Birlea® FURNITURE *making it happen...*

ASSEMBLY INSTRUCTIONS
4'6 CORONA HIGH END BED

IMPORTANT: READ THESE INSTRUCTIONS CAREFULLY BEFORE ATTEMPTING TO ASSEMBLE OR USE YOUR 4'6 CORONA HIGH END BED.

Assembly Instructions

- Please check contents and read instructions carefully before commencing assembly.
- To avoid damage assemble product on a soft, clean surface.
- The only tools required are a small mallet and screwdriver.
- Do not use power tools as this might damage the product and make it unsafe. This will also invalidate any claim.
- Assemble the product in accordance with instructions defined.
- It is recommended that two people handle and assemble product.
- This product is manufactured in pine which is a wood with natural characteristics including knots, grain and clusters or indentations.
- On unpacking the furniture you may notice an odour due to the production process. However, this will disappear after a period of time.
- For care and maintenance please refer to the attached details.

Care & Maintenance

- To enjoy your new furniture for many years please follow our recommendations below.
- Do not place product next to a radiator or direct sunlight. This product is manufactured in pine but is susceptible to temperature change. It is recommended that an even room temperature be maintained with no sudden temperature fluctuation.
- Do not place hot or cold items directly onto the surface. Always use a placemat or marking will occur.
- For general cleaning use a duster or damp cloth (almost dry) not wet
- Do not use soap and water, detergents, aerosol sprays or any polish. The use of the materials above would invalidate any claim.
- You might wish to re-treat the surface from time to time to maintain the original finish.
This can be done by using block wax (unperfumed). Please follow the manufacturer's instructions carefully.
- Carry out regular inspection to ensure fittings are secure. Please be careful not to over tighten fittings.
- Do not place furniture on wet or damp floor as staining may occur to your floor.
PARTS LIST		
Part	Item	Qty
1	Headboard panel	1
2	Footboard panel	1
3	Left headboard post	1
4	Right headboard post	1
5	Right footboard post	1
6	Left footboard post	1
7	Slat pack	26
8	Support leg	2
9	Side rail	2
10	Centre rail	1
11	Headboard rail	1

| HARDWARE LIST		
Part	Item	Qty
A	30mm dowel	10
B	40mm dowel	4
C	16mm Screw	8
D	35mm Screw	52
