

Sealy®

POCKET

All the Comfort of Pocket. All the Support of Posturepedic.

GENOA WOOL DELUXE

WOOL - 100% British wool that naturally regulates your body temperature.

COTTON - Soft and durable, uniquely absorbent and naturally breathable - to preserve your comfort throughout the night.

1400 individually responsive **pocket springs**.**

Powerpack provides added pressure relief.

Zoned mattress construction correctly supports and aligns the spine in its natural shape, helping to reduce aches and pains.

Patented **Unirail** design encases the springs and prevents the mattress from sagging.

Sealy Smart Fibres provide a cool, fresh, dry and hypoallergenic sleeping environment, endorsed by Allergy UK for the reduction of house dust mites.

Tencel® fibres optimise the absorption of moisture with excellent cooling properties. Tencel is 100% organic, the natural attributes do not give bacteria chance to grow, giving an irritation free sleeping environment.

Adaptive® is an intelligent textile which responds dynamically to environmental changes like temperature and moisture.

**Listed spring counts are based on a king size spring unit (measuring 150cm x 200cm). The number of springs will alter on a pro-rata basis dependent on mattress size and spring unit surface area.

Handmade by Sealy UK, Station Road, Aspatria, Cumbria CA7 2AS.
