FY 2011 is estimated at \$10,377.16; FY 2012 an estimated \$12,689.82 for a total cost impact to the City over three years \$32,090.80.

RECOMMENDATION

Staff recommends that the City Council approves the attached resolution adopting the Memorandum of Agreement between the City of Compton and Service Employees' International Union (SEIU), Local 721, Public Safety Auxiliary Unit.

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON TO DECREASE THE LOCAL HOUSING AUTHORITY'S BUDGET FOR FY 2009-2010 AND TO INCREASE THE PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT'S FY 2009-2010 BUDGET TO ADMINISTER \$848,514 IN GRANT FUNDING FROM THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT TO FUND ACTIVITIES FOR HOMELESS PREVENTION AND RAPID RE-HOUSING PROGRAM (HPRP) AND TO SELECT JERROLD CULP ENTERPRISES FOR CONSULTANT SERVICES ASSOCIATED WITH PROGRAM IMPLEMENTATION.

SUMMARY

Staff would like Council to consider decreasing the Local Housing Authority's budget for FY 2009-2010 and to increase P&EDD FY 2009-2010 budget to administer \$848,514 in grant funding from the U.S. Department of Housing and Urban Development to fund activities for Homeless Prevention and Rapid Re-Housing Program (HPRP) and to select Jerrold Culp Enterprises for consultant service associated with program implementation. The activities to undertake for the Homeless Prevention and Rapid Re-Housing Program (HPRP) include the payment of rent, utilities, moving expenses, hotel and motel vouchers, and security deposits for program participants, and payment for consultant services.

BACKGROUND

The U.S. Department of Housing and Urban Development posted a notice of funding availability for municipalities for the Homeless Prevention and Rapid Re-Housing Program (HPRP) on March 19, 2009. The City of Compton submitted an application to HUD and was awarded \$848,514 in HPRP funding. The program's primary focus is housing stabilization by offering temporary assistance to individuals or families who can eventually sustain their households. According to HUD, the intent of the program is to serve persons who are:

- homeless or would be homeless but for this assistance,
- can remain stably housed after this temporary assistance ends.

#13.

In addition, HPRP is seeking to provide temporary assistance to individuals who may have experienced a lay off or job loss as a result of the economic crisis. HPRP cannot be used for mortgage assistance, to assist persons who need long-term and/or intensive supports, Emergency Shelter Grant Programs (ESG), or Rapid Re-housing (RRH) Demonstration. Furthermore, no money is directly given to the recipients. All monies are paid to third parties entity, such as a landlord, utility company, or moving company. The specific activities are broken down into appropriate categories. These activities have been identified by HUD as eligible activities that can be funded through the HPRP Program as long as the funds are available and the specific conditions are met:

Financial Assistance (\$460,400)

- Payment of Rental Assistance (up to 18 months)
- Payment of Security and Utility Deposits
- Payment of Utility Costs
- Payment of Moving Costs

Funds shall assist eligible local households (50% of the adjusted median income and below).

Housing Relocation and Stabilization Services (\$305,345)

- Payment of costs associated with case management and outreach. Funds shall be utilized to pay for the arrangement, coordination, monitoring, and delivery of services to the program participants.

Data Collection (\$40,304)

- Payment associated with cost for data collection and evaluation associated with operating a HUD-approved Homeless Management Information System (HMIS).

Program Administration (\$42,425)

- HPRP allows for five (5) percent of the total grant award (\$42,425) to be used for grant administration. The P&EDD staff will prepare reports and monitor the program to ensure that all provisions of HUD are met.

The Compton City Council adopted by Resolution 22,816, the City's HPRP Substantial Amendment for the 2008-09 Annual Action Plan of the Consolidated Plan and appropriated the funds into the Local Housing Authority budget. The City Administration has redirected the program to be administered through the P&EDD. The funds will need to be transferred from the Local Housing Authority's budget to the Planning and Economic Development Department's budget to administer the program.

The Department issued a Request for Proposals to qualified firms for consulting services to carry out the responsibilities as the HPRP Coordinator on October 20, 2009 (Exhibit A). The closing

date to receive all responses was November 4, 2009, by 5:00 p.m. A total of four proposals were received from consulting firms. Among the items listed in the RFP, respondents were asked to provide a Monthly Payment/ Hourly Rate for services rendered.

<u>Consulting Firms</u>	<u>Total Cost of Services (Full Time Annual Basis)</u>
*Equity North Investments, Inc.	No Response
Del Richardson & Associates, Inc.	\$120,000
Jerrold Culp Enterprises	\$75,000
#Lenora D. Levias	\$76,800

Of the four firms, Jerrold Culp Enterprises came in as the lowest proposal at \$75,000. Equity North Investments, Inc. provided no cost of services in their proposal; therefore, the proposal was disqualified. Lenora D. Levias provided a cost of services that did not match up based upon the monthly and annual costs of services. In the proposal, Ms. Levias submitted the monthly rate of \$6,400, but the projected annual cost was \$73,600. The correct projected annual cost of services based on \$6,400 per month is \$76,800, so the proposal costs were adjusted accordingly. Del Richardson & Associates, Inc. proposed cost of services that was almost double that of the other respondents at \$120,000. P&EDD staff have checked the references of Jerrold Culp Enterprises, interviewed the respondent and recommends that Council approve an annual contract to Jerrold Culp Enterprises to provide HPRP Coordinator consulting services to the City of Compton. The contract will be awarded on an annual basis and based upon the availability of funding in the HPRP program.

The P&EDD has held its first interest meeting for residents needing assistance on November 4, 2009. From the meeting, the Department has developed an interest list. P&EDD has opened up the application process City-wide and once the HPRP Coordinator is hired, the City can start the screening process. To qualify for assistance, the following criteria must be met:

- Proof of City of Compton Residents (Driver's License, Govt. issued ID Card, or Passport)
- Proof of Income
- Proof of Eviction
- Documentation of Homelessness or near Homelessness
- Completion of HPRP Assistance Application
- Agreement to Seek Employment
- Ability to eventually sustain housing

Once all documents are submitted, the application will be reviewed and a meeting will be scheduled with the HPRP Coordinator and the HPRP participant to determine the level and type of assistance needed. As a provision to receive assistance in the Compton HPRP program, **participants must agree to actively seek employment while receiving assistance.** Only individuals and families that

#13.

have the potential to eventually sustain their households will qualify for assistance. P&EDD has contacted additional organizations to offer assistance to HPRP participants with food, clothing, employment and workforce training, transportation, health care, and education.

FISCAL IMPACT

The Local Housing Authority's 2009-2010 FY budget will be reduced by \$765,785 and the Planning and Economic Development Department's 2009-2010 FY budget would increase by \$765,785.

REQUEST FOR PROPOSALS
for
HPRP Coordinator

INTRODUCTION

The City of Compton Planning and Economic Development Department is issuing a Request for Proposals (RFP) for qualified individuals to assist in the coordination of the HPRP Program. HPRP (Homeless Prevention and Rapid Response Program) is a federally funded program administered by the U.S. Department of Housing and Urban Development (HUD), under the American Recovery and Reinvestment Act of 2009 (ARRA). HPRP is targeted at providing temporary financial assistance, housing relocation and stabilization services to individuals who are on the verge of becoming homeless due to a recent job loss, inability to gain employment, or the result of some other life altering incident. Proactive measures will be put in place through the facilitation of rapid re-housing of such individuals and families so that they do not become homeless. Leveraging additional resources for transportation, health care, food services, and career and educational counseling are essential in providing holistic services so that individuals and families who benefit from the program can concentrate their efforts on re-entering the workforce and attaining self-sufficiency.

The City of Compton is seeking a qualified individual to administer the program in accordance with the HUD provisions and guidelines. The HPRP Coordinator will work onsite at the Planning and Economic Development Department and report directly to the Director and/or his designee of the Department. Duties will include but not limited to the following:

- Develop an application and screen potential clients
- Market the HPRP program to eligible residents in the City

- Coordinate housing and related services to efficiently place clients into safe and decent housing by providing temporary assistance
- Arrange for career counseling and educational opportunities for clients to re-enter into the workforce
- Conduct case management activities to track progress of clients
- Collaborate with other social service organizations to leverage additional resources including transportation, health care, food and clothing, and career and education counseling
- Report results and outcomes in HUD reporting system
- Comply with and enforce all Fair Housing Law policies and regulations
- Attend training and workshops to stay abreast of any changes in the HPRP program
- Generate an annual report of case activities

PROPOSAL REQUIREMENTS AND ELEMENTS

When preparing your RFP submittal, please address all components listed below. Please bind all submissions of the RFP. Submit five (5) copies of your RFP by the due date. The contract will be awarded on an annual basis, not to exceed three (3) years. A failure to comply with these or any other requirement listed in this notice may invalidate your proposal.

I. Qualifications and Experience

- A. Describe the Applicant's background and contact information.
- B. Describe the Applicant's experience in performing the proposed service(s).
- C. Provide resume(s) of the principal person(s) to perform the proposed service(s).
- D. List any sub-contractors to be utilized and their qualifications (if applicable).

II. Description of services in the following areas:

- A. Describe your understanding of the goals and objectives of the HPRP program.
- B. List your experience in leasing and placement of residents and conducting tenant counseling.
- C. Assist individuals and families in locating, obtaining and retaining suitable housing through understanding leases, securing utilities, and coordinating moving arrangements.
- D. Describe your negotiations experience with property owners and residents

- E. Summarize your understanding of Fair Housing and describe your experience in enforcing Fair Housing Law.
- F. List your experience in leveraging additional resources.
- G. List your experience in marketing programs to target audiences.
- H. Provide your experience in monitoring and client follow-up.

III. Provide a breakdown of cost of services to be performed on an annual basis.

- A. Name and title of personnel
- B. Monthly Payment/ Hourly Rate
- C. Projected number of hours worked per year

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH TOMORROW'S AERONAUTICAL MUSEUM TO ADMINISTER THE NO CHILD LEFT BEHIND GRANT IN THE AMOUNT \$476,000 IN ACCORDANCE WITH THE SCOPE OF SERVICE.

SUMMARY

Staff would like Council to consider authorizing the City Manager to enter into an agreement with Tomorrow's Aeronautical Museum to administer the No Child Left Behind Grant in the amount of \$476,000 in accordance with the scope of service.

BACKGROUND

In September 2009, the City was awarded a \$476,000 educational grant from the U.S. Department of Education through the Omnibus Appropriations Act of 2009. The goal of the educational program is to introduce at-risk youth from grades K-12 to learn about aviation, engineering and related fields; teach targeted youth the basics of aircraft flying; and reduce academic failure. Tomorrow's Aeronautical Museum (TAM) would be responsible for carrying out the program, which initially started July 3, 2009 and is scheduled to end September 30, 2012. The Council approved the receipt of the grant by adopting **Resolution 22,985** on November 17, 2009.

The goals and objectives and outcomes to be achieved by Tomorrow's Aeronautical Museum (TAM) are:

1. To introduce at-risk youth grades K-12 to aviation, engineering, and related fields.
 - a. By the end of the project, 400 youth will have visited TAM and participated in field trips designed to introduce them to the aviation industry, as evidenced by KidTrax and other program records.
2. To teach targeted youth the basics of aircraft flying.
 - a. By the end of each program year, approximately 20 youth will have completed five hours each of actual flight training, as part of TAM's FAA-approved Flight Sim Cadet Airplane Private Pilot Course, as evidenced by pilot logbooks and other records.
 - b. By the end of each program year, approximately 20 youth will have completed at least 300 hours each of ground instruction, as evidenced by test records and other program records.

