PUBLIC UTILITIES COMMISSION

Docket No. 2022-00152

September 7, 2022

CENTRAL MAINE POWER COMPANY  
Request for Approval of Distribution Rate  
Increase and Rate Design Changes  
Pursuant to 35-A M.R.S. § 307

PROCEDURAL ORDER  
(Case Schedule)

On August 22, 2022, the Examiners published a case schedule in this matter. That schedule has not changed. However because of a series of interventions since that date, the Examiners are re-publishing the schedule.

While the intervention requests of Nicholas Issac Alexander, AARP, Local # 1839 of the IBEW and Our Power have not yet been granted (because the deadline for any objections has not yet passed) the Examiners point to the data request deadline of September 15, 2022 and suggest that these proposed intervenors prepare for that deadline in the event that they are made parties. This will avoid delays in the schedule.
