PROPOSAL FOR USE OF TRANSIT CENTER AT ZERO COST

To: City of Compton/Councilpersons

Ladies and Gentlemen:

WELCOMING INTERVENTION TO HEALING IN COMPTON (hereinafter referred to as W.I.T.H.) proposes to rent the Transit Center at zero cost on Saturday, March 15, 2008, from 4:00 PM-10PM.

W.I.T.H. is a Nonprofit Public Benefit Corporation, organized for the purpose to bring healing to the city of Compton that is besieged with gang violence, prostitution, homelessness, drug and alcohol addiction, racial tension and youth delinquency.

We purpose to use the Transit Center to host a fund raising banquet to help us in achieving our mission to this community.

We have held various rallies in the past two years providing free entertainment (music, live entertainers, puppet shows, etc), hot prepared foods (hot dogs and tacos), and grocery packed bags, as well as new blankets to the community surrounding Wilson, Leuders and Kelly parks. We have also provided tables of resources and information on jobs, health issues, counseling, legal services, and more at these rallies.

The proceeds from this banquet will be used to hold more rallies throughout the city, and will enable us to continue to serve this city and its citizenry offering them resources that will aid many in becoming productive members of our great city.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON APPROVING THE ISSUANCE OF A PURCHASE ORDER TO GREAT SCOTT TREE SERVICE, INC. FOR CITYWIDE TREE MAINTENANCE SERVICES FOR A FEE NOT TO EXCEED THREE HUNDRED THOUSAND DOLLARS (\$300,000.00)

SUMMARY

This resolution seeks permission to issue a purchase order to Great Scott Tree Service for the pruning of hazardous trees along the City's main thoroughfares, and arterials for a fee not to exceed Three Hundred Thousand Dollars (\$300,000.00).

BACKGROUND

The trimming of street trees is one of the main responsibilities of the Public Works Department. Current Maintenance Division staff capacity is to handle emergency and safety tree trimming needs. The Maintenance Division is not equipped to undertake intensive large-scale tree trimming and removal demands. A full time tree trimming contractor is needed to handle the backlog of overgrown trees and to address the hazards of overgrown upper tree branches and limbs.

In August 2007, Staff advertised and received bids for Citywide Tree Maintenance Services. Bids were received from two tree maintenance contractors. Staff reviewed the bids and completed an analysis of the cost for each maintenance item listed in the Request for Proposals, and found Great Scott's Tree Service, Inc. to be the lowest most responsive bidder. Great Scott Tree Service, Inc. has been contracted by the City in the past and has provided quality service, and has the necessary experience to fulfill the contract. Staff believes it is in the City's best interest to contract with Great Scott Tree Services based on their proposal and their past work history with the City.

STATEMENT OF THE ISSUE

Due to the nature of this service and the lack of a comprehensive tree inventory, the RFP included a Schedule of Compensation to be completed by each bidder, and based on a cost analysis, Great Scott Tree Service, Inc. submitted the most cost effective Schedule of Compensation.

Great Scott Tree Services, Inc. fees for services that would be applicable to the City of Compton on a frequent basis, i.e. Annual Grid Trimming, Palm Tree Trimming, Planting, Root Pruning, and Emergency Responses are significantly lower than the fees submitted by California Western Arborists. We would also be able to purchase the GPS Software Package from Great Scott Trees Services for substantially less than from the other bidder.