#14.

- c. By the end of each program year, approximately 20 youth will know how to perform basic flight maneuvers (i.e., takeoff, fly a traffic pattern, and land), as evidenced by pilot logbooks and test records.
- 3. To foster academic success and reduce the number of youth at risk of academic failure.
 - a. By the end of each program year, 30 youth will have enrolled and participated in after school and weekend tutorial sessions, as evidenced by KidTrax, sign-in sheets, and other program records.

FISCAL IMPACT

The Planning and Economic Development Departments' 2009-2010 Fiscal Year Budget would increase by \$476,000.00.

2773-000-000-3596	U.S. Dept. of Ed. Grant	\$476,000.00
2773-780-000-4289	Contribution to Other Agencies	\$428,400.00
2773-780-000-4249	Special Department Expense	\$47,600.00

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH TOMORROW'S AERONAUTICAL MUSEUM TO ADMINISTER THE NO CHILD LEFT BEHIND GRANT IN THE AMOUNT \$476,000 IN ACCORDANCE WITH THE SCOPE OF SERVICE.

WHEREAS, the City of Compton shares the U.S. Department of Education’s goal of improving educational opportunities for the youth; and

WHEREAS, the City was awarded a \$476,000 grant from the U.S. Department of Education through the Omnibus Appropriations Act of 2009, to fund an educational program at the Tomorrow’s Aeronautical Museum in Compton from July 3, 2009 through September 30, 2012; and

WHEREAS, the City Council adopted Resolution 22,985 on November 17, 2009, to accept the grant award from the U.S. Department of Education; and

WHEREAS, the City Manager will enter into an agreement with Tomorrow’s Aeronautical Museum to carry out the responsibilities for implementing the program; and,

WHEREAS, the scope of services for the grant outlines three specific goals for Tomorrow’s Aeronautical Museum to introduce at-risk youth grades K-12 to aviation, engineering, and related fields, to teach targeted youth the basics of aircraft flying, and to foster academic success and reduce the number of youth at risk of academic failure.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY RESOLVE AS FOLLOWS:

Section 1: That the City Council hereby authorizes the City Manager, on the advice and consent of the City Attorney, to enter into an agreement with Tomorrow’s Aeronautical Museum to administer the No Child Left Behind Grant in the amount of \$476,000 in accordance with the scope of services.

Section 2: That the term of the agreement shall be from July 3, 2009 through September 30, 2012.

Section 3: That the Planning and Economic Development Department’s Fiscal Year 2009-2010 budget shall increase by \$476,000.00 as follows:

2773-000-000-3596	U.S. Dept. of Ed. Grant	\$476,000
2773-780-000-4289	Contribution to Other Agencies	\$428,400
2773-780-000-4249	Special Department Expense	\$ 47,600

Section 4: That a copy of this resolution shall be filed in the office of the City Manager, City Controller, City Clerk, and Planning and Economic Development Department.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH THE CASTING HOPE AGAINST NEGATIVE GANG ENVIRONMENT (C.H.A.N.G.E.) FOUNDATION TO PROVIDE WEEKEND GRAFFITI REMOVAL MAINTENANCE SUPPORT SERVICES

SUMMARY

This resolution authorizes the City Manager to enter into a contract with the Casting Hope Against Negative Gang Environment (C.H.A.N.G.E.) Foundation for the provision of weekend graffiti removal.

BACKGROUND

Last year, per Resolution No. 22,707, the Public Works Department awarded a one (1) year contract to C.H.A.N.G.E. for weekend graffiti removal and maintenance support services. C.H.A.N.G.E. has done an adequate job performing these services and is available and wishes to continue providing these maintenance support services to the Public Works Street Maintenance Division for the 2009-2010 Fiscal Year. The C.H.A.N.G.E. Foundation's mission is to provide apprenticeship, mentoring, tutoring, and career planning programs for youth in the Compton community.

The C.H.A.N.G.E. Foundation's aim is to enlighten and encourage young people in the community by providing training and employment opportunities to combat gang violence, drug abuse, truancy from school, and other issues that can potentially lead to possible incarceration. The C.H.A.N.G.E. Foundation offers services to reform former gang members and ex-felons to promote hope and the value of life by setting attainable goals to increase self-respect. The C.H.A.N.G.E. Foundation will provide job training opportunities by utilizing individuals from its programs to provide weekend graffiti removal services to the City of Compton for one (1) year commencing July 1, 2009 to June 30, 2010.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
COMPTON, AMENDING THE FY 2009-2010 ANNUAL BUDGET AND
APPROPRIATING AMERICAN RECOVERY AND REINVESTMENT ACT
FUNDS**

SUMMARY

This resolution amends the FY 2009-2010 Annual Budget and appropriates infrastructure funds the City was awarded under the American Recovery and Reinvestment Act.

BACKGROUND

Pursuant the current economic crisis, the likes of which the nation has not seen since the Great Depression, President Obama proposed and Congress adopted H.R.1, the American Recovery and Reinvestment Act. The goal is to create and save three to four million jobs nationwide.

According to the Obama administration, the provisions of the Act “are necessary to help millions of families whose lives have been upended by the economic crisis”. However, this Act will do more than provide short-term stimulus. By modernizing our health care, improving our schools, modernizing our infrastructure, and investing in the clean energy technologies of the future, the Act will lay the foundation for a robust and sustainable 21st Century economy.

STATEMENT OF THE ISSUE

One of the measures of Act is the provision of funds to state and local governments for infrastructure projects. Towards that end, the City was awarded \$2,904,000 for street improvements: \$2,004,000 shall be utilized for the Greenleaf Blvd. Overlay Project from (Alameda to Central Avenue), while \$900,000 shall be assigned to the Preventative Maintenance/Slurry Seal Project (various locations), CIP Numbers 09-10 and 09-12, respectively.

The funds must be appropriated into the FY 2009-2010 annual budget.

FISCAL IMPACT

Revenue (1522-000-000-3565) and expenditures shall be increased by \$2,904,000.

**SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
AUTHORIZING THE ISSUANCE OF A PURCHASE ORDER TO OCÉ
NORTH AMERICA INC. FOR PROVISION OF AN OCÉ DIGITAL COLOR
WIDE FORMAT PRINTING SYSTEM**

SUMMARY

This Resolution approves the acquisition of an Océ wide format printing system.

BACKGROUND AND STATEMENT OF THE ISSUE

The Public Works Department, Planning and Economic Development Department (PEDD) and Building and Safety Department, all make use of very large format vector graphics computer printer popularly known as a plotter.

Such machine and ancillary devices are necessary to scan, copy and print out various plans, maps and drawings.

STATEMENT OF THE ISSUE

The current plotter is nearly ten years old and is no longer functioning. Staff attempted to get the existing plotter repaired, but was advised that it was obsolete and parts were no longer available. Accordingly, Public Works Department and PEDD conducted extensive research and subsequent to a demonstration selected the Océ Digital TCS500 Color Wide Format Printing System as the best solution.

Staff solicited quotes from various vendors and received the following responses:

Océ North America, Inc.	\$ 32,589.00
Repro Graphic Supply	\$ 34,995.00 (w/trade)
ESRI Hardware Solutions	\$35,000.00

Staff recommends acquisition from Océ since its price is lower as well as the advantage of dealing with the manufacturer directly.

The purchase price, which includes the plotter, scanner, various secondary control devices, as well as, software, is \$32,589.00 plus sales tax.

In addition, the company Océ North America Inc. shall provide training for staff.

Furthermore, acquisition of the plotter shall save several thousand dollars in annual outside scanning and blueprinting expenses.

The three departments have agreed that Public Works shall procure the machine and the other two shall be responsible for purchasing supplies and paying for the maintenance agreement.

#17.

Since it shall be used for the design of a number of capital projects, the funds approved by Caltrans for the engineering phase of such projects can be utilized to purchase the system.

FINANCIAL IMPACT

The funds, \$35,603.48, including taxes, shall come from the following Capital Improvement Project Accounts: 1518-710-803-4334, \$15,000.48 (Rosecrans Bridge); 1518-710-240-4334, \$15,603.00 (Compton-Central-Wilmington Overlay); and 1916-710-606-4334, \$5,000.00 (Traffic Mgt. Operations Center), subsequent to a fund transfer.

**SUBJECT: REQUEST TO RE-SCHEDULE PUBLIC HEARING FOR
JANUARY 5, 2010 CONGESTION MANAGEMENT
PROGRAM**

The Public Works Department request that the City Council re-schedule a public hearing for Tuesday, January 5, 2010 at 7: 15 PM to receive comments on the City of Compton's conformance with the Los Angeles County Congestion Management Program.

The hearing could not be held on the originally scheduled date of December 15, 2009, due to the lack of quorum.

BACKGROUND

The Congestion Management Program (CMP) is a State-Mandated program administered in Los Angeles County by the Los Angeles County Metropolitan Transportation Authority (LACMTA). The CMP assists local agencies in linking land use decisions with impacts on the region's transportation system. The City is required to participate in this program in order to receive State Gas Tax funds.

The Program was first established in 1992 by the Los Angeles County Transportation Commission, predecessor of the Los Angeles County Metropolitan Transportation Authority (LACMTA) following the passage of Proposition 111 in 1990. The purpose of the Program was to address the impacts of local growth on the regional transportation system. Furthermore, the Program was created to link local land use decisions with their impacts on regional transportation and air quality as well as to develop a partnership among transportation decision makers on devising appropriate transportation solutions that include all modes of travel.

I certify that this report accurately reflects all pooled investments and is in conformity with the investment policy statement adopted by the City Council on July 01, 2008. (Gov Code 53646(b)(3)) The quarterly investment report must state the ability of the Agency to meet its expenditure requirements for the next six months or provide an explanation of why sufficient cash funds may or may not be available. The Investment program may not provide sufficient cash flow liquidity to meet six months estimated expenditures. On December 20, 2008 and April 20, 2009 the City received its major source of revenue, property taxes, of over 9 million dollars. This revenue is intended to last at least until next property tax revenue cycle. However, the economic downturn of the last 2 years and the State of California's budget crisis along with its threat to withhold property tax revenue and gas tax revenue from the cities of California will have a major impact on the city's ability to meet its expenditures going forward. The City may spend more than it receives on different payment cycles. Moreover in the last two years returns on investments have been very low due to ridiculously low interest rates in the marketplace and at this time there are no signs of a rate increase by the Federal Reserve. The pricing of securities is done by Union Bank of California and Interactive Data Services. Moody Investor Services rates the managed Pool Accounts AAA.

RE: **AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF SUBDIVISIONS (a), (b) and (e)(2)(C) OF HEALTH AND SAFETY CODE SECTION 33333.6 IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.9 FOR FISCAL YEAR 2003-04.**

SUMMARY:

The City Council will consider adopting an Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes.

BACKGROUND:

Pursuant to Health and Safety Code Section 33681.9, the Community Redevelopment Agency of the City of Compton ("Agency") was required to make a payment in connection with the Compton Redevelopment Project Area ("Project Area") for deposit in the Los Angeles County Educational Revenue Augmentation Fund ("ERAF") for fiscal year 2003-04. Pursuant to Health and Safety Code Section 33681.12, the Agency was required to make ERAF payments for fiscal years 2004-05 and 2005-06.

Health and Safety Code Section 33333.6 provides that because the Agency was required to make ERAF payments for fiscal years 2003-04, 2004-05 and 2005-06, the City Council may adopt ordinances to amend the Redevelopment Plan for the Project Area to extend (i) the time limits on the effectiveness of the Redevelopment Plan and (ii) the time limits to repay indebtedness or receive property taxes from the Project Area. Because the Project Area is a merged project area (formed by merging Rosecrans and Walnut Industrial Redevelopment Projects) and has also been amended several times to add territory, each component area of the Project Area has its own limits.

