Re: *Dominion Energy Utah's Replacement Infrastructure 2024 Annual Plan and Budget*; Docket No. 23-057-18

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed the June 18, 2024 filing by Enbridge Gas Utah (EGU)¹ of updates related to its Infrastructure Rate Adjustment Mechanism ("Filing"). The Filing was made pursuant to paragraph 22.b of the Partial Settlement Stipulation ("Stipulation") approved by the PSC on February 21, 2014 in Docket No. 13-057-05, which requires EGU to file, with the PSC, updates to certain pipeline lists and schedules in the docket associated with that year's annual budget filing. Pursuant to the PSC's February 25, 2020 Report and Order in Docket No. 19-057-02, the updates are due by June 30 of each year.

The PSC also reviewed the July 5, 2024 Action Request Response filed by the Division of Public Utilities (DPU). DPU recommends the PSC acknowledge the Filing as compliant with the PSC orders referenced above. According to DPU, the information in the Filing complies with paragraph 22.b of the Stipulation.

¹ EGU is the successor utility of Dominion Energy Utah (DEU) as part of a transaction for the sale of DEU to Enbridge Quail Holdings, LLC, which was approved by the PSC. See *Joint Application of Questar Gas Company d/b/a Dominion Energy Utah and Enbridge Quail Holdings, LLC for Approval of the Proposed Sale of Fall West Holdco, LLC to Enbridge Quail Holdings, LLC*, Docket No. 23-057-16, Order Approving Settlement Stipulation, issued May 16, 2024.

Docket No. 23-057-18
Acknowledgment Letter from the PSC
July 12, 2024

Based on the PSC's review of the Filing and DPU's comments and recommendation, the PSC acknowledges the Filing as compliant with the relevant PSC orders.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
