## About The Furniture

Made by the Amish in Holmes County, Ohio

Poly lumber furniture is cost effective, consistent, and the beautiful appearance will enhance the value of your home or business and will provide years of carefree enjoyment. It is great for the outdoors, maintenance free, termite resistant, UV stabilized, and will not promote bacterial growth or mildew.

Made From Recycled Milk Jugs

Our poly lumber is made almost entirely out of milk jugs. This makes for strong furniture and a healthier environment!

Made with Stainless Steel Hardware

Our furniture is reinforced with marine grade stainless steel hardware and aluminum that is resistant to rust and corroding.