STATEMENT OF ISSUE:

The attached Ordinance extending the time limits may be adopted following a public hearing without complying with the normal proceedings related to the amendment of a redevelopment plan. Notice of the public hearing on the Ordinance was mailed to the governing body of each taxing entity that levies taxes within the Project Area and published in accordance with the requirements of Health and Safety Code Section 33333.6.

Section 33333.6 provides that the time limits for each component area of the Project Area may be extended by one (1) year on account of the 2003-04 ERAF payment. In connection with the 2004-05 and 2005-06 ERAF payments, Section 33336.6 provides that (i) the time limits for component areas with more than 20 years of effectiveness years remaining cannot be extended (this applies to the 1991 Added Territory); (ii) the time limits may be extended one (1) year for each ERAF payment with respect to component areas with 10 years or less of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) (this applies to the Rosecrans Project, the Walnut Project Area, and the Walnut Project 1974 Added Territory); and (iii) the time limits may be extended one year for each ERAF payment with respect to component areas with 10 to 20 years of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) if the City Council makes certain findings (this applies to the Walnut Project 1976, 1979 and 1980 Added Territories). The findings are:

(i) The Agency is in compliance with the requirements of Health and Safety Code Section 33334.2 (to annually deposit 20% of tax increment into the Housing Fund and to expend such monies on increasing, improving and preserving affordable housing).

(ii) The Agency has adopted an implementation plan in accordance with the requirements of Health and Safety Code Section 33490.

(iii) The Agency is in compliance with Health and Safety Code Section 33413 (a) (replacement housing) and (b) (inclusionary housing).

(iv) The Agency is not subject to sanctions pursuant to Health and Safety Code Section 33334.12 for failure to expend, encumber or disburse excess surplus in the Housing Fund.

With respect to (iii) above, Health and Safety Code Section 33413(b) generally requires that prior to the time limit on the effectiveness of a post January 1, 1976 redevelopment plan, at least 15 percent of all new and substantially rehabilitated dwelling units developed within the project area by persons or entities other than

the agency must be available at affordable housing cost to persons and families of low or moderate income (with not less than 40 percent of such units available at affordable housing cost to, and occupied by, very low-income households). An agency's Implementation Plan must contain a plan for complying with these inclusionary requirements that is consistent with the city's housing element and must ensure that the requirements are met every ten years (1994- 2004, 2004-2014, etc.). If the requirements are not met by the end of each 10-year period, the agency must meet the requirements on an annual basis until the requirements for the 10-year period are met.

The Agency's proposed Amendment 1 of the current Implementation Plan shows that the Agency will meet its requirements and have a surplus of affordable housing units for both low income and very low income groups by December 31, 2014.

Set forth below is a chart that shows the time limits for the component areas of the Project Area. In each case, the time limit for repaying indebtedness or receiving property taxes is ten (10) years after the time limit on effectiveness.

Territory	Existing Limit on Effectiveness	Limits on Effectiveness After adoption of attached ERAF extension Ordinances
Rosecrans	3/9/11	3/9/14
Walnut Original Territory	8/28/13	8/28/16
Walnut 1974 Added Territory	7/20/14	7/20/17
Walnut 1976 Added Territory	12/1/16	12/1/19
Walnut 1979 Added Territory	7/12/19	7/12/22
Walnut 1980 Added Territory	5/13/20	5/13/23
1991 Added Territory	12/10/31	12/10/32

The existing limits set forth above are the maximum limits allowed by AB 1290. AB 1290 added Section 33333.6 to the Redevelopment Law which required the adoption of an ordinance on or before December 31, 1993 amending each pre-1994 redevelopment plan to establish certain time limits that did not exceed the maximum limits allowed by Section 33333.6. Limits were required to be calculated separately for each component project area of a merged project area and for each added territory. Ordinance No. 1930, adopted by the Compton City Council on December 27, 1994, inadvertently established limits that exceeded the maximum limits allowed by AB 1290. The time limits established by the attached Ordinances extend the maximum time limits allowed by AB 1290.

#25.

Staff Report Re Ordinance Amending/Extending
Time Limitations of Redevelopment Plan
Pursuant to Subdivisions (a), (b), (e)(2)(C) of
Health & Safety Code Section 33333.6 for
FY 2003-04, December 22, 2009

FISCAL IMPACT:

Adoption of the attached ordinance will allow the Agency to collect tax increment and repay indebtedness for a longer period of time as shown in the above chart. The Agency is projected to receive a cumulative additional \$60 million dollars of the life span on the projects areas based on the proposed time extensions incorporated into the attached ordinance.

RECOMMENDATION:

It is the recommendation of staff that the City Council adopt the attached Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes. The extension of the time limits for the various redevelopment project areas will allow the Agency to receive additional tax increment revenue that will offset the State's mandatory ERAF payments.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF SUBDIVISIONS (a), (b) and (e)(2)(C) OF HEALTH AND SAFETY CODE SECTION 33333.6 IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.9 FOR FISCAL YEAR 2003-04.

WHEREAS, the City Council of the City of Compton ("City Council"), adopted Ordinance No. 1,375 on March 9, 1971, approving and adopting the redevelopment plan for the Rosecrans Redevelopment Project No. 1 ("Rosecrans Project"); and

WHEREAS, the City Council adopted Ordinance No. 1,438 on August 28, 1973, approving and adopting the redevelopment plan for the Walnut Industrial Park Redevelopment Project ("Walnut Project"). The territory within the Walnut Project described and defined in the redevelopment plan approved and adopted by the City Council by its Ordinance No. 1,438 is referred to herein as the "Walnut Original Territory;" and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,455 on July 20, 1974 ("1974 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,512 on December 1, 1976 ("1976 Added Territory"). On June 28, 1977, the City Council adopted Ordinance No. 1,538, correcting a minor technical error in the legal description of the boundaries of the 1976 Added Territory; and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,583 on July 12, 1979 ("1979 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,601 on May 13, 1980 ("1980 Added Territory"); and

WHEREAS, on December 10, 1991, the City Council adopted Ordinance No. 1,865, approving and adopting the redevelopment plan for the Compton Redevelopment Project Area ("Merged Project"), thereby merging the Rosecrans Project and the Walnut Project, as previously amended, adding territory to the Merged Project ("1991 Added Territory"), and superseding and replacing the redevelopment plans for the Rosecrans Project and the Walnut Project, as previously amended. The redevelopment plan for the Merged Project, as previously amended, is referred to herein as the "Redevelopment Plan;" and

WHEREAS, the City Council adopted Ordinance No. 1,930 on December 27, 1994 establishing and amending certain limits with respect to the Redevelopment Plan; and

WHEREAS, the Community Redevelopment Agency of the City of Compton (“Agency”) has been designated as the official redevelopment agency in the City of Compton to carry out the functions and requirements of the Community Redevelopment Law of the State of California (Health and Safety Code 33000 et seq.) (“Redevelopment Law”) and to implement the Redevelopment Plan; and

WHEREAS, Section 33681.9, which was added to the Health and Safety Code by Senate Bill 1045, required the Agency during the 2003-04 fiscal year to make a payment to the Los Angeles County Auditor Controller for deposit in the Los Angeles County’s Educational Revenue Augmentation Fund and the Agency has made such payment; and

WHEREAS, with respect to redevelopment plans adopted on or before December 31, 1993, Section 33333.6(e)(2)(C) of the Health and Safety Code, as amended by Senate Bill 1045, provides that when a redevelopment agency is required to make a payment pursuant to Section 33681.9 of the Health and Safety Code, the legislative body may amend the redevelopment plan to extend by one year the time limits required by subdivisions (a) and (b) of Health and Safety Code Section 33333.6, being the time limit(s) on the effectiveness of the redevelopment plan and the time limit(s) to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670, by adoption of an ordinance, without the necessity of compliance with Health and Safety Code Section 33354.6 or Article 12 (commencing with Health and Safety Code Section 33450) or any other provision of the Redevelopment Law related to the amendment of redevelopment plans; and

WHEREAS, the City Council and the Agency desire that the Redevelopment Plan be amended pursuant to subdivisions (a), (b) and (e)(2)(C) of Health and Safety Code Section 33333.6 to extend by one year the time limits required by subdivisions (a) and (b) on the effectiveness of the Redevelopment Plan and the time limits to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. That the foregoing recitals are all true and correct.

Section 2. That pursuant to subdivisions (a), (b) and (e)(2)(C) of Health and Safety Code Section 33333.6, except as provided in subsection (a) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the dates upon which the effectiveness of the Redevelopment Plan shall terminate are as follows:

- (a) For the Rosecrans Project: March 9, 2012;
- (b) For the Walnut Project Original Territory: August 28, 2014;
- (c) For the 1974 Added Territory: July 20, 2015;

- (d) For the 1976 Added Territory: December 1, 2017;
- (e) For the 1979 Added Territory: July 12, 2020;
- (f) For the 1980 Added Territory: May 13, 2021; and
- (g) For the 1991 Added Territory: December 10, 2032.

Section 3. That pursuant to subdivisions (b) and (e)(2)(C) of Health and Safety Code Section 33333.6, except as provided in subsections (f), (g), and (h) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the latest dates on which the Agency may pay indebtedness related to its activities or receive property tax revenues pursuant to Health and Safety Code Section 33670 are as follows:

- (a) For the Rosecrans Project: March 9, 2022;
- (b) For the Walnut Project Original Territory: August 28, 2024;
- (c) For the 1974 Added Territory: July 20, 2025;
- (d) For the 1976 Added Territory: December 1, 2027;
- (e) For the 1979 Added Territory: July 12, 2030;
- (f) For the 1980 Added Territory: May 13, 2031; and
- (g) For the 1991 Added Territory: December 10, 2042.

Section 4. That this Ordinance has been reviewed with respect to applicability of the California Environmental Quality Act (“CEQA”), and the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq., hereafter the “CEQA Guidelines”), and the City’s environmental guidelines. The City has determined that this Ordinance is not a “project” for purposes of CEQA, as that term is defined by Guidelines Section 15378. Specifically, this Ordinance is adopted pursuant to Health and Safety Code Section 33333.6, and is an organizational or administrative activity that will not result in a direct or indirect physical change in the environment (CEQA Guidelines, Section 15378(b)(5)). Therefore, because it is not a “project,” this Ordinance is not subject to CEQA’s requirements. Further, even if this Ordinance were deemed a “project” and therefore subject to CEQA, the Ordinance would be covered by the general rule that CEQA applies only to projects that have the potential to cause a significant effect on the environment (CEQA Guidelines, Section 15061 (b)(3)). As an organizational or administrative activity which extends certain time limits as allowed by the Redevelopment Law, this Ordinance does not have the potential to cause a significant effect on the environment and is therefore exempt under this general rule. Further, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and thus this Ordinance is not subject to CEQA (CEQA Guidelines, Section 15061(b)(3)).

Section 5. That except as amended by this Ordinance, the Redevelopment Plan, as previously amended, is unchanged and is in full force and effect in accordance with its terms.

Section 6. That if any part of this Ordinance is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance, and the City Council hereby declares that it would have passed the remainder of this Ordinance if such invalid portion thereof had been deleted.

Ordinance No. _____

Section 7. That a copy of this Ordinance shall be filed in the offices of the City Clerk, City Manager, City Attorney and the Community Redevelopment Agency.

