TO: MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON AUTHORIZING THE CITY MANAGER TO ENTER INTO MEMORANDUMS OF UNDERSTANDING (MOUs) WITH THE CITY OF LOS ANGELES FOR JAG 2009 AND JAG-RECOVERY ACT FUNDING AND TO AMEND THE FY 2009-10 BUDGETS OF THE MUNICIPAL LAW ENFORCEMENT SERVICES DEPARTMENT AND PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT TO APPROPRIATE THESE FUNDS AND TO RESCIND RESOLUTION NO. 22,965.

SUMMARY

Staff would like Council to consider authorizing the City Manager to enter into Memorandums of Understanding (MOUs) with the City of Los Angeles for 2009 Justice Assistance Grant (JAG) and JAG-Recovery Act program funding; and to amend the FY 2009-10 Budgets of the Municipal Law Enforcement Services Department and Planning and Economic Development Department to appropriate these funds and to rescind Resolution No. 22,965.

BACKGROUND

The City of Compton received grants from the United States Department of Justice (DOJ) for the 2009 Justice Assistance Grant (JAG 2009) in the amount of \$193,780 and the 2009 Justice Assistance Grant Recovery (JAG-R 2009) in the amount \$798,455.93. Acceptance of these funds was approved by the City Council pursuant to Resolution No. 22,965, adopted on October 27, 2009. Subsequent to the original award letter, DOJ adjusted and increased the original grant amount for JAG 2009 to the City of Compton to \$196,308.16, thus it is necessary to rescind Resolution No. 22,965 so as to appropriate this increased funding amount.

The purpose of the JAG Recovery-Act funding is to assist state, local, and tribal law enforcement to combat violence against women, to fight internet crimes against children, to improve the functioning of the criminal justice system, to assist victims of crime, and to support youth mentoring. Similarly, the purpose of the 2009 JAG funding is to support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives.

Staff Report: JAG MOUs
Page 2 of 3

The City of Compton, along with Los Angeles County's other municipalities, was certified by the Director of the Bureau of Justice Assistance as a JAG designated jurisdiction.

When the County of Los Angeles declined to serve as the fiscal agent for these grant programs, the City of Los Angeles agreed to take on the role. The City of Los Angeles is requiring 10 percent of each jurisdiction's JAG-Recovery Act allocation and 7 percent of the 2009 JAG allocation to cover its administrative costs. Upon the execution of Memorandums of Understanding (MOUs) between the City of Compton and the City of Los Angeles, a balance of \$718,610.33 in JAG-Recovery Act and \$182,566.59 in 2009 JAG funding would be made available to the City of Compton. The City may extend the use of these funds over a four year period.

The City plans to use its 2009 JAG allocation to support the activities of the Municipal Law Enforcement Services Department. The proposed funding breakdown is as follows:

2009 Justice Assistance Grant (JAG) Program

\$176,773.59	1061-670-001	MLES: Equipment
<u>\$5,813</u>	1061-780-000	P&EDD: Administrative Costs
\$182,566.59		

Some \$13,741.57 of the City's original 2009 JAG funding allocation will be withheld by the City of Los Angeles for administrative costs (\$182,566.59 + \$13,741.57= \$196,308.16).

The City plans to use its JAG-Recovery Act funding allocation to: 1) provide financial support (sub-grants) to a select number of local nonprofit agencies working in the area of gang prevention and intervention; crime prevention; crime victim and witness assistance; and/or drug treatment and enforcement; 2) improve the security at the City's local parks; and 3) improve the coordination of the City's municipal law enforcement services. The proposed funding breakdown is as follows:

Justice Assistance Grant (JAG)-Recovery Act Program

\$257,499	1061-670-002	Parking Control Coordinator
\$72,053	1061-670-003	Youth Workers/Park Security Assistants
\$160,000	1061-670-004	Park Security Cameras
\$163,957	1061-670-005	Laptop computer for MLES vehicles
\$10,000	1061-670-006	Bicycles and gear for the security assistants
<u>\$55,101.33</u>	1061-670-007	Sub-grants to local non-profit agencies
\$718,610.33		

Some \$79,845.60 of the City's original JAG-Recovery Act funding allocation will be withheld by the City of Los Angeles for administrative costs (\$718,610.33 + \$79,845.60=\$798,455.93).

