Re: *En Banc* Hearing Concerning Interconnection and Tariffs for Large
Load Customers; Docket No. M-2025-3054271

Dear Ms. Luciano:

On April 12, 2025, the Pennsylvania Public Utility Commission issued a Secretarial Letter scheduling the above-referenced *en banc* hearing for Monday, April 24, 2025, at 1:00 p.m. The Secretarial Letter also set deadlines for interested parties to file comments and reply comments with the Commission regarding the “prudent design of a large load customer model tariff.” Comments are to be filed by Tuesday, May 27, 2025, and reply comments by Wednesday, June 11, 2025.

On May 12, 2025, the Energy Association of Pennsylvania (EAP) filed a letter requesting a 10-day extension to the comment and reply comment deadlines “to allow for further time to compile comments on the various topics raised in the initial Secretarial Letter, during the *En Banc* hearing, and posed in Vice Chair Barrow’s directed questions document filed on May 1, 2025.” EAP requests that the deadline for initial comments be extended to June 6, 2025, and the deadline for reply comments be extended to June 23, 2025. As of the date of this Secretarial Letter, no parties have filed objections to EAP’s request.

The Commission finds EAP’s stated reasons for the requested extension persuasive and hereby grants their request. Therefore, we shall extend the deadline for comments on the design of the large load customer model tariff to Friday, June 6, 2025. In addition, we will extend the deadline for reply comments to Monday, June 23, 2025.

Please direct any questions on this matter to James A. Mullins or Scott J. Thomas, Assistant Counsel, Law Bureau, at (717) 787-5978 or jamullins@pa.gov, or (717) 783-2812 or sjthomas@pa.gov, respectively.

Sincerely,