Section 8. That the City Clerk shall file a Notice of Exemption with the Clerk of Los Angeles County within five (5) days of the adoption of this Ordinance pursuant to Section 15062 of the CEQA Guidelines.

Section 9. That this Ordinance shall take effect thirty (30) days after its adoption.

Section 10. That the Mayor shall sign and the City Clerk shall attest to the adoption of this Ordinance and shall cause the same to be published as required by law.

RE: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF HEALTH AND SAFETY CODE SECTION 33333.6(e)(2)(D) IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.12 FOR FISCAL YEARS 2004-05 AND 2005-06 (ROSECRANS PROJECT, WALNUT PROJECT ORIGINAL TERRITORY AND WALNUT PROJECT 1974 ADDED TERRITORY).

SUMMARY:

The City Council will consider adopting an Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes.

BACKGROUND:

Pursuant to Health and Safety Code Section 33681.9, the Community Redevelopment Agency of the City of Compton ("Agency") was required to make a payment in connection with the Compton Redevelopment Project Area ("Project Area") for deposit in the Los Angeles County Educational Revenue Augmentation Fund ("ERAF") for fiscal year 2003-04. Pursuant to Health and Safety Code Section 33681.12, the Agency was required to make ERAF payments for fiscal years 2004-05 and 2005-06.

Health and Safety Code Section 33333.6 provides that because the Agency was required to make ERAF payments for fiscal years 2003-04, 2004-05 and 2005-06, the City Council may adopt ordinances to amend the Redevelopment Plan for the Project Area to extend (i) the time limits on the effectiveness of the Redevelopment Plan and (ii) the time limits to repay indebtedness or receive property taxes from the Project Area. Because the Project Area is a merged project area (formed by merging Rosecrans and Walnut Industrial

Redevelopment Projects) and has also been amended several times to add territory, each component area of the Project Area has its own limits.

STATEMENT OF ISSUE:

The attached Ordinance extending the time limits may be adopted following a public hearing without complying with the normal proceedings related to the amendment of a redevelopment plan. Notice of the public hearing on the Ordinance was mailed to the governing body of each taxing entity that levies taxes within the Project Area and published in accordance with the requirements of Health and Safety Code Section 33333.6.

Section 33333.6 provides that the time limits for each component area of the Project Area may be extended by one (1) year on account of the 2003-04 ERAF payment. In connection with the 2004-05 and 2005-06 ERAF payments, Section 33336.6 provides that (i) the time limits for component areas with more than 20 years of effectiveness years remaining cannot be extended (this applies to the 1991 Added Territory); (ii) the time limits may be extended one (1) year for each ERAF payment with respect to component areas with 10 years or less of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) (this applies to the Rosecrans Project, the Walnut Project Area, and the Walnut Project 1974 Added Territory); and (iii) the time limits may be extended one year for each ERAF payment with respect to component areas with 10 to 20 years of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) if the City Council makes certain findings (this applies to the Walnut Project 1976, 1979 and 1980 Added Territories). The findings are:

(i) The Agency is in compliance with the requirements of Health and Safety Code Section 33334.2 (to annually deposit 20% of tax increment into the Housing Fund and to expend such monies on increasing, improving and preserving affordable housing).

(ii) The Agency has adopted an implementation plan in accordance with the requirements of Health and Safety Code Section 33490.

(iii) The Agency is in compliance with Health and Safety Code Section 33413 (a) (replacement housing) and (b) (inclusionary housing).

(iv) The Agency is not subject to sanctions pursuant to Health and Safety Code Section 33334.12 for failure to expend, encumber or disburse excess surplus in the Housing Fund.

With respect to (iii) above, Health and Safety Code Section 33413(b) generally requires that prior to the time limit on the effectiveness of a post January 1, 1976 redevelopment plan, at least 15 percent of all new and substantially rehabilitated dwelling units developed within the project area by persons or entities other than the agency must be available at affordable housing cost to persons and families of low or moderate income (with not less than 40 percent of such units available at affordable housing cost to, and occupied by, very low-income households). An agency's Implementation Plan must contain a plan for complying with these inclusionary requirements that is consistent with the city's housing element and must ensure that the requirements are met every ten years (1994- 2004, 2004-2014, etc.). If the requirements are not met by the end of each 10-year period, the agency must meet the requirements on an annual basis until the requirements for the 10-year period are met.

The Agency's proposed Amendment 1 of the current Implementation Plan shows that the Agency will meet its requirements and have a surplus of affordable housing units for both low income and very low income groups by December 31, 2014.

Set forth below is a chart that shows the time limits for the component areas of the Project Area. In each case, the time limit for repaying indebtedness or receiving property taxes is ten (10) years after the time limit on effectiveness.

Territory	Existing Limit on Effectiveness	Limits on Effectiveness After adoption of attached ERAF extension Ordinances
Rosecrans	3/9/11	3/9/14
Walnut Original Territory	8/28/13	8/28/16
Walnut 1974 Added Territory	7/20/14	7/20/17
Walnut 1976 Added Territory	12/1/16	12/1/19
Walnut 1979 Added Territory	7/12/19	7/12/22
Walnut 1980 Added Territory	5/13/20	5/13/23
1991 Added Territory	12/10/31	12/10/32

The existing limits set forth above are the maximum limits allowed by AB 1290. AB 1290 added Section 33333.6 to the Redevelopment Law which required the adoption of an ordinance on or before December 31, 1993 amending each pre-1994 redevelopment plan to establish certain time limits that did not exceed the maximum limits allowed by Section 33333.6. Limits were required to be calculated separately for each component project area of a merged project area and for each added territory. Ordinance No. 1930, adopted by the Compton City Council on December 27, 1994, inadvertently established limits that exceeded

#26.

Staff Report Re Ordinance Amending/Extending
Time Limitations of Redevelopment Plan
Pursuant to Section 33333.6(e)(2)(D) of
Health & Safety Code for FY 2004-05 and
FY 2005-06, December 22, 2009

the maximum limits allowed by AB 1290. The time limits established by the attached Ordinances extend the maximum time limits allowed by AB 1290.

FISCAL IMPACT:

Adoption of the attached ordinance will allow the Agency to collect tax increment and repay indebtedness for a longer period of time as shown in the above chart. The Agency is projected to receive a cumulative additional \$60 million dollars of the life span on the projects areas based on the proposed time extensions incorporated into the attached ordinance.

RECOMMENDATION:

It is the recommendation of staff that the City Council adopt the attached Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes. The extension of the time limits for the various redevelopment project areas will allow the Agency to receive additional tax increment revenue that will offset the State's mandatory ERAF payments.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF HEALTH AND SAFETY CODE SECTION 33333.6(e)(2)(D) IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.12 FOR FISCAL YEARS 2004-05 AND 2005-06 (ROSECRANS PROJECT, WALNUT PROJECT ORIGINAL TERRITORY AND WALNUT PROJECT 1974 ADDED TERRITORY).

WHEREAS, the City Council of the City of Compton ("City Council"), adopted Ordinance No. 1,375 on March 9, 1971, approving and adopting the redevelopment plan for the Rosecrans Redevelopment Project No. 1 ("Rosecrans Project"); and

WHEREAS, the City Council adopted Ordinance No. 1,438 on August 28, 1973, approving and adopting the redevelopment plan for the Walnut Industrial Park Redevelopment Project ("Walnut Project"). The territory within the Walnut Project described and defined in the redevelopment plan approved and adopted by the City Council by its Ordinance No. 1,438 is referred to herein as the "Walnut Original Territory;" and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,455 on July 20, 1974 ("1974 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,512 on December 1, 1976 ("1976 Added Territory"). On June 28, 1977, the City Council adopted Ordinance No. 1,538, correcting a minor technical error in the legal description of the boundaries of the 1976 Added Territory; and

WHEREAS, The City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,583 on July 12, 1979 ("1979 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,601 on May 13, 1980 ("1980 Added Territory"); and

WHEREAS, on December 10, 1991, the City Council adopted Ordinance No. 1,865, approving and adopting the redevelopment plan for the Compton Redevelopment Project Area ("Merged Project"), thereby merging the Rosecrans Project and the Walnut Project, as previously amended, adding territory to the Merged Project ("1991 Added Territory"), and superseding and replacing the redevelopment plans for the Rosecrans Project and the Walnut Project, as previously amended; and

WHEREAS, the City Council adopted Ordinance No. 1,930 on December 27, 1994 establishing and amending certain limits with respect to the Merged Project; and

WHEREAS, on December 15, 2009, the City Council adopted Ordinance No. 2,202 amending the redevelopment plan for the Merged Project pursuant to the provisions of subdivisions (a), (b) and (e)(2)(C) of Health and Safety Code Section 33333.6 to extend the time limits required by subdivisions (a) and (b) by one year on account of the payment the Compton Redevelopment Agency of the City of Compton was required to make pursuant to Health and Safety Code Section 33681.9. The redevelopment plan for the Merged Project, as previously amended, is referred to herein as the "Redevelopment Plan;" and

WHEREAS, the Community Redevelopment Agency of the City of Compton ("Agency") has been designated as the official redevelopment agency in the City of Compton to carry out the functions and requirements of the Community Redevelopment Law of the State of California (Health and Safety Code 33000 et seq.) ("Redevelopment Law") and to implement the Redevelopment Plan; and

WHEREAS, Section 33681.12, which was added to the Health and Safety Code by Senate Bill 1096, required the Agency during the 2004-05 and 2005-06 fiscal years to make payments to the Los Angeles County Auditor Controller for deposit in the Los Angeles County's Educational Revenue Augmentation Fund ("ERAF") and tax increment revenues were withheld from the Agency in satisfaction of such payments; and

WHEREAS, with respect to redevelopment plans adopted on or before December 31, 1993 for which the time limit for the effectiveness of the redevelopment plan established pursuant to Health and Safety Code Section 33333.6(a) is 10 years or less from the last day of the fiscal year in which an ERAF payment is made pursuant to Health and Safety Code Section 33681.12, Health and Safety Code Section 33333.6(e)(2)(D), as amended by Senate Bill 1096, provides that when a redevelopment agency is required to make a payment pursuant to Health and Safety Code Section 33681.12, the legislative body may amend the redevelopment plan to extend by one year for each year in which a payment is made the time limit(s) on the effectiveness of the redevelopment plan and the time limit(s) to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670 by adoption of an ordinance, without the necessity of compliance with Health and Safety Code Section 33354.6 or Article 12 (commencing with Health and Safety Code Section 33450) or any other provision of the Redevelopment Law related to the amendment of redevelopment plans; and

WHEREAS, the City Council and the Agency desire that the Redevelopment Plan be amended pursuant to Health and Safety Code Section 33333.6(e)(2)(D) to extend by two years certain of the time limits on the effectiveness of the Redevelopment Plan and certain of the time limits to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. That the foregoing recitals are all true and correct.

Section 2. That funds used to make the fiscal year 2004-05 and the fiscal year 2005-06 ERAF payments would otherwise have been used to pay the cost of projects and activities necessary to carry out the goals and objectives of the Redevelopment Plan.

Section 3. That pursuant to Health and Safety Code Section 33333.6(e)(2)(D), except as provided in subsection (a) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the dates upon which the effectiveness of the Redevelopment Plan shall terminate are as follows:

- (a) For the Rosecrans Project: March 9, 2014;
- (b) For the Walnut Project Original Territory: August 28, 2016; and
- (c) For the 1974 Added Territory: July 20, 2017.

