Svedbergs Group AB (publ) ("Svedbergs Group") has today completed the acquisition of Thebalux Holding B.V. ("Thebalux") (the "Transaction"). Shareholders, who together represent approximately 65.9 percent of the shares and votes in the company, have expressed their support for the Transaction and have committed or expressed their intention to subscribe for their pro rata share of the rights issue that is intended to be carried out during the first quarter of 2024 and which refines part of the Transaction (the "Rights Issue").

Thebalux is a well-established Dutch designer, producer and supplier of bathroom furniture and bathroom products. The acquisition of Thebalux is in line with Svedbergs Group's strategy and constitutes an important step in Svedbergs Group's goal of becoming the leading bathroom group in northern Europe. At the completion of the acquisition, the fixed purchase price was set at EUR 50.6 million (corresponding to approximately SEK 578 million^[1]), which is based on an agreed enterprise value on a cash and debt free basis (enterprise value) as of the completion date of approximately EUR 45 million (corresponding to approximately SEK 514 million^[1]). In addition, an earn-out of a maximum of EUR 2.7 million (corresponding to approximately SEK 31 million^[1]) has been agreed upon, payable in 2026, subject to Thebalux's financial performance.

In order to meet the liquidity needs of the combined operations of Svedbergs Group and Thebalux, as well as to finance the acquisition of Thebalux, Svedbergs Group has secured an expansion of its credit facilities from Nordea amounting to SEK 550 million. In order to partially amortise credit facilities and to strengthen its capital structure after the acquisition of Thebalux, Svedbergs Group intends, in accordance with previous communication, to carry out a Rights Issue with preferential rights for existing shareholders of a maximum of approximately SEK 400 million during the first quarter of 2024. The main shareholder Stena Adactum AB, who represent approximately 40.6 percent of the shares and votes in Svedbergs Group^[2], has undertaken to vote in favour of authorising the board to resolve on the Rights Issue at the extraordinary general meeting and to subscribe for its pro rata share of the Rights Issue. Furthermore, If Skadeförsäkring AB and Nordea Fonder, who together

represent approximately 25.2 percent of the shares and votes in Svedbergs Group[2], have expressed their support for the Transaction and their intention to subscribe for their pro rata share of the Rights Issue. The terms and timetable for the Rights Issue are expected to be published during December 2023.

An extraordinary general meeting to authorise the board of directors to resolve on the Rights Issue will be held on 7 December 2023.