FISCAL IMPACT

The FY 2009-10 Budgets of the Municipal Law Enforcement Services Department and Planning and Economic Development Department would increase by a combined total of \$901,176.92. The revenues and expenditures would be appropriated as follows:

<u>Account Number:</u>	<u>Description:</u>	<u>Amount:</u>

May 4, 2010

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: CITY MANAGER

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMPTON CERTIFYING THAT THE CITY'S REVOLVING LOAN FUND (RLF) PROGRAM OPERATED IN ACCORDANCE TO THE REQUIREMENTS OF THE U.S. DEPARTMENT OF COMMERCE ECONOMIC DEVELOPMENT ADMINISTRATION DIVISION DURING THE 2008-2009 PROGRAM FISCAL YEAR.

SUMMARY

Council will consider a resolution certifying that the City of Compton's Commercial Revolving Loan Fund (RLF) program operated in accordance with the requirements of the U.S. Department of Commerce Economic Development Administration (EDA) Division during the 2008-2009 Fiscal Year.

BACKGROUND INFORMATION:

In 1982, the City of Compton obtained a grant from EDA division to help establish a RLF program. The RLF program was established to support business development and expansion projects that may yield new employment opportunities for Compton residents. In order to participate in the program, the City was required to provide matching funds to administer the program. The City of Compton received \$500,000 from EDA and the City matched the agency's amount for a total of \$1,000,000. The RLF offers commercial loan financing up to \$150,000 to industrial manufacturing businesses and up to \$100,000 to retail and service type businesses.

STATEMENT OF THE ISSUE:

Each RLF program year, EDA requires that the Mayor and City Council, RLF Loan Administration Board (LAB), certify the City's RLF program. The City's RLF program fiscal year is from October 1st to September 30th.

RLF PROGRAM ANALYSIS:

Staff conducted a review of the City's RLF program for the program fiscal year as follows:

- Examined elements of the operations and loan portfolio activities
- Reviewed the last two RLF semi-annual reports forwarded to EDA
- Compared the results of the review to applicable provisions of EDA's standard terms and condition and for provisions contained in the City's RLF Administration Plan

Except as described below, staff's review did not disclose any substantial deviations from EDA's provisions and standards; however, to address the exceptions, staff submitted a corrective action plan to EDA, in accordance with EDA's standard terms and conditions.

#5.

STAFF REPORT
RLF Certification
Page 2

Therefore, the City's RLF program operated in accordance with the standard terms and conditions specified by EDA.

OVERVIEW OF CORRECTIVE ACTION PLAN:

Staff submitted a Corrective Action Plan (CAP) to EDA in October 2008 and the CAP was accepted and approved by the Division in November 2008. The CAP was required as a result of EDA conducting a review of the City's RLF program semi-annual report dated March 31, 2008.

Based upon the review, the City's program demonstrated a high default rate percentage. In accordance with EDA's standard terms and conditions, RLF default rates should not exceed 15%. The City exhibited a 100% default rate because of three active loans that were all in default from previous program years.

In addition, according to EDA's provisions, the City's RLF program is restricted from having more than 25 percent of RLF's capital uncommitted cash holdings within a semi-annual reporting period. In the City's semi-annual report ending September 30, 2009, the City's uncommitted cash holdings were approximately 53.63 percent or \$443,706. EDA has granted the City of Compton an extension to loan money to local businesses in excess of 25 percent or \$334,758 until June 30, 2010. If the money is not properly dispersed by this time period, the City must sequester all excess cash by July 31, 2010. Staff will continue to intensify its RLF Program outreach and promotional efforts by engaging in the following, which should bring the City RLF within EDA's 25% standard.

- Site visits to local businesses to introduce and/or discuss the RLF program benefits
- Set up booths at and attend business fairs to promote the Compton RLF program
- Host Bi-weekly funding opportunity meetings with local businesses.

Finally, the CAP outlines actions and strategies to reduce the RLF loan delinquency and default rate, which in general consist of discharging loans in default in excess of 90 days. The plan also outlines outreach and marketing strategies to promote the program to local businesses, with better oversight from Economic Development staff members.

RECOMMENDATION:

Staff recommends that the City Council adopts the attached resolution certifying that the City of Compton's Commercial Revolving Loan Fund (RLF) program operated according to the requirements of the U.S. Department of Commerce Economic Development Administration during the 2008-2009 Fiscal Year.