Section 4. That pursuant to Health and Safety Code Section 33333.6(e)(2)(D), except as provided in subsections (f), (g), and (h) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the latest dates on which the Agency may pay indebtedness related to its activities or receive property tax revenues pursuant to Health and Safety Code Section 33670 are as follows:

- (a) For the Rosecrans Project: March 9, 2024;
- (b) For the Walnut Project Original Territory: August 28, 2026; and
- (c) For the 1974 Added Territory: July 20, 2027.

Section 5. That this Ordinance shall have no effect on the 1976 Added Territory, the 1979 Added Territory, the 1980 Added Territory or the 1991 Added Territory.

Section 6. That this Ordinance has been reviewed with respect to applicability of the California Environmental Quality Act ("CEQA"), and the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 *et seq.*, hereafter the "CEQA Guidelines"), and the City's environmental guidelines. The City has determined that this Ordinance is not a "project" for purposes of CEQA, as that term is defined by Guidelines Section 15378. Specifically, this Ordinance is adopted pursuant to Health and Safety Code Section 33333.6, and is an organizational or administrative activity that will not result in a direct or indirect physical change in the environment (CEQA Guidelines, Section 15378(b)(5)). Therefore, because it is not a "project," this Ordinance is not subject to CEQA's requirements. Further, even if this Ordinance were deemed a "project" and therefore subject to CEQA, the Ordinance would be covered by the general rule that CEQA applies only to projects that have the potential to cause a significant effect on the environment (CEQA Guidelines, Section 15061 (b)(3)). As an organizational or administrative activity which extends certain time limits as allowed by the Redevelopment Law, this Ordinance does not have the potential to cause a significant effect on the environment and is therefore exempt under this general rule. Further, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and thus this Ordinance is not subject to CEQA (CEQA Guidelines, Section 15061(b)(3)).

Section 7. That except as amended by this Ordinance, the Redevelopment Plan, as previously amended, is unchanged and is in full force and effect in accordance with its terms.

Section 8. That if any part of this Ordinance is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance, and the City Council hereby declares that it would have passed the remainder of this Ordinance if such invalid portion thereof had been deleted.

Section 9. That a copy of this Ordinance shall be filed in the offices of the City Clerk, City Manager, City Attorney and the Community Redevelopment Agency.

Section 10. That the City Clerk shall file a Notice of Exemption with the Clerk of Los Angeles County within five (5) days of the adoption of this Ordinance pursuant to Section 15062 of the CEQA Guidelines.

Section 11. That this Ordinance shall take effect thirty (30) days after its adoption.

Section 12. That the Mayor shall sign and the City Clerk shall attest to the adoption of this Ordinance and shall cause the same to be published as required by law.

RE: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF HEALTH AND SAFETY CODE SECTION 33333.6(e)(2)(D) IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.12 FOR FISCAL YEARS 2004-05 AND 2005-06 (WALNUT PROJECT 1976, 1979 AND 1980 ADDED TERRITORY).

SUMMARY:

The City Council will consider adopting an Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes.

BACKGROUND:

Pursuant to Health and Safety Code Section 33681.9, the Community Redevelopment Agency of the City of Compton ("Agency") was required to make a payment in connection with the Compton Redevelopment Project Area ("Project Area") for deposit in the Los Angeles County Educational Revenue Augmentation Fund ("ERAF") for fiscal year 2003-04. Pursuant to Health and Safety Code Section 33681.12, the Agency was required to make ERAF payments for fiscal years 2004-05 and 2005-06.

Health and Safety Code Section 33333.6 provides that because the Agency was required to make ERAF payments for fiscal years 2003-04, 2004-05 and 2005-06, the City Council may adopt ordinances to amend the Redevelopment Plan for the Project Area to extend (i) the time limits on the effectiveness of the Redevelopment Plan and (ii) the time limits to repay indebtedness or receive property taxes from the Project Area. Because the Project Area is a merged project area (formed by merging Rosecrans and Walnut Industrial

Redevelopment Projects) and has also been amended several times to add territory, each component area of the Project Area has its own limits.

STATEMENT OF ISSUE:

The attached Ordinance extending the time limits may be adopted following a public hearing without complying with the normal proceedings related to the amendment of a redevelopment plan. Notice of the public hearing on the Ordinance was mailed to the governing body of each taxing entity that levies taxes within the Project Area and published in accordance with the requirements of Health and Safety Code Section 33333.6.

Section 33333.6 provides that the time limits for each component area of the Project Area may be extended by one (1) year on account of the 2003-04 ERAF payment. In connection with the 2004-05 and 2005-06 ERAF payments, Section 33336.6 provides that (i) the time limits for component areas with more than 20 years of effectiveness years remaining cannot be extended (this applies to the 1991 Added Territory); (ii) the time limits may be extended one (1) year for each ERAF payment with respect to component areas with 10 years or less of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) (this applies to the Rosecrans Project, the Walnut Project Area, and the Walnut Project 1974 Added Territory); and (iii) the time limits may be extended one year for each ERAF payment with respect to component areas with 10 to 20 years of effectiveness remaining (calculated from the last day of the fiscal year in which an ERAF payment is made) if the City Council makes certain findings (this applies to the Walnut Project 1976, 1979 and 1980 Added Territories). The findings are:

(i) The Agency is in compliance with the requirements of Health and Safety Code Section 33334.2 (to annually deposit 20% of tax increment into the Housing Fund and to expend such monies on increasing, improving and preserving affordable housing).

(ii) The Agency has adopted an implementation plan in accordance with the requirements of Health and Safety Code Section 33490.

(iii) The Agency is in compliance with Health and Safety Code Section 33413 (a) (replacement housing) and (b) (inclusionary housing).

(iv) The Agency is not subject to sanctions pursuant to Health and Safety Code Section 33334.12 for failure to expend, encumber or disburse excess surplus in the Housing Fund.

With respect to (iii) above, Health and Safety Code Section 33413(b) generally requires that prior to the time limit on the effectiveness of a post January 1, 1976 redevelopment plan, at least 15 percent of all new and substantially rehabilitated dwelling units developed within the project area by persons or entities other than the agency must be available at affordable housing cost to persons and families of low or moderate income (with not less than 40 percent of such units available at affordable housing cost to, and occupied by, very low-income households). An agency's Implementation Plan must contain a plan for complying with these inclusionary requirements that is consistent with the city's housing element and must ensure that the requirements are met every ten years (1994- 2004, 2004-2014, etc.). If the requirements are not met by the end of each 10-year period, the agency must meet the requirements on an annual basis until the requirements for the 10-year period are met.

The Agency's proposed Amendment 1 of the current Implementation Plan shows that the Agency will meet its requirements and have a surplus of affordable housing units for both low income and very low income groups by December 31, 2014.

Set forth below is a chart that shows the time limits for the component areas of the Project Area. In each case, the time limit for repaying indebtedness or receiving property taxes is ten (10) years after the time limit on effectiveness.

Territory	Existing Limit on Effectiveness	Limits on Effectiveness After adoption of attached ERAF extension Ordinances
Rosecrans	3/9/11	3/9/14
Walnut Original Territory	8/28/13	8/28/16
Walnut 1974 Added Territory	7/20/14	7/20/17
Walnut 1976 Added Territory	12/1/16	12/1/19
Walnut 1979 Added Territory	7/12/19	7/12/22
Walnut 1980 Added Territory	5/13/20	5/13/23
1991 Added Territory	12/10/31	12/10/32

The existing limits set forth above are the maximum limits allowed by AB 1290. AB 1290 added Section 33333.6 to the Redevelopment Law which required the adoption of an ordinance on or before December 31, 1993 amending each pre-1994 redevelopment plan to establish certain time limits that did not exceed the maximum limits allowed by Section 33333.6. Limits were required to be calculated separately for each component project area of a merged project area

and for each added territory. Ordinance No. 1930, adopted by the Compton City Council on December 27, 1994, inadvertently established limits that exceeded the maximum limits allowed by AB 1290. The time limits established by the attached Ordinances extend the maximum time limits allowed by AB 1290.

FISCAL IMPACT:

Adoption of the attached ordinance will allow the Agency to collect tax increment and repay indebtedness for a longer period of time as shown in the above chart. The Agency is projected to receive a cumulative additional \$60 million dollars of the life span on the projects areas based on the proposed time extensions incorporated into the attached ordinance.

RECOMMENDATION:

It is the recommendation of staff that the City Council adopt the attached Ordinance that will amend and extend the time limitations placed on the effectiveness of the Redevelopment Plan and the time limit(s) to repay indebtedness or receive property taxes. The extension of the time limits for the various redevelopment project areas will allow the Agency to receive additional tax increment revenue that will offset the State's mandatory ERAF payments.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COMPTON AMENDING CERTAIN TIME LIMITATIONS WITH RESPECT TO THE REDEVELOPMENT PLAN FOR THE COMPTON REDEVELOPMENT PROJECT AREA PURSUANT TO THE PROVISIONS OF HEALTH AND SAFETY CODE SECTION 33333.6(e)(2)(D) IN CONNECTION WITH THE PAYMENT REQUIRED BY HEALTH AND SAFETY CODE SECTION 33681.12 FOR FISCAL YEARS 2004-05 AND 2005-06 (WALNUT PROJECT 1976, 1979 AND 1980 ADDED TERRITORY).

WHEREAS, the City Council of the City of Compton ("City Council"), adopted Ordinance No. 1,375 on March 9, 1971, approving and adopting the redevelopment plan for the Rosecrans Redevelopment Project No. 1 ("Rosecrans Project"); and

WHEREAS, the City Council adopted Ordinance No. 1,438 on August 28, 1973, approving and adopting the redevelopment plan for the Walnut Industrial Park Redevelopment Project ("Walnut Project"). The territory within the Walnut Project described and defined in the redevelopment plan approved and adopted by the City Council by its Ordinance No. 1,438 is referred to herein as the "Walnut Original Territory;" and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,455 on July 20, 1974 ("1974 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,512 on December 1, 1976 ("1976 Added Territory"). On June 28, 1977, the City Council adopted Ordinance No. 1,538, correcting a minor technical error in the legal description of the boundaries of the 1976 Added Territory; and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,583 on July 12, 1979 ("1979 Added Territory"); and

WHEREAS, the City Council amended the Walnut Project redevelopment plan to add territory to the Walnut Project by adoption of Ordinance No. 1,601 on May 13, 1980 ("1980 Added Territory"); and

WHEREAS, on December 10, 1991, the City Council adopted Ordinance No. 1,865, approving and adopting the redevelopment plan for the Compton Redevelopment Project Area ("Merged Project"), thereby merging the Rosecrans Project and the Walnut Project, as previously amended, adding territory to the Merged Project ("1991 Added Territory"), and superceding and replacing the redevelopment plans for the Rosecrans Project and the Walnut Project, as previously amended; and

WHEREAS, the City Council adopted Ordinance No. 1,930 on December 27, 1994 establishing and amending certain limits with respect to the Merged Project; and

WHEREAS, on December 15, 2009, the City Council adopted Ordinance No. 2,203 amending the redevelopment plan for the Merged Project pursuant to the provisions of subdivisions (a), (b) and (e)(2)(C) of Health and Safety Code Section 33333.6 to extend the time limits required by subdivisions (a) and (b) by one year on account of the payment the Compton Redevelopment Agency of the City of Compton was required to make pursuant to Health and Safety Code Section 33681.9; and

WHEREAS, on December 15, 2009, the City Council adopted Ordinance No. 2,202 amending the redevelopment plan for the Merged Project pursuant to Health and Safety Code Section 33333.6(e)(2)(D) for certain component areas of the Merged Project. The redevelopment plan for the Merged Project, as previously amended, is referred to herein as the “Redevelopment Plan;” and

