424 LAWN AERATOR

This machine is simple to use and features a working width of nearly 18" to aerate over 20,000 square feet per hour. The 424 is easy to maneuver, while the built-in lift handles and removable front weights assist in the loading process. The clutch lever is integrated into the folding handle, and easy-to-use depth controls give precise and consistent coring depths up to 3".

Little Wonder walk-

behind Blower is the fastest way to move leaves and debris, especially if the leaves are wet, deep, or cover a large area.

PR22 POWER RAKE

The PR22 operates as a power rake using a flail blade reel with a 5.5 hp engine

LITTLE WONDER HEDGE

TRIMMER Double edge; Cuts 1/2" diameter fresh growth; Tough, hardened steel blades; Two-handed switching and double insulation

S22 SEEDER

The S22 Seeder is well balanced and portable thanks to the placement of the seed hopper and its folding handle. The 30-lb capacity polymer hopper features a site window and is mounted at the rear to ensure easier maneuverability and minimal seed damage during overseeding. The seed gate is adjustable to accommodate a broad range of grass seed.

Milwaukee 16" Electric

Chain Saw Lightweight Quiet Smooth Running Motor Instant Starting Even In Freezing Temperatures No Flammable Fuel Required ...

HUSQVERNA 326L

Lightweight, versatile string trimmer packs a durable 1.2 HP high-torque engine to meet all your landscaping needs.

Little Wonder

Commercial Edger cut up to 90 ft. per minute! These contractor-tough time savers are as rugged as they are easy to operate.

HUSQVERNA 55 RANCHER

20" Gas-Powered Chainsaw, 3.4CUIN (56CC), 2 Cycle Engine, Dual Action Chain Brake & LowVib Features For Added Safety.

Little Wonder High

Performance Vacuum clears and collects stones, bottles, cans, leaves, and other debris that would normally have to be swept up by hand. The top-loading bag compacts better than other leaf and debris vacs. Excellent for residential cleanup, industrial applications, commercial sites and parking lots.

Turf Revitalizer

Overseeder is the best and easiest to use overseeder available. Has a 9hp Subaru engine, 0-3 mph hydrostatic drive, 11" pneumatic tires, 40lb seed hopper capacity with a seeding width of 20 inches. Overall width 30.5 inches.

Billy Goat Outback

Brushcutter will clear overgrown property easily without the use of handheld cutters, sickle mowers or chain saws. This walk-behind brush cutter clears a 2-ft.-wide path through brush, grass and weeds up to 8 ft. tall, saplings as thick as 1½" in diameter and other dense vegetation at the rate of 2/3 acre per hour.

Bachtold Walk Behind

28" High Wheel Brush Cutter Mower has a 8HP Honda OHV engine with oil alert. Noram blade-brake clutch. 26" rim, 16 ga., with gripper bead, 3/8" spokes. Industrial diamond tread tire with gripper bead, 130 lbs per square inch.

Bachtold Bros. Hydraulic

Log Splitter. Our heavy-duty splitter has the power of a 4-inch cylinder and 22 tons of force at 2500 psi, splitting logs up to 26" with ease. Standard 2" ball hitch receiver.

The BCS 722 Rear Tine Tiller

has a 6.5hp Honda Engine that has a 26 inch box. This unit has two speeds and can turn the tines 10 times per revolution of the wheel.

Powertek Log Splitter

Works in horizontal or vertical positions and with 20 tons of force it makes splitting wood an easy choir.

MerryMac Stump Cutter

is compact and portable with a reversible handle bar for front or rear cutting. The cutter head is set thirty degrees off vertical to allow for smooth cutting of the stump rather than grinding the stump.
