

# Coventya Supplier Q&A

## **1. What does this mean for my existing Coventya/ MacDermid Enthone Industrial Solutions relationship?**

The combination of Coventya and MacDermid Enthone Industrial Solutions will ultimately allow us to grow our existing footprint and deliver a wider range of solutions more effectively to our customers. We will contact you directly with any changes as appropriate, but for now, we are not expecting any changes in the near term.

## **2. How does this benefit me?**

Both MacDermid Enthone Industrial Solutions and Coventya remain committed to investing heavily in innovative, fast-cycle R&D, and in customer technical support. We will continue to invest and support our growth and development to ensure we remain at the forefront of delivering innovative solutions to our customers, and we think you will see many positive benefits and new business opportunities of this integration over time.

### **3. Who should I contact with questions?**

For now, please continue to communicate through the same channels as previously. We will notify you of any changes to your business contacts as appropriate.

### **4. When will the transaction close?**

The transaction is expected to close before the end of 2021.

### **5. What will happen to our contracts?**

All aspects of business will continue as usual for the time being. There will be no immediate change to NDAs or other documentation currently in place.