WHEREAS, the Community Redevelopment Agency of the City of Compton (“Agency”) has been designated as the official redevelopment agency in the City of Compton to carry out the functions and requirements of the Community Redevelopment Law of the State of California (Health and Safety Code 33000 et seq.) (“Redevelopment Law”) and to implement the Redevelopment Plan; and

WHEREAS, Section 33681.12, which was added to the Health and Safety Code by Senate Bill 1096, required the Agency during the 2004-05 and 2005-06 fiscal years to make payments to the Los Angeles County Auditor Controller for deposit in the Los Angeles County’s Educational Revenue Augmentation Fund (“ERAF”) and tax increment revenues were withheld from the Agency in satisfaction of such payments; and

WHEREAS, with respect to redevelopment plans adopted on or before December 31, 1993 for which the time limit for the effectiveness of the redevelopment plan established pursuant to Health and Safety Code Section 33333.6(a) is more than 10 years but less than 20 years from the last day of the fiscal year in which an ERAF payment is made pursuant to Health and Safety Code Section 33681.12, Health and Safety Code Section 33333.6(e)(2)(D), as amended by Senate Bill 1096, provides that when a redevelopment agency is required to make a payment pursuant to Health and Safety Code Section 33681.12, the legislative body may amend the redevelopment plan to extend by one year for each year in which a payment is made the time limit(s) on the effectiveness of the redevelopment plan and the time limit(s) to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670 by adoption of an ordinance, without the necessity of compliance with Health and Safety Code Section 33354.6 or Article 12 (commencing with Health and Safety Code Section 33450) or any other provision of the Redevelopment Law related to the amendment of redevelopment plans; and

WHEREAS, the City Council and the Agency desire that the Redevelopment Plan be amended pursuant to Health and Safety Code Section 33333.6(e)(2)(D) to extend by two years certain of the time limits on the effectiveness of the Redevelopment Plan and certain of the time limits to repay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. That the foregoing recitals are all true and correct.

Section 2. That the City Council hereby finds and determines as follows:

- (a) Funds used to make the fiscal year 2004-05 and the fiscal year 2005-06 ERAF payments would otherwise have been used to pay the cost of projects and activities necessary to carry out the goals and objectives of the Redevelopment Plan.
- (b) The Agency is in compliance with the requirements of Health and Safety Code Sections 33334.2 and 33334.6.
- (c) The Agency has adopted an implementation plan in accordance with the requirements of Health and Safety Code Section 33490.
- (d) The Agency is in compliance with subdivisions (a) and (b) of Health and Safety Code Section 33413, as applicable.
- (e) The Agency is not subject to sanctions pursuant to Health and Safety Code Section 33334.12 for failure to expend, encumber or disburse excess surplus.

Section 3. That pursuant to Health and Safety Code Section 33333.6(e)(2)(D), except as provided in subsection (a) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the dates upon which the effectiveness of the Redevelopment Plan shall terminate are as follows:

- (a) For the 1976 Added Area: December 1, 2019;
- (b) For the 1979 Added Area: July 12, 2022; and
- (c) For the 1980 Added Area: May 13, 2023

Section 4. That pursuant to Health and Safety Code Section 33333.6(e)(2)(D), except as provided in subsections (f), (g), and (h) of Health and Safety Code 33333.6, or as otherwise permitted or required by law, the latest dates on which the Agency may pay indebtedness related to its activities or receive property tax revenues pursuant to Health and Safety Code Section 33670 are as follows:

- (a) For the 1976 Added Area: December 1, 2029;
- (b) For the 1979 Added Territory: July 12, 2032; and
- (c) For the 1980 Added Territory: May 13, 2033.

Section 5. That this Ordinance shall have no effect on the Rosecrans Project, the Walnut Project Original Territory, the 1974 Area, or the 1991 Added Area.

Section 6. That this Ordinance has been reviewed with respect to applicability of the California Environmental Quality Act ("CEQA"), and the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq., hereafter the "CEQA Guidelines"), and the City's environmental guidelines. The City has determined that this Ordinance is not a "project" for purposes of CEQA, as that term is defined by Guidelines Section 15378. Specifically, this Ordinance is adopted pursuant to Health and Safety Code Section 33333.6, and is an organizational or administrative activity that will not result in a direct or indirect physical change in the environment (CEQA Guidelines, Section 15378(b)(5)). Therefore, because it is not a "project," this Ordinance is not subject to CEQA's requirements. Further, even if this Ordinance were deemed a "project" and therefore subject to CEQA, the Ordinance would be covered by the

general rule that CEQA applies only to projects that have the potential to cause a significant effect on the environment (CEQA Guidelines, Section 15061 (b)(3)). As an organizational or administrative activity which extends certain time limits as allowed by the Redevelopment Law, this Ordinance does not have the potential to cause a significant effect on the environment and is therefore exempt under this general rule. Further, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and thus this Ordinance is not subject to CEQA (CEQA Guidelines, Section 15061(b)(3)).

Section 7. That except as amended by this Ordinance, the Redevelopment Plan, as previously amended, is unchanged and is in full force and effect in accordance with its terms.

Section 8. That if any part of this Ordinance is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance, and the City Council hereby declares that it would have passed the remainder of this Ordinance if such invalid portion thereof had been deleted.

Section 9. That a copy of this Ordinance shall be filed in the offices of the City Clerk, City Manager, City Attorney and the Community Redevelopment Agency.

Section 10. That the City Clerk shall file a Notice of Exemption with the Clerk of Los Angeles County within five (5) days of the adoption of this Ordinance pursuant to Section 15062 of the CEQA Guidelines.

Section 11. That this Ordinance shall take effect thirty (30) days after its adoption.

Section 12. That the Mayor shall sign and the City Clerk shall attest to the adoption of this Ordinance and shall cause the same to be published as required by law.

ADOPTED this _____ day of _____, 2009.

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO ACURA EMBEDDED SYSTEMS, INC. FOR MOBILE DATA COMPUTERS FOR THE MUNICIPAL LAW ENFORCEMENT SERVICES VEHICLES

SUMMARY

This resolution authorizes the City Manager to issue a purchase order, not to exceed the amount of \$105,940.00, with Acura Embedded Systems Inc. to purchase mobile data computers for Municipal Law Enforcement Services (MLES) vehicles.

BACKGROUND

The MLES Department utilizes computers to acquire property owner information and legal descriptions, retrieve and research sections of the Compton Municipal Code, download photographs, create and update cases using Comcate (Code Enforcement Case Management System).

Currently, it takes Code Enforcement Officers an average of 40 to 50 minutes to complete one inspection. The inspection includes—but is not limited to—driving to the property, inspecting the property (and meeting with the property representatives, explaining the violations and taking photographs), driving back to the office and updating Comcate (looking up property owner information, adding photographs, notes and generating notices of violation).

Acura Embedded Systems Inc. offers a component system which is composed of a rugged mobile computer, an 88/89-key portable keyboard and a rugged 10.4 inch mobile LCD touch screen monitor. This system will include Wi-Fi, mobile broadband and GPS (Global Positioning System).

CDW-G offers Panasonic Toughbook 19 mobile computers. The Panasonic Toughbook 19 is a fully-rugged notebook. With a swivel of the monitor the notebook transforms into a tablet PC. It has a 10.4 inch touch screen LCD monitor, integrated Wi-Fi and broadband access. GPS not included in the current quote. It can be added for an additional price.

KR Nida Companies offers the same Panasonic Toughbook 19 Laptop Computers as CDW-G. As with CDW-G, GPS is not included in the current quote. It can be added for an additional price.

RESOLUTION: ACURA EMBEDDED SYSTEMS INC.
December 22, 2009/Page two

STATEMENT OF ISSUE

The Municipal Law Enforcement Services Department currently needs to obtain mobile data computers for its vehicles. These computers will allow officers to complete a major portion of necessary paperwork between property inspections instead of returning to the office for completion. As a result, it is anticipated that officers' time management will be more effective and efficient when finalizing assignments.

FISCAL IMPACT

The MLES Department solicited three quotes from companies that supply mobile data computer systems and the quotes were as follows for installation in 20 vehicles:

<u>VENDOR</u>	<u>AMOUNT</u>
Acura Embedded Systems Inc.	\$105,940.00
CDW-G	\$104,032.07
KR Nida Companies	\$128,043.63

Although CDW-G was the lowest quote, Acura Embedded Systems Inc. mobile data computer system uses components which allows for easy upgrades and expansion (making it possible to replace/upgrade one component at a time). For example, if the monitor malfunctions and it requires replacement and/or repair, the entire component will not have to be taken in for service.

Funds to accommodate this purchase are available in the MLES 2009/2010 fiscal year budget as follows:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
1061-670-001-4334	Machinery and Equipment	508,359
2800-670-V04-4334	Machinery and Equipment	50,000

RECOMMENDATION

It is staff's recommendation that Acura Embedded Systems Inc. be selected as the vendor for purchasing of the mobile computer systems. Therefore, staff recommends Council approve the attached resolution.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON
AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO
ACURA EMBEDDED SYSTEMS, INC. FOR MOBILE DATA COMPUTERS
FOR THE MUNICIPAL LAW ENFORCEMENT SERVICES VEHICLES**

WHEREAS, the Municipal Law Enforcement Services Department (MLES) utilizes computers to acquire property owner information and legal descriptions, retrieve and research sections of the Compton Municipal Code, and a myriad of other tasks; and

WHEREAS, it takes Code Enforcement Officers an average of 40 to 50 minutes to complete one inspection which includes—but is not limited to—driving to the property, inspecting the property (and meeting with the property representatives, explaining the violations and taking photographs), driving back to the office and updating the Comcate system (including adding photographs, notes and generating notices of violation); and

WHEREAS, the MLES Department needs to obtain mobile data computers for its vehicle fleet in order to be more effective and efficient in time management and finalizing assignments; and

WHEREAS, the MLES Department solicited three quotes from companies that supply mobile data computer systems; and

WHEREAS, the quote from Acura Embedded Systems, Inc., in the amount of \$105,940.00, included components which allows for easy upgrades and expansion and best meets the needs of the MLES Department for its vehicle fleet; and

WHEREAS, funds to accommodate this purchase are available within the MLES 2009/2010 Fiscal Year Budget.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the City Manager is hereby authorized to issue a purchase order for Acura Embedded Systems, Inc. in the amount of \$105,940.00 to purchase mobile data computers for the Municipal Law Enforcement Services Department vehicle fleet.

SECTION 2. That the funds are available in the MLES 2009/2010 Fiscal Year Budget as follows:

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON DECLARING THAT AN APPLICATION HAS BEEN MADE FOR A PERMIT TO PROVIDE TAXICAB SERVICES BY ALL TRANS ENTERPRISE, INC. DBA FUTURA TAXI AND SETTING A PUBLIC HEARING THEREON FOR TUESDAY, JANUARY 12, 2010 AT 3:15 P.M.

SUMMARY

The City Council will consider adoption of a Resolution that declares that an application has been made for a permit to provide taxicab services within the City of Compton by All Trans Enterprise, Inc. dba Futura Taxi and setting a public hearing thereon for **Tuesday, January 12, 2010 @ 3:15 p.m.**

BACKGROUND

The Business License Division of the Municipal Law Enforcement Services Department received an application for a permit to operate taxicab services within the City of Compton from Mr. German Amador of All Trans Enterprises Inc., doing business as Futura Taxi, located at 11800 Long Beach Boulevard, Lynwood, California.

