DOCKET NO. 2025-UN-34

**IN RE: GREAT RIVER UTILITY OPERATING COMPANY, LLC 2025 FRP
ANNUAL REPORT FOR WATER OPERATIONS IN ITS
CERTIFICATED AREAS OF MISSISSIPPI**

ORDER

There came on for consideration by the Mississippi Public Service Commission (“Commission”) a compliance filing by Great River Utility Operating Company, LLC (“Great River”) presenting its compliance tariff to effectuate the changes in rates required by the Commission’s June 17, 2025 Order in this docket. The Commission’s Order adopted in full Proposal No. 4 of the Supplemental Water FRP Annual Report filed in this docket on June 9, 2025. Pursuant to the Commission’s Order, Great River was required to submit its compliance filing with the Commission. Great River filed its compliance filing on June 18, 2025, and amended its compliance filing on June 24, 2025. As part of its Proposal No. 4, Great River inadvertently submitted tariff pages that included incorrect information related to Non-Residential Service. The intent of Proposal No. 4 was to effectuate no rate increase on Non-Residential Service, which, because of a typo, was not presented in the Company’s originally proposed rate schedules. This error has been corrected by the Company’s amended compliance filing. No party objects to the amended compliance filing, and the Mississippi Public Utilities Staff has reviewed and approved the Company’s amended tariff submission as required by RP 9.113(7) of the Commission’s Public Utilities Rules of Practice and Procedure.

IT IS THEREFORE, ORDERED that Great River’s amended compliance filing dated July 24, 2025 is approved and Great River’s revised rate schedules and tariffs are consistent with the

orders of this Commission and hereby approved as just and reasonable. Great River is directed to begin billing the compliance rates with the first billing cycle of July 2025. This order shall be effective upon issuance and shall be deemed issued on the day it is served upon the parties herein.

DATED this the 11th day of July, 2025.

MISSISSIPPI PUBLIC SERVICE COMMISSION

Katherine Collier, Executive Secretary

Effective this the 11th day of July, 2025.
