Reflex® Foam Mattress with Coolmax®

Reflex® Foam

Provides a resilient and supportive surface feel.

Washable Cover

Soft removable cover with Coolmax® performance fabric, washable at 40°C.

Hypo-allergenic

Dust mites cannot survive in the foam, allowing a healthy environment and peaceful sleep.

CoolMax®

Coolmax® fabric is a unique material used to keep the body cool whilst sleeping. Coolmax® is highly permeable which allows moisture from your body to be carried away and fresh air to reach your skin. This helps maintain your body temperature during sleeping, ensuring a comfortable night's sleep.

Turnable Mattress Core

Both sides can be used prolonging the life of the product. To do so, simply unzip and remove the cover, turn over the foam mattress core, and then put the cover back on again.

Reflex® Foam Mattress with Coolmax®

Size (W x L)	Depth	Weight
90 x 190cm (3' x 6'3")	18cm	

Storabed Mattress Features

Open Coil Spring Unit

192 in a 90x190cm (3ft) mattress.

The finest wire is used to produce a continuous link of open coil springs. This spring unit is strong and durable, and offers superb resilience for a traditional feel.

Regular Turn

Turn over and rotate every month for the first 3 months, then every 3 months thereafter.

Soft White Fibre

A dust free filling providing softness and resilience.

Resilient Foam

Provides a soft yet supportive feel.

Support Layer

A supportive layer of resilient fibres used above and below the spring unit to ensure adequate padding and an ideal foundation for the upholstery to be layered upon.

Quilted Mattress

Quilted sleeping surface and mattress borders to provide soft cushioning and added comfort.

Fabric

Finest quality Belgian Damask.