STATEMENT OF THE ISSUE

Pursuant to Compton Municipal Code Section 9-21, no application for a new permit to operate any taxicab (excluding annual renewals), within the City of Compton shall be granted until the City Council, after a public hearing thereon, determines that the public convenience and necessity require the operation of such vehicles.

RECOMMENDATION

It is recommended by staff that the City Council adopt the attached Resolution declaring that an application by All Trans Enterprise, Inc., dba Futura Taxi for a taxicab permit has been made and setting the public hearing thereon for **Tuesday, January 12, 2010 @ 3:15 p.m.**

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON DECLARING THAT AN APPLICATION HAS BEEN MADE FOR A PERMIT TO PROVIDE TAXICAB SERVICES BY ALL TRANS ENTERPRISE, INC. DBA FUTURA TAXI AND SETTING A PUBLIC HEARING THEREON FOR TUESDAY, JANUARY 12, 2010 AT 3:15 P.M.

WHEREAS, the Business License Ordinance of the Compton Municipal Code establishes standards for the operation of taxi cab companies in order to preserve the safety and welfare of the community; and

WHEREAS, German Amador of All Trans Enterprises Inc., doing business as Futura Taxi, located at 11800 Long Beach Boulevard, Lynwood, California, has made an application for a permit to operate a taxicab company within the City of Compton; and

WHEREAS, Section 9-21 of the Compton Municipal Code requires that no permit for the operation of any taxicab shall be granted until the City Council, after a public hearing thereon, determines that the public convenience and necessity requires the operation of such vehicles; and

WHEREAS, the Code further requires that the City Council pass a resolution declaring that an application has been made for a permit for the operation of any taxicab, and shall schedule a public hearing thereon, setting forth the day, hour and place when and where persons having any interest therein or objection thereto may appear and be heard; and

WHEREAS, prior to the public hearing, the Municipal Law Enforcement Director, or his designee(s), shall investigate the applicant and make a written report to the City Council.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City Council declares that German Amador of All Trans Enterprise, Inc., dba Futura Taxi Services, located at 11800 Long Beach Boulevard, Lynwood, California, has filed an application for a permit for the operation of taxicab services within the City of Compton.

Section 2. That a public hearing on the application of German Amador of All Trans Enterprise, Inc., dba Futura Taxi Services, for a permit for the operation of taxicab services within the City of Compton is set for **Tuesday, January 12, 2010 at 3:15 p.m.**, in the City Council Chambers at 205 South Willowbrook Avenue, Compton, California.

Section 3. That the City Clerk shall publish this Resolution at least once, within ten (10) days of its adoption, in the official newspaper.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF COMPTON DECLARING ITS INTENTION TO
GRANT A WASTE HAULING FRANCHISE
AGREEMENT TO PACIFIC COAST WASTE AND
RECYCLING LLC AND TO ESTABLISH RATE
CEILINGS FOR ALL LEVELS OF WASTE AND
DISPOSAL SERVICES

SUMMARY

The City Charter requires that a request for public hearings for the granting of a franchise be set out in a resolution. Staff is requesting that a public hearing be set regarding the granting of a franchise agreement to Pacific Coast Recycling Company in order to authorize a five year exclusive waste hauling agreement.

BACKGROUND

Section 1501 of the Compton City Charter authorizes the City to grant franchises for entities providing public services such as water, light, heat, power and waste hauling. The City Council is empowered to grant such franchise to any such person, firm or corporation, whether operating under an existing franchise or not. The City Council may prescribe the terms and conditions of any such grant. Pacific Coast Waste and Recycling LLC has been providing exemplary waste hauling services for the City of Compton since September 2007. Staff is recommending that a five year exclusive waste hauling agreement be established in order to contain costs and improve services rendered to the citizens. In order to enter into such an agreement a public hearing must be held to receive persons interested in commenting as well as any objection to the granting of this franchise. Furthermore, the setting of service rates authorized over the life of the proposed agreement will be established.

#30.

FISCAL IMPACT

The cost of waste hauling services for the City of Compton is recouped through Compton rate payers. The overall budget for waste hauling is approximately nine million dollars per year.

CONCLUSION

Staff requests that the City Council adopt the attached resolution and hold a public hearing on January 12, 2010 at 7:25pm.

CITY MANAGER

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
COMPTON DECLARING ITS INTENTION TO GRANT A WASTE
HAULING FRANCHISE AGREEMENT TO PACIFIC COAST
WASTE AND RECYCLING COMPANY

WHEREAS, Section 1501 of the Compton City Charter authorizes the City to grant franchises to any person, firm or corporation furnishing the City or its inhabitants with transportation, communication, terminal facilities, water, light, heat, power, refrigeration, storage or any other public utility or service...; and

WHEREAS, the collection of waste materials, recycling materials and green waste are considered a public service within the definition of Section 1501 of the Compton City Charter; and

WHEREAS, Pacific Coast Waste and Recycling Company has been providing exemplary waste hauling and disposal services for the City of Compton since September 2007; and

WHEREAS, the City desires to hold a public hearing pursuant to Section 1502 of the Compton City Charter on January 12, 2010 at 7:25 pm to receive public comment on a proposed five year exclusive waste hauling and recycling agreement; and

WHEREAS, the purpose of the public hearing is to also set waste hauling and disposal rate ceilings for the life of the proposed franchise agreement.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON
RESOLVES AS FOLLOWS:

Section 1. That a public hearing regarding the granting of a franchise waste hauling and disposal agreement to Pacific Coast Waste and Recycling LLC and establishing waste and disposal rate ceilings be held at the Compton Council Chambers located at 205 S. Willowbrook Avenue at 7:25 pm on January 12, 2010.

Section 2. That persons having interest or any objection to the granting thereof may appear before the City Council and be heard thereon.

Section 3. That a certified copy of this Resolution shall be filed in the offices of the City Clerk, City Attorney, Water Department and City Manager .

Section 4. That the Mayor shall sign and City Clerk attest to the adoption of this Resolution.

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON UPHOLDING THE DECISION BY THE PLANNING COMMISSION DENYING CONDITIONAL USE PERMIT CASE NO. 2638.

SUMMARY

Council will consider an appeal of the Planning Commission's decision to deny a request to construct a 62' high wireless facility on an existing high voltage transmission tower with and equipment enclosure at the base located on Southern California Edison's property (7319-002-806), located on the south side of Greenleaf Blvd. between Greenleaf Dr. and Northwood Ave. Wireless facilities require approval of a Conditional Use Permit in accordance with Section 30-26 and 30-46 of the Compton Municipal Code.

BACKGROUND

On September 9, 2009, the Planning Commission conducted a public hearing to consider Conditional Use Permit (CUP) Case No. 2638. After concluding the hearing, the Planning Commission denied the applicant's request. The applicant has filed an appeal of the Planning Commission's decision to the City Council. All appeals must be conducted during an advertised public hearing. The date and time for this appeal was duly noticed.

The Planning Commission conducted its public hearing and received testimony from the staff and the applicant. Upon conclusion of the public hearing, the Planning Commission voted to deny Conditional Use Permit Case No. 2638 based on the following findings:

1. That the proposed PWSF is in conflict with the goals and objectives of the General Plan and Redevelopment Plan for the maintenance of open space/parks.
2. That the proposed PWSF project is in conflict with the subject site's zoning classification of Buffer (B) which prohibits the construction of buildings, structures, and the storage of materials, equipment, and vehicles.
3. That the proposed project has the potential to be disadvantageous to the long-term goals of the City and Redevelopment Project Area to provide for additional open space/parks.
4. That the proposed project is uncertain to protect the public safety, health and welfare.
5. That the proposed project by adding antennas and equipment shelter that is not concealed/camouflage will add visual impacts to the area.

The Planning Commission closed the public hearing and voted to deny the request for a conditional use permit for a construction/installation of a wireless facility.

PROJECT DESCRIPTION

T-Mobile is proposing to construct an unmanned wireless facility on Southern California Edison property (7319-002-806), located on the south side of Greenleaf Blvd. between Greenleaf Dr. and Northwood Ave. The unmanned wireless facility consists of attaching 12 panel antennas, 3 sectors of 4 antennas each and a 2' wide parabolic antenna to the high voltage transmission tower at a maximum height of 62 feet.

The applicant proposes to lease an 18' by 18' (324 sq. ft.) space at the base of the tower for an equipment enclosure.

The site is a rectangular shaped parcel of land approximately 25,000 square feet in size (.57 acres). The subject site is located on the south side of Greenleaf Boulevard between Greenleaf Drive and Northwood Avenue. The site is developed with high voltage transmission towers and a plant nursery.

Summary of Findings:

SUMMARY	Project Site	North	South	East	West
General Plan	Open Space/Parks (O)	Low Density Residential (LDR)	Industrial (I)	Open Space/Parks (O)	Open Space/Parks (O)
Zoning	Buffer (B)	Low Density Residential (R-L)	Heavy Manufacturing (M-H)	Buffer (B)	Buffer (B)
Existing Land Use	High Voltage Transmission Towers & Plant Nursery	Single Family Homes	Manufacturing Businesses	Open SCE R-O-W	SCE R-O-W and Trailer/ Container Parking Lot
In Redevelopment Project Area?	Yes				
Environmental Review	CEQA—Statutory Exemption—Section 15270 NEPA— No Review Required				

CEQA DETERMINATION

In accordance with CEQA guidelines, the project is CEQA exempt per Section 15270 which provides for a statutory exemption for projects that a public agency rejects or disapproves.

STATEMENT OF THE ISSUES

In July 2005, the City of Compton adopted a wireless ordinance. The purpose of the ordinance was to establish standards for the location, siting and design for wireless facilities.

Location Analysis:

According to the location standards for City's Personal Wireless Service Facilities (PWSFs) ordinance, the subject site is considered an Avoidance Area. Avoidance areas include: a) schools, nursery schools or child care centers, b) single family homes, c) parks and recreation areas. The project site's General Plan land use designation of Open Space/Parks allow for the development of parks and passive recreational area in the City of Compton. Policy 4.5(M) of the General Plan Conservation/Open Space/Park and Recreation Element states that: *opportunities are to be pursued for the creation of additional open space and parkland whenever available.* Further, parks are considered avoidance areas, and the location of PSWFs are discouraged and in conflict with City's wireless ordinance. Specific objectives of the Community Redevelopment Agency in its Redevelopment and Housing Five-Year Implementation Plan, FY 2008-2013, include *(a) Eliminate and prevent the spread of conditions of blight including: vacant land and deteriorating building, incompatible and non-economic land uses, obsolete structures, and other environmental, economic,*

and social deficiencies in order to create a more favorable environment for shopping, working, and recreation as well as (c) Provide land for needed public facilities in the Project Area. The City is in the process of converting the Southern California Edison (SCE) R-O-W into public parks and recreation areas. The initial stage of construction is set to start in late fall or early winter of this year. Approximately four (4) wireless facilities currently exist on Southern California Edison's towers. However those wireless facilities were approved prior to the adoption of the current wireless ordinance, change of the underlying zone and general plan land use designation.

Siting Analysis:

Siting refers to the placement (i.e. roof-mounted vs. ground-mounted, front yard vs. remote corner) of a wireless facility on a given property. The siting standards of the City's PWSFs ordinance favor wireless facilities on existing structures over a new ground-mounted PWSF. However the siting standards also encourage concealment/camouflaging of all new PWSFs to the greatest extent possible. As previously mentioned, applicant proposes to attach 12 panel antennas and one 2' wide parabolic antenna, 62' high on the existing high voltage transmission towers. The proposed wireless facility will not be concealed or camouflage thus creating visual impacts to a site that is already intrusive to the area. The wireless facility is proposed on the northwesterly tower closest to Northwood Avenue and Greenleaf Blvd. The antennas and the equipment enclosure will be readily visible along Greenleaf Boulevard.

