Nature Of Opinion

Docket Number: W-02023A-25-0087**Docket Position:** Against

You people are clueless! As most seniors affected by the destruction of our economy by the Biden era, many have to grow their own food to survive. So now you are almost doubling the rates for the water we need to eat. A small increase would be acceptable. Don't be so greedy! Your maint. and repair costs would not be so high if you would quit allowing water to be purchased by people who do not reside in the city limits!! Ken Farley
