# Relay board
RP0 / RPT0

RP0 - Art. No.: 460150
RPT0 - Art. No.: 460151

Manual

CE

Relay board - RP0

- Controllable with 12 or 24 VDC
- 2 changeover contacts (30V/2A)
- Protective diode and LED indication (green)
- Board dimensions (HxW): 38x34 mm
- Incl. 3 self-adhesive spacers for quick mounting
- Power consumption: at 8-17 VDC/10-23 mA
                          at 17-30VDC/11-18 mA
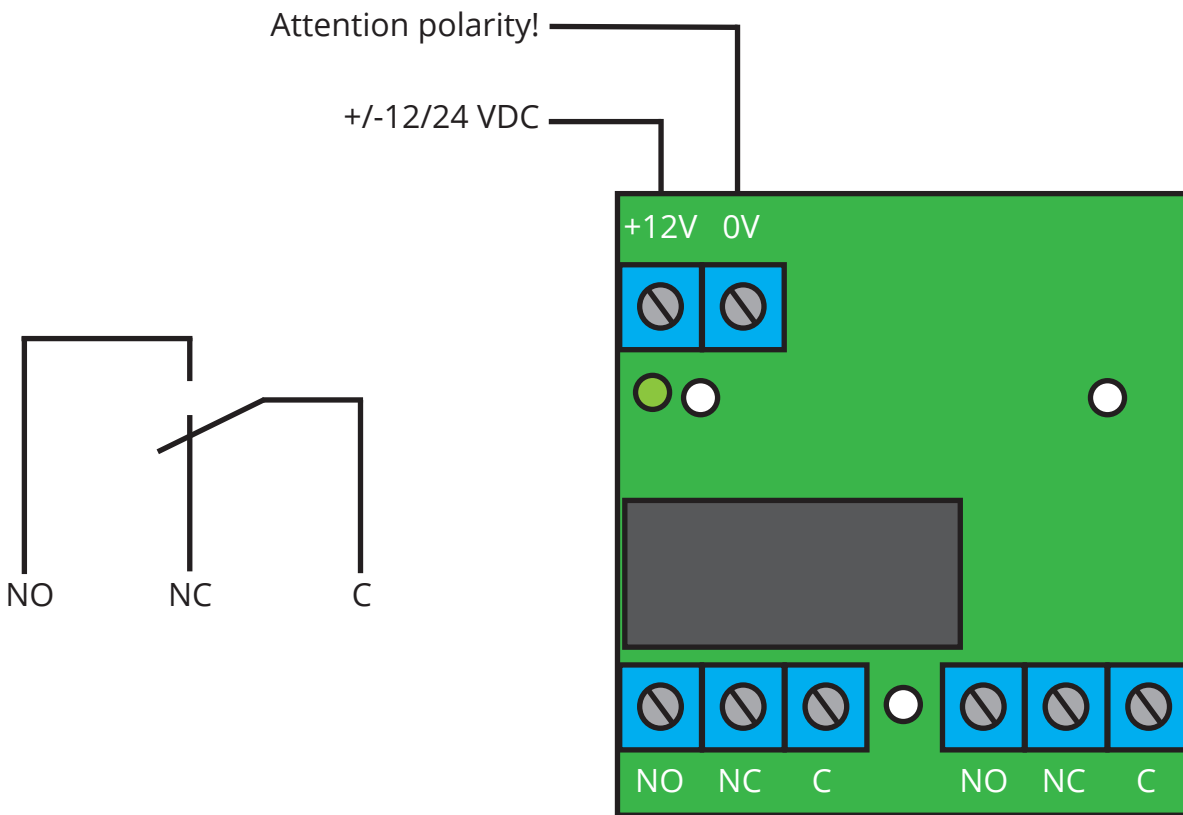

Relay board - RPT0

- Controllable with 12 or 24 VDC
- 2 changeover contacts (30V/2A)
- Protective diode and LED indication (green)
- Board dimensions (HxW): 38x34 mm
- Incl. 3 self-adhesive spacers for quick mounting
- Input amplifier, controlled by + and/or -
- Drive current <1 mA
- Power consumption: at 8-17 VDC/10-23 mA
                          at 17-30 VDC/11-18 mA