Design Analysis:

Both the City's wireless plan and ordinance encourages wireless facilities to be disguised or concealed to the fullest extent possible. The proposed wireless facility does not do either. The antennas will be attached to the transmission tower at a height limit of 62'. The antennas are broken into three (3) sectors with 4 panel antennas each and a two (2) foot diameter parabolic antenna is proposed at 48 feet high. The antennas have not been designed to camouflage into the tower. The antennas will be very visible along the street. An 18' by 18' block equipment enclosure is proposed at the base of the tower. The enclosure will house the related equipment. An electric meter, cable connections will be mounted on the outside of the equipment enclosure. Screening of the equipment enclosure is not an option as SCE does not allow for landscaping around the base of the tower, so the equipment enclosure will also be readily visible along Greenleaf Blvd adding additional impacts to the area.

In conclusion the proposed wireless:

- Is in conflict with the goals and objectives of the General Plan and Redevelopment Plan for the maintenance of open space/parks;
- Is in conflict with the subject site's zoning classification of Buffer (B) which prohibits the construction of buildings, structures, and the storage of materials, equipment, and vehicles;
- Has the potential to be disadvantageous to the long-term goals of the City and Redevelopment Project Area to provide for additional open space/parks;
- Is uncertain to protect the public safety, health and welfare;
- Will add visual blight, since the facility is not disguised or concealed;
- Does not comply with all zoning regulations;
- Has the potential be detrimental to the public welfare and surrounding area;
- Is inconsistent with General Plan land use designation and underlying zone.

Planning Commission Minutes

September 9, 2009

Page 3 of 9

Commissioner Darden asked on the status of the shopping center on the corner of Central Avenue and Compton Boulevard.

Staff Representative Lopez stated that the Redevelopment Agency purchased the land and that they were trying to purchase the liquor store on the corner which will be the only parcel missing to own the whole corner.

Commissioner Darden stated that the carwash on Long Beach Blvd. still looks bad and if staff had follow-up and send them a letter notifying them of the trash and debris on the property.

Staff Representative Lopez stated that staff called the applicant and informed him that the property is in violation and staff will be forwarding all complaints to Code Enforcement regarding the property.

Commissioner Darden stated that there are two freestanding signs that she has noticed that do not meet the code. One is on Myrrh Avenue and Long Beach Blvd. at the St Francis Medical Center facility and the other is at the corner of Compton Blvd. and Central Avenue. She requests that a letter be sent so that those signs can be removed.

Applicant for Conditional Use Permit 2638 arrived.

Commissioner Saunders moved to rescind continuance of Conditional Use Permit Case No. 2638. The motion was seconded by Commissioner Turner and carried unanimously.

Commissioner Darden moved that the public hearing regarding Conditional Use Permit Case No. 2638 be opened. The motion was seconded by Commissioner Hill and carried unanimously.

Staff Representative Lopez gave a PowerPoint presentation to the Commission and audience stating that T-Mobile is proposing to construct/install an unmanned wireless facility on Southern California Edison property. The unmanned wireless facility consists of attaching 12 panel antennas, 3 sectors of 4 antennas each and a 2' wide parabolic antenna to the high voltage transmission tower at a maximum height of 62 feet.

Staff Representative Lopez stated that the subject site is located on the south side of Greenleaf Boulevard between Greenleaf Drive and Northwood Avenue on Southern California Edison's right-of-way. The site is developed with high voltage transmission towers and a plant nursery.

Staff Representative Lopez stated that the General Plan land use designation for the site is open space. The General Plan land use designation for the properties to the north is low density residential, to the south industrial and to the east and west open space.

Staff Representative Lopez stated that the zoning for the subject site is buffer zone. Zoning to the north is low density residential, to the south heavy manufacturing and buffer to the east and west.

Staff Representative Lopez stated that the subject site is located in the Enterprise and Redevelopment Project Area overlay zones.

The wireless facility is proposed on the northwesterly tower closest to Greenleaf Blvd.

Staff Representative Lopez stated that an equipment enclosure is proposed at the base of the tower. The applicant is proposing an 18' by 18' block equipment enclosure that will be visible along Greenleaf Blvd.

Antennas are proposed at a height of 62'.

Staff Representative Lopez stated that the antennas are not camouflaged or disguised. The antennas will be readily visible along Greenleaf Blvd.

Staff Representative Lopez stated that wireless facilities are considered categorically exempt projects under the California Environmental Quality Act. The proposed wireless facility is located in a designated open space area, an avoidance area according to the City's Wireless Ordinance. The proposed wireless facility will be readily visible along Greenleaf Boulevard. The Buffer zone land use designation prohibits the new construction of buildings and structures. Alternative sites were unsuitable for the applicant: 1) providing insufficient height or 2) interfered with on-site circulation in the manufacturing area.

Staff Representative Lopez stated that the Planning and Economic Development Department recommends to the Planning Commission denial of CUP NO. 2638 in accordance with the findings incorporated in the staff report.

Commissioner Saunders stated that after she read the Final Wireless Master Plan she was concerned if the combination of the Edison's facilities and a wireless facility could be classified as co-location. She did not find anything in the Plan that identified the electrical towers.

Staff Representative Hull stated that co-locations are when an existing wireless facility is about to receive another wireless facility placed onto an existing pole/service. He

believes that the definitions do not cover anything other than a cell tower or wireless communication facility.

City Attorney Anita Aviles agreed stating that the definitions under co-locations and some of the other statutes dealing with wireless facilities talk about one wireless facility and than another one being attached to the same structure or at close proximity.

Commissioner Saunders stated that staff should look into what kind effect for public health the combination of power and wireless frequency could have at the same location.

City Attorney Aviles addressed the issue stating that the California Public Utilities Commission is reviewing its rules/general orders regarding the placement of communication infrastructure facilities on electrical distribution and transmission lines. She believed that they started this rule making around November of last year so it is still underway, but there are some concerns that they have expressed with the possibilities of fires and the overloading of poles.

Commissioner Hill stated that he had read some information pertaining to some general orders issued by the California Public Utilities. He pointed out one particular Order which is Number 165 that covers similar maintenance and inspection requirements for wireless communication and infrastructure providers. He realized that this area was relevantly new and believes that the wireless policy did not anticipate more deployments of communication antennas on utilities systems. Data does not adequately tell us whether or not they definitely pose some central hazard, because they are very high voltage electrical lines.

Commissioner Hill read the portion of General Order No. 165, which is under review. "Protecting the public from the dangers that improperly maintained or inspected utility facilities and proposed more safe guards within the maintenance and inspection rules". He stated that currently our inspection requirement is every 5 years like in this case what they are doing and putting antennas within the utility poles.

Commissioner Hill continued reading "The proximity between electric lines and communication lines may increase fire risk if these facilities are not properly maintained or inspected. Risks such as these could be mitigated requiring communication infrastructure providers to monitor their facilities in a manner similar to those required of electric utilities pursuant to the regular inspections provisions of General Order No. 165 which currently applies only to electric distribution facilities and not transmission facilities."

Commissioner Hill commented whether this will be a safe way to go, or are we waiting for the first incident to occur and things will go either way in terms of liability. He wishes that the City of Compton's Wireless Policy be taken in consideration as far as liability.

The applicant's representative, Ed Gala, thanked the Commission for reopening the public hearing. Mr. Gala addressed the issues that the Commission had stated that T-Mobile has installed numerous antennas on SCE towers and it is actually a common way to go. For example in the City of Irvine they have about five or six, that is the only way to get coverage within their residential areas from the high tension power lines. In regards to the maintenance and inspections, their inspectors go out once a month to inspect the site and make sure that everything is operating properly and to observe the antennas. Mr. Gala stated that he has been working with antennas for 12 years and he has never heard of any catching fire. The antennas are very low power about 100 watts per antenna.

Mr. Gala commented regarding staff's assessment of the project. All cities allow these antennas in SCE towers and all cities certainly consider them in open space area or parks. In regard to its compatibility to the open space designation, the space under the tower itself is inaccessible to the public, the public is not allowed to access underneath the towers. Even if the area is considered an open space area or a recreational trail were the equipment is going is right under the SCE tower and is not open to the public. If that is to become a recreational trail putting the cell antenna right on SCE tower will not have any impact at all. Mr. Gala believes that if in the future it does become a recreational trail the use will still be compatible with the existing area.

Commissioner Darden asked the representative if he had looked at any other sites in the City.

Mr. Gala stated that the other sites considered should be listed in the packages and the reasons for non-selection.

Commissioner Hill asked if the sites listed in the map, how many of those were T-Mobile sites or other carriers.

Mr. Gala stated that those are T-Mobile sites.

Commissioner Hill asked if Mr. Gala could assure the Commission that the inspectors typically inspect the sites.

Mr. Gala stated that they are required to give SCE an annual report of the inspection stating that the facilities are operating within their guidelines.

There being no further comments, Commissioner Saunders moved to close the public hearing regarding Conditional Use Permit Case No. 2638. The motion was seconded by Commissioner Turner and carried unanimously.

Commissioner Saunders moved to deny Conditional Use Permit Case Number 2638. The motion was seconded by Commissioner Hill and carried unanimously and Conditional Use Permit Case Number 2638 was denied.

6) **NEW BUSINESS**

a. National Community Planning Month

Staff Representative Hull stated that the C3 Compton Creek Clean-up Movement will be held at Raymond Street Park, on October 17, 2009, starting at 7:00 a.m. This is the largest event that is scheduled to mobilize volunteers to clean up the Creek.

Staff Representative Hull stated that there will also be a Model Cities Competition in District 4 with Councilmember Dr. Jones it will coincide with an event that he is hosting Saturday, October 24, 2009.

Chairperson Green-Wright suggested that they go to Old Business before the New Business.

Commissioner Saunders stated that the Wireless Master Plan is critical and that staff should know this plan in and out because there will be more requests for conditional use permits for wireless facilities in the City. She believes that staff should not let all these wireless facilities saturate the City just because there is an empty space that needs to be covered. Based on the information that was discussed today she states that it should be amended to include some other possible space and as far as technology, it is always growing and it always has to be amended.

Commissioner Saunders thanked staff for providing her with the Wireless Master Plan.

Staff Representative Hull stated that when staff receives the prolongation maps there is no way to verify that what is being depicted is actual. He recommends that the commission take that into consideration when reviewing the case because staff is not sure if the depiction is the actual coverage or if it is manipulated. He stated that he has talked to the City Attorney about revisiting the ordinance because the current ordinance discourages co-locations. This causes the City to have more freestanding single wireless communication facilities and eventually will become an eyesore even if it is disguised.

Commissioner Saunders asked how the Commission address the issue of over saturation.

Re: CUP No. 2638, SCE Greenleaf Blvd.

Ladies and Gentlemen:

T-Mobile is appealing the Planning Commission's September 9th decision denying CUP2638. T-Mobile is of the opinion that the Commission's decision is in error and that wireless installations utilizing SCE towers are compatible with this utility land use and potential open space recreational land uses which may at some future date traverse the SCE utility easement. Supporting data to follow.

Prior to the City Council public hearing on this matter, T-Mobile would like to meet with the City Manager and City Attorney to discuss possible legal issues pertaining to the Planning Commission's action. We will be contacting both parties to arrange a meeting sometime between filing this appeal and our City Council hearing date.

Please feel free to contact me at 714-709-1523 to discuss this matter further.

Sincerely,
